Dear Sir,

Subject: Reply to Clarification sought

This has reference to your mail dated November 3,2017 seeking clarification on disclosure made by the company on November 2,2017 regarding shutdown of Unit#6 (500 MW) of Feroze Gandhi Unchahar Thermal Power Station, Raebareli,U.P after an accident. Our point-wise replies are as follows:

1. Estimated impact on the production/operations in case of strikes/lock out:

Reply: Considering the total size of operations of NTPC Limited (present standalone commercial capacity 43642 MW and group commercial capacity 50858 MW) the impact of shutdown of Unchahar Unit#6 (500 MW) on the production/operations of the company as a whole may not be considered material in terms of Para B of Part A of Schedule III of SEBI (LODR),Regulations,2015.

2. Whether loss/damage covered by insurance or not including amount;

Reply: Yes, property damage is covered under the Mega Risk Policy taken for the assets of the company.

3. Expected quantum of loss/damage caused;

Reply: Pending enquiry and investigations by a committee constituted for this purpose, it would not be possible to provide any estimate of the likely loss or damage caused at this stage.

Trust the above clarifies the matter.

Thanking You,

Yours faithfully,

(K.P.Gupta)

Company Secretary
