FINOLEX CABLES LIMITED

PRESS RELEASE

FINOLEX CABLES LTD RESULTS

Pune, November 7th, 2017

Finolex Cables Ltd., (FCL) at the meeting of its Board of Directors held today approved results for the second quarter of the financial year 2017-18.

Net Sales for the quarter ended September 30th 2017 were Rs 6879.7 million as against Rs 6142.3 million for the corresponding period in year 2016-17 representing a 12% improvement in value terms. The revenue for the previous year included an Excise Duty component of Rs 517.6 million, whereas in the current year, post implementation of GST, there was no corresponding amount. If the Excise element is excluded, then the value growth is 22%. The value growth is partly due to the increase in commodity prices which have been passed on in the selling prices as well as significant volume growth in the Communication Cable business.

Post GST, revenue growth was negatively impacted in the quarter in Electrical Wires, Fans, Water Heaters, Switches and Switchgear – the high incidence of GST at 28% as against the earlier combined impact of around 19%, together with the implementation of RERA had a negative impact on growth in the Real Estate businesses and consequently on the Company's volumes in these areas. This trend is expected to continue over the next couple of quarters.

Profit for the quarter, before taxes, was Rs.1420.6 million, as compared to Rs.1419.1 million in the previous year.

Provision for tax was higher for the quarter – primarily owing to a lower share of revenue from the Roorkee unit as compared to earlier periods. This is expected to normalize over the rest of the year. PAT for the quarter was Rs 996.7 million as against Rs 1048.0 million in the corresponding period of the earlier year.
