News Release: For immediate publication

Chennai, 27th March, 2017

Shriram EPC Ltd, Chennai awarded order worth 107, 760,000 USD from United Republic of Tanzania, Tanzania in JV with Larsen & Toubro

Shriram EPC Limited (SEPC), one of the leading service providers of integrated design, engineering, procurement, construction and project management services for infrastructure projects in Roads & Highways, Water & Sewer, Renewable energy, Process and Metallurgical plants and Municipal service sector projects throughout India has been awarded an Overseas contract for an amount of **107,760,000 USD** to be executed in JV with Larsen & Toubro out of which SEPC share will be 25%.

This engineering and procurement and construction order has been secured from the Ministry of Water & Irrigation United Republic of Tanzania for the extension of Water transmission pipeline from the Lake Victoria Water supply scheme to Tabora, Nzega and Igunga Towns (Package II).

The scope of work involves survey, design, procurement, construction and installation of pumping stations, rising and gravity/mainlines, elevated and ground level storage reservoirs, branch lines and distribution network and water kiosks for the creation of a comprehensive water supply and transmission pipeline to Tabora town and 33 other villages that are en route.

Commenting on the order, **Mr. T. Shivaraman, Managing Director & CEO** of Shriram EPC Limited, said:

“This order win represents another big step forward for the Company as it increases the scale of its international presence. We also gain a footing in the African market which holds significant opportunity for our entire portfolio of offerings. In addition to strengthening our position as a leading engineering company in the Water Management sector, this order win also demonstrates the quality of operations and excellence of our team. We are excited to execute this order and leverage our presence to expand our business in the African market.”
