There is no role for anchor in T20 cricket: Rohit

PTI ■ MUMBAI

India captain Rohit Sharma believes T20 cricket has changed and there is no role for anchors left in the format, adding that he has been exploring what he can achieve more as a batter even though his change in approach has brought about failures.

The Indian captain across formats, Rohit says as a batter he wants to do things 'differently' now without worrying too much about the outcomes, and that power-hitting could never be his forte.

"As I see it, there is no role for an anchor now. It is just how T20 cricket is played these days, unless you are 20/3 or 4, which is not going to happen every day," Rohit told Jio Cinema.

"Once in a while, you will be in that position and then someone needs to anchor the innings and finish off to a good score. There is no role for an anchor anymore, guys are playing differently."

Rohit feels a change in mindset is mandatory.

"If you do not change your mindset, you are going to get smashed. People on the other side are thinking about the game differently and taking it to the next level."

"All seven batters need to play their role, I believe that if you get a good score, it is good, but even if you get a good 30-40 off just 10-15 or 20 balls, it is (just) as good because you are doing the role for the team. The game has changed," he added.

The Mumbai Indians and India captain said he has played T20 cricket long enough for him to stick to a particular approach to batting. "I just want to play that way and see what I can do. I have played this format for a long time and in a certain manner. But I want to do different things now. While doing that, (if) I get out, (it) does not really bother me," he said.

The 36-year-old said he cannot switch to power-hitting because others are doing so and would prefer to get the runs the way he can.

"I know (that) I cannot match the power of guys like Tim David, Kieron Pollard and Cameron Green. They are powerful hitters; they can hit 100 metres easily," he said.

LSG RESTRICT MI TO 182/8

PTI ■ CHENNAI

Flamboyant Afghanistan seamer Naveen ul Haq picked up four wickets as Lucknow Super Giants managed to keep Mumbai Indians under-check at 182 for 8 in the IPL Eliminator, here on Wednesday.

Naveen, who has been under spotlight since his angry exchanges with Virat Kohli during a league game against RCB, was constantly booed by the Chepauk crowd but he did well enough to dismiss MI skipper Rohit Sharma (11 off 10 balls), batting mainstay Suryakumar Yadav (33 off 20 balls), last match's hero Cameron Green (41 off 23 balls) and the ever dangerous Tilak Verma (26 off 22 balls).

Naveen getting Surya and Green in one over could well prove to be decisive as MI were atleast 15 short of par-score. MI also needed to replace Surya with Impact Player Nehal Wadhara, whose 23 off 12 balls took them past 180-run mark.

Wadhara smacked a six and hit two fours in the final over bowled by Yash Thakur (3 for 34) to boost MI's score.

The impressive Moshin Khan (1-24) conceded only 6 runs in the penultimate over before Wadhara stepped up the pace in Thakur's next, the final over of the innings.

Skipper Rohit (11, 10 balls, 1x4, 1x6), who began slowly, fell trying to up the pace, jumping out to hit Naveen only to find Ayush Badoni in the way in the fourth over.

Yash Thakur struck in the next over, getting Ishan Kishan (15, 12 balls, 3x4) to nick one to the keeper.

Suryakumar and Green gave some momentum to the innings with a 66-run third wicket partnership in a little over six overs.

Green, who hammered a ton in the final league match against SRH, slammed six boundaries and 1 six while Yadav hit two maximums and an equal number of fours in his 20-ball knock.

DHONI'S DEALY

The wily Mahendra Singh Dhoni on Tuesday not only guided Chennai Super Kings to yet another IPL final but his clever act of gamesmanship by eating valuable minutes allowed his lethal weapon Matheesha Pathirana to bowl the 16th over against Gujarat Titans in first IPL qualifier.

CSK pipped the defending champions Gujarat Titans by 15 runs on their homeground, MA Chidambaram Stadium, to qualify for a record-extending 10th final as the four-time winners finally managed a win over the IPL 2022 winners in four matches.

The incident took place when CSK bowler Matheesha Pathirana, who returned 4-0-37-2 while accounting for the dangerous Vijay Shankar and Mohammed Shami, was not allowed to bowl his second spell at the death.

The Sri Lankan had left the field in the second half of the Titans' chase for the treatment of an undisclosed niggle. Pathirana had bowled his first, and overall 12th over, in the innings before leaving the field.

As per the IPL playing conditions, any player who leaves the field for more than eight minutes, must be on the field

for a similar amount of time after returning, post which he is allowed to bowl.

But as Pathirana returned, he was asked to bowl the 16th over with Gujarat Titans needing another 71 to win from 30 balls, having crawled to 102 for six.

According to a report in ESPN Cricinfo, Dhoni noticed umpire Anil Chaudhary having a conversation with Pathirana before the over, and the CSK captain checked with Chris Gaffaney, positioned at square leg, as to what the discussion was about.

The TV commentary, meanwhile, informed that the Sri Lankan was out for nine minutes and the discussion on the field pertained to whether Pathirana could bowl or not.

The report also stated that Dhoni was informed by match officials that Pathirana would have to wait for some more time before he could bowl. The CSK captain acknowledged that he understood, but added that he had no option but to give the ball to Pathirana.

Dhoni was also reminded that CSK could face financial penalty for slow over-rate and in-match penalty of being allowed only four men outside the circle, if the last over does not start in stipulated time.

In all these discussions, the four minutes elapsed and Pathirana was allowed to bowl with permissible time of eight minutes being already over.

While Pathirana didn't get a wicket in that over, he did get a wicket in his very next over, the dangerous Vijay Shankar to tilt the match in CSK's favour.

Shastri wants both Ashwin & Jadeja in Indian playing XI for WTC Final

PTI ■ DUBAI

Former head coach Ravi Shastri feels that Indian team should play to its strength and include both Ravichandran Ashwin and Ravindra Jadeja in the playing eleven against Australia in the upcoming World Test Championship final at the Oval, next month.

Under Shastri's coaching, Indian team won a Test match at the Oval in 2021 but it was largely due to performance of India's pace attack comprising Jasprit Bumrah, Mohammed Siraj, Umesh Yadav and Shardul Thakur apart from a classy hundred by the then vice-captain Rohit Sharma.

Picking his XI for the marquee WTC Final, Shastri felt the void left by Bumrah will hurt India's chances and they should counter it by picking another spinner to accommodate for the lack of quicks.

"India did very well in England last time round because you had Bumrah, you had Shami, you had Shardul Thakur, and you had Mohammed Siraj," Shastri said in ICC Review.

"So you had four fast bowlers. One being an all-

rounder there, Shardul.

For Shastri, it is important to pick players as per conditions and current form. Mohammed Shami and Umesh Yadav are a couple of years older and might be a few yards slower compared to 2021.

"You have got horses for courses, you've got all bases covered. But then if the quality is not good in your fast-bowling attack. If you think the guys are older, they are not as quick as they used to be, and the form is a little doubtful, then you play that second spinner because Ashwin is quality, as is Jadeja."

Shastri thinks the option is there for India to select Ashwin as the only specialist spinner and use Jadeja to bat at No 6 should the pitch at the Oval look like it will offer some turn during the later stages.

"If the track is hard and dry, you would want two spinners to play for sure," Shastri said.

"I think it goes a lot with the weather in England. I believe it's sunny now at the moment, but you know, English weather, how

I have 8-9 months to decide: Dhoni on his future in IPL

PTI ■ CHENNAI

Describing himself as an "annoying skipper," Mahendra Singh Dhoni said months of intense preparation for the IPL has taken a "heavy toll" on him and that he would take a call on his retirement in eight to nine months.

There have been speculations that 2023 could be a swansong season for Dhoni, who has led Chennai Super Kings to their 10th IPL final with a 15-run win over Gujarat Titans in the Qualifier 1 here on Tuesday.

"Frankly, it takes a heavy toll. I have been out of home for literally four months," Dhoni said at the post-match presentation after winning the last game of the season at Chepauk.

"I will always come to CSK. I have been out of home from January, been practicing since March, so we will see," he added. "January 31 was when I got out of the house, finished

my work, and started practicing from 2nd or 3rd of March. It takes a lot, but I have ample time to decide."

"I don't know... I have 8-9 months to decide. Why take that headache now. I have ample time to decide. The auction is in December," the 41-year-old said.

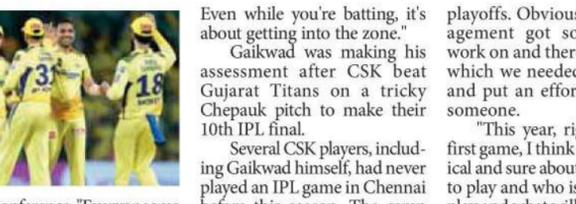

Personally, Dhoni has had a quiet season with the bat, managing just 104 runs from 15 matches at an average of 34.67, and was also seen struggling with his knee especially while running between the wickets.

Pre-season camp key to our success: Gaikwad

PTI ■ CHENNAI

Opening batter Ruturaj Gaikwad has attributed Chennai Super Kings' success in the ongoing IPL to their pre-season camp and praised the team management for making the players feel secured and clearly stating their roles.

Four-time champions CSK put themselves in line for a fifth IPL title triumph after they stormed into the final with a 15-run victory over holders Gujarat Titans in the Qualifier 1 here on Tuesday. "The camp was very vital because a new surface was being laid over in Chennai," Gaikwad said at the post-match

press conference. "Everyone was not sure how the wicket is going to be or how the wicket is going to play. But sometimes when you play on flat tracks, you need not have to think much on your shots and not much about the opposition bowling."

"Sometimes batsmen play good shots and hats off to him. Even while you're batting, it's about getting into the zone."

Gaikwad was making his assessment after CSK beat Gujarat Titans on a tricky Chepauk pitch to make their 10th IPL final.

Several CSK players, including Gaikwad himself, had never played an IPL game in Chennai before this season. The camp had begun on March 3, with captain Dhoni, Ajinkya Rahane and Ambati Rayudu among the first batch of players to arrive in the city.

"A lot of effort goes into our success," Gaikwad said.

"It started from last year when we didn't qualify for

playoffs. Obviously, the management got something to work on and there were things which we needed to improve and put an effort on, or add someone."

"This year, right from the first game, I think we were clinical and sure about who is going to play and who is not going to play and what will be our probable 12 or 13 or 15."

"I think right from the first game everyone knew about their roles. When the Sri Lankans came late -- Theekshana and Matheesha Pathirana -- I think they were up to the mark even from the first game."

McDonald backs Warner to play 'significant part' in Ashes

AP ■ SYDNEY

Australia's head coach Andrew McDonald on Wednesday backed under-pressure David Warner to play "a really significant part" in the Ashes starting next month in England.

The 36-year-old opening batsman has been a mainstay of the Australian team since making his debut against New Zealand in 2011.

But the left-hander approaches the Ashes and World Test Championship final against India at The Oval with one century in his past 32 innings and a mediocre record in England.

"We're optimistic with what Dave's got left," McDonald told SEN radio on Wednesday,

addressing doubts about Warner's immediate future on the side.

"We've picked him in the squad and we feel that he's going to play a really significant part in the Ashes and the World Test Championship final, and that's why he's on the plane."

"We think he's got some good games left in him."

While Warner made Australia's 17-man squad for the first two Ashes Tests and the preceding WTC final, selectors have kept their options open beyond that.

McDonald said that Warner was in "a good head space".

"He's an important part of that squad," McDonald said.

While Warner made Australia's 17-man squad for the first two Ashes Tests and the preceding WTC final, selectors have kept their options open beyond that

India maul Chinese Taipei 18-0

PTI ■ SALALAH

Defending champions India started their Men's Junior Asia Cup hockey campaign on a rousing note with a thumping 18-0 win over minnows Chinese Taipei at the Sultan Qaboos Youth Complex, here on Wednesday.

The Indians toyed with the Chinese Taipei defence, scoring goals at will.

Araajeet Singh Hundal (19th, 19th, 30th, 59th minutes) and Amandeep (38th, 39th, 41st) scored a hat-trick each, while Bobby Singh Dhami (10th, 46th) and Aditya Arjun Lalage (37th, 37th) and skipper Uttam Singh (10th, 59th) found the back of the net twice.

Sharda Nand Tiwari (11th), Angad Bir Singh (37th), Amir Ali (51st), Bobby Poovanna Chandura (54th) and Yogember Rawat (60th) were the other goal-getters for India in the lop-sided Pool A contest.

India will next play Japan on Thursday before taking on arch-rivals Pakistan on Saturday and Thailand on Sunday.

India will aim to qualify for this year's Junior World Cup by winning the tournament here.

The tournament, while being a platform for young players in the continent to showcase their skills, is also important as the top-three finishers will qualify for the Junior World Cup, scheduled to be held in Malaysia in December this year.
