5. (i) Further to Diageo plc's undertakings offered to UK's Office of Fair Trade (now called Competition and Markets Authority, UK), in January 2014, the Company's Board of Directors decided to initiate a process based on the outlined time-table provided in connection with the decision of the OFT to explore a potential sale of all or part of Whyte and Mackay. As a culmination of this process, subsequent to the year end, on 9 May 2014 the Company's wholly owned subsidiary, United Spirits (Great Britain) Limited (seller or USGBL) entered into a Share Sale and Purchase agreement (SPA) with Emperador UK Limited and Emperador Inc. in relation to the sale of the entire issued share capital of Whyte and Mackay Group Limited (WMG) for an Enterprise Value of £430 Million (calculated with a normalized level of working capital) from which deduction has been made for the payment of a warranty and indemnity insurance premium of £0.85 Million agreed between the seller and the purchaser. The Company has also obtained an opinion from a leading merchant banker and considers that the Enterprise Value is fair from a financial point of view of the Company.

(ii) The aggregate consideration for the sale of share capital of WMG payable to USGBL is approximately £429.15 Million ("Aggregate Consideration"), which is subject to adjustments following completion of the sale pursuant to the terms of the SPA ("Completion") reflecting : (a) movements in net working capital (above or below a pre-agreed threshold), net indebtedness and cash of the WMG between signing and Completion; and (b) an agreed sum of £ 19.2 Million in relation to the defined pension scheme deficit, net of pensions contributions for the period commencing April 1, 2014 ("Completion Accounts"). Further, the seller has given warranties and indemnities which are customary for a transaction of this nature and these are not currently expected to have any financial implication and will be reassessed at each reporting date.

**United Spirits Limited**  
**Audited Financial Results for the year ended, March 31, 2014**

**Notes Contd.:**

(iii) The financial closure of the proposed transaction as contemplated by the terms of the SPA (as may be amended and modified from time to time), is subject to satisfaction of certain conditions precedent.

(iv) The equity shareholders of the Company have approved the proposed sale of WMG by USGBL. The Company has filed an application with Reserve Bank India (through authorized dealer of the Company) for approval. Further to the signing of the SPA, the following provisions have been recorded as an exceptional item in the stand-alone and consolidated financial statements.

(a) The net proceeds of sale will be insufficient to fully repay the intra-USL Group. Accordingly, the Company has recorded provision of Rs.3,614.24 Crores against the intra-USL Group Loan and has also recorded provision of Rs.2.22 Crores for diminution in the value of investment in USL Holdings Ltd., BVI in the stand-alone financial statements.

Provision for loans given (net of FCTR balance of Rs.937.85 Crores)	3,614.24
<b>Total</b>	<b>3,616.46</b>

The aggregate provision recorded in the stand alone financial statements amounts to Rs.4,321.63 Crores and has been disclosed as an exceptional item.

(b) Corresponding to the provision for doubtful advances and diminution in the value of investments recognised in the stand alone financial statement and impairment loss of Rs.3,235.73 Crores on goodwill of WMG, Palmer Investment Group Limited and Montrose International SA has been recognised in the Consolidated financial statement. This impairment loss is presented as an exceptional item.

(v) WMG represented significant geographical area of operation accounting for nearly 18% of the group income and qualifies as discontinuing operations under AS 24 Discontinuing Operations. Accordingly the net loss after Tax amounting to Rs.3,047.77 Crores of the Discontinuing Operations for the year ended March 31, 2014 has been disclosed separately in the Consolidated Financial Results of the Company. These dues were duly confirmed by such parties as payable to the Company in such earlier years. However, such parties have now disputed such amounts as mentioned above. Details are as below:

In response to these claims, under the instruction of the Board, a preliminary internal inquiry was initiated by the Management. The results of this inquiry were as follows:

(i) One party (which falls under (a) above), who owes certain amounts to the Company, has disputed an amount of Rs. 224.07 Crores (including interest claimed by it as due from an alleged UB Group entity), alleging that it had advanced monies to such alleged UB Group entity based on an understanding that, to the extent of the amounts owed to it from such alleged UB Group entity in respect of such advance, it could withhold from the amounts payable by it to the Company, and such party has said that it would not pay its dues to the Company to the extent of the amounts claimed by it from such alleged UB Group entity as mentioned above, unless it received repayment of the amount advanced by it to such alleged UB Group entity along with interest.

(ii) Certain parties (which fall under [(a) and (b)] above), who owe certain amounts to the Company, have disputed an aggregate amount of Rs. 98.45 Crores (including interest claimed by them as due from certain alleged UB Group entities), alleging that they had advanced monies to such alleged UB Group entities and that, to the extent of such dues from such alleged UB Group entities, they would not repay the amounts owed by them to the Company unless they received repayment of the amounts advanced by them to such alleged UB Group entities.

**United Spirits Limited**  
**Audited Financial Results for the year ended March 31, 2014**

**Notes Contd.:**

(iii) Certain other parties (which fall under [(b) and (c)] above) changed their original stand and acknowledged that their dues from the alleged UB Group entities were based on transactions that were independent of their dealings with the Company. These parties have subsequently provided appropriate confirmations of the relevant balances due from them to the Company. The related balances are Rs. 268.18 Crores.

(iv) In addition to the above, there is an additional party, being a TMU, whose allegations are on a similar basis to those of the parties mentioned at (iii) above and who has subsequently provided an appropriate confirmation of the balance due from it to the Company. However, this party's undertaking has closed down and the related balance of Rs. 64.85 Crores (including interest) has been provided in the current year.

(v) The claims made in relation to the advances to the parties (including the additional party) mentioned above may indicate that all or some of such amounts may have been improperly advanced from the Company to such parties for, in turn, being advanced to the alleged UB Group entities. The aforesaid, however can only be confirmed by a detailed inquiry which has been authorized by the Board as mentioned below.

(vi) The Company is proposing to more fully inquire into the allegations or claims by the parties in detail and does not acknowledge the correctness of the same. In any event, the Management does not believe that the parties referred to above are entitled to withhold payment / repayment to the Company as claimed by them. The Management further believes that the Company is entitled to recover all the above amounts, including those disputed by certain parties as mentioned in notes (i) and (ii) above, as and when due from these parties. However, the Management has also examined the financial capability of some of these parties, based on which the Management has concluded that the ability of these parties to pay, and consequently the recoverability of, the relevant amounts is doubtful. After considering the above and other considerations and though the above claims were received only when the Company sought balance confirmations from the relevant parties for the year ended 31 March 2014, as a matter of prudence, a provision has been made in the accounts in respect of the dues from these parties (including interest claimed up to the various dates of the balance confirmations from these parties) as detailed below, and as these transactions relate to the period prior to 1 April 2013 they have been reflected as prior period items in the financial statements:

Nature of Parties	Rs. Crores
	Amount
(a) Debtors	230.02
(b) TMUs	269.53
(c) Project related parties	150.00
	<b>649.55</b>

Based on the current knowledge of the Management, the Management believes that the aforesaid provision is adequate and no additional material adjustments are likely to be required in relation to this matter.

As mentioned in Note 10 below, the Board has: (i) directed a detailed and expeditious inquiry into this matter and (ii) authorized the initiation of suitable action and proceedings as considered appropriate by the Managing Director and Chief Executive Officer (MD) for recovering the Company's dues. Appropriate other action will also be taken commensurate with the outcome of that inquiry.

Pending completion of the inquiry mentioned in these notes, the Company is unable to determine whether, on completion of the inquiry, there could be any impact on these financial statements; and these financial statements should be read and construed accordingly.

8. (i) Certain pre-existing loans / deposits / advances due to the Company and its wholly-owned subsidiaries from United Breweries (Holdings) Limited (UBHL) which were in existence as on March 31, 2013, had been taken into consideration in the consolidated annual accounts of the Company drawn up as of that date. Pursuant to a previous resolution passed by the board of directors of the Company on 11 October 2012, such dues (together with interest) aggregating to Rs. 1337.40 Crores were consolidated into, and recorded as, an unsecured loan by way of an agreement entered into between the Company and UBHL on 3 July 2013. Further, the amounts owed by UBHL to wholly-owned subsidiaries have been assigned by such subsidiaries to the Company and are recorded as loan from such subsidiaries in the books of the Company. The merger of one of such subsidiaries with the Company is currently under process. The interest rate under the above mentioned loan agreement dated 3 July 2013 is at 9.5% p.a. to be paid at six months intervals starting at the end of 18 months from the effective date of the loan agreement. The loan has been granted for a period of 8 years and is payable in three annual installments commencing from the end of 6<sup>th</sup> anniversary of the effective date of the loan agreement.
- (ii) Certain lenders have filed petitions for winding up against UBHL. UBHL has provided guarantees to lenders and other vendors of Kingfisher Airlines Limited (KFA), a UB Group entity. Most of these guarantees have been invoked and are being challenged in Courts. The Company has also filed its affidavit opposing the aforesaid winding up petitions and the matter is sub-judice.
- (iii) The Management has performed an assessment of the recoverability of the loan and has reviewed valuation reports in relation to UBHL prepared by reputed independent valuers that were commissioned by UBHL, and shared by UBHL with the Company. As a result of the abovementioned assessment and review by the Management, in accordance with the recommendation of the Management, the Company, as a matter of prudence, has not recognized interest income of Rs. 96.31 Crores and has provided Rs. 330.32 Crores towards the principal outstanding as at 31 March 2014. The Management believes that it should be able to recover, and no further provision is required for the balance amount of Rs. 995.68 Crores, though the Company will attempt to recover the entire amount of Rs. 1422.31 Crores. However, the Management will continue to assess the recoverability of the said loan on an ongoing basis.

**Notes Contd.:**

9. Subsequent to the balance sheet date, the Company received a letter dated 5 May 2014 from the lawyers of an entity (Alleged Claimant) alleging that it had given loans amounting to Rs.200 Crores to KFA at an interest rate of 15% p.a. purportedly on the basis of agreements executed in December 2011 and January 2012. This matter came to the knowledge of the Board for the first time only after the Management informed the Board of the letter dated 5<sup>th</sup> May 2014. The letter alleges that amongst several obligations under these purported agreements, certain investments held by the Company were subject to a lien, and requires the Company, pending the repayment of the said loan, to pledge such investments in favour of the Alleged Claimant to secure the aforesaid loans. The Company has responded to this letter received from the lawyers of the Alleged Claimant vide its letter dated 3 June 2014, wherein the Company has disputed the claim and denied having created the alleged security or having executed any document in favour of the Alleged Claimant. The Company has reiterated its stand vide a follow-up letter dated 28 July 2014 and has asked for copies of purported documents referred to in the letter dated 5<sup>th</sup> May 2014. Subsequent to the above, the Company has received a letter dated 31 July 2014 from the Alleged Claimant stating that in light of certain addendums to the aforesaid purported agreements (which had inadvertently not been informed to their lawyers) the Alleged Claimant has no claim or demand of any nature whatsoever against *inter alia* the Company, including any claim or demand arising out of or connected with the documents / agreements referred to their lawyer's letter dated 5 May 2014. The Company has replied to the Alleged Claimant vide a letter dated 6 August 2014, noting the above mentioned confirmation of there being no claim or demand against the Company, and asking the Alleged Claimant to immediately provide to the Company all the alleged documents referred to in the letter dated 5 May 2014 and the addendum referred to in the letter dated 31 July 2014, and to also confirm the identity and capacity of the signatory to the letter dated 31 July 2014.

Subsequently, in September 2014, the Company obtained scanned copies of the purported agreements (including the purported power of attorney) and various communications between KFA and the Alleged Claimant. These documents indicate that while the purported agreements may have sought to create a lien on certain investments of the Company, subsequently, the Alleged Claimant and KFA sought to negotiate the release of the purported obligation to create such lien, which was formalised vide a second addendum in September 2012.

The Management has verified from a perusal of the minutes of meetings of the board of directors of the Company that the board of directors of the Company at the relevant time had not approved or ratified any such purported agreement. The Management has represented to the Board that till the receipt of scanned copies of the purported agreements in September 2014, the Company had no knowledge of these purported agreements. The Management, based on legal advice received, does not expect any liability or obligation to arise on the Company out of these purported agreements.

10. The Board has directed a detailed and expeditious inquiry in relation to the matters stated in Notes 7 to 9 above, the possible existence of any other transaction of a similar nature; the role of individuals involved; and potential non-compliance (if any) with the provisions of the Companies Act, 1956 and other regulations applicable to the Company in relation to such transactions. The Board has directed the Managing Director ("MD") to engage independent advisers and specialists as required for the inquiry. The Board has also authorized the MD to take suitable action and proceedings as considered appropriate by him for recovering the Company's dues. Appropriate other action will also be taken commensurate with the outcome of that inquiry. On the basis of the knowledge and information of the Management, the Management believes that no additional material adjustments to the financial statements are likely to be required in relation to the matters mentioned above in this note. However, pending completion of the detailed inquiry mentioned above, the Company is unable to determine the impact on the financial statements (if any), on completion of such detailed inquiry, and these financial results should be read and construed accordingly.

11. The credit facilities sanctioned by one of the Company's bankers include a special covenant that needs to be complied by 30 September 2014. On the due date, if the condition remains unsatisfied, the credit facilities will be withdrawn. The fund-based and non fund-based working capital limits available from this bank are Rs. 325 Crores and Rs. 50 Crores respectively. There are ongoing discussions with the bank to address the issue. In any event, the Management believes that the Company is in a position to meet its funding requirement.
12. During the year ended 31 March 2014, the Company decided to prepay credit facilities availed in the earlier years from a bank amounting to Rs. 621.66 Crores, secured by assets of the Company and pledge of shares of the Company held by the USL Benefit Trust. The Company deposited a sum of Rs. 628.00 Crores including prepayment penalty of Rs. 4.0 Crores with the bank and instructed the bank to debit the amount from the cash credit account towards settlement of the loan and release the assets / shares pledged by the Company. The bank, however, disputed the prepayment and continues to debit the account towards the installments and interest as per the loan agreement. The Company has disputed the same and a petition is pending before the Honourable High Court of Karnataka. Pending resolution of such dispute with the bank, the loan amount and balance available in cash credit account is presented on net basis in the financial statements as at 31 March 2014. The interest amounting to Rs.27.60 Crores debited by the bank has been disclosed as Contingent Liability under the Miscellaneous claims not acknowledged as debts.
13. The Statutory Auditors have audited the accompanying Statement of Audited Financial Results ('the Statement') of United Spirits Limited ('the Company') for the year ended 31 March 2014, attached herewith, being submitted by the Company pursuant to the requirements of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management. The Statutory Auditor's report is being filed with the Bangalore Stock Exchange Limited (BgSE), National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).
14. The Statutory Auditors have qualified their opinion in relation to the matters specified in Note 7 to 10 as follows:
  - a. **Auditor's observations under Paragraph 5 of the Auditor's report to the financial results** ("the Statement") : *As stated in Note 7 to the Statement, certain parties who had previously given the required undisputed balance confirmations for the year ended 31 March 2013, alleged during the current year, that they have advanced certain amounts to certain alleged UB Group entities and linked the confirmation of amounts due to the Company to repayment of such amounts to such parties by the alleged UB Group entities. Also, some of these parties stated that the dues to the Company will be paid / refunded only upon receipt of their dues from such alleged UB Group entities. These dues of such parties are on account of advances by the Company in the earlier years under agreements for enhancing capacity, obtaining exclusivity and lease deposits in relation to Tie-up Manufacturing Units; agreements for specific projects; or dues owing to the Company from customers. These claims received in the current year may indicate that all or some of such amounts may have been improperly advanced from the Company to such parties for, in turn, being advanced to the UB Group entities. However, this can only be confirmed after a detailed inquiry. Based on the findings of the preliminary internal inquiry by the Management, under the instructions of the Board of Directors; and Management's assessment of recoverability, an aggregate amount of Rs. 6,495.5 million has been provided in the Statement and has been disclosed as prior period items. Based on its current knowledge, the Management believes that the aforesaid provision is adequate and no additional material adjustments to the Statement are likely to be required in relation to this matter. As stated in paragraph 8 below, the Board of Directors have instructed the Management to undertake a detailed inquiry into this matter. Pending such inquiry, we are unable to comment on the nature of these transactions; the provision established; or any further impact on the Statement.*

**Audited Financial Results for the year ended March 31, 2014**

**Notes Contd.:**

**Directors' Response:** Information and explanation on the qualification on paragraph 5 of the audit report is provided in Note 7 to the Statement. In particular, as stated in Note 7, the transactions referred to in the said Note are on account of amounts that were advanced by the Company in the earlier years and were duly confirmed by the relevant parties as payable to the Company in such earlier years, but were disputed by such parties for the first time when the Company sought balance confirmations from them for the year ended 31 March 2014. This was brought to the attention of the Board after 31 March 2014. Accordingly, as mentioned in Note 7, as a matter of prudence, the amounts mentioned in the Note 7 have now been provided for. Since the transactions referred to in the said Note 7 were entered in to prior to 31 March 2013, they have been reflected as prior period items in the financial statements.

Further, as mentioned in Note 10, the Board has: (i) directed a detailed and expeditious inquiry into this matter and (ii) authorized the initiation of suitable action and proceedings as considered appropriate by the Managing Director and Chief Executive Officer (MD) for recovering the Company's dues. Appropriate other action will also be taken commensurate with the outcome of that inquiry.

**b. Auditor's observations under Paragraph 6 of the Auditor's report to the financial results :** *As stated in Note 9 to the Statement, subsequent to the balance sheet date, the Company received a letter dated 5 May 2014 from the lawyers of an entity (Alleged Claimant) alleging that the Alleged Claimant had advanced loans amounting to Rs 2,000 million to Kingfisher Airlines Limited (herein after referred to as "KFA"), a UB Group entity, in an earlier year on the basis of agreements, executed in December 2011 and January 2012, through which the Company was alleged to have created a lien on certain investments in favour of the Alleged Claimant as security for the aforesaid loans. The letter alleged that KFA had defaulted in repayment of the aforesaid loans as well as interest of Rs. 790 million due thereon and demanded that the Company should pay the aforesaid amounts and pending such repayments, create a valid pledge on the specified investments. The Company responded to the aforesaid letter vide its letters dated 3 June 2014 and 28 July 2014, wherein the Company denied knowledge of the purported loan transactions and the purported agreements for the creation of security on such investments held by the Company. A letter dated 31 July 2014 was received from the Alleged Claimant wherein they have stated that the notice sent earlier did not take into account an addendum to the loan agreement; and after examining the aforesaid addendum, they have no claim or demand of any nature against the Company. In September 2014, scanned copies of the purported agreements and certain related documents were furnished to the Company.. These documents indicate that while the agreements may have sought to create a lien on certain investments of the Company; subsequently, the Alleged Claimant and KFA sought to negotiate the release of the lien, which was formalised vide a second addendum in September 2012.*

*The Management has represented to us that the Company had no knowledge of these purported agreements; that the Board of Directors of the Company have not approved any such purported agreements; and it is not liable under any such purported agreements. We are unable to conclude on the validity of these agreements; any required compliance with the provisions of the Companies Act, 1956; and any consequential impact of the same.*

**United Spirits Limited**  
**Audited Financial Results for the year ended March 31, 2014**

**Notes Contd.:**

**Directors' Response :** Information and explanation on the qualification at paragraph 6 of the audit report is provided in Note 9 to the Statement. In particular, as stated in Note 9, the claim is based on documents purportedly executed by the Company in the months of December 2011 and January 2012. However, the claim was received by the Company only after the year ended 31 March 2014. This matter was only thereafter brought to the knowledge of the Board by the Management. A letter dated 31 July 2014 was received from the Alleged Claimant wherein they have stated that the notice sent earlier did not take into account an addendum to the loan agreement; and after examining the aforesaid addendum, they have no claim or demand of any nature against the Company. Subsequently, in September 2014, the Company obtained scanned copies of the purported agreements (including the purported power of attorney) and various communications between KFA and the Alleged Claimant. These documents indicate that while the purported agreements may have sought to create a lien on certain investments of the Company, subsequently, the Alleged Claimant and KFA sought to negotiate the release of the purported obligation to create such lien, which was formalised vide a second addendum in September 2012.

The Management has verified from a perusal of the minutes of meetings of the board of directors of the Company that the board of directors at the relevant time had not approved or ratified any such documents. Accordingly, the Company has, in its responses to the Alleged Claimant, disputed the alleged claim and denied having created the alleged security or having executed any document in favour of the Alleged Claimant. Further, the Management, based on legal advice received, does not expect any liability or obligation to arise on the Company out of these allegations.

**c. Auditor's observations under Paragraph 7 of the Auditor's report to the financial results :** As stated in Note 8 to the Statement, the Company and its subsidiaries had various pre-existing loans / advances / deposits due from United Breweries (Holdings) Limited (hereinafter referred to as "UBHL"). During the current year, pursuant to a previous resolution passed by the Board of Directors on 11 October 2012, these dues (together with interest) were consolidated into an unsecured loan aggregating Rs 13,374 million vide an agreement dated 3 July 2013. The loan has been granted for a period of 8 years with a moratorium period of 6 years. Certain lenders have filed petitions for winding-up against UBHL. UBHL has provided guarantees to lenders and other vendors of Kingfisher Airlines Limited, which have been invoked and are currently being challenged in courts. The Company has also filed its affidavit opposing the aforesaid winding-up petition and the matter is sub-judice. Based on its assessment of the recoverability of the loan, the Company has made a provision of Rs 3,303 million against the loan outstanding and has not recognised the interest income of Rs 963 million on the loan. Given the various uncertainties involved with respect to the litigations involving UBHL as aforesaid and the extended period for repayment of the loan, we are unable to comment on the level of provision established.

**Directors' Response :** Information and explanation on the qualification at paragraph 7 of the audit report is provided in Note 8 to the Statement. In particular, as stated in Note 8, the Management has performed an assessment of the recoverability of the loan and has reviewed valuation reports in relation to UBHL prepared by reputed independent valuers that were commissioned by UBHL, and shared by UBHL with the Company. As a result of the abovementioned assessment and review by the Management, in accordance with the recommendation of the Management, the Company, as a matter of prudence, has not recognized interest income of Rs. 96.31 Crores and has provided Rs. 330.32 Crores towards the principal outstanding as at 31 March 2014. The Management believes that it should be able to recover, and no further provision is required for the balance amount of Rs. 995.68 Crores, though the Company will attempt to recover the entire amount of Rs. 1422.31 Crores. However, the Management will continue to assess the recoverability of the said loan on an ongoing basis.

**Notes Contd.:**

Further, the Board has directed the management to review the underlying loan agreement(s) and / or other relevant documents ("Loan Documents"), to *inter-alia* assess: (i) whether any event of default(s) under the Loan Documents has occurred on the part of UBHL; (ii) the legal rights and remedies which the Company has under the Loan Documents; (iii) whether the Company should invoke any of the remedies available to it under the Loan Documents (including recalling of the entire loan); and (iv) whether there is any scope of renegotiating the terms and conditions under the Loan Documents.

In this regard, the management should expeditiously take all the necessary steps to fully protect the interest of the Company and shareholders.

**d. Auditor's observations under Paragraph 8 of the Auditor's report to the financial results :** *As stated in Note 10 to the Statement, the Board of Directors have instructed the Management to undertake a detailed inquiry in relation to the matters stated in the paragraphs 5, 6, and 7 above; the possible existence of any other transaction of a similar nature; the role of individuals involved; and potential non-compliance (if any) with the provisions of the Companies Act, 1956 and other regulations applicable to the Company. The Board has also instructed the Management to engage independent advisers and specialists, as required, for the inquiry. As the inquiry is yet to be carried out, we are unable to comment on any further adjustment that could be identified as a result of the inquiry; its resultant impact on the Statement; and any potential non-compliances with the provisions of the Companies Act, 1956 and other regulations.*

**Directors' Response :** Information and explanation on the qualification at paragraph 8 of the audit report is provided in Note 10 to the Statement. In particular, as stated in Note 10 above, in addition to commissioning the inquiry, the Board has also authorized the MD to take suitable action and proceedings as considered appropriate by him for recovering the Company's dues. Appropriate other action will also be taken commensurate with the outcome of the inquiry commissioned by the Board. On the basis of the current knowledge and information of the Management, the Management believes that no additional material adjustments to the financial statements are likely to be required in relation to the matters mentioned above in Note 7 to Note 9. However, pending completion of the detailed inquiry mentioned above, the Company is unable to determine whether, on completion of such detailed inquiry, there could be any impact on the financial statements.

**e. Auditor's observations under Paragraph 9 of the Auditor's report to the financial results :** *Though the observations in paragraph 5 above relate to claims received in the current year, the underlying transactions were entered into in earlier years. Accordingly, the financial statements of those earlier years and consequently the opening balances may be incorrectly stated to that extent. Further, the detailed inquiry as referred to in paragraph 8 above may result in further adjustments that may have an impact on the opening balances.*

**Notes Contd.:**

**Directors' Response :** Information and explanation on the qualification at paragraph 9 of the audit report is provided in Note 7 to the Statement. In particular, as stated in Note 7, while the claims referred to in Note 7 were received only when the Company sought balance confirmations from the relevant parties for the year ended 31 March 2014, the transactions referred to in the said Note were entered in to prior to 31st March 2013 and therefore, they have been reflected as prior period items in the financial statements. Further, as stated in Note 7(vi), the Management has stated to the Board that, on the basis of their current knowledge, no additional material adjustments to the financial statements are likely to be required in relation to the matters mentioned in the said Note. As mentioned in Note 10, the Board has commissioned the inquiry referred to in Note 10. Upon completion of the inquiry, the Board will consider impact on the financial statements, if any.

**15 (a) Auditors observation under Paragraph (iii)(a) of Annexure to the Auditor's Report:**

According to the information and explanations given to us, the Company has granted an unsecured loan to a company covered in the register maintained under Section 301 of the Companies Act, 1956 ('the Act') by way of conversion of certain pre-existing loans / advances / deposits due to the Company and its subsidiaries (refer paragraph 3 under 'basis for qualified opinion'). The year-end balance of the loan and the maximum amount outstanding during the year amounted to Rs. 13,374 million.

*Further, as mentioned in paragraph 1 under 'basis for qualified opinion', certain parties alleged that they have advanced certain amounts to certain alleged UB Group entities and linked the confirmation of amounts due to the Company to repayment of such amounts to such parties by the alleged UB Group entities. Also, some of these parties stated that the dues to the Company will be paid / refunded only upon receipt of their dues from such alleged UB Group entities. Considering the matters disclosed in paragraphs 1 and 4 of 'basis for qualified opinion', we are unable to comment whether any such arrangements represent transactions with any company/firm/ other party covered in the register maintained under Section 301 of the Act.*

**Directors' Response :** Information and explanation on the qualification at paragraph (iii)(a) of Annexure to the Auditor's report is provided in Note 7 to the Statement. On completion of such inquiry, appropriate action if any will be taken.

**15(b). Auditor's observation under Paragraph (iii)(b) of Annexure to Auditor's Report :**

*In our opinion, the rate of interest and other terms and conditions on which the above unsecured loan has been granted to the company covered in the register maintained under Section 301 of the Act as stated in sub-clause (a) above, are prima facie, prejudicial to the interest of the Company*

*Based on its assessment of recoverability, the Company has during the current year, made a provision of Rs 3,303 million against the loan and has not recognised any interest income (amounting to Rs 963 million on the said loan).*

**Notes Contd.:**

**15(d) Auditor's observations under Paragraph (iii)(d) of Annexure to Auditors Report:** According to the information and explanations given to us, in case of the unsecured loan granted to the company covered in the register maintained under Section 301 as stated in sub-clause (a) above, there is no overdue amount of more than Rupees one lakh in respect of the said loan.

*Considering the matters disclosed in paragraphs 1 and 4 under 'basis for qualified opinion', we are unable to comment whether there is overdue amount of more than Rupees one lakh in respect of any other loan, secured or unsecured, that may have been granted to any company/firm/ other party covered in the register maintained under Section 301 of the Act, as a result of the transactions disclosed in paragraphs 1 and 4 under 'basis for qualified opinion'.*

**Directors' Response :** The Management has certified to the Board that, on the basis of the Management's current information, particulars of contracts or arrangements that are required to be entered in the register maintained under section 301 of the Act have been so entered. As mentioned in Note 8 to the Statement, the Board has ordered a detailed and expeditious inquiry in relation to the matters disclosed in paragraphs 1 and 4 of 'Basis for qualified opinion' in the auditor's report. On completion of such inquiry, appropriate action, if any, will be taken.

**15(e) Auditor's Observation under Paragraph (iv) of Annexure to the Auditors Report:** In our opinion and according to the information and explanations given to us, and having regard to the explanation that purchases of certain items of inventories and fixed assets are for the Company's specialised requirements and suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventories and fixed assets and with regard to the sale of goods and services during the year.

Except for the matter discussed below, we have not observed any major weaknesses in the internal control system during the course of the audit.

*Considering the matters stated under 'basis for qualified opinion', we are unable to comment on the adequacy of the internal control system of the Company at certain points in time during the earlier years with respect to such instances as stated under 'basis for qualified opinion'.*

**Directors' Response :** The matters stated under 'basis for qualified opinion' relate to the period prior to 1 April 2013. The Management believes that the Company has an internal control system commensurate with the size of the Company and the nature of its business. The Board has instructed the Management that, depending on the outcome of the inquiry, further strengthening of the internal control system should be carried out, as may be required.

**15(f) Auditor's observation under Paragraph (v)(a) of Annexure to the Auditor's Report:** In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements entered into during the year referred to in Section 301 of the Act have been entered in the register required to be maintained under that Section.

**United Spirits Limited**  
**Audited Financial Results for the year ended March 31, 2014**

**Notes:**

*However, considering the matters stated under 'basis for qualified opinion', particularly paragraphs 1 and 4 thereof, we are unable to comment whether the particulars of any such contracts or arrangements that may result from the transactions disclosed under 'basis for qualified opinion' and that need to be entered in the register maintained under Section 301 of the Act, have been so entered.*

**Directors' Response :** The Management has certified to the Board that, on the basis of the Management's current information, particulars of contracts or arrangements that are required to be entered in the register maintained under section 301 of the Act have been so entered. As mentioned in Notes 7 to 9 to the Statement, the Board has ordered a detailed and expeditious inquiry in relation to the matters disclosed in paragraphs 1 and 4 of 'Basis for qualified opinion' in the auditor's report. On completion of such inquiry, appropriate action, if any will be taken.

**15(g) Auditor's observation under Paragraph (vii) of Annexure to the Auditor's Report:** In our opinion, the Company has an internal audit system commensurate with the size and nature of its business during the year, *except in relation to matters stated under 'basis for qualified opinion', where the internal audit system needs to be strengthened.*

**Directors' Response:** The matters stated under 'basis for qualified opinion' relate to the period prior to 1 April 2013. The Management believes that the Company has an internal audit system commensurate with the size of the Company and the nature of its business. The Board has instructed the Management that, depending on the outcome of the inquiry, further strengthening of the internal audit system should be carried out, as may be required.

**15(h) Auditor's observation under Paragraph (x) of Annexure to Auditor's Report:** *The accumulated losses of the Company at the end of the year are not less than fifty percent of its net worth. The Company has incurred cash losses in the financial year. However, no cash losses were incurred in the immediately preceding financial year.*

**Directors' Response:** The Board notes that the accumulated losses of the Company at the end of the year is 52% of its peak net worth in the previous four financial years. Therefore, the Company will be required to file a report under Section 23 of the Sick Industrial Companies (Special Provisions) Act, 1985 (**SICA**), The Board believes this report under Section 23 would arise as a technical requirement under SICA and does not reflect upon the long term prospects of the Company given the profitable nature of its business and as the accumulated losses are principally on account of exceptional items during the year.

**15(i) Auditor's Observation under Paragraph (xi) of Annexure to Auditor's Report:** In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to a bank or to any financial institution *except that in case of loans due to banks, principal amounting to Rs 410 million and interest amounting to Rs 474 million were repaid with a delay of up to 67 days and 37 days, respectively.* The Company did not have any outstanding debentures during the year.

**Directors' Response :** The Management has informed the Board that as of 31 March 2014, there were no outstanding defaults by the Company of any dues to a bank or any financial institution.

**United Spirits Limited**  
**Audited Financial Results for the year ended March 31, 2014**

**Notes:**

**15(j) Auditor's Observation under Paragraph (xvi) of Annexure to Auditor's Report:** In our opinion and according to the information and explanations given to us, the term loans taken by the Company and applied during the year were for the purpose for which they were raised.

*However, considering the matters stated under 'basis for qualified opinion', particularly paragraphs 1, 3 and 4, we are unable to comment whether any transactions relating to such matters represent application of term loans for the purpose for which they were raised.*

**Directors' Response :** The Management has certified to the Board that, on the basis of the Management's current information, the Company has applied term loans taken by the Company during the year for the purpose for which they were raised. However, as mentioned in Note 10 to the Statement, the Board has ordered a detailed and expeditious inquiry in relation to the matters disclosed in paragraphs 1, 3 and 4 of 'basis for qualified opinion' in the auditor's report. On completion of such inquiry, appropriate action will be taken, as may be required.

**15(k) Auditor's Observation under Paragraph (xxi) of Annexure to Auditor's Report:** As mentioned in detail in paragraphs 1 and 2 under 'basis for qualified opinion', wherein it is stated that:

*(i) certain parties alleged that they have advanced certain amounts to certain alleged UB Group entities and linked the confirmation of amounts aggregating to Rs 5,846.9 million due to the Company to repayment of such amounts to such parties by the alleged UB Group entities. Further, some of these parties stated that the dues to the Company will be paid / refunded only upon receipt of their dues from such alleged UB Group entities; and*

*(ii) an alleged instance of a purported agreement to create a lien on certain investments of the Company as security against loans given by an Alleged Claimant to Kingfisher Airlines Limited (KFA) in earlier years was noted. However, in a letter dated 31 July 2014 from the Alleged Claimant, it was stated that the allegation made earlier did not take into account an addendum to the loan agreement; and after examining the aforesaid addendum and the agreement, the Alleged Claimant does not have any claim or demand of any nature against the Company. Subsequently, in September 2014, scanned copies of the purported agreements were furnished to the Management by KFA. The Management has represented to us that the Company had no knowledge of these purported agreements; that the Board of Directors of the Company have not approved any such purported agreements; and it is not liable under any such purported agreements.*

*Pending the completion of the inquiry as mentioned in paragraph 4 under 'basis for qualified opinion', we are unable to conclude whether these instances can be termed as 'fraud' and whether there are other instances of a similar nature.*

**Directors' Response :** See responses at paragraphs 7 to 9 above. As mentioned in the notes to the Statement, the Board has directed a detailed and expeditious inquiry in relation to the matters disclosed in paragraphs 1 to 5 of "basis for qualified opinion" in the Auditors' Report. Pending the completion of such inquiry, the Board is unable to conclude whether there have been any instances of fraud against the Company. Based on the findings of such inquiry, appropriate action, including action for recovery of the Company's assets or amounts owing to the Company, will be taken.

**United Spirits Limited**  
**Audited Financial Results for the year ended March 31, 2014**

**Notes:**

16. In view of the Loss, the Board has not recommended any dividend on the equity shares of the Company for the year ended March 31, 2014.
17. Previous year's figures have been regrouped / reclassified as per the current year's presentation for the purpose of comparability.
18. The figures for the last quarter ended March 31, 2014 and March 31, 2013 are the balancing figures between the audited figures in respect of the full financial year and the year to date figures for the period ended December 31, 2013 and December 31, 2012 respectively. The figures for the quarter and year ended March 31, 2013 were audited by another auditor.
19. Subsequent to the balance sheet date, a bank has declared one of the directors of the Company as a willful defaulter in respect of another company where he is a promoter director. The Reserve Bank of India's Master Circular on Willful Defaulters along with certain covenants in the loan agreements sanctioned by the Company's bankers raise an uncertainty on the impact of this development on the availability of credit facilities to the Company. The said director has assured the Board that he will take appropriate steps to ensure that the operations of the Company are not impacted. Having received such assurance from the said director and appropriate comfort from the controlling shareholder of the Company, the financial statements have been prepared on a going concern basis.
20. The above audited results were taken on record at the meeting of the Board of Directors held on September 3, 2014 which continued in to September 4, 2014.
21. The statutory auditors have issued a qualified opinion on the financial statements of the Company for the financial year ended 31 March 2014. Such qualifications relate to transactions of earlier years, which have come to the knowledge of this Board only recently. The Board has initiated a detailed and independent inquiry as referred to in Note no 10. All further actions, including adjustments to the financial statements (including matters arising out of earlier years), if required, will be made in light of the result of the inquiry. However, based on the current knowledge and information of the management, it believes that no additional material adjustments to the financial statements are likely to be required in relation to the matters mentioned above. Subject to the foregoing, the Board has approved the annual financial statements, before the completion of the inquiry in the interest of the public shareholders.

## The Board of Directors United Spirits Limited

1. We have audited the accompanying Statement of Standalone Financial Results ('the Statement') of United Spirits Limited ('the Company') for the year ended 31 March 2014, attached herewith, being submitted by the Company pursuant to the requirements of Clause 41 of the Listing Agreement issued by the Securities and Exchange Board of India ("Listing Agreement"), except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been audited by us. Attention is drawn to the fact that the figures for the quarter ended 31 March 2014 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the third quarter of the relevant financial year. Also, the figures upto the end of the third quarter had only been reviewed and not subjected to audit.
2. The Statement has been prepared on the basis of the annual financial statements of the current year and reviewed quarterly financial results upto the end of the third quarter. Our responsibility is to express an opinion on the Statement based on our audit of the financial statements of the current year which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Accounting Standards) Rules, 2006 as per Section 211(3C) of the Companies Act, 1956, read with the General Circular 15/2013 dated 13 September 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Clause 41 of the Listing Agreement.
3. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed in the Statement. An audit includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.
4. The financial results of the Company for all periods prior to the quarter ended 30 September 2013 included in the Statement were reviewed or audited, as applicable, by the then statutory auditors of the Company, whose reports have been furnished to us and which have been relied upon by us for the purpose of our opinion on the Statement.

5. *As stated in Note 7 to the Statement, certain parties who had previously given the required undisputed balance confirmations for the year ended 31 March 2013, alleged during the current year, that they have advanced certain amounts to certain alleged UB Group entities and linked the confirmation of amounts due to the Company to repayment of such amounts to such parties by the alleged UB Group entities. Also, some of these parties stated that the dues to the Company will be paid / refunded only upon receipt of their dues from such alleged UB Group entities. These dues of such parties are on account of advances by the Company in the earlier years under agreements for enhancing capacity, obtaining exclusivity and lease deposits in relation to Tie-up Manufacturing Units; agreements for specific projects; or dues owing to the Company from customers. These claims received in the current year may indicate that all or some of such amounts may have been improperly advanced from the Company to such parties for, in turn, being advanced to the UB Group entities. However, this can only be confirmed after a detailed inquiry. Based on the findings of the preliminary internal inquiry by the Management, under the instructions of the Board of Directors; and Management's assessment of recoverability, an aggregate amount of Rs. 6,495.5 million has been provided in the Statement and has been disclosed as prior period items. Based on its current knowledge, the Management believes that the aforesaid provision is adequate and no additional material adjustments to the Statement are likely to be required in relation to this matter. As stated in paragraph 8 below, the Board of Directors have instructed the Management to undertake a detailed inquiry into this matter. Pending such inquiry, we are unable to comment on the nature of these transactions; the provision established; or any further impact on the Statement.*
6. *As stated in Note 9 to the Statement, subsequent to the balance sheet date, the Company received a letter dated 5 May 2014 from the lawyers of an entity (Alleged Claimant) alleging that the Alleged Claimant had advanced loans amounting to Rs 2,000 million to Kingfisher Airlines Limited (herein after referred to as "KFA"), a UB Group entity, in an earlier year on the basis of agreements, executed in December 2011 and January 2012, through which the Company was alleged to have created a lien on certain investments in favour of the Alleged Claimant as security for the aforesaid loans. The letter alleged that KFA had defaulted in repayment of the aforesaid loans as well as interest of Rs. 790 million due thereon and demanded that the Company should pay the aforesaid amounts and pending such repayments, create a valid pledge on the specified investments. The Company responded to the aforesaid letter vide its letters dated 3 June 2014 and 28 July 2014, wherein the Company denied knowledge of the purported loan transactions and the purported agreements for the creation of security on such investments held by the Company. A letter dated 31 July 2014 was received from the Alleged Claimant wherein they have stated that the notice sent earlier did not take into account an addendum to the loan agreement; and after examining the aforesaid addendum, they have no claim or demand of any nature against the Company. In September 2014, scanned copies of the purported agreements and certain related documents were obtained by the Company. These documents indicate that while the agreements may have sought to create a lien on certain investments of the Company; subsequently, the Alleged Claimant and KFA sought to negotiate the release of the lien, which was formalised vide a second addendum in September 2012.*

*The Management has represented to us that the Company had no knowledge of these purported agreements; that the Board of Directors of the Company have not approved any such purported agreements; and it is not liable under any such purported agreements. We are unable to conclude on the validity of these agreements; any required compliance with the provisions of the Companies Act, 1956; and any consequential impact of the same.*

7. *As stated in Note 8 to the Statement, the Company and its subsidiaries had various pre-existing loans / advances / deposits due from United Breweries (Holdings) Limited (hereinafter referred to as "UBHL"). During the current year, pursuant to a previous resolution passed by the Board of Directors on 11 October 2012, these dues (together with interest) were consolidated into an unsecured loan aggregating Rs 13,374 million vide an agreement dated 3 July 2013. The loan has been granted for a period of 8 years with a moratorium period of 6 years. Certain lenders have filed petitions for winding-up against UBHL. UBHL has provided guarantees to lenders and other vendors of Kingfisher Airlines Limited, which have been invoked and are currently being challenged in courts. The Company has also filed its affidavit opposing the aforesaid winding-up petition and the matter is sub-judice. Based on its assessment of the recoverability of the loan, the Company has made a provision of Rs 3,303 million against the loan outstanding and has not recognised the interest income of Rs 963 million on the loan. Given the various uncertainties involved with respect to the litigations involving UBHL as aforesaid and the extended period for repayment of the loan, we are unable to comment on the level of provision established.*
8. *As stated in Note 10 to the Statement, the Board of Directors have instructed the Management to undertake a detailed inquiry in relation to the matters stated in the paragraphs 5, 6, and 7 above; the possible existence of any other transaction of a similar nature; the role of individuals involved; and potential non-compliance (if any) with the provisions of the Companies Act, 1956 and other regulations applicable to the Company. The Board has also instructed the Management to engage independent advisers and specialists, as required, for the inquiry. As the inquiry is yet to be carried out, we are unable to comment on any further adjustment that could be identified as a result of the inquiry; its resultant impact on the Statement; and any potential non-compliances with the provisions of the Companies Act, 1956 and other regulations.*
9. *Though the observations in paragraph 5 above relate to claims received in the current year, the underlying transactions were entered into in earlier years. Accordingly, the financial statements of those earlier years and consequently the opening balances may be incorrectly stated to that extent. Further, the detailed inquiry as referred to in paragraph 8 above may result in further adjustments that may have an impact on the opening balances.*
10. Without qualifying our opinion, we draw attention to:
  - (a) Note 19 to the Statements, which states that subsequent to the balance sheet date, a bank has declared one of the directors of the Company as a willful defaulter in respect of another company where he is a promoter director. The Reserve Bank of India's Master Circular on Willful Defaulters along with certain covenants in the loan agreements sanctioned by the Company's bankers raise an uncertainty on the impact of this development on the availability of credit facilities to the Company. The said director has assured the Board that he will take appropriate steps to ensure that the operations of the Company are not impacted. Having received such assurance from the said director and appropriate comfort from the controlling shareholder of the Company, the financial statements have been prepared on a going concern basis.

- (b) Note 3 to the Statement, wherein it is stated that during the year, on 8 November 2013, the Board of Directors approved the scheme of arrangement between United Spirits Limited and Enrica Enterprises Private Limited ('Enrica') and its shareholders and creditors as the case may be ('the Scheme') in respect of transfer of undertaking of the Company in Tamil Nadu by way of slump sale on a going concern basis under Section 391 read with Section 394 of the Companies Act, 1956, with appointed date 1 April 2013. The Scheme has been approved by the equity shareholders, secured creditors and unsecured creditors at the court convened meeting held on 16 June 2014. The relevant petitions have been filed before the respective jurisdictional High Courts by the Company and Enrica and awaiting for their approval. The Company has also entered into a franchise agreement with Enrica which prescribes a royalty payment to the Company for grant of manufacturing, marketing, distribution and sale rights to Enrica in defined territories. From the appointed date upto the effective date, the royalty payable shall be a fixed amount per case or the Franchisee's Profit (before tax and royalty) in respect of the franchised products, whichever is lower. Subsequent to the effective date, royalty at net sales realization linked slab rate will accrue to the Company as per the franchise agreement. Pending approval of the scheme, no effect has been given in the Statement;
- (c) Note 4 (i) to the Statement, wherein it is stated that Tern Distilleries Private Limited, a wholly-owned subsidiary of the Company ('TERN') will be amalgamated with the Company pursuant to a Draft Rehabilitation Scheme and applicable provisions of Sick Industrial Companies (Special Provisions) Act, 1985 with the appointed date 1 April 2013 ('TERN Scheme'). The entire operations of TERN comprise transactions with the Company. The net impact on the stand-alone financial performance of the Company from such amalgamation is expected to be insignificant when effected. The equity shareholders of the Company have approved the TERN Scheme at their Extraordinary General Meeting held on 18 March 2014 and the approval by the Board for Industrial and Financial Reconstruction is awaited. Pending approval of the TERN Scheme, no effect has been given in the Statement;
- (d) Note 4 (ii) to the Statement, wherein it is stated that SW Finance Company Limited, a wholly-owned subsidiary of the Company will be amalgamated with the Company with the appointed date 1 January 2014 ('SWFCL Scheme') pursuant to the applicable provisions of the Companies Act, 1956 and subject to the sanction of the Honourable jurisdictional High Courts/any such competent authority. The accounting for the above amalgamation shall be done upon receiving the necessary sanctions / approval from various regulatory authorities including the Registrar of Companies. Upon the SWFCL Scheme becoming effective, SWFCL will stand merged with the Company. Pending approval of the SWFCL Scheme, no effect has been given in the Statement;

- (e) Note 5 to the Statement, wherein it is stated that the Board of Directors decided to initiate a process based on the outline time-table provided in connection with the decision of the Office of Fair Trade to explore a potential sale of all or part of Whyte and Mackay Group (WMG). As a culmination of this process, subsequent to the year-end, on 9 May 2014 for an Enterprise Value of GBP 430 million, the Company's whollyowned subsidiary, United Spirits (Great Britain) Limited (USGBL or the Seller) entered into a Share Sale and Purchase agreement (SPA) with Emperador UK Limited and Emperador Inc. in relation to the sale of the entire issued share capital of Whyte and Mackay Group Limited. USGBL appointed third party financial advisers in respect of the sale process. The financial closure of the proposed transaction as contemplated by the terms of the SPA (as may be amended and modified from time to time), is subject to satisfaction of certain conditions precedent. The equity shareholders of the Company have approved the proposed sale of WMG by the Seller. The Company has filed an application with Reserve Bank India (through authorized dealer of the Company) for its approval. Based on the Management's assessments of the recoverability of the investments and loans given for the Whyte and Mackay Group, a provision amounting to Rs 43,216 million has been made in the books including diminution in the value of investment in subsidiaries viz Palmer Investment Group Limited and Montrose International S.A.; the same has been disclosed as an exceptional item; and
- (f) Note 12 to the Statement, wherein it is stated that during the year ended 31 March 2014, the Company decided to prepay credit facilities availed from a bank amounting to Rs. 6,216.6 million secured by assets of the Company and pledge of shares of the Company held by the USL Benefit Trust. The Company deposited a sum of Rs. 6,280 million including prepayment penalty of Rs. 40 million with the bank and instructed the bank to debit the amount from the cash credit account towards settlement of the loan and release the assets / shares pledged by the Company. The bank, however, disputed the prepayment and continues to debit the account towards the instalments and interest as per the loan agreement. The Company has disputed the same and a case is pending before the Honourable High Court of Karnataka. Pending settlement with the bank, the loan amount and balance available in cash credit account is presented on net basis in the financial results as at 31 March 2014.

11. *In our opinion and to the best of our information and according to the explanations given to us, except for matters stated in paragraphs 5, 6, 7, 8 and 9 above, the Statement:*

- (i) *is presented in accordance with the requirements of Clause 41 of the Listing Agreement in this regard; and*
- (ii) *gives a true and fair view of the net loss and other financial information of the Company for the year ended 31 March 2014.*

**B S R & Co. LLP**

12. Further, we also report that we have, on the basis of the books of account and other records and information and explanations given to us by the Management, also verified the number of shares as well as percentage of shareholdings in respect of aggregate amount of public shareholdings, as furnished by the Company in terms of Clause 35 of the Listing Agreement and found the same to be correct.
