STATEMENT SETTING OUT MATERIAL FACTS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

Item No. 1:

The current market price of the shares of the Company is very low. As a result, the investors are facing problems in transacting in the shares. As one of the measure to improve the overall performance of the Company and facilitate shareholders the Board proposes to consolidate the nominal value of shares from the present of Re. 1/- per share to Rs. 10/- per share. The management is hopeful that, along with other steps taken by the Company, consolidation of share capital shall improve investor confidence and have a positive impact in the long run.

Pursuant to the consolidation of the share capital, it would be necessary to alter the capital clause of the memorandum of association so as to reflect the consolidated capital of the Company.

The Board proposes this resolution for the member's approval. None of the Directors and Key Managerial Personnel and their relatives is interested in the aforesaid resolution.
