CHAIRMAN'S MESSAGE

Dear Shareholders,

The past couple of years have been one of the most challenging and uncertain times experienced across the globe. As we continue to emerge out of this phase, I hope all of you and your loved ones continue to be safe and well.

Your company has made progress after witnessing tough times post second wave of covid-19 pandemic. During the year all efforts were made to monetize the development of Land Parcel situated at Perambur. M/s. North Town Estates Pvt. Ltd was released from their scope of construction for the six unfinished towers in land parcel of 34 acres situated in North Town and a joint development agreement with M/s. Rainbow Foundations Ltd was entered in the month of March, 2022.

Additionally an outright sale of 8 acres of land parcel was made to M/s. Casagrand Zingo Private Ltd and a joint development agreement was entered with M/s. Casagrand Builders Pvt. Ltd for the development of 12 acres of land parcel.

The expected revenue generation in the next 6 years from this joint development is approximately Rs.500 Crores.

While we ended the year on a strong note, the current year will present its own challenges and opportunities. Your company is making all efforts to reach out to various developers for the development of remaining 16 acres in Perambur.

I would like to thank all the stakeholders for the continued confidence and support reposed on us.

Best Regards,

Sd/-

The Report given by the Auditors on the financial statements of the Company is part of the Annual Report. There has been qualification, reservation, adverse remark or disclaimer given by the Auditors in their Report.

The Auditors resigned from the position of the Statutory Auditor of the Company vide letter dated August 10, 2022.

PSDY & Associates, Chartered Accountants, Chennai (Firm's Registration No. 016025S), is appointed as Statutory Auditors of the Company to fill in the casual vacancy created by resignation of Sundaram & Srinivasan, Chartered Accountants, in the board meeting held on September 06, 2022 for the term of five (5) years subject to the approval of the Shareholders of the Company in the forthcoming Annual General Meeting.

23.1.1 Auditors' Report & Management Response on the Qualification made by statutory auditors:

The Auditors' Report for the financial year 2021-22 is a "qualified report" for the both standalone and consolidated financial statements.

Auditors Qualification:

Standalone:

1. *The Company has mortgaged its land situated at Perambur, Chennai as a security and also furnished corporate guarantee to a bank for the borrowings made by PVP Capital Limited, Chennai (i.e., wholly owned step-down subsidiary company) amounting to Rs. 10,000 lakhs. The outstanding amount as per the books of accounts as on March 31, 2022 including interest due is Rs 23,856.85 lakhs. The loanee i.e., PVP Capital Limited has not adhered to repayment schedule of principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the lender bank has taken possession of mortgaged lands and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee, but there were no bidders. We were informed by the Board that the subsidiary viz. PVP Capital Limited has negotiated with the lender bank for one time settlement (OTS) and the lender Bank has also agreed for OTS of Rs. 9500 lakhs as full and final settlement vide letter from the Bank dated March 15, 2022. PVP Capital Limited has to remit the said sum of Rs. 9500 lakhs on or before September 14, 2022. PVP Capital Limited has deposited a sum of Rs. 900 lakhs in an earmarked bank account as on date. The Board of PVP Ventures Ltd also asserts that no provision is required to be made to the carrying value as it is confident that the payment obligation on PVP Capital Limited will be met on or before September 14, 2022 as stipulated by the lender Bank. However, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. Under these circumstances, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the loanee has already defaulted and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company in case the corporate guarantee is invoked. Accordingly, the company should have considered reduced carrying value of the said asset and / or guarantee furnished as an obligation as per Ind AS 109 while preparing the financial statements.*

On the basis of above facts, the loss for the year ended March 31, 2022 is understated to this extent. However, it is difficult to measure the extent of under statement of loss in the circumstances obtaining. (Refer note no.58

(ii) (a))In addition to the above, we invite attention to point no. (f) under report on other Legal and Regulatory requirements.

2. Attention is invited to note nos. 43 (a) & 43(b) to the standalone financial statements, regarding section 164(2) (b) of the Act, which explains the Board's view regarding defaults committed in redeeming the debentures and repayment of interest as per the schedule of redemption / payment.

Though the Board has obtained an extension till 30th June, 2022 from the debenture holder vide letter dated 24th May 2022 to pay the outstanding (covering all the defaults happened up to 31st March, 2021) and is of the opinion that as extension of time has been obtained from the debenture holder there is no delay as regards repayment of debenture and interest thereon. However, we do not agree with the Board's view.

Consolidated:

1. The Parent Company has mortgaged its land situated at Perambur, Chennai as a security and also furnished corporate guarantee to a bank for the borrowings made by PVP Capital Limited, Chennai (i.e., wholly owned step-down subsidiary company) amounting to Rs. 10,000 lakhs. The outstanding amount as per the books of accounts as on March 31, 2022 including interest due is Rs 23,856.85 lakhs. The loanee i.e., PVP Capital Limited has not adhered to repayment schedule of principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the lender bank has taken possession of mortgaged lands and issued sale notice for e-auction of the property given by the Parent company as corporate guarantee, but there were no bidders. We were informed by the Board that the subsidiary viz. PVP Capital Limited has negotiated with the lender bank for one time settlement (OTS) and the lender Bank has also agreed for OTS of Rs. 9500 lakhs as full and final settlement vide letter from the Bank dated March 15, 2022. PVP Capital Limited has to remit the said sum of Rs. 9500 lakhs on or before September 14, 2022. PVP Capital Limited has deposited a sum of Rs. 900 lakhs in an earmarked bank account as on date. The Board of PVP Ventures Ltd also asserts that no provision is required to be made to the carrying value as it is confident that the payment obligation on PVP Capital Limited will be met on or before September 14, 2022 as stipulated by the lender Bank. However, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. Under these circumstances, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the loanee has already defaulted and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company in case the corporate guarantee is invoked. Accordingly, the company should have considered reduced carrying value of the said asset and / or guarantee furnished as an obligation as per Ind AS 109 while preparing the financial statements.

On the basis of above facts, the loss for the year ended March 31, 2022 is understated to this extent. However, it is difficult to measure the extent of under statement of loss in the circumstances obtaining. (Refer note no.51).

2. Attention is invited to note no. 49 to the Consolidated Financial Statement, in relation to advances made for film production (including interest accrued of Rs. 509.94 lakhs) amounting to Rs.1633.14 lakhs, by one of its subsidiaries whose realisability is significantly dependent on timely completion of production of films and the commercial viability of the films under production etc. The holding company's Board is of the view that advances can be realised at the time of release of the movies and accordingly, the company is confident of realizing the entire amount of loans with interest and does not foresee any erosion in carrying value. We are not provided with any documentary evidence as regards Board's assertion that the carrying amount of loans made have not suffered any erosion as on March 31, 2022. No evidence was adduced regarding the status of production of films nor was confirmation produced from the loan debtors.
3. Attention is invited to note no. 50 to the Consolidated Financial Statement, in relation to inventory i.e., films production expenses amounting to Rs. 3,861.90 lakhs, mainly consists of advances granted to artists and co-producers As represented by the Board of the Holding company the film production is under progress with respect to production of 3 movies costing Rs 1009.78 lakhs. In respect of the balance inventory of Rs 2852.12 lakhs the Board is confident of recovering the amount from the production houses. In the absence of documentary evidence as well as the confirmation of balance from the parties relating to the status of the inventory amounting to Rs 2852.12 lakhs, we are unable to agree with the views of the Board . We are of the opinion that realization of inventories is doubtful but we are also unable to decide the quantum of loss that may arise on account of write down of inventory.
4. The independent auditor of subsidiary company viz. PVP Capital Limited in their auditor's report on the financial statements for the year ended 31st March, 2022 have drawn Qualified conclusion .The same is reproduced below :
 - a. Note No. 16.6 in the financial statements which indicates that the Company has not adhered to the repayment schedule for the principal and interest dues to the Bank, consequent to which the Bank has filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFESI Act, 2002). Further the Bank has taken over symbolic possession of the immovable property and issued sale notice for

e-auction of the property given by the ultimate holding company as corporate guarantee. The outstanding amount is Rs. 238.56 crores as per the books of account as at March 31, 2022.

- b. The company proposed to the bank for OTS and the same is accepted and agreed by the bank letter dated 15th March 2022 giving option for one time settlement (OTS) as full and final for Rs. 95.00 crore Out of which the company had already made payment Rs.9.00 crore and the balance OTS amount Rs.86.00 crore should be payable on or before 14th September 2022.
 - c. Further the Company is currently pursuing the realization of dues to the Company and created provisions for unrealizable amounts . Apart from this the Company is not carrying any business activity. The regulatory authority may cancel the registration to carry the principal business activity as a Non-Banking Finance Company due to non-maintenance of minimum net owned fund of Rs. 2 crores as stated in the said note to the financial statement. The Company's inability to meet its financial statements, non-payment of statutory dues and in absence of visual cash flows, doubts are cast on the ability of the Company to continue as a going concern to achieve its future business plans. Taking into consideration the pending legal outcomes of the legal proceedings as well as liquidity constraints, we are unable to express our view whether it is appropriate to treat the Company as a going concern. However based on the management's assertions the Company's financial statements have been prepared on the basis of going concern and the impact, if any, if it were to be treated as a going concern, is not ascertainable at this stage.
5. The independent auditor of subsidiary company viz. PVP Global Ventures Private Limited has drawn Qualified conclusion which is reproduced below

We invite attention to Note No. 11.2 regarding advance of Rs. 10,366.39 lakhs (PY: Rs. 10,366.39 lakhs) given for acquisition of land. The long duration of outstanding of these advance and other factors like low probability of availability of a big chunk of land indicate the existence of uncertainty on the eventual realizability of these advances.

6. According to the information and explanations given to us and based on our audit, the following weaknesses have been identified in the operating effectiveness of the group's internal financial control over financial reporting with reference to the consolidated financial statements as at 31st March, 2022:
 - a. "The group's internal financial control with regard to realizability of loans and advances and inventory as more fully explained in note no.49 and 50 to these financial statements were not operating effectively and could potentially result in the understatement to the carrying value of such assets and also company needs to strengthen its documentation relating to disbursement of loans".
 - b. Assessment of expected cash shortfall and resultant loss allowance that may be required in respect of invocation of corporate guarantees and demand against the company in respect of such guarantees executed for its subsidiary in favour of lender.
7. Attention is invited to note no. 48(a) & (b) to the Consolidated Financial Statements, regarding section 164(2) (b) of the Act, which explains the Board's view regarding defaults committed in redeeming the debentures and repayment of interest as per the schedule of redemption / payment pertaining to the holding company.

Though the Board has obtained an extension till 30th June, 2022 from the debenture holder vide letter dated 24th May 2022 to pay the outstanding (covering all the defaults happened up to 31st March, 2021) and is of the opinion that as extension of time has been obtained from the debenture holder there is no delay as regards repayment of debenture and interest thereon. However, we do not agree with the Board's view.

Management Comments on the above qualification:

Standalone:

1. PVP Capital Limited had already paid Rs.9.00 crores upfront as per the One Time Settlement ("OTS") letter dated March 15, 2022 and it is mobilizing the funds to make the balance repayment. Thus there is no understatement of loss in the books of the holding company.
2. As per the legal advice, management is of the view that even though the repayment has not been made within the period contemplated, the delay has been ratified by the debenture holder with retrospective effect by virtue of which the management contents this would not come under the ambit of default as defined under explanation 2 to regulation 49 of the SEBI (LODR) Regulations, 2015

Consolidated:

1. PVP Capital Limited had already paid Rs.9.00 crores upfront as per the One Time Settlement ("OTS") letter dated March 15, 2022 and it is mobilizing the funds to make the balance repayment. Thus there is no understatement of loss.

2. Realisability is significantly dependent on timely completion of production of films and the commercial viability of the films under production etc. Management is of the view that loans and advances can be realised at the time of release of the movies and accordingly, the company is confident of realizing the entire amount of loans with interest and does not foresee any erosion in carrying value. The management is confident of realising the value at which they are carried notwithstanding the period outstanding.
3. The films under production expenses mainly comprising payments to artists and co-producers the company is evaluating options for optimal utilization of these payments in production and release of films. The management does not foresee any erosion in carrying value.
4. PVP Capital Limited ("PVPCAL") had applied for One Time Settlement (OTS) to the bank and the same was agreed by the bank vide letter dated March 15, 2022. The lender Bank has agreed for Rs.9500 lakhs as OTS. PVPCAL has remitted Rs. 900 lakhs and the balance of Rs. 8600 lakhs would be remitted on or before September 14, 2022. Further, PVPCAL has remitted Rs. 8600 lakhs in June 30, 2022.
5. The Company internally evaluating and providing in the books for any possible financial loss. Also various option is being pursued for exiting the investment to other suitors or recovering from the parties who took advances.
6. The qualification under internal control is mainly w.r.t number of employees. The subsidiaries company are in the face of post COVID. Thus it has reduced the employees. There is slow recovery and the management is taking all necessary steps to strengthen the internal control frame work.
7. As per the legal advice, management is of the view that eventhough the repayment has not been made within the period contemplated, the delay has been ratified by the debenture holder with retrospective effect by virtue of which the management contents this would not come under the ambit of default as defined under explanation 2 to regulation 49 of the SEBI (LODR) Regulations, 2015.

MANAGEMENT DISCUSSION AND ANALYSIS

Global Economic Overview

The global economy in FY 2021-22 faced significant headwinds amid new waves of COVID-19 infections, persistent labour market challenges, lingering supply-chain challenges and rising inflationary pressures. Despite many such challenges, global economy expanded by 5.5% in 2021.

This robust growth in global economy in 2021 was driven by strong consumer spending and some uptake in investment, with trade in goods surpassing pre-pandemic levels and even marked the highest growth rate in more than four decades. Despite the momentum for growth, the United States and the European Union slowed considerably by the end of 2021, as the effects of monetary and fiscal stimulus began to recede and major supplychain disruptions emerged. Rising inflationary pressures in many economies are posing additional risks to recovery.

Indian Economy

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

Numerous foreign companies are setting up their facilities in India on account of various Government initiatives like Make in India and Digital India. Government of India has launched the Make in India initiative with an aim to boost the country's manufacturing sector and increase the purchasing power of an average Indian consumer, which would further drive demand and spur development, thus benefiting investors. The Government of India, under its Make in India initiative, is trying to boost the contribution made by the manufacturing sector with an aim to take it to 25% of the GDP from the current 17%. Besides, the Government has also come up with the Digital India initiative, which focuses on three core components: the creation of digital infrastructure, delivering services digitally and increasing digital literacy.

Industry Review

India's real estate sector is witnessing a healthy increase in demand in 2022 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry.

Despite pandemic exigencies, the sector has continued to show resilience and steady growth in 2021. India's first wave of COVID-19 brought the sector to a relative standstill for a while. However, by the last quarter of 2020, the market had begun to pick pace, particularly owing to an increase in demand for residential spaces. The second wave of COVID-19 hit the sector just as it had begun to revive itself. Unlike the first wave, the ramifications of the second wave were not as prolonged or prominent. Vaccination drives and lowered infection rates infused optimism in the market. In addition, the festive season fed the sector's growth. Buoyed by these factors, the sector made a strong comeback.

Chennai Real Estate Market Analysis

The Chennai real estate market is driven by targeting the end-users and is supported by the growth and development of several industries and other commercial activities. Dominant market players such as Indian Oil, Chennai Petroleum Corporation, and Manali Petrochemicals, and IT and ITeS corporate houses have been large contributors to the real estate market in North Chennai. The research report of ANAROCK showed the launch of 5,150 housing units between 2015 and 2019. The development made in the infrastructure and connectivity, such as metro rails has also fueled the real estate sector's growth.

Chennai is one of the leading markets for the real estate sector. In 2019, Chennai witnessed a yearly rise of 8% in residential property sales with south Chennai seeing the maximum sales number. The primary demand in the Chennai market arose for Ready to move-in homes and nominal housing units. In the year 2019, the office space rentals also showed prominent growth of 50% year-on-year sales.

However, the year 2020 led to the decline of the real estate market, which resulted from the pandemic and lockdown induced by it. The government has taken several measures to ensure that the real estate market is revived. The Tamilnadu RERA has extended the deadline for the completion of projects by five months to bring the developers certain relief. Relaxations were also granted to the mandate of submitting a completion certificate for availing permanent electricity connection. Relations were granted to any property that was up to 12 m in height, 750 sq. m in area, and less than three units. The registration department also announced that the completed ready-to-move-in flats would not be levied stamp duty tax and registration fee on the first sale of the property.

It is to be noted that there was no remarkable development in the price in 2020. However, the rental graph showed a hike of 1% on average year-on-year. The tenants preferred localities with better infrastructure and connectivity in both the northern and southern regions of Chennai. The real estate highlights of Chennai showed that there had been a

remarkable change in the demand and supply graph of affordable segment properties in comparison to other segments as the demand surpassed the supply by almost 20%. However, the Rs.40-60 lakhs bracket portrayed minimum disequilibrium.

Opportunities and Challenges

Opportunities

As India awaits policy reforms to pick up speed, your Company firmly believes that the demand for Real Estate in a country like India should remain strong in the medium to long term. Your Company's is the process of developing 20 acres of its land parcel situated in North Chennai and many developers are being approaching the company. The company believes that it would have a better opportunity in terms of growth in the upcoming financial year

Challenges

While the management of your Company is confident of creating and exploiting the opportunities, it also finds the following challenges:

- Unanticipated delays in project approvals;
- Availability of accomplished and trained labour force;
- Concerns due to ongoing pandemic situation;
- Increased cost of manpower;
- Rising cost of construction lead by increase in commodity prices; • Growth in auxiliary infrastructure facilities; and
- Over regulated environment

Company Strengths

Your Company continues to capitalize on the market opportunities by leveraging its key strengths.

These include

- Brand Reputation: Enjoys higher recall and influences the buying decision of the targeted customer.
- Execution: Possesses a successful track record of quality execution of projects with contemporary architecture.
- Transparency: Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.

Discussion on financial performance with respect to operational performance.

During the financial year, Rainbow Foundation Limited had approached the company to undertake the development of 'Chetna' and 'Ekanta at North Town'. Further Casagrind Builders had also approached the company for development of its land parcel; All the efforts of the company would be ripening in the financial year 2022-2023. The exact improvement in the financials can be seen in the coming year

Outlook

In 2022, we expect the sector to leverage the government's continued focus on infrastructure development and industrial growth. Capital values across both the mid-end and high-end residential segments are expected to witness an uptick in 2022 due to factors such as robust sales momentum and rising input material cost that could force developers to pass on the increase to homebuyers.

Risks and Concerns

Market Price Fluctuation

The performance of your Company may be affected by the sales and rental realizations of its projects. These prices are driven by prevailing market conditions, the nature and location of the projects and other factors such as brand and reputation and the design of the projects. Your Company follows a prudent business model and tries to ensure steady cash flow even during adverse pricing scenario.

Sales Volume

The volume of bookings depends on the ability to design projects that will meet customer preferences, getting various approvals in time, general market factors, project launch and customer trust in entering into sale agreements well in advance of receiving possession of the projects.

Pandemic Risk

The outbreak of a novel strain of coronavirus (i.e. COVID-19), which commenced in December 2019 has now spread across the world and India being no exception. At the same time, the country is progressing well in its vaccination program. All prominent rating companies and experts, including Reserve Bank of India have projected a healthy recovery of economic activities in India. However, the COVID-19 outbreak could become more severe and result in a more widespread health crisis and/or result in a global recession because of disruptions of economic activity. Any of these factors may have a material adverse effect on your Company's financial condition and results of operations.

Human Resources

Human resources are the most important resources in an organization and need to be used efficiently, because success, stability and growth of an organization depend on its ability in acquiring, utilizing and developing the human resources for the benefit of the organization.

Your Company has a robust Career Development framework that gives employees the power to define aspirations and take charge of their career. They can discuss their development needs and aspirations with their managers and carve a development plan for the future. Your Company extends the required assistance to employees and provide them with opportunities that can facilitate employees to grow both personally and professionally. This enables employees to achieve their career goals and in turn creates a set of motivated, valuable and skilled workforce.

Total number of employees in the company as on March 31, 2022 was Sixteen(16).

On account of COVID – 19 Pandemic, I have not been able to carry out physical visit to the Registered Office of the Company and I have examined the records of the company shared to me electronically pertaining to the compliance of conditions of Corporate Governance by **PVP VENTURES LIMITED** (“the Company”), for the year ended on March 31, 2022, as stipulated in Regulation 15(2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 [Listing Regulations] for the period 1st April, 2021 to 31st March, 2022.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and according to the explanations given to me, by the Directors, Officers and the Management, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations except for:

- *not submitting the Annual Secretarial Compliance Report to stock exchanges within prescribed / extended timelines for the year ended 31.03.2021 as required under Regulation 24A. The Company submitted the same on 12.07.2021.*

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]*

To,
The Members,
PVP VENTURES LIMITED

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **PVP VENTURES LIMITED** having CIN: L72300TN1991PLC020122 and Registered Office Address at KRM Centre, 9th Floor, Door No. 2, Harrington Road, Chetpet, Chennai, Tamil Nadu - 600 031 (herein after called the 'Company'). Secretarial Audit was conducted in accordance with the guidance note issued by the Institute of Company Secretaries of India and in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

On account of COVID - 19 Pandemic, I have not been able to carry out physical visit to the Registered Office of the Company and based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company which were shared with me electronically and also the information, confirmations, clarifications provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
 - b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
New Cyberabad City Projects Private Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **New Cyberabad City Projects Private Limited** having CIN: U45201TG2006PTC050706 and having Registered office at 4th Floor, West Block, Punndih Plaza, Plot No. 83 & 84, Road No.2, Banjara Hills, Hyderabad, Telangana – 500 034 (hereinafter called the 'Company'). Secretarial Audit was conducted in accordance with the guidance note issued by the Institute of Company Secretaries of India and in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

On account of COVID – 19 Pandemic, I have not been able to carry out physical visit to the Registered Office of the Company and based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company which were shared with me electronically and also the information, confirmations, clarifications provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I, hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; **(Not applicable to the Company during the period of audit)**;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(Not applicable to the Company during the period of audit)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015- **(Not applicable to the Company during the period of audit)**;
 - b) Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018- **(Not applicable to the Company during the period of audit)**;
 - c) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011- **(Not applicable to the Company during the period of audit)**;
 - d) Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **(Not applicable to the Company during the period of audit)**;
 - e) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021- (Not applicable to the Company during the period of audit);
 - f) Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - **(Not applicable to the Company during the period of audit)**;
 - g) Securities and Exchange Board of India (Issue and Listing of Non Convertible and Redeemable Preference Shares) Regulation, 2013 - **(Not applicable to the Company during the period of audit)**;
 - h) Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 - **(Not applicable to the Company during the period of audit)**;
 - i) Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 - **(Not applicable to the Company during the period of audit)**;
 - j) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client - **(Not applicable to the Company during the period of audit)**;
 - k) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 - **(Not applicable to the Company during the period of audit)**.

(vi) Other Laws specifically applicable to the company include:

- a) Transfer of Property Act, 1882
- b) Real Estate (Regulation and Development) Act, 2016
- c) Indian Easements Act, 1882
- d) Registration Act, 1908
- e) The Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996 and
- f) The Land Acquisition Act, 1894

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India and notified under Companies Act, 2013
- (ii) The Listing Agreements entered into by the company with Stock Exchange(s) - **(Not applicable to the Company during the period of audit)**.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except as under:

- *In Form MGT-7 (Annual Return) filed for the financial year 2020-21, certain details pertaining to the number of committee meetings, attendance of Board meetings and dates of audit committee meetings were incorrectly reported.*
- *Director's Report for the Financial year 2020-21 does not provide the following items:*
 - a) *Web address of Annual Return as per Section 134(3)(a) read with Section 92(3) of the Companies Act, 2013.*
 - b) *Details in respect of frauds reported by auditors under sub-section (12) of Section 143 other than those which are reportable to the Central Government as per Section 134(3)(ca) of Companies Act, 2013.*
 - c) *Financial Highlights of the Company as per Section 134(3)(q) read with Rule 8(5)(i) & (ii) of Companies (Accounts) Rules, 2014.*
 - d) *Disclosure on establishment of Vigil Mechanism as per Section 177(9) read with Rule 7 of Companies (Meetings of Board and its Powers) Rules, 2014.*

I further report that the Board of Directors of the Company is duly constituted with proper balance of Non-Executive and Independent Directors. There are no changes in the composition of the Board of Directors during the period under review.

Adequate notice is given to all Directors in advance to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings are carried out unanimously as recorded in the Minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

I further report that:

- The Enforcement Directorate had provisionally attached the land at Nadergul, Ranga Reddy District admeasuring 28 Acres and 8 Guntas of the Company in connection with the redemption of the investments in M/s. Mahalakshmi Energy Ventures Private Limited by its fellow subsidiary Company. The said attachment order has been confirmed by the Adjudicating Authority of the Enforcement Directorate. The Fellow Subsidiary Company - PVP Global Ventures Private Limited has already filed an appeal against the said Order before Appellate Authority, Delhi. As informed to me there is no further development in this regard.
- During the course of legal case against SEBI's penalty order for Insider Trading, the fellow subsidiary, PVP Global Ventures Private Limited (hereinafter referred to as "PVP Global") has provided the Company's land parcel aggregating to 53 acres 30 guntas as security deposit to SEBI. The Securities Appellate Tribunal has confirmed the penalty of Rs.15 Crores on PVP Global Ventures Pvt Ltd and as informed to us the said fellow subsidiary has remitted the dues. However, the interest on the penalty is pending and is under dispute

Standalone Financial Section

Independent Auditor's Report

To the Members of PVP Ventures Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the standalone financial statements of PVP Ventures Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of the matter described in Basis of Qualified Opinion paragraph below, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31st March, 2022, and its loss including other comprehensive income, its changes in equity and cash flows for the year ended on that date.

Basis for Qualified Opinion

1. The Company has mortgaged its land situated at Perambur, Chennai as a security and also furnished corporate guarantee to a bank for the borrowings made by PVP Capital Limited, Chennai (i.e., wholly owned step-down subsidiary company) amounting to Rs. 10,000 Lakhs. The outstanding amount as per the books of accounts as on March 31, 2022 including interest due is Rs. 23,856.85 Lakhs. The loanee i.e., PVP Capital Limited has not adhered to repayment schedule of principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the lender bank has taken possession of mortgaged lands and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee, but there were no bidders. We were informed by the Board that the subsidiary viz. PVP Capital Limited has negotiated with the lender bank for one time settlement (OTS) and the lender Bank has also agreed for OTS of Rs. 9500 Lakhs as full and final settlement vide letter from the Bank dated March 15, 2022. PVP Capital Limited has to remit the said sum of Rs. 9500 Lakhs on or before September 14, 2022. PVP Capital Limited has deposited a sum of Rs. 900 Lakhs in an earmarked bank account as on date. The Board of PVP Ventures Ltd also asserts that no provision is required to be made to the carrying value as it is confident that the payment obligation on PVP Capital Limited will be met on or before September 14, 2022 as stipulated by the lender Bank. However, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. Under these circumstances, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the loanee has already defaulted and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company in case the corporate guarantee is invoked. Accordingly, the company should have considered reduced carrying value of the said asset and / or guarantee furnished as an obligation as per Ind AS 109 while preparing the financial statements.

On the basis of above facts, the loss for the year ended March 31, 2022 is understated to this extent. However, it is difficult to measure the extent of under statement of loss in the circumstances obtaining. (Refer note no.58 (ii) (a))

In addition to the above, we invite attention to point no. (f) under report on other Legal and Regulatory requirements

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified Opinion.

Material uncertainty related to Going Concern

Attention is invited to note no 42 and 45 to the standalone financial statements, which indicates that the company's current liabilities exceeded its current assets and the company was unable to honour its obligation towards repayment of principal and interest to its debenture holders and non - current investments are to be impaired significantly. This indicates that there exists a material uncertainty that may cast doubt on the company's ability to continue as a going concern, if the company is not successful in its proposed initiatives.

Our audit opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined the matters described below to be the key audit matters to be communicated in our Report.

Contingent Liabilities in relation to Tax Litigations and Other Statutory Litigations

Key Audit Matter	Auditor's Response
<p>The Company has received demand relating to direct tax matters pertaining to various assessment years from Income Tax Department. The company is contesting these demands (refer note no. 51 to the standalone financial statements).</p> <p>There is high level of judgment required in estimating the level of provisioning. The management's assessment is supported by the facts of matter, their own judgment and advices from legal and independent consultants wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the management's reported loss and the Balance Sheet.</p> <p>We determined the above area as a Key Audit Matter in view of associated uncertainty relating to the outcome of these matters which requires application of judgment in interpretation of law. Accordingly, our audit was focused on analysing the facts of subject matter under consideration and judgements/interpretation of law involved.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Understanding the current status of the litigations/ tax assessments and demands from the Income Tax department. • Examining recent orders and/or communication received from the said department and follow up action thereon. • Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal advice; and • Review and analysis of evaluation of the contentions of the management through discussions, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues.

As a result of above audit procedures, no material difference was noted. We confirm the adequacy of disclosures made in the financial statements.

Information other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board's Report including annexures to Board's Report and Report on Corporate Governance but does not include the standalone financial statements and our auditor's report thereon. The above reports are expected to be made available to us after the date of the auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and the estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditor's Report) Order 2020("the Order") issued by the Central Government of India in terms of Sub section (11) of Section 143 of the Act, we give in the "Annexure A" statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) *Except for the effects of the matter described in the Basis for Qualified Opinion Paragraphs above*, in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) *Except for the effects of the matter described in the Basis for Qualified Opinion Paragraphs above*, in our opinion, aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) The matter described in the Basis for Qualified Opinion Paragraph above, in our opinion, may have an adverse effect on the functioning of the company.
- f) *Attention is invited to note nos. 43(a) & 43(b) to the standalone financial statements, regarding section 164(2) (b) of the Act, which explains the Board's view regarding defaults committed in redeeming the debentures and repayment of interest as per the schedule of redemption / payment.*

Though the Board has obtained an extension till 30th June, 2022 from the debenture holder vide letter dated 24th May 2022 to pay the outstanding (covering all the defaults happened up to 31st March, 2021) and is of the opinion that as extension of time has been obtained from the debenture holder there is no delay as regards repayment of debenture and interest thereon. However, we do not agree with the Board's view.

- g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion Paragraph above.
- h) With respect to the adequacy of the Internal financial control over financial reporting of the company and operating effectiveness of such controls, refer to our separate report in "**Annexure B**"; and
- i) In accordance with the requirements of section 197(16) of the Companies Act, 2013, as amended, in our opinion and to the best of our information and according to the explanations given to us, during the year, the company has not paid remuneration to the directors in accordance with the provisions of section 197 of the Companies Act, 2013. Therefore, remuneration paid to the directors over and above the limits laid down under this section doesn't arise.
- j) With respect to the other matters to be included Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its Standalone Financial Statements - refer note no.39 to the Standalone Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There are no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv.
 - a) The Board has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Board has represented, that, to the best of its knowledge and belief, other than as disclosed in the note no.15 to financial statements, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations provided under sub-clause (a) and (b) above, contain any material misstatement.
 - v. The Board has not declared any dividend during the year. Hence, reporting on whether there is compliance with the provisions of section 123 of the Act does not arise.

Referred to in Clause 1 of "Report on Other Legal and Regulatory Requirements" Paragraph of the Independent Auditors' Report of even date the members of "PVP Ventures Limited" on the Standalone Ind AS Financial Statements as of and for the year ended 31st March 2022.

- (i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company is maintaining proper records showing full particulars of intangible assets.
- (b) Property, Plant and Equipment are verified physically by the management in accordance with a regular programme at reasonable intervals. In our opinion the interval is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property other than land held as inventory (see point no. (ii) below). Hence reporting under clause (c) of paragraph 3(i) of the Order does not arise.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-Use asset) or Intangible assets or both, during the year.
- (e) No proceedings have been initiated during the year or are pending against the company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) In our opinion and according to the information and explanations given to us, having regard to nature of inventory i.e. Land, reconciliations with survey numbers of stock-in-hand and certification of extent of land sold by competent persons, are at reasonable intervals and no discrepancies were noticed on physical verification. The title deeds of land are hypothecated with the Bank. We have not verified the title deeds of land and we have relied on the confirmation received from the Bank.
- (b) The Company has not been sanctioned any working capital limits from any Bank or Financial Institution on the basis of security of current assets and hence reporting under clause (b) of para 3(ii) is not applicable.
- (iii) During the year, the company has neither made any investment nor furnished any guarantee nor provided any security nor granted any loan or advances in the nature of loans, secured or unsecured, to companies (other than 3 wholly owned subsidiaries), Firms, Limited Liability Partnerships or any other parties. During the year the company has made interest free loan without specifying any term or period of repayment to three of its wholly owned subsidiary companies and treated the same as deemed investment as prescribed under Ind AS.
- (a) During the year the company has made interest free loan to three of its wholly owned subsidiary companies and treated the same as deemed investment as prescribed under Ind AS.
(A) the aggregate amount of interest free loans advanced to 3 wholly owned subsidiary companies during the year is Rs. 1487.85 Lakhs. The company has fully provided for a sum of Rs. 24,841.76 Lakhs during the year in respect of these three subsidiaries and the balance outstanding as at the balance Sheet date is Nil. In respect of an other subsidiary, the balance outstanding as at the balance sheet date is Rs. 21,843.49 Lakhs, being the opening balance.
The outstanding balance of guarantee furnished on behalf of a step down subsidiary is Rs. 10000 Lakhs. The approximate market value (as represented to us) of security provided to a lender of its step down subsidiary as at the year end is Rs. 18,000 Lakhs and the market value (as represented to us) of security provided as at the year end to Debenture holder is Rs. 32,561.37 Lakhs.
The company does not have joint venture or an associate.
(B) The Company has not granted any loans or advances and has not furnished guarantees or provided security to any other party other than the subsidiaries. Hence reporting under this clause does not arise.
- (b) The loan granted during the year as mentioned above is interest free and was fully provided for in the books of the company and hence it is prejudicial to the company's interest.
- (c) The Company has treated the interest free loan made to its wholly owned subsidiary as deemed investment as per Ind AS and hence reporting under clauses iii (c), iii (d), iii (e) of para 3 of the Order, does not arise.
- (d) During the year the company has made interest free loan without specifying any term or period of repayment to three of its wholly owned subsidiary companies and treated the same as deemed investment as prescribed under Ind AS. Aggregate amount of loan granted during the year is Rs. 1,487.85 Lakhs and percentage thereof to total loans granted during the year is 100%.
- (iv) According to the information and explanations given to us, the company has complied with the provisions of section 185 and section 186 of the Act with respect to loans granted, investments made, guarantee furnished and security provided, as applicable.
- (iv) The Company has not accepted any deposit or amounts deemed to be deposits as mentioned in the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 of the Act or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, reporting under clause v of para 3 of the Order is not applicable.

- (vi) Maintenance of cost records specified by the Central Government under Sub-Section (1) of Section 148 of the Companies Act, 2013 is not applicable to the company and hence reporting under this clause does not arise.
- (vii) (a) According to the records provided to us, the company is generally regular (other than the dues mentioned below) in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax (Including Tax Deducted at Source), Duty of Customs, Goods and Services Tax, Cess and other statutory dues with the appropriate authorities wherever applicable.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PVP Ventures Limited** ("the Company") as of 31st March, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In our opinion and according to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31st March, 2022:

Assessment of expected cash shortfall and resultant loss allowance that may be required in respect of invocation of corporate guarantee as well as invocation of collateral on land furnished to the lender of a subsidiary, where the subsidiary is not in a position to serve the interest and principal.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, *except for the possible effects of the material weaknesses described above* on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

We have considered the material weaknesses identified and reported in the Qualified Opinion paragraph in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the company for the year ended 31st March, 2022 and material weaknesses do not affect our opinion on the financial statements of the company.

The registered office of the Company is located at Door No:2, 9th Floor, KRM Centre, Harrington Road, Chetpet, Chennai, Tamilnadu - 600031. The Company is engaged in the business of developing urban infrastructure and investments in various ventures.

The standalone financial statements for the year ended March 31, 2022 (including comparatives) are duly adopted by the Board of Directors in the meeting held on May 25, 2022 by video conferencing for consideration and approval by the shareholders.

2. Significant Accounting Policies

Basis of Preparation of Financial Statements

These financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013, ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs as per the requirement of schedule III, unless otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in Indian currency (INR), being the functional and presentation currency. Being the currency of the primary economic environment in which the company operates.

All assets and liabilities have been classified as current or non-current in accordance with the operating cycle criteria set out in **Ind AS 1 Presentation of Financial Statements and Schedule III to the Companies Act, 2013**.

Disclosures under Ind AS are made only in respect of material items and in respect of the items that will be useful to the users of financial statements in making economic decisions.

Current / Non-Current Classification

An asset is classified as current when

- 1) It is expected to be realized or consumed in the Company's normal operating cycle;
- 2) It is held primarily for the purpose of trading;
- 3) It is expected to be realized within twelve months after the reporting period; or
- 4) If it is cash or cash equivalent, unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

Any asset not conforming to the above is classified as non-current

A liability is classified as current when

- 1) It is expected to be settled in the normal operating cycle of the Company;
- 2) It is held primarily for the purpose of trading;
- 3) It is expected to be settled within twelve months after the reporting period; or
- 4) The Company has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

Any liability not conforming to the above is classified as noncurrent

a. Property, Plant and Equipment:

Property, Plant and Equipment (PPE) are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all direct costs relating to acquisition and installation of Property, Plant and Equipment and borrowing cost relating to qualifying assets. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost can be measured reliably. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is charged to statement of profit and loss so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the Balance Sheet date, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives of the depreciable assets are as follows:

Class of Assets	Estimated Useful Life
Plant and Equipment	5 years
Furniture and Fixtures	10 years
Vehicles	8 years
Computers and related Assets	3 years
Office Equipment	3 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

b. Impairment of Property, Plant & Equipment:

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

c. Foreign Currency Translation:

Initial Recognition

On initial recognition, transactions in foreign currencies entered into by the company are recorded in the functional currency (i.e., India Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Measurement of foreign currency items on reporting date

Foreign currency monetary items of the company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rate at the date of transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognised in the Statement of Profit and Loss.

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

The Company has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency.

Subsequent Measurement

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were the fair value measured.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of other monetary items are recognised in the Statement of Profit and Loss.

d. Leases:

The company as a Lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether : (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The company as a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease.

The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 116 "Leases") and is amortized over the lease term in accordance with the pattern of benefits provided.

e. Inventories

Inventory constitutes land and its related development activities, which are valued at Cost or Net Realizable Value whichever is lower. Cost comprises of all expenses incurred for the purpose of acquisition of land, development of the land and other related direct expenses.

f. Financial Instruments

1) Initial Recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

2) Subsequent measurement

(i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii) Financial Assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit or loss.

iv) Investment in Subsidiaries

Investments in subsidiaries are carried at cost in accordance with Ind AS 27 Separate Financial Statements. Provision for diminution in value of investments has been made wherever required.

v) Financial Liability

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit or loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

3) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset, and the transfer qualifies for derecognition under

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

4) Impairment of Assets

Financial Assets (other than at fair value):

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

5) Fair value of Financial Instruments

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

g. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, the provision is discounted using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation and the unwinding of the discount is recognised as interest expense.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not recognized in the financial statements.

h. Revenue Recognition

The company has applied Ind AS 115, Revenue from Contracts with Customers, which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

The company recognises revenue when it determines the satisfaction of performance obligations at a point of time. Revenue is recognised upon transfer of control of promised services to customer in an amount that reflects the consideration which the company expects to receive in exchange for the services.

Revenue from dividend is recognised upon right to receive the dividend is established.

Interest income is recognised on time proportion basis taking into account the amount outstanding and rate applicable as per the agreements.

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

i. Employee Benefits

1) Gratuity

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on projected unit credit method as at balance sheet date. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognised in other comprehensive income are not to be subsequently reclassified to profit or loss. As required under Ind AS compliant Schedule III, to the Companies Act, 2013 the Company transfers it to retained earnings.

2) Compensated Absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Non-accumulating compensated absences are recognised in the period in which the absences occur.

3) Other Benefit Plans

Contributions paid/payable under defined contributions plans are recognised in the statement of Profit and Loss in each year. Contribution plans primarily consist of Provident Fund administered and managed by the Government of India. The Company makes monthly contributions and has no further obligations under the plan beyond its contributions.

j. Taxes on Income

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

1) Current Income Tax

Current Income tax for the current and prior periods are measured at the amount expected to be paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

2) Deferred Income Tax

Deferred Income tax is recognised using balance sheet approach. Deferred tax is recognised on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred Income tax assets are recognised for all deducted temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred Income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

k. Borrowing Costs

Borrowing Costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

l. Earnings per Share

Basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e., the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

m. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax/(loss) is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

n. Exceptional Items

When items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

o. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of "Urban Infrastructure". Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment and hence the necessary information has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

p. Indian Accounting Standards / amendments issued but not yet effective

The Ministry of Corporate Affairs ('MCA') notified amendments to existing standards Ind AS - 16, 37, 41, 101, 103 and 109 under Companies (Indian Accounting Standards) Rules, 2022 on March 2022. These amendments are effective for the financial year beginning from April 01, 2022.

The Company has evaluated these amendments and there are no impacts on its financial statements.

3. Critical accounting estimates and judgments

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are continually evaluated. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- **Valuation of investment in/loans to subsidiaries:** The company has performed valuation for its investments in equity of certain subsidiaries for assessing whether there is any impairment in the fair value. When the fair value of investment in subsidiaries cannot be measured based on quoted prices in active markets, their fair

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

value is measured using appropriate valuation techniques including the discounted cash flow model. Similar assessment is carried for exposure of the nature of loans thereon. The inputs to these models are taken from observable markets where possible, but where is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as expected earnings in future years, liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of these investments.

- **Useful lives of property, plant and equipment and intangible assets:** The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the carrying amount of property, plant and equipment at the Balance Sheet date. This reassessment may result in change in depreciation expense in future periods.
- **Impairment testing:** Property, plant and equipment are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.
- **Income Taxes:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and their tax charge in the statement of profit or loss.
- Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the statement of profit and loss.
- **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, etc. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.
- **Revenue from Contracts with Customers:** The company has applied judgments that affect the determination of the amount and timing of revenue from contracts with customers.

Investment in Equity Instruments other than the investment in subsidiaries are carried at cost and hence not considered.

Management considers that all financial instruments are carried at amortized cost and the carrying value of the company's financial assets and liabilities is considered approximate to their fair value at each reporting date.

58. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Company's operations. The Company's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Company is exposed to various financial risks such as market risk, credit risk and liquidity risk. The company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. The financial instruments affected by market risk includes investment, has been discussed below.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with fixed interest rates.

Long term borrowings of the company bear fixed interest rate. Thus, interest rate risk is limited for the company.

b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company does not undertake transactions denominated in foreign currencies, consequently company activities does not expose to exchange rate fluctuations arise

c) Equity price risk

The company's listed and non-listed equity securities are not susceptible to market price risk arising from uncertainties about future values of the investment securities. Hence the company does not bear significant exposure to Equity price risk in investment in subsidiaries.

ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily for trade receivables, loans and other financial assets).

Summary of significant accounting policies and other explanatory information to the Standalone Financial Statements for the year ended 31st March 2022

a) Credit risk related to corporate guarantee furnished

The Company has mortgaged its land situated at Perambur, Chennai as a security and also furnished a corporate guarantee of Rs. 10,000 Lakhs to its step-down subsidiary company, PVP Capital Limited ('PVPCL'). PVPCL has not adhered to repayment schedule of principal and interest due to a bank consequent to which the bank has filed a case for recovery of the dues before the Debt Recovery Tribunal (DRT) amounting to Rs. 23,856.85 Lakhs (including interest accrued) as per the books of accounts as on 31st March 2022. The bank has taken symbolic possession of secured, immovable property of the Company under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI) and issued an e-auction sale notice. There were no bidders for the aforesaid sale notice and consequently the e-auction sale proceedings have become infructuous. Further, PVPCL has applied for One Time Settlement to the bank and the same was agreed by the bank vide letter dated March 15, 2022. The lender bank has agreed for Rs. 9,500 Lakhs as OTS. PVP Capital Limited has remitted Rs. 900 Lakhs and the balance of Rs. 8,600 Lakhs has to be remitted by September 14, 2022.

b) Trade Receivables

The company's credit risk with regard to trade receivables has a high degree of risk diversification, due to large number of projects of varying sizes and types with numerous different customer categories.

Customer credit risk is managed by requiring customers to pay advances through progress billings done by developer before transfer of ownership, therefore substantially eliminating the company's credit risk in respect.

Based on prior experience and an assessment of the current economic environment, management believes there is no credit provision is required and also the company does not have any significant concentration of credit risk. As on 31st March 2022, outstanding receivables amounting to Rs. 24.75 Lakhs (Previous year Rs. 153.61 Lakhs).

Credit risk on cash and cash equivalents is considered to be minimal as the counterparties are all substantial banks with high credit ratings.

iii) Liquidity risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The company's management is responsible for liquidity, funding as well as settlement management. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The amount of guarantee furnished on behalf of subsidiary included in note no 46(c)(ii)(a) stated above represents the maximum amount the company could be forced to settle for the guaranteed amount. Based on the expectation at the end of the reporting period, the Board is of the opinion that such amount will not be payable under the arrangement.

59. Capital Management

For the purpose of the company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the company. The company strives to safeguard its ability to continue as a going concern so that they can maximize returns for the shareholders and benefits for other stake holders. The aim is to maintain an optimal capital structure and minimize cost of capital.

The Company monitors capital using the debt-equity ratio, which is net debt divided by total equity. The Company includes within net debt, interest bearing loans and borrowings less cash and cash equivalents, Bank balance other than cash and cash equivalents.

Consolidated Financial Section

Independent Auditor's Report

To the Members of PVP Ventures Limited

Report on the Audit of Consolidated Financial Statements

Qualified Opinion

We have audited the Consolidated Financial Statements of **PVP Ventures Limited** (hereinafter referred to as "the Holding Company" or "the Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at 31st March 2022, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Cash Flows, the Consolidated Statement of Changes in Equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, of consolidated loss and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

1. The Parent Company has mortgaged its land situated at Perambur, Chennai as a security and also furnished corporate guarantee to a bank for the borrowings made by PVP Capital Limited, Chennai (i.e., wholly owned step-down subsidiary company) amounting to Rs. 10,000 lakhs. The outstanding amount as per the books of accounts as on March 31, 2022 including interest due is Rs 23,856.85 lakhs. The loanee i.e., PVP Capital Limited has not adhered to repayment schedule of principal and interest dues to its bank, consequent to which the bank filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings against the company under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act, 2002). Further, the lender bank has taken possession of mortgaged lands and issued sale notice for e-auction of the property given by the Parent company as corporate guarantee, but there were no bidders. We were informed by the Board that the subsidiary viz. PVP Capital Limited has negotiated with the lender bank for one time settlement (OTS) and the lender Bank has also agreed for OTS of Rs. 9500 lakhs as full and final settlement vide letter from the Bank dated March 15, 2022. PVP Capital Limited has to remit the said sum of Rs. 9500 lakhs on or before September 14, 2022. PVP Capital Limited has deposited a sum of Rs. 900 lakhs in an earmarked bank account as on date. The Board of PVP Ventures Ltd also asserts that no provision is required to be made to the carrying value as it is confident that the payment obligation on PVP Capital Limited will be met on or before September 14, 2022 as stipulated by the lender Bank. However, in our view the carrying value of the relevant mortgaged assets is dependent on the repayment of the loan by the PVP Capital Limited. Under these circumstances, we are unable to express our view whether the company is justified in carrying the assets that have been mortgaged where the loanee has already defaulted and similarly whether the company is justified in not taking cognizance of financial obligation that may devolve on the company in case the corporate guarantee is invoked. Accordingly, the company should have considered reduced carrying value of the said asset and / or guarantee furnished as an obligation as per Ind AS 109 while preparing the financial statements.

On the basis of above facts, the loss for the year ended March 31, 2022 is understated to this extent. However, it is difficult to measure the extent of under statement of loss in the circumstances obtaining. (Refer note no.51)

2. Attention is invited to note no. 49 to the Consolidated Financial Statement, in relation to advances made for film production (including interest accrued of Rs.509.94 lakhs) amounting to Rs.1633.14 lakhs, by one of its subsidiaries whose realisability is significantly dependent on timely completion of production of films and the commercial viability of the films under production etc. The holding company's Board is of the view that advances can be realised at the time of release of the movies and accordingly, the company is confident of realizing the entire amount of loans with interest and does not foresee any erosion in carrying value. We are not provided with any documentary evidence as regards Board's assertion that the carrying amount of loans made have not suffered any erosion as on March 31, 2022. No evidence was adduced regarding the status of production of films nor was confirmation produced from the loan debtors. Hence we are not in a position to concur with the view of the Board. Consequently, in our opinion loss is understated to the extent of Rs.1633.14 lakhs

3. Attention is invited to note no. 50 to the Consolidated Financial Statement, in relation to inventory i.e., films production expenses amounting to Rs. 3,861.90 lakhs, mainly consists of advances granted to artists and co-producers As represented by the Board of the Holding company the film production is under progress with respect to production of 3 movies costing Rs.1009.78 lakhs. In respect of the balance inventory of Rs.2852.12 lakhs the Board is confident of recovering the amount from the production houses. In the absence of documentary evidence as well as the

confirmation of balance from the parties relating to the status of the inventory amounting to Rs. 2852.12 lakhs, we are unable to agree with the views of the Board. We are of the opinion that realization of inventories is doubtful but we are also unable to decide the quantum of loss that may arise on account of write down of inventory.

4. The independent auditor of subsidiary company viz. PVP Capital Limited in their auditor's report on the financial statements for the year ended 31st March, 2022 have drawn Qualified conclusion. The same is reproduced below :
 - a. Note No. 16.6 in the financial statements which indicates that the Company has not adhered to the repayment schedule for the principal and interest dues to the Bank, consequent to which the Bank has filed for recovery of its dues before the Debt Recovery Tribunal (DRT) and also initiated recovery proceedings under Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFESI Act, 2002). Further the Bank has taken over symbolic possession of the immovable property and issued sale notice for e-auction of the property given by the ultimate holding company as corporate guarantee. The outstanding amount is Rs. 238.56 crores as per the books of account as at March 31, 2022.
 - b. The company proposed to the bank for OTS and the same is accepted and agreed by the bank letter dated 15th March 2022 giving option for one time settlement (OTS) as full and final for Rs. 95.00 crore Out of which the company had already made payment Rs.9.00 crore and the balance OTS amount Rs.86.00 crore should be payable on or before 14th September 2022.
 - c. Further the Company is currently pursuing the realization of dues to the Company and created provisions for unrealizable amounts . Apart from this the Company is not carrying any business activity. The regulatory authority may cancel the registration to carry the principal business activity as a Non-Banking Finance Company due to non-maintenance of minimum net owned fund of Rs. 2 crores as stated in the said note to the financial statement. The Company's inability to meet its financial statements, non-payment of statutory dues and in absence of visual cash flows, doubts are cast on the ability of the Company to continue as a going concern to achieve its future business plans. Taking into consideration the pending legal outcomes of the legal proceedings as well as liquidity constraints, we are unable to express our view whether it is appropriate to treat the Company as a going concern. However based on the management's assertions the Company's financial statements have been prepared on the basis of going concern and the impact, if any, if it were to be treated as a going concern, is not ascertainable at this stage.

5. The independent auditor of subsidiary company viz. PVP Global Ventures Private Limited has drawn Qualified conclusion which is reproduced below

We invite attention to Note No. 11.2 regarding advance of Rs. 10,366.39 lakhs (PY: Rs. 10,366.39 lakhs) given for acquisition of land. The long duration of outstanding of these advance and other factors like low probability of availability of a big chunk of land indicate the existence of uncertainty on the eventual realizability of these advances. In addition to the above , we invite attention to point no.(f) under report on other Legal and Regulatory requirements. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of consolidated financial statements in India in terms of Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified Opinion.

Emphasis of Matter

1. The independent auditor of subsidiary company viz. PVP Global Ventures Private Limited has drawn emphasis of matter. The same is reproduced by us as under:

We invite attention to Note No. 11.8 regarding the dormant status of the Demat account for want of KYC and some dues by the Depository Participant.

We invite attention to Note No. 11.3 regarding provision of Rs. 3,389.08 lakhs made on the advances of Rs. 3389.08 lakhs given to a Related Party.
2. The independent auditor of subsidiary company viz. Arete Real Estate Developers Private Limited has drawn emphasis of matter. The same is reproduced by us as under:

The Management is neither collecting interest nor recovering the advance given as intercorporate loans of Rs. 2 lakhs (PY: Rs. 49.40 lakhs). There has to be some underlying commercial element behind the transactions.
3. The independent auditor of subsidiary company viz. Expression Real Estates Private Limited has drawn emphasis of matter. The same is reproduced by us as under:

The Management is neither collecting interest nor recovering the advance given as intercorporate loans to a related party of Rs. 3.00 lakhs. There has to be some underlying commercial element behind the transactions.
4. The independent auditor of subsidiary company viz New Cyberabad City Projects Private Limited, Chennai has drawn emphasis of matter. The same is reproduced by us as under:

Note No 16.6 & 16.7 regarding the security given to ED and SEBI on behalf of fellow subsidiary.

Material uncertainty related to Going Concern

Attention is invited to note no.59 to the consolidated financial statements, in relation to preparation of consolidated financial statements on "Going Concern Basis";

While the net worth has completely eroded and the Group incurring continuous losses from business operations, existence of adverse key financial ratios, non-payment of statutory dues and other related factors indicate that there exists material uncertainty that will cast significant doubt on the Group's ability to continue as a going concern.

Therefore, we opine that Group may not be able to realize its assets and discharge its liabilities in the normal course of business. Notwithstanding this, the financial results have been prepared as that of going concern and consequently the fair value of various assets and liabilities have not been re-determined, and we are therefore unable to express our view whether the preparation of consolidated financial results on a going concern assumption is appropriate or not.

Our audit opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board's Report including annexures to Board's Report and Report on Corporate Governance but does not include the consolidated financial statements and our auditor's report thereon.

The above reports are expected to be made available to us after the date of the auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above reports, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirement of the Companies Act, 2013 (the Act) that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditors' Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other audit reports as noted in 'Other Matters Paragraphs' below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

1. We did not audit financial statements and other financial information of ten subsidiaries included in the consolidated financial statements, whose financial statements reflect total assets of Rs. 45,813.75 lakhs as at 31st March, 2022, Total

revenue (including other income) of Rs. 850.00 lakhs, total loss after tax of Rs. 5,989.49 lakhs, total comprehensive loss (net of tax) of Rs. 5,989.49 lakhs for the year ended 31st March, 2022 and net cash inflow of Rs. 1.02 lakhs for the year ended 31st March, 2022, as considered in the consolidated financial statements. The financial statements and other financial information of these subsidiaries have been audited by the other auditor whose reports have been furnished to us by the management and our report on the consolidated financial statements in so far as it relates to the aforesaid subsidiaries is based solely on the reports of other auditors.

Our conclusion is not modified in respect of the above-mentioned matter for the purpose of our opinion on the statement.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit and on consideration of the report of the other auditors on separate financial statements of subsidiaries referred in the other matters paragraph above, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.
 - b. Except for the effects of the matter described in the Basis for Qualified Opinion Paragraph above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
 - d. Except for the effects of the matter described in the Basis for Qualified Opinion Paragraph above, in our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. The matter described in the Basis for Qualified Opinion Paragraph above, in our opinion, may have an adverse effect on the functioning of the Group.
 - f. Attention is invited to note no. 48(a) & (b) to the Consolidated Financial Statements, regarding section 164(2) (b) of the Act, which explains the Board's view regarding defaults committed in redeeming the debentures and repayment of interest as per the schedule of redemption / payment pertaining to the holding company. Though the Board has obtained an extension till 30th June, 2022 from the debenture holder vide letter dated 24th May 2022 to pay the outstanding (covering all the defaults happened up to 31st March, 2021) and is of the opinion that as extension of time has been obtained from the debenture holder there is no delay as regards repayment of debenture and interest thereon. However, we do not agree with the Board's view.
On the basis of the reports of the other statutory auditor of its subsidiary companies, none of the directors of the subsidiary companies are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2)(b) of the Act in those companies.
 - g. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion Paragraph above.
 - h. With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies incorporated in India, refer to our separate report in "Annexure A" to this report; and
 - i. With respect to the other matters to be included in the Auditors Report in accordance with the requirements of section 197(16) of the Companies Act, 2013, as amended, in our opinion and to the best of our information and according to the explanations given to us, during the year, the holding company and its subsidiaries, has not paid remuneration to the directors in accordance with the provisions of section 197 of the Companies Act, 2013. Therefore, reporting whether the remuneration paid is within limits prescribed by the Act or not is not applicable.
 - j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries as noted in the 'Other Matter' paragraph:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on its consolidated financial position of the Group. Refer note no: 64 to the consolidation financial statements.
 - ii. The group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There are no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Group.

- iv. (a) The Board has represented that, to the best of its knowledge and belief, other than as disclosed in the note no.35 to the Consolidated Financial Statement, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Board has represented, that, to the best of its knowledge and belief, other than as disclosed in the note no.36 to the Consolidated Financial Statement, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations provided under sub-clause (a) and (b) above, contain any material misstatement.
- v. The Group has not declared any dividend during the year. Hence, reporting on whether there is compliance with the provisions of section 123 of the Act does not arise.
2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order" / "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us for the Holding Company and by other auditors in respect of subsidiaries included in the consolidated financial statements, we report that there are qualifications or adverse remarks in their CARO reports. The details of the companies and paragraph numbers of the CARO report containing the qualification or adverse remarks are furnished below.

Annexure A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of PVP Ventures Limited as of and for the year ended 31st March 2022, we have audited the internal financial controls over financial reporting of PVP Ventures Limited ("the Holding Company" or "the Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Entities covered in consolidation are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following weaknesses have been identified in the operating effectiveness of the group's internal financial control over financial reporting with reference to the consolidated financial statements as at 31st March, 2022:

- a. "The group's internal financial control with regard to realizability of loans and advances and inventory as more fully explained in note no.49 and 50 to these financial statements were not operating effectively and could potentially result in the understatement to the carrying value of such assets and also company needs to strengthen its documentation relating to disbursement of loans".
- b. Assessment of expected cash shortfall and resultant loss allowance that may be required in respect of invocation of corporate guarantees and demand against the company in respect of such guarantees executed for its subsidiary in favour of lender.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Group has maintained, in all material respects, adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

We have considered the material weaknesses identified and reported in the Qualified Opinion paragraph in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the company for the year ended 31st March, 2022 and material weaknesses do not affect our opinion on the financial statements of the Group.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the ten subsidiaries is solely based on the corresponding reports of the auditors of such companies.

Our report is not qualified in respect of the above matter with respect to our reliance on the work done by and the reports of other auditors.

The description of the nature and purpose of each reserve within equity is as follows:

- 1. Security Premium :** This reserve represents the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.
- 2. Retained Earnings :** Retained Earnings represent accumulated losses of the company.
- 3. Capital Reserve :** Capital Reserve represents reserve recognised on amalgamations and arrangements and profit/loss on sale of fixed assets recognised during the financial year 2009-10 and 2010-11.
- 4. General Reserve :** Under the erstwhile Companies Act, 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013 ("the Companies Act"), the requirement to mandatory transfer a specified percentage of net profit to general reserve has been withdrawn. The amount credited to the reserve can be utilised by the company in accordance with the provisions of the companies act, 2013.
- 5. Statutory Reserve :** Statutory Reserve represents reserve created as per section 45-IC of the Reserve Bank of India Act, 1934.
- 6. Exchange Fluctuation Reserve :** Exchange differences relating to the translation of the results and the net assets of the group's foreign operations from their functional currencies to the group's presentation currency (i.e currency units) are recognised directly in other comprehensive income and accumulated in the exchange fluctuation reserve. Exchange differences previously accumulated in the exchange fluctuation reserve will be reclassified to profit or loss on the disposal of foreign operations.
- 7. Debenture Redemption Reserve (DRR) :** The company has issued redeemable non-convertible listed debentures. Accordingly, the companies (Share Capital and Debentures Rules, 2014 (as amended), requires the company to create DRR out of profits of the company. During the financial year 2018-19, Debenture Redemption Reserve (DRR) amounting to Rs.150 lakhs has created out of profits available for distribution of dividend.

Item (B), Sub clause (iii), Sub-rule (7) of Rule 18 of Companies (Share Capital and Debentures) Amendment Rules, 2019 w.e.f 16.08.2019 exempts listed companies in case of Privately placed Debentures, from creation of Debenture Resemption Reserve (DRR). Accordingly, DRR is not created for the year 2021-2022.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

1. Corporate Information

PVP Ventures Limited ("the Parent Company") is a public company incorporated and domiciled in India and governed by the Companies Act, 2013 ("Act"). The Parent Company's registered office is situated at Door No:2, 9th Floor, KRM Centre, Harrington Road, Chetpet, Chennai, Tamilnadu – 600031. The main activities of the Parent Company along with its subsidiaries are developing urban infrastructure and Movie production and Movie Financing related activities. The Parent Company together with its subsidiaries is hereinafter referred to as the "Group".

The Consolidated Financial Statements for the year ended March 31, 2022 (including comparatives) are duly adopted by the Board of Directors in their meeting held on May 25, 2022 by video conferencing for consideration and approval by the shareholders.

2. Significant Accounting Policies

a) Basis of Preparation of Financial Statements

These financial statements of the Group have been prepared to comply in all material respects with the Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the companies act, 2013, ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs as per the requirement of schedule III.

Disclosures under Ind AS are made only in respect of material items that will be useful to the users of financial statements in making economic decisions.

The financial statements are presented in Indian currency (INR), being the functional and presentation currency. Being the currency of the primary economic environment in which the Group operates.

All assets and liabilities have been classified as current or non-current in accordance with the operating cycle criteria set out in **Ind AS 1 Presentation of Financial Statements and Schedule III to the Companies Act, 2013.**

Current/ Non-Current Classification

An asset is classified as current when

- a) It is expected to be realized or consumed in the Group's normal operating cycle;
- b) It is held primarily for the purpose of trading;
- c) It is expected to be realized within twelve months after the reporting period; or
- d) If it is cash or cash equivalent, unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

Any asset not conforming to the above is classified as non-current.

A liability is classified as current when

- a) It is expected to be settled in the normal operating cycle of the Group;
- b) It is held primarily for the purpose of trading;
- c) It is expected to be settled within twelve months after the reporting period; or
- d) The Group has no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Any liability not conforming to the above is classified as noncurrent.

b) Basis of consolidation:

- i) The consolidated financial statements of the Group incorporate the financial statements of the Parent Company and its subsidiaries. The Parent Company has control over the subsidiaries as it is exposed, or has rights, to variable returns from its involvement with the investee; and has the ability to affect its returns through its power over the subsidiaries.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

When the Parent Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Parent Company considers all relevant facts and circumstances in assessing whether or not the Parent Company's voting rights in an investee are sufficient to give it power, including rights arising from other contractual arrangements.

Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Parent Company gains control until the date when the Parent Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Adjustments are made to the financial statements of subsidiaries, as and when necessary, to bring their accounting policies into line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

In case of subsidiaries consolidated for the first-time consequent to adoption of IND AS, the deemed cost of goodwill as of the transition date has been computed to equal the difference between

- the Group's interest in carrying amounts of assets and liabilities; and
- the cost, in the Parent Company's separate financial statements, of its investment in the subsidiary.

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Parent Company.

Associates are all entities over which the group has significant influence but no control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investment in associates is accounted for using equity method of accounting, after initially being recognised at cost.

*Adobe Realtors Private Limited, Arete Real Estate Developers Private Limited, Expressions Real Estate Private Limited are the wholly owned subsidiary companies of PVP Global Ventures Private Limited.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

** PVP Capital Limited and PVP Cinema Private Limited are the wholly owned subsidiaries of Picturehouse Media Limited.

iii) Notes to the consolidated financial statements represent notes involving items which are considered material and are accordingly disclosed. Materiality for the purpose is assessed in relation to the information contained in the financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and/or a parent having no bearing on the true and fair view of the financial statements has not been disclosed in these financial statements.

c) Ind AS 103 – Business Combinations

The acquisition method of accounting is used to account for all business combinations, regardless of whether equity instruments or other assets are acquired. The consideration transferred for the acquisition of a subsidiary comprises the:

- fair values of the assets transferred;
- liabilities incurred to the former owners of the acquired business;
- equity interests issued by the group; and
- fair value of any asset or liability resulting from a contingent consideration arrangement.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date. The group recognises any non-controlling interest in the acquired entity on an acquisition by-acquisition basis at the non-controlling interest's proportionate share of the acquired entity's net identifiable assets.

Acquisition-related costs are expensed as incurred.

The excess of the

- consideration transferred;
- amount of any non-controlling interest in the acquired entity, and
- acquisition-date fair value of any previous equity interest in the acquired entity

over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve provided there is clear evidence of the underlying reasons for classifying the business combination as a bargain purchase. In other cases, the bargain purchase gain is recognised directly in equity as capital reserve.

Where settlement of any part of cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of exchange. The discount rate used is the entity's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently remeasured to fair value with changes in fair value recognised in profit or loss.

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is remeasured to fair value at the acquisition date. Any gains or losses arising from such remeasurement are recognised in profit or loss or other comprehensive income, as appropriate.

Common control transactions

Business combinations involving entities that are controlled by the group are accounted for using the pooling of interest method as follows:

1. The assets and liabilities of the combining entities are reflected at their carrying amounts.
2. No adjustments are made to reflect fair values or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
3. The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
4. The identity of the reserves is preserved, and the reserves of the transferor become the reserves of the transferee.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

5. The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.
6. The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.

d) Property, Plant and Equipment:

Property, Plant and Equipment (PPE) are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes all direct costs relating to acquisition and installation of Property, Plant and Equipment and borrowing cost relating to qualifying assets. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives.

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost can be measured reliably. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Depreciation is charged to the statement of profit or loss so as to write off the cost of assets less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the Balance Sheet date, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives of the depreciable assets are as follows:

<u>Class of Assets</u>	<u>Estimated Useful Life</u>
Plant and Equipment	5 years
Furniture and Fixtures	10 years
Vehicles	8 years
Computers and related Assets	3 years
Office Equipment	3 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

e) Intangible Assets

Intangible Assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

f) Impairment of Property, Plant and Equipment and Intangible Assets:

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

g) Foreign Currency Translation:

Initial Recognition

On initial recognition, transactions in foreign currencies entered into by the group are recorded in the functional currency (i.e., India Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and foreign currency at the date of the transaction. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Measurement of foreign currency items on reporting date

Foreign currency monetary items of the company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rate at the date of transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is measured.

Exchange differences arising out of these translations are recognised in the Statement of Profit and Loss.

Effective 01st April 2018, the group has adopted Appendix B to Ind AS 21- Foreign Currency Transactions and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income when an entity has received or paid advance consideration in a foreign currency.

Group Companies

For the purposes of the consolidated financial statements, items in the consolidated statements of profit and loss of those operations for which the Indian Rupees is not the functional currency are translated to Indian Rupees at the average rates of exchange during the year. The related consolidated balance sheet are translated into Indian rupees at the rates as at the reporting date. Exchange differences arising on translation are recognised in the other comprehensive income. On disposal of such entities the deferred cumulative exchange differences recognised in equity relating to that particular foreign operation are recognised in statement of profit and loss.

h) Leases:

The Group as a Lessee

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether : (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e., the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option. Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Group as a Lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease.

The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 17 "Leases") and is amortized over the lease term in accordance with the pattern of benefits provided.

i) Inventories

Land and related development activities are valued at Cost or Net Realizable Value whichever is lower. Cost comprises of all expenses incurred for the purpose of acquisition of land, development of the land and other related direct expenses.

Investments in films and associated rights, including acquired rights and advances to talent associated with film production, are stated at lower of cost / unamortised cost or realisable value. Costs include production costs, overhead and capitalized interest costs net of any amounts received from third party investors.

The cost of production of feature film will be claimed as a deduction in accordance with Rule 9A of Income Tax Rules, 1962.

j) Financial Instruments

1) Initial Recognition

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss are added to the fair value on initial recognition.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

2) Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Group has made an irrevocable election for its investments which are classified as equity instruments based on its business model, to present the subsequent changes in fair value through other comprehensive income.

iii) Financial Assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit or loss.

iv) Investment in Subsidiaries

Investments in subsidiaries are carried at cost in accordance with Ind AS 27 Separate Financial Statements. Provision for diminution in value of investments has been made wherever required.

v) Financial Liability

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to short maturity of these instruments.

3) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or its transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

4) Impairment of Assets

Financial Assets (other than at fair value):

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

5) Fair value of Financial Instruments

In determining the fair value of its financial instruments, the Group uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

k) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, the provision is discounted using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation and the unwinding of the discount is recognised as interest expense.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Group, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not recognized in the financial statements.

l) Revenue Recognition

The Group has applied Ind AS 115, Revenue from Contracts with Customers, which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts. The company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognised at the date of initial application (i.e., 01st April 2018).

As a consistent practice, the Group recognises revenues on accrual basis.

1) The Group recognises revenue when it determines the satisfaction of performance obligations at a point of time. Revenue is recognised upon transfer of control of promised services to customer in an amount that reflects the consideration which the company expects to receive in exchange for the services.

Current assets are recognised under Trade Receivables. Current Liabilities are recognised when there is an advance received from customers.

2) Revenue from film production is recognized, net of sales related taxes, when the agreement exists, the fees are fixed or determinable, the product is delivered, or services have been rendered and collectability is reasonably assured. The Group considers the terms of each arrangement to determine the appropriate accounting treatment.

The following additional criteria apply in respect of various revenue streams within filmed entertainment:

Theatrical - Contracted minimum guarantees are recognized on the theatrical release date. The Group's share of box office receipts in excess of the minimum guarantee is recognized at the point they are notified to the Group.

Other rights - other rights such as satellite rights, overseas rights, music rights, video rights, etc. is recognized on the date when the rights are made available to the assignee for exploitation.

3) a) Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

b) In respect of PVP Capital Limited, Interest income on loans is accrued over the maturity of the loan where the interest is serviced regularly as per the applicable prudential norms prescribed for NBFCs by RBI to the extent applicable to the company. Interest on loans which are classified as non-performing assets and are accounted for on realization basis.

4) Dividend from investments is accounted for as income when the right to receive dividend is established.

m) Employee Benefits

1) Gratuity

Gratuity, which is a defined benefit plan, is accrued based on an independent actuarial valuation, which is done based on projected unit credit method as at balance sheet date. The Group recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gains and losses through re-measurements of the net defined benefit liability/(asset) are recognized in other comprehensive income. In accordance with Ind AS, re-measurement gains and losses on defined benefit plans recognised in other comprehensive income are not to be subsequently reclassified to profit or loss. As required by Schedule III to Companies Act, 2013, the Group transfers it immediately to retained earnings.

2) Compensated Absences

The Group has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Non-accumulating compensated absences are recognised in the period in which the absences occur.

3) Other Benefit Plans

Contributions paid/payable under defined contributions plans are recognised in the statement of Profit or Loss in each year. Contribution plans primarily consist of Provident Fund administered and managed by the Government of India. The Group makes monthly contributions and has no further obligations under the plan beyond its contributions.

n) Taxes on Income

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

i) Current Income Tax

Current Income tax for the current and prior periods are measured at the amount expected to be paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

ii) Deferred Income Tax

Deferred Income tax is recognised using balance sheet approach. Deferred tax is recognised on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred Income tax assets are recognised for all deducted temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

Deferred Income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

o) Borrowing Costs

Borrowing Costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Borrowing costs includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

p) Earnings per Share

Basic earnings per share is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the period by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

q) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit before tax or loss is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

r) Exceptional Items:

When items of income and expenses within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

s) Segment Reporting:

Operating Segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment are allocated on the basis of associated revenue of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments are disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment and all other assets and liabilities are disclosed as unallocable. Property, plant and equipment that are used interchangeably among segments are not allocated to reportable segments.

t) Indian Accounting Standards / amendments issued but not yet effective:

The Ministry of Corporate Affairs ('MCA') notified amendments to existing standards Ind AS – 16, 37, 41, 101, 103 and 109 under Companies (Indian Accounting Standards) Rules, 2022 on March 2022. These amendments are effective for the financial year beginning from April 01, 2022.

The Company has evaluated these amendments and there are no impacts on its financial statements.

Summary of significant accounting policies and other explanatory information to the Consolidated Financial Statements for the year ended 31st March 2022

3. Critical accounting estimates and judgments

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are continually evaluated. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- **Valuation of investment in/loans to subsidiaries**

The Group has performed valuation for its investments in equity of certain subsidiaries for assessing whether there is any impairment in the fair value. When the fair value of investment in subsidiaries cannot be measured based on quoted prices in active markets, their fair value is measured using appropriate valuation techniques including the discounted cash flow model. Similar assessment is carried for exposure of the nature of loans thereon. The inputs to these models are taken from observable markets where possible, but where is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as expected earnings in future years, liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of these investments.

- Accounting for the film content requires management's judgment as it relates to total revenues to be received and costs to be incurred for each film. The Group is required to identify and assess and determine income generated from commercial exhibition of films. Judgment is also required in determining the charge to statement of profit and loss. As well as considering the recoverability or conversion of advances made in respect of securing film content or the services of talent associated with film production.

- **Useful lives of property, plant and equipment and intangible assets:** The Group has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Group reviews the carrying amount of property, plant and equipment at the Balance Sheet date. This reassessment may result in change in depreciation expense in future periods.

- **Impairment testing:** Property, plant and equipment and intangible assets are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

- **Income Taxes:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Group estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and their tax charge in the statement of profit or loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore, the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the statement of profit or loss.

- **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, etc. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

- **Revenue from Contract with Customers:** The Group has applied judgments that affect the determination of the amount and timing of revenue from contracts with customers.

Hence, miscellaneous Applications No.180 and 181 dt. 2nd July 2018 were filed before the Honourable SAT for staying its order for which the SAT granted 6 weeks' time to appeal with Honourable Supreme Court. Also on 6th July 2018, as Security, the appellants deposited Original Title deeds of Land valuing more than Rs.3000 lakhs, held by its subsidiaries for realization and payment of the aforesaid demand. Civil appeal No.9092 dated 16th August 2018, was filed before the Honourable Supreme Court, which was dismissed on 14th September 2018, and the SAT Orders were upheld. A demand was raised by the Recovery Officer, SEBI, Vide No.1770, 1771 and 1772 dated 26th October 2018 with Interest from, 27th March 2015, the date of order from Adjudicating Officer. The appellants filed review petitions before the Honorable SEBI/SAT, Mumbai on 10th November 2018 and 21st November 2018, stating technical and legal reasons, that the final SAT order was dated 20th June 2018, whereas the Interest was calculated since 2015 and the orders dated 27th March 2015 and 28th June 2018 are silent on levy of interest.

SEBI initiated attachment proceedings on 19th November, 2018 of the Demat Accounts and Bank accounts of the three appellants. The holding company, PVP Ventures Limited paid Rs.15 lakhs and disputed interest of Rs. 6.46 lakhs on 07th December 2018 and the freezing of accounts was lifted for PVP Ventures Limited. SAT dismissed the company's appeal on interest in April 2019. The Company has appealed with the Honorable Supreme Court and received Stay Order dated 12th July 2019 for payment of Interest. The appellants have written to SEBI, requesting to keep the order on record and to keep the recovery proceedings in abeyance.

Further, Arete Real Estate Developers Private Limited and Expressions Real Estate Private Limited subsidiaries of PVP Global, have provided land parcel as security deposit towards penalty amount against the SEBI's penalty order for Insider Trading. PVP Global has not remitted the pending dues till date.

A quantitative sensitivity analysis for significant assumption as at 31 March 2022 is as shown below:

Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below:

A quantitative sensitivity analysis for significant assumption as at 31 March 2022 is as shown below:

Particulars	31-Mar-22		31-Mar-21	
	Decrease	Increase	Decrease	Increase
Defined Benefit Obligation (Base)			26.95	
(%change compared to base due to sensitivity)	Decrease	Increase	Decrease	Increase
Discount Rate (- / + 1%)	23.93	19.59	29.59	24.71

Mortality Rate (- / + 1%)	21.55	21.62	26.91	26.98

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected contributions to the defined benefit plan in future years:

Particulars	31st March, 2022	31st March, 2021
Within the next 12 months (next annual reporting period)	3.22	4.48

Notes to the Consolidated Financial Statements for the Year Ended 31st March 2022

Compensated Absences

The employees of the Group are entitled to compensate absence. The employees can carry forward a portion of the unutilized accrued compensated absence and utilize it in future periods or receive cash compensation at retirement or termination of employment for the unutilized accrued compensated absence. The group records an obligation for compensated absences in the period in which the employee renders the services that increase this entitlement. The Group measures the expected cost of compensated absence as the additional amount that the Group expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date based on the Actuarial certificate.

Defined Contribution Plan

Eligible employees receive benefits under the provident fund which is a defined contribution plan. These contributions are made to the funds administered and managed by the Government of India. The group recognised Rs.0.74lakhs (previous year 1.24lakhs) for provident fund contribution in the statement of profit or loss account.

Notes to the Consolidated Financial Statements for the Year Ended 31st March 2022

74. Financial risk management objectives and policies

The Group's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support the Group's operations. The Group's principal financial assets comprise investments, cash and bank balance, trade and other receivables.

The Group is exposed to various financial risks such as market risk, credit risk and liquidity risk. The group's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. The financial instruments affected by market risk include investment, has been discussed below.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The group's exposure to the risk of changes in market interest rates relates primarily to the group's Long-Term borrowings of the company bearing floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

The group's exposure to interest rate risk relates primarily to interest bearing financial liabilities. Interest rate risk is managed by the company on an on-going basis with the primary objective of limiting the extent to which interest expense could be affected by an adverse movement in interest rates.

Sensitivity Analysis

An Increase / Decrease of 100 basis points in interest rate at the end of the reporting period of the variable financial instruments would (Decrease) / Increase profit after taxation for the year by the amounts shown below. This analysis assumes all other remain constant.

Profit / (Loss) After taxation

Particulars	31st March, 2022	31st March, 2021
Financial liabilities – Borrowings		
+1% (100 basis points)	74.00	74.00
-1% (100 basis points)	(74.00)	(74.00)

There are no hedging instruments to mitigate this risk.

b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The group does not undertake transactions denominated in foreign currencies, consequently group activities does not expose to exchange rate fluctuations arise.

c) Equity price risk

The group's non-listed equity securities are not susceptible to market price risk arising from uncertainties about future values of the investment securities. Hence the group does not bear significant exposure to Equity price risk in investment in subsidiaries.

Further, the Holding Company has offered its immovable property as a collateral to the said lender bank.

ii) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The group is exposed to credit risk from its operating activities (primarily for trade receivables, loans and other financial assets).

a. Credit risk related to corporate guarantee furnished:

The Holding Company along with one of its subsidiaries have furnished a corporate guarantee of Rs 10,000 lakhs each to its step-down subsidiary company, PVP Capital Limited ('PVPCL'). PVPCL has not adhered to repayment schedule of principal and interest due to a bank consequent to which the bank has filed a case for recovery of the dues before the Debt Recovery Tribunal (DRT) amounting to Rs. 23,856.85 lakhs (including interest accrued) as per the books of accounts as on 31st March 2022. The bank has taken

Notes to the Consolidated Financial Statements for the Year Ended 31st March 2022

symbolic possession of secured, immovable property of the Group Company under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI) and issued an e-auction sale notice. There were no bidders for the aforesaid sale notice and consequently the e-auction sale proceedings have become infructuous. Further, PVPCL has applied for One Time Settlement to the bank and confident to settle the same. The Board asserts that no provision is required to be made to the carrying value as it is confident that the payment obligation by PVPCL will be met in due course.

b. Credit risk related to financial services business:

The following table sets out information about credit quality of loan assets measured at amortized cost based on the months past due information. The amount represents gross carrying amount.

Particulars	FY 2021-22	FY 2020-21
Gross carrying value of loan assets		
Neither past due nor impaired	-	-
Past Due but not impaired	-	-
1 month past due	-	-
2-3 months past due	14,581.04	15,381.04
Impaired (above 3 months)	(13,889.46)	(13,889.46)
Total Gross carrying value as at reporting date	691.58	1,491.58

c. Credit risk related to Financial Loans:

Financial services business has a comprehensive framework for monitoring credit quality of its film production based on the status of the film production. Repayment by film producers and portfolio is tracked regularly and required steps for recovery is taken through follow ups and legal recourse.

The Group applies the simplified approach for providing expected credit losses prescribed by Ind AS 109, which permits the use of lifetime expected loss provision for all loans & advances. The group has computed expected credit losses based on the current information of the borrowers and status of the film production.

The Group has adopted a policy of only dealing with credit worthy counter parties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The exposure is continuously monitored.

The nature of collateral security is in the form of personal guarantee of the borrowers. Further this personal guarantee backed up with the list of immovable properties held by the borrower with the original title deeds.

The maximum exposure to credit risk of loans and advances is their carrying amount. The maximum exposure is before considering the effect of mitigation through collateral security.

d. Trade Receivables

The group's credit risk with regard to trade receivables has a high degree of risk diversification, due to large number of projects of varying sizes and types with numerous different customer categories.

Customer credit risk is managed by requiring customers to pay advances through progress billings done by developer before transfer of ownership, therefore substantially eliminating the group's credit risk in respect.

Based on prior experience and an assessment of the current economic environment, management believes there is no credit provision is required and also the group does not have any significant concentration of credit risk.

Credit risk on cash and cash equivalents is considered to be minimal as the counterparties are all substantial banks with high credit ratings.

iii) Liquidity risk

Liquidity risk is the risk that the group may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The group's management is responsible for liquidity, funding as well as settlement management. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.
