2. In respect of Auditors' qualifications in the review report for the quarter ended 30th June, 2014, regarding the extent of realisability of the investments made in and the advances given to Videocon Telecommunications Limited (VTL), the subsidiary, the explanation of management is as under:

The Company has, directly and through its subsidiaries, made investments of Rs. 6,075.00 Crore and has also given advances to Videocon Telecommunications Limited (VTL), the subsidiary. VTL was granted the license for providing Unified Access Services (UAS) in 21 circles by the Department of Telecommunications (DoT), Government of India in 2008 and was also allotted spectrum in 20 circles. The Hon'ble Supreme Court of India, vide its judgment dated 2nd February, 2012, quashed all the UAS licenses granted on or after 10th January, 2008 and the subsequent allocation of spectrum to these licensees, which also include the 21 UAS licenses granted to VTL and the spectrum allotted to it. The Hon'ble Supreme Court of India had also directed the Central Government to grant fresh licenses and allocation of spectrum by auction thereafter.

DoT conducted the auction of spectrum in November, 2012. VTL participated in the auction and has been awarded spectrum in 6 circles. Though VTL has huge accumulated losses, the management is confident of mobilizing necessary resources for continuing operations of VTL as per the business plan. VTL is continuing its commercial operations. Accordingly, in the opinion of the management, no provision is required for diminution in the value of aforesaid investments and advances to VTL.
3. Tax expense for the quarter and period ended represents provision for current, deferred and excess/short provision of income tax for earlier years.
4. The current accounting year of the Company has been extended by a period of 6 (Six) months. As such, the current accounting year shall be of the period of 18 (Eighteen) months ending on 31st December, 2014.

LIMITED REVIEW REPORT

To
The Board of Directors of
VIDEOCON INDUSTRIES LIMITED

Dear Sir(s)

1. We have reviewed the accompanying statement of Unaudited Financial Results of **VIDEOCON INDUSTRIES LIMITED** (the "Company") for the Quarter ended 30th June, 2014, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the Management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/Committee of the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. *As mentioned in Note No. 2 to the accompanying unaudited financial results, the Company has upto 30th June, 2014, directly and through its subsidiaries made investments of Rs. 6,075.00 Crore and also given advances to Videocon Telecommunications Limited (VTL), the subsidiary. The licenses awarded by the Department of Telecommunications (DoT) to VTL to provide Unified Access Service (UAS) in 21 circles in India w.e.f 25th January, 2008, were quashed by the Hon'ble Supreme Court of India vide its order and judgment dated 2nd February, 2012. Subsequently, the DoT, had issued a Notice inviting Applications for auction of spectrum. VTL participated in the said auction and has been awarded the Unified Licenses (Access Services) for six circles with effect from 16th February, 2013, which are valid for a period of 20 years. VTL has also been allotted spectrum in these 6 circles. VTL is continuing its commercial operations.*

VTL has been continuously incurring losses and has huge accumulated losses as at 30th June, 2014. The ability of VTL to continue as a going concern is substantially dependent on its ability to fund its operating and capital expenditure requirements. The management is confident of mobilizing the necessary resources for continuing the operations of VTL as per the business plan.

Date :

However, in view of the accumulated losses of the VTL, we are unable to express an opinion on the extent of realisability of aforesaid investments in and advances to VTL. The consequential effect of the above, on the results for the quarter and period ended 30th June, 2014, is not ascertainable.

4. Based on our review conducted as above, *except for the effect of the matter described in paragraph 3 above, the impact of which on the results of the Company is unascertainable*, nothing further has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the applicable Accounting Standards issued under the Companies Accounting Standards Rules, 2006 (which are deemed to be applicable as per Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014) and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges including the manner in which is to be disclosed, or that it contains any material misstatement.

2. In respect of Auditors' qualifications in the review report for the quarter ended 30th June, 2014, regarding the extent of realisability of the investments made in and the advances given to Videocon Telecommunications Limited (VTL), the subsidiary, the explanation of management is as under:

The Company has, directly and through its subsidiaries, made investments of Rs. 6,075.00 Crore and has also given advances to Videocon Telecommunications Limited (VTL), the subsidiary. VTL was granted the license for providing Unified Access Services (UAS) in 21 circles by the Department of Telecommunications (DoT), Government of India in 2008 and was also allotted spectrum in 20 circles. The Hon'ble Supreme Court of India, vide its judgment dated 2nd February, 2012, quashed all the UAS licenses granted on or after 10th January, 2008 and the subsequent allocation of spectrum to these licensees, which also include the 21 UAS licenses granted to VTL and the spectrum allotted to it. The Hon'ble Supreme Court of India had also directed the Central Government to grant fresh licenses and allocation of spectrum by auction thereafter.

DoT conducted the auction of spectrum in November, 2012. VTL participated in the auction and has been awarded spectrum in 6 circles. Though VTL has huge accumulated losses, the management is confident of mobilizing necessary resources for continuing operations of VTL as per the business plan. VTL is continuing its commercial operations. Accordingly, in the opinion of the management, no provision is required for diminution in the value of aforesaid investments and advances to VTL.
