## INDEPENDENT AUDITOR'S REVIEW REPORT ON UNAUDITED FINANCIAL RESULTS

TO

THE RESOLUTION PROFESSIONAL

ROHIT FERRO - TECH LIMITED

(A company under Corporate Insolvency Resolution Process vide NCLT Order)

**Limited Review Report of the Unaudited Standalone Financial Results for the quarter ended 30th June, 2021**

### Qualified Conclusion

1. We have reviewed accompanying Statement of Unaudited Standalone Financial Results of **ROHIT FERRO - TECH LIMITED** (the 'Company') for the quarter ended 30<sup>th</sup> June, 2021, being submitted by the Company pursuant to the requirement of Regulations 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ('Listing Regulations') as amended.
2. The Hon'ble National Company Law Tribunal ("NCLT"), Kolkata Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by a Financial Creditor of Rohit Ferro Tech Limited (the Company) and appointed an Interim Resolution Professional (RP), in terms of the Insolvency and Bankruptcy Code, 2016 (The code) vide order dated 7th February, 2020 and was subsequently confirmed by the Committee of Creditors (CoC) as the Resolution Professional (RP) in its 1st CoC meeting held on 5th March, 2020 as approved by virtue of e - voting by the CoC members on 13th March, 2020. In view of pendency of CIRP, the management of the affairs of the company and power of the Board of Directors are now vested with RP. These standalone financial statements have been prepared by the management of the company and certified by CFO and approved by RP.
3. This Statement, which is the responsibility of the Company's Management and approved by the RP (**Refer Note 1** to the unaudited standalone financial results), has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS) for Interim Financial Reporting ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of Listing Regulations. Our responsibility is to issue a report on these Financial Results based on our review.

4. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
5. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 6 below "Basis for qualified conclusion" and read with our comments in paragraph 7 & 8 below, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the applicable Ind AS as prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement

#### 6. Basis for Qualified Conclusion

- i. We draw your attention to **Note No. 5** of the accompanying standalone Financial Results regarding non provision of interest expense on the borrowings of the Company for the period till date of commencement of CIRP i.e. 7<sup>th</sup> February, 2020 amounting to Rs. 108797.67 lakhs (penal interest and charges thereof remain unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.

The above reported interest has been calculated using Simple Interest rate.

- ii. As mentioned in **Note No. 6** to the standalone financial results, the balance of "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" etc. includes balances remaining outstanding for a substantial period. In the absence of above and other corroborative evidence, we are unable to comment on the extent to which such balances are recoverable and the reported Financials might have consequential impact which remains unascertained.

- iii. As mentioned in **Note No. 4** to the standalone financial results, pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Pending final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for operational and financial creditors. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.

- iv. We have been informed by RP that certain information including minutes of CoC meeting and the outcome of certain procedures carried out as part of CIRP process could not be shared with anyone other than Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible impact, presentation and disclosures, if any on aforesaid information not provided to us.

## 7. Material Uncertainty Related to Going Concern

As mentioned in **Note No. 3** to the standalone financial statements, the Company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, and its net worth has been fully eroded as on 30.06.2021. Since Corporate Insolvency Resolution Process (CIRP) is currently in progress, as per the Code, it is required that the Company be managed as going concern during CIRP. By virtue of corporate insolvency resolution process, the Resolution Professional has filed the Resolution Plan (as approved by the CoC on June 5, 2021), with the National Company Law Tribunal, Kolkata Bench on June 7, 2021 for its subsequent approval thereupon. Accordingly, the standalone financial statements are continued to be prepared on going concern basis. However, there exists a material uncertainty and the same is dependent upon the resolution plan to be approved by NCLT. The appropriateness of the preparation of standalone results on going concern basis is critically dependent upon CIRP as specified in the IBC Code.

## 8. Emphasis of Matter

- i. We draw your attention to **Note No 2** to the standalone financial results which explain the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- ii. Substantial amount of statutory dues amounting to **Rs. 3496.29 lakhs** has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.
- iii. It has been observed that the financial statement of the company for the year 2019-20 has not been adopted on its Annual General Meeting (AGM) [adjourned 20<sup>th</sup> AGM] held on 13<sup>th</sup> November, 2020 and the same is not yet adopted thereafter till date. The company has filed AOC 4, MGT 15 for the Financial Year ended 31.03.2020 in compliance with ROC. The company has intimated to the listing department (NSE / BSE) voting result along with Scrutinizer's Report of the adjourned 20<sup>th</sup> Annual General Meeting (AGM) relating to financial year 2019-20 giving reason thereof.

By virtue of first proviso to section 137(1), the financial statements along with the documents will be considered provisional till the time the adopted financial statements are filed with ROC. Hence, the financial statement for the year 2019-20 is still considered as provisional.

Our conclusion is not modified in respect of this matter.

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
5. Based on our review conducted as above, except for the possible effects of the matter described in the paragraph 6 below "Basis for qualified conclusion" and read with our comments in paragraph 7, 8 & 9 below, nothing has come to our attention that causes us to believe that the accompanying consolidated financial results prepared in accordance with the applicable Ind AS as prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**6. Basis for Qualified Conclusion**

- i. We draw your attention to Note No.6 of the accompanying Consolidated Financial Results regarding non provision of interest expense on the borrowings of the Company for the period till date of commencement of CIRP i.e. 7<sup>th</sup> February, 2020 amounting to Rs. 1,09,602.27 lakhs. (Penal interest and charges thereof remain unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.  
The above reported interest has been calculated using Simple Interest rate.
- ii. As referred in Note No 7 of the Consolidated Financial Results, "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" etc includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. In the absence of above and other corroborative evidence, we are unable to comment on the extent to which such balances are recoverable. The reported consolidated Financials might have consequential impact which remains unascertained.
- iii. As mentioned in Note No. 5 to the consolidated financial results, pursuant to commencement of CIRP of the Company under Insolvency and Bankruptcy Code, 2016, there are various claims submitted by the financial creditors, operational creditors, employees and other creditors to the RP. The overall obligations and liabilities including interest on loans and the principal amount of loans shall be determined during the CIRP. Pending final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for operational and financial creditors. Hence, consequential impact, if any, is currently not ascertainable and we are unable to comment on possible financial impacts of the same.

- iv. We have been informed by RP that certain information including minutes of CoC meeting and the outcome of certain procedures carried out as part of CIRP process could not be shared with anyone other than Committee of Creditors and NCLT. Accordingly, we are unable to comment on the possible impact, presentation and disclosures, if any on aforesaid information not provided to us.

**7. Material Uncertainty Related to Going Concern**

As mentioned in **Note No. 4** to the consolidated financial results, the holding company has been referred to National Company Law Tribunal under the Insolvency and Bankruptcy Code, 2016, and its net worth has been fully eroded as on 30<sup>th</sup> June, 2021. Since Corporate Insolvency Resolution Process (CIRP) is currently in progress, as per the Code, it is required that the Company be managed as going concern during CIRP. By virtue of corporate insolvency resolution process, the Resolution Professional has filed the Resolution Plan (as approved by the CoC on June 5, 2021), with the National Company Law Tribunal, Kolkata Bench on June 7, 2021 for its subsequent approval thereupon. Accordingly, the consolidated financial statements are continued to be prepared on going concern basis. However, there exists a material uncertainty and the same is dependent upon the resolution plan to be approved by NCLT. The appropriateness of the preparation of consolidated financial statements on going concern basis is critically dependent upon CIRP as specified in the IBC Code.

**8. Emphasis of Matter**

- i. We draw your attention to **Note 3** to the consolidated financial results which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- ii. Substantial amount of statutory dues amounting to **Rs. 3496.29 lakhs** has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.
- iii. It has been observed that the consolidated financial statement of the group for the year 2019-20 has not been adopted on its Annual General Meeting (AGM) [adjourned 20<sup>th</sup> AGM] held on 13<sup>th</sup> November, 2020 and the same is not yet adopted thereafter till date. The holding company has filed AOC 4, MGT 15 for the Financial Year ended 31.03.2020 in compliance with ROC. The company has intimated to the listing department (NSE / BSE) voting result along with Scrutinizer's Report of the adjourned 20<sup>th</sup> Annual General Meeting (AGM) relating to financial year 2019-20 giving reason thereof.

By virtue of first proviso to section 137(1), the consolidated financial statements along with the documents will be considered provisional till the time the adopted financial statements are filed with ROC. Hence, the financial statement for the year 2019-20 is still considered as provisional.

Our opinion is not modified in respect of this matter.

## 9. Other Matter

We did not review the Financial Result of subsidiary company included in the consolidated financial results, whose financial information reflect total revenue of Rs. Nil & total comprehensive loss of **Rs. 96.82 lakhs** for the quarter ended 30<sup>th</sup> June 2021 as considered in the Consolidated Financial Results. The unaudited financial results of the subsidiary company have been furnished to us by the management and our conclusion on the Consolidated Financial Results in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our conclusion as it relates to the aforesaid subsidiary is based solely on such Unaudited Financial Statements as certified by the management.

Our conclusion on the consolidated financial results is not modified in respect of the above matters.
