The Chairman and Managing Director, Universal Starch-Chem Allied Limited Mhatre Pen Building, "B" Wing, 2nd Floor, Senapati Bapat Marg, Dadar (West), Mumbai 400 028.

> Report on financial results for Ref: the period ended as on December 31, 2013.

We have reviewed the accompanying statement of unaudited financial results of M/s. Universal Starch-Chem Allied Limited for the period ended as on December 31, 2013 except the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which has been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results, prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that, it contains any material misstatement.
