3. The Counsel for the Petitioner Companies submit that the Transferee Company is engaged in the business of production of non-fiction, fiction, reality, factual television shows, event management, branded entertainment, digital content, consultancy and creative services related to it and also in the production and distribution of motion pictures; the Demerged Company is engaged in the business of production and distribution of motion pictures and films; and the Transferor Company is engaged in the business of production of non-fiction, fiction, reality, factual television shows, event management, branded entertainment, digital content, consultancy and creative services related to it. 4. The Counsel for the Petitioner Companies submits that below is the rationale for the proposed Scheme of Arrangement and Amalgamation:
 - a. Streamlining of group structure: The Demerged Company and the Transferor Company are wholly owned subsidiaries of the Transferee Company. Further, the Demerged Company, the Transferor Company and the Transferee Company are engaged in similar business. The demerger of the Film Production Undertaking of the Demerged Company and vesting of the same in the Transferee Company and the amalgamation of the Demerged Company with the Transferee Company will enhance efficiencies and combine similar business interest into one corporate entity.

resulting in operational synergies, simplification, focused management, streamlining and optimization of the group structure and efficient administration.

b. Consolidation of business operations: Pursuant to the transfer of the Film Production Undertaking by the Demerged Company and the amalgamation of the Transferor Company with the Transferee Company, the Transferee Company will have enhanced shareholder's value accruing from consolidation of the business operations resulting in economies of scale, improving allocation of capital, operational efficiency, integration of processes and optimizing cash flows, thus contributing to the overall growth prospects of the Transferee Company. The Scheme will enable the consolidation of the film production business in the Transferee Company, which is well established and has requisite expertise in the film production business. Further, the transfer of the Film Production Undertaking by the Demerged Company and vesting the same in the Transferee Company, will enable the Demerged Company to concentrate on its core business of film distribution.

c. Reduction in Costs: The Scheme is expected to enable pooling of resources of the Transferor Company, the Demerged Company and the Transferee Company resulting in more productive utilization of the said resources and cost and operational efficiencies which would be beneficial for all stakeholders.

5. The Counsel for the Petitioner Companies submits that the Board of Directors of the Transferor Companies and the Transferee Company have approved the said Scheme of Arrangement and Amalgamation by passing Board Resolutions which are annexed to the Company Scheme Petition.
