IMPORTANT NOTES:

1. **MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING ('AGM') IS ENTITLED TO APPOINT A PROXY/ PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten per cent of the total share capital of the Company. A member holding more than ten per cent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the AGM. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('Act'), which sets out details relating to Special Business at the meeting, is annexed hereto. Details under SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (hereinafter referred as 'LODR Regulations') in respect of the Directors seeking appointment/re-appointment at the AGM, also contained in Explanatory Statement pursuant to Section 102 of the Act. The Directors have furnished the requisite declarations for their appointment/re-appointment.
3. The register of members and the share transfer books of the company will remain closed from September 22, 2017 to September 28, 2017 (Both days inclusive) in accordance with the provisions of the Companies Act, 2013 and the LODR Regulations, for the purpose of AGM and determining names of the shareholders eligible for dividend on equity shares, if declared. The dividend, if declared at the AGM, will be paid:
- (i) For equity shares held in physical form - those shareholders whose names will appear in the Register of Members on the close of the day on September 21, 2017.
- (ii) For equity shares held in dematerialised form - those beneficiaries, whose names are furnished by the National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as beneficial owner on close of day on September 21, 2017.
4. Reserve Bank of India has introduced Electronic Clearing Service (NECS) for facilitating crediting of dividend directly to the shareholder's bank account. This facility eliminates loss of dividend warrants sent by post due to pilferage in transit, delay in receipt of dividend warrants and ensures quick credit of the dividend. Members holding shares in dematerialised form are requested to notify / update their ECS details to / with their respective Depository Participants. However, the Members holding shares in physical form may notify the same to the Registrar and Share Transfer Agent of the Company.
5. Members holding shares in dematerialised form are requested to ensure that addresses furnished by them to their respective Depository Participants are correct and up-to-date, so that the correspondence from company could reach them promptly. However, the Members holding shares in physical form may notify the same to the Registrar and Share Transfer Agent of the Company.
6. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Registrar and Share Transfer Agent.
7. Electronic copy of the Annual Report for 2016-17 is being sent to all the members whose email IDs are registered with the Company/Depository Participant(s) for communication purposes. For members who have not registered their email address, physical copies of the Annual Report for 2016-17 is being sent in the permitted mode.

8. Members may also note that the Notice of the 22nd AGM and the Annual Report for 2016-17 will also be available on the Company's website www.neclife.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours on working days.
9. Members who hold shares in dematerialized form are requested to bring their Client ID and DP ID numbers for easy identification of attendance at the meeting.
10. Members desirous of having any information as regards accounts are requested to write to the company at least Seven days in advance so as to enable the Management to keep the information ready.
11. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office and Corporate Office of the Company during normal business hours (9.00 am to 5.00 pm) on all working days except Saturdays and Sundays, up to and including the date of the AGM of the Company. The details of above offices are given in this Annual Report.
12. Pursuant to the provisions of Section 124 and 125 of the Companies Act 2013, the amount of dividend remaining unclaimed upto the financial year 2008-2009 (Final) and 2009-2010 (Interim) have been transferred, on due date, to the Investors Education & Protection Fund. Details of unpaid/unclaimed dividends lying with the Company as on the last AGM of the Company is available on the website of the Company.
13. Pursuant to Section 108 of Act read with Rule 20 of Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members' facility to exercise their right to vote at the 22nd AGM by electronic means (remote e-voting) and the business may be transacted through remote e-voting services provided by Karvy Computershare Private Limited ("Karvy"). The Members, whose names appear in the Register of Members / list of Beneficial Owners on the close of the day on Thursday, September 21, 2017 (cut of date), i.e. the date prior to the commencement of book closure, are entitled to vote on the Resolutions set forth in this Notice. The voting rights of Members for e-voting and for physical voting at the meeting shall be in proportion to the paid up value of their shares in the equity share capital of the Company as on cut-off date i.e. Thursday, September 21, 2017.

Board of Directors' Report of Nectar Lifesciences Limited

Dear members,

Your Directors have pleasure in presenting the 22nd Annual Report together with the audited accounts of Nectar Lifesciences Limited ('NLL' or 'NecLife' or 'Nectar' or 'the Company') for the financial year ended March 31, 2017.

Financial results

(Rs. in millions)

	March 31, 2017	March 31, 2016
Gross Sales	17436.27	17932.25
Other Income	226.57	57.78
Profit before interest and depreciation	2468.97	2452.23
Interest	1174.13	1233.06
Depreciation & Amortisation	622.51	573.89
Profit before tax	672.33	645.28
Tax Expenses	120.79	95.85
Profit after tax available for Appropriations	551.54	549.43

Company's performance

The overall performance of the company was at par of last year. The Turnover decreased by 2.77% over last year primarily on account of compression in domestic market on account of steep decline of Key Starting Raw Materials which is borne out by the fact that there was volume growth in exports of 5% in value & 10% in volume. There was marginal increase in profits over last financial year.

The company has adopted Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013, read with the relevant rules issued there under, from April 01, 2016 and accordingly, standalone and consolidated audited financial statements (including comparative figures for the year ended March 31, 2016) had been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" and the other accounting principles generally accepted in India.

The financial results of the company for the quarter ended on June 30, 2017 are available on the website of the company (URL: www.necLife.com).

Gupta & Associates, Chartered Accountants (ICAI Registration No. 003803N) as the statutory auditors of the Company for a period of five years commencing from the conclusion of the forthcoming 22nd Annual General Meeting till the conclusion of 27th Annual General Meeting of the Company to be held in the year 2022.

The firm has been in existence for the last 34 years and has adequate Professional Competence and infrastructure. Some of the main activities of the firm are Statutory Audit of Listed Companies and Manufacturing companies in different sectors including Pharmaceuticals, Statutory Audits of Scheduled Bank Branches, Statutory Audit of Government Companies (CAG Audits), Internal Audit, Stock Audit/ Concurrent Audit of Borrower Companies on behalf of the Bank and Income Tax Consultancy.

The Firm has also obtained Peer Review Certificate from the Institute of Chartered Accountants of India.

M/s Ashwani K. Gupta & Associates, Chartered Accountants have consented to the said appointment and confirmed that their appointment, if made, would be within the limits specified under section 141(3) (g) of the Act and that they are not disqualified to be appointed as statutory auditors in terms of section 143 of the Act.

The Board seeks your support in approving the appointment of Ashwani K. Gupta & Associates, Chartered Accountants as the new statutory auditor of the Company.

M/s Datta Singla & Company, Chartered Accountants, are the auditors of the Company and will hold office until the conclusion of the ensuing AGM. On your behalf and on our own behalf we place on record our sincere appreciation for the services rendered by them during their long association with the Company.

Observations made in the Auditors' Report are self-explanatory and therefore do not call for any further explanation.

Economy

Global growth in 2016 is estimated at a post-crisis low of 2.3% and is projected to rise to 2.7% in 2017. Growth in emerging market and developing economies (EMDEs) is expected to pick up in 2017, reflecting receding obstacles to activity in commodity exporters and continued solid domestic demand in commodity importers. <http://www.worldbank.org>

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF). As per the Economic Survey 2016-17, the Indian economy should grow between 6.75 and 7.5 per cent in FY 2017-18.

Moody's has affirmed the Government of India's Baa3 rating with a positive outlook stating that the reforms by the government will enable the country perform better compared to its peers over the medium term.

Global Pharmaceutical Industry

Market research firm Evaluate Pharma, in its annual World Preview report, projects a global growth rate for the Pharma industry of 6.3% CAGR through 2022, up from the 5% CAGR it predicted last year for the 2014-2020 period. Nevertheless, for investors, the "spectacular four-year bull run" of Pharma and biotech valuations during 2011-2015 might be coming to an end, with uncertainties over Brexit and the US presidential election, in an atmosphere of rising skepticism over the worth of Pharma products at ever-escalating prices.

Market Shifts – Segmentation Scenario 2016

Market Shifts – Segmentation Scenario 2020

R&D spend growth flattens

During the 2008-2015 period, the compound annual growth rate of global R&D spending was 1.7%; during the 2016-2022 period, the rate will grow at 2.8%. Overall spending will reach \$182 billion in 2022. By 2022, the biggest-selling global branded drug will be Opdivo (nivolumab) from BMS and Ono Pharma, with sales projected to go from \$1.119 billion in 2015 to \$14,634 billion, and overtaking the current No. 1 drug, AbbVie's and Eisai's Humira (adalimumab), currently at \$14.359 billion and dropping slightly to \$13.645 billion in 2022. However, among the Top 50 drugs in the market currently, the largest growth will be seen by J&J's Darzalex (daratumumab), an anti-CD38 antibody for multiple myeloma, projected to rise from \$9 million now to \$4.9 billion by 2022, a 146% growth.

Indian Pharmaceutical Industry

The Indian Pharmaceuticals market increased at a CAGR of 17.46 per cent during 2005-16 with the market increasing from US\$ 6 billion in 2005 to US\$ 36.7 billion in 2016 and is expected to expand at a CAGR of 15.92 per cent to US\$ 55 billion by 2020. Indian Pharmaceutical Industry continues to surge both in Exports & Domestic.

Indian Pharma industry in spite of demonetization & FDC imbroglio in FY 2016-17 is expected to grow over 15 per cent per annum between 2017 and 2020, will outperform the global Pharma industry, which is set to grow at an annual rate of 5 per cent between the same period. The market is expected to grow to US\$ 55 billion by 2020, thereby emerging as the sixth largest Pharmaceutical market globally by absolute size, as stated by Mr. Arun Singh, Indian Ambassador to the US. Branded generics dominate the Pharmaceuticals market, constituting nearly 80 per cent of the market share (in terms of revenues).

India has also maintained its lead over China in Pharmaceutical exports with a year-on-year growth of 11.44 per cent to US\$ 16.23 billion in FY 2016-17, according to data from the Ministry of Commerce and Industry. In addition, Indian Pharmaceutical exports are poised to grow between 8-10 per cent in FY 2017-18.

Company's performance

The overall performance of the company was at par of last year. The Turnover decreased by 2.77% over last year primarily on account of compression in domestic market on account of steep decline of Key Starting Raw Materials which is borne out by the fact that there was volume growth in exports of 5% in value & 10% in volume. There was marginal increase in profits over last financial year.

The company has adopted Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013, read with the relevant rules issued there under, from April 01, 2016 and accordingly, standalone and consolidated audited financial statements (including comparative figures for the year ended March 31, 2016) had been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting".

NECLIFE: A NICHE PHARMACEUTICAL PLAYER

Pharmaceuticals –APIs

With leading Global capacities of some of the Cephalosporin molecules and strong tie ups Nectar has been experiencing a growth in this segment. With an expertise in R&D, Nectar is also working on new generation Cephalosporin molecules to be a globally dedicated

Cephalosporin player.

Our API facility has global regulatory accreditations like USFDA, EUGMP INFARMED, KFDA, PMDA, MCC, ANVISA Brazil and others.

Pharmaceuticals – Finished Dosage formulations

Finished dosage Formulations business is marked by a long gestation period in terms of registrations and its approval by various Health Authorities across the world. Significant numbers of filings have been done across the world in various geographies.

The FDF facility in Baddi also has been recognized & approved by regulatory bodies like INFARMED Portugal for European Union, ANVISA Brazil, OGYI Hungary for European Union, Pharmacy & Poison Board Kenya, NMRC Namibia, NDA Uganda, TFDA and others.

The Facility has already been inspected by USFDA and written approval of the same is awaited.

Sub-Judice status of Fixed Dose Combinations also actively contributed to a dive in Domestic API Business.

NLL's major breakthrough was its strategic step towards making an entry in Europe through its formulations. NLL has filed two of its major Cephalosporin Formulations in Europe and expect commercialization in the beginning of FY 19.

Both Unit-2(API) & Uni-6(FDF) were audited for EuGMP Certification by Infarmed which was handsomely cleared.

Pharmaceuticals Menthol

NLL entered the Menthol Business in 2006 and as in the past concentrated on value added pharmaceutical menthol business and succeeded in both domestic and international markets with good margins.

Other Non-API Pharmaceuticals businesses

NLL also has high quality facilities for its other Non-API businesses like Empty Hard Gelatin Capsules (EHGC), Generics & Diagnostics.

EHGC –Being the one of the largest manufacturers, the EHGC facility in Baddi has a capacity to produce approximately 6 Billion empty capsules & Print 1 million Capsules per annum. The EHGC Facility has approvals from ISO 9001:2008, KOSHER, HALAL, HACCAP & C-14.

Generics India Business – The Company has more than 300 Stock Keeping Units (SKUs) in India with Pan India presence & about 1 Lac retailers are covered.

Diagnostics– The business unit is known as Necpath, manufacturing various Diagnostics like:

- Rapid tests
- Pregnancy cards
- HIV/ Malaria/Bio reagents
- In-Vitro Diagnostic equipments etc.

Regulatory Filings

NLL has filed 44 Drug Master Files (DMFs) till date in highly regulated markets like US, EU, Japan, Korea, Canada and South Africa for its Cephalosporin APIs, intermediates, capsules shells and menthol. NLL has also filed a number of Formulations dossiers to some of the high-end markets and expects quick approvals for the same. NLL intends to file more ANDAs and EU dossiers for its cephalosporin

range of products along with many more API DMFs in 2017-19. Currently NLL has filed 15 ANDA's in United States.

Highlights 2016-17:

- Nectar Lifesciences has been ranked #1 Drugs and Pharmaceutical company by Fortune Next 500 amongst Mid-Sized Indian Pharmaceutical companies.
- Nectar Lifesciences has been ranked #37th amongst Pharmaceutical and Lifesciences pace in Asia-Pacific by Biospectrum Asia Pacific
- Ranked 419th among Indian companies by Business World Journal 2017.

OPPORTUNITIES & OUTLOOK- NLL'S PATH AHEAD

The company expects a positive outlook for the next year. NLL is expecting to continue its strategic entry in US. NLL has already filed in Europe and will be expecting commercialization of formulation in Early FY-19 or Late FY 18

The U.S. is the single largest generics market. Regardless of the intense competition & pricing pressure the US segment will continue to be the single largest market, reaching between \$350 Billion to \$380 Billion. Europe forms the world's 2nd largest generic market, backed by Govt. reforms to curb healthcare cost and increased demand from ageing population.

Japanese generic market: With a view to reduce burgeoning healthcare costs and tackling rising cases of life-threatening diseases, the Japanese government is taking various measures to increase the adoption of generic drugs among people in the country. The Japanese generic drugs market, evolving to become the world's next generic hub, offers a wide range of opportunities to both domestic and international players. The patent expiry of a large number of branded drugs and active pharmaceutical ingredients are the major attractions for companies willing to enter the market. It is one of the most lucrative destinations for pharmaceutical player mainly because of the rapid ageing population & increasing incidence of western lifestyle diseases. NLL expects future value growth from this market for Cephalosporin products along with other regulated markets such as US and EU.

NLL also expects continued momentum from its domestic and export markets. Next few years will see NLL's ability to discover new markets & new opportunities gaining an invaluable advantage over competitors.

Future Outlook

- Enhance accessibility in the regulated generics business.
- Consolidate its presence in the API business by focusing on regulated markets & pharmerging markets.
- Strategic entry in Japan
- Expand relationships with marquee clients with additional new products.
- Enhance market penetration with existing products.
- Focus on long-term partnerships with major pharma companies.
- Increase its operations in emerging markets.
- Focus on R & D and work on new cephalosporin & Non-Cephalosporin molecules.

To unlock the true potential of huge investments made by NLL in Fixed Assets and Intellectual Property, NLL is at an inflection point of making strategic entry into highly regulated markets

Concerns & Threats

Biggest concern for NLL going forwards will be acute dependence of the country in terms of KSM like 7ACA and about 6 or 7 Strategic and critical chemicals which are not being produced in India. NLL along with PDMA as well as Pharmexcil has taken up very strongly in respect of providing a level playing field to the Indian companies to ensure that we can become self-sufficient in terms of these KSM as well as Chemicals so that one doesn't have to depend on china which can geo-politically as well as otherwise particularly because of pollution threats etc can become a negative outlook going forwards. The technology for KSM's and Chemicals is available in India, it's just that India currently is not competitive primary on the account of cost of power, utilities and incentivisation that china provides to its industry in very clever manner by virtue of which it is very difficult to prove a case against china under the WTO in terms of reference for providing incentive in form of kind and otherwise in a manner which cannot be proven.

DEVELOPMENTS IN HUMAN RESOURCES

We strive to employ the best-qualified people, give them the resources required to be successful, and encourage them to reach their greatest potential and goals. The total numbers of employees are provided in Board of Directors' Report.

NLL maintains a policy of non-discrimination with employees and applicants for employment. All aspects of employment within the Company are governed on the basis of merit, competence, and qualifications and are not influenced in any manner by religious creed, sex, marital status, protected disability as defined by law, sexual orientation, or any other basis protected by law.

We follow 'The Child Labour (Prohibition and Regulation) Act, 1986' which prohibits a child as any person who has not completed his fourteenth year of age to work in hazardous industry.

Organisation Culture & Values at Nectar Lifesciences:

In NLL we are having a strong culture of achievements, support and recognition. Our Cultural paradigm covers having:

- Strong Human Capital. Employee is valued as a person, as well as a worker. Employee harmony is important.
- Defined roles for each & every employee by way of KRAs / Job Descriptions.
- Professional growth of every employee is very important. Rewards, recognitions by way of strong Annual Performance Appraisal system are in place.
- A well defined processes, control systems and company policies & procedures are in place.
- A well defined Internal/External Communication channels are in place.

Safety Standards

The Company has established a safety, health and environment policy that is a planned series of controls and a few safety practices which need to be established for the protection of every employee.

Whistle Blower Policy

The company has made the Whistle Blower Policy for the employees of the company by which employees can report to the management, the instances of unethical behavior, actual or suspected, fraud or violation of the company's code of conduct or ethics policy. As per policy:

- a) No unfair treatment will be meted out to a Whistle Blower by

virtue of his/her having reported a Protected Disclosure under this Policy.

INTERNAL CONTROL SYSTEMS:

NLL believes that sound internal control systems are necessary prerequisites to good and sound governance. The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides assurance on the efficiency of the Company's operations and the security of its assets.

NLL's internal control systems and procedures are designed to enable the reliable reporting of financial statements, reporting timely feedback on the achievement of operational or strategic goals and ensure compliance with laws and regulations. In addition to the statutory audit, the financial and operating controls at various locations of the Company are reviewed through internal control. The report of significant findings, if any, is tabled before Audit Committee of the Board. Compliance with various laws and regulations are also monitored continuously.

The Company introduced prescribed procedures in all the important functions affecting the daily operations of the business. In order to avoid duplication, many of the activities are designed to meet the GMP/FDA/ISO/management's or other statutory requirements. The top management of the Company continuously monitors compliance with the procedures and introduces new systems from time to time, wherever necessary. The Company inter-linked its various departments in such way so that any discrepancy would be found promptly. The highlights of the internal control weaknesses and internal audit reports are placed before Audit Committee meeting

along with the recommendations and responses of the management. The members of the Board deliberate and advise the management on improvements/compliance. Apart from above, the statutory auditors also present their concerns to the board members for improvements or developments

The Company has formed an Internal Audit Cell to oversee and carry out internal audit of its activities. The audit is based on an internal audit plan, which is reviewed by the audit committee. The internal audit plan aims at reviewing internal controls and risks in operations such as Material Management, accounting and finance, procurement, insurance,

The audit committee reviews audit reports submitted by the internal auditor. Suggestions, if any for improvement are considered and the audit committee follows up on corrective action.

RISK MANAGEMENT FRAMEWORK

Risk Management is form and part of Internal Controls. It is attempting to identify and then manage threats that could severely impact or bring down the organization. Generally, this involves reviewing operations of the organization, identifying potential threats to the organization and the likelihood of their occurrence, and then taking appropriate actions to address the most likely threats.

The Company has constituted a Risk Management Committee with Mr. Dinesh Dua as the Chairman and Mr. Harparkash Singh as a member to, inter-alia:

- a) to formulate and recommend to the Board, a Risk Management Policy which shall indicate the activities such as identification of risks and mitigation strategy thereof;
- b) to recommend the Board about risk assessment and minimization procedures ; and
- c) monitoring and reviewing of the risk management plan to the Board.

We consider activities at all levels of the organization, viz., Enterprise level; Division level; Business Unit level; and Subsidiary level are considered in the risk management framework. All these components are interrelated and drive the Enterprise Wide Risk Management with focus on three key elements, viz.

(1) Risk Assessment, (2) Risk Management and (3) Risk Monitoring.

Risks are analyzed, considering likelihood and impact, as a basis for determining how they should be managed. Risk Assessment consists of a detailed study of threats and vulnerability and resultant exposure to various risks.

Risks Specific to the Company and the Mitigation Measures Adopted

- 1) **Business dynamics:** Based on experience gained from the past and by following the market dynamics as they evolve, the Company is able to predict the demand during a particular period and accordingly supply is planned and adjusted.
- 2) **Business Operations Risks:**
 - The Company functions under a well defined organization structure.
 - Flow of information is well defined to avoid any conflict or communication gap between two or more Departments.
 - Second level positions are created in each Department to continue the work without any interruption in case of non-availability of functional heads.
 - Proper policies are followed in relation to maintenance of

inventories of raw materials, consumables, key spares and tools to ensure their availability for planned production programme's.

- Effective steps are being taken to reduce cost of production on a continuing basis taking various changing scenarios in the market.

Annexure 9 of Board of Directors' Report

Statement of particulars as prescribed under Rule 8 (3) of the Companies (Account) Rules, 2014

A) Conservation of energy

(i) Steps taken or impact on Conservation of energy

The company has two 6MW each, agro based captive power plants. Both the plants are eco friendly as they reduce the environmental emission thereby establishing a strong foundation for a corporate green house gas management program. These units also reduce the manufacturing cost.

The company has also commissioned another Agro Based Captive Power generation Plant with a capacity to generate 6MW electrical power at Village Basouli, Lalru, Dist. S.A.S. Nagar (Punjab), to cater to the power requirement besides reducing the energy bill.

The Unit II has achieved 5% reduction in electrical and 2 % reduction in thermal energy consumption in the year 2016-17 over 2015-16 figures by adopting various energy savings projects like use of mechanical compression system in place of liquid nitrogen system, optimization of centrifugal pumps, use of AVAM (ammonia vapor absorption chiller) in place of vapor compression chillers, Variable frequency drives, use of dry vacuum pumps in place of steam jet ejectors / water ring vacuum pumps and use of powder transfer system in place manual handling of powders .

One more additional energy saving project work of replacing liquid nitrogen with mechanical compression system in another block is going on at final stage.

(ii) Steps taken by the Company for utilising alternate sources of energy

Company's R&D team is fully dedicated towards the delivery of improved processes so as to device mechanism which minimize energy consumption and wastage. Energy audits are conducted by Process Engineering Team periodically.

(iii) The capital investment on energy conservation equipments

Capital expenditure incurred on energy conservation equipments: Rs. 8.98 Millions

B) Technology absorption

(i) Efforts made towards technology absorption

In pharmaceuticals technology upgradation is a way of life and your company is not different.

Technologies are continuously developed and implemented without changing critical parameters. The company has informally tied up with global institutions for upgradation of Technologies.

(ii) The benefits derived like product improvement, cost reduction, product development and import reduction

New products were launched and developed for regular commercial production which expands the company's product portfolio, leading the organization to the platform of a research-based organization.

(iii) Information in case of imported technology (imports during last three years)

Not applicable

(iv) Expenditure on R & D

Total expenditure incurred on Research and Development: Rs. 86.22 Millions

ANNEXURE “B” TO THE AUDITORS’ REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **NECTAR LIFESCIENCES LIMITED** (“the Company”) as on 31 March 2017 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal

financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets, that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS FOR PREPARATION OF FINANCIAL STATEMENTS

These financial statements have been prepared to comply with the Indian Accounting Standards (Ind AS). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees rounded off to the nearest rupees in millions.

The Company has adopted all the Ind AS standards mandatorily applicable and the adoption was carried out in accordance with Ind AS 101 "First time adoption of Indian Accounting Standards". The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations of Balance Sheet as at 01.04.2015 and as at 31.03.2016 along with Statement of Profit & Loss for the year ended 31.03.2016 has been summarized in Note no. 2.28.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

1.3 PROPERTY, PLANT & EQUIPMENT

- i) Property, Plant & Equipment have been stated at cost, net of cenvat/value added tax availed, but inclusive of attributable costs of bringing the assets to their working condition for their intended use, less depreciation and impairment loss, if any. Depreciation on assets is provided on straight line method in the manner prescribed in Schedule II to the Companies Act, 2013
- ii) Cost of leasehold assets is amortized over the period of the lease.

1.4 INTANGIBLE ASSETS

Intangible assets are stated at cost less accumulated amortization and impairment, wherever applicable. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, from the date they are

available for use. The estimated useful life of an identifiable asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

The research costs are expensed as incurred. The development costs, which can be capitalized, include the cost of material, direct labour and overhead costs that are directly attributable to preparing the asset for its intended use.

1.5 INVESTMENTS

Investments are classified into current and long term investments. Long Term Investments are stated at cost and provision for diminution in value is made if decline is other than temporary in the opinion of the management. Current Investments are valued at cost and provision is made for decline in market value, if any.

1.6 REVENUE RECOGNITION

- i) Revenue from product sales is stated exclusive of returns, inter-division transfers, sales tax but includes excise duty.
- ii) Dividend income is recognized as and when the right to receive is established.
- iii) Export benefits and other benefits are accounted for on accrual basis. Export entitlements are recognized as reduction from material consumption when the right to receive credit is established in respect of the exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

1.7 FINANCIAL INSTRUMENTS

A. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

B. Subsequent measurement

a. Non-derivative financial instruments

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both

collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss

iv. Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

v. Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements

b. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

C. Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

D. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized

1.8 INVENTORIES

i) Raw materials, Stores and Spares and Packing material

Lower of cost and net realizable value. Cost of inventory comprises all cost of purchase and other cost incurred in

bringing the inventories to their present location and condition.

ii) Finished Goods and work in process

Lower of cost and net realizable value. Cost includes direct material, labour and proportionate manufacturing overheads. Cost of finished goods includes excise duty.

iii) Traded goods

Lower of Cost and Net Realizable Value. Cost includes the purchase price and other associated costs directly incurred in bringing the inventory to its present location. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.9 FOREIGN EXCHANGE TRANSACTIONS

i) Initial Recognition

Investments in foreign entities are recorded at the exchange rate prevailing on the date of making the investment. Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

ii) Conversion

Monetary assets and liabilities denominated in foreign currencies, as at the balance sheet date, not covered by forward exchange contracts, are translated at year end rates.

iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recognized as income or expense in the year in which they arise. The exchange difference on foreign currency denominated long term borrowings relating to the acquisition of depreciable capital assets are adjusted in the carrying cost of such assets for current year. The Company has opted for voluntary exemption given in Ind AS-101, which allows first time adopter to continue its Indian GAAP policy for accounting of exchange difference arising on translation of long term foreign currency monetary items recognized in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

1.10 EMPLOYEE BENEFITS

i) Short Term Employee Benefits:

Employee benefits payable fully within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

Contribution to the Provident Fund, which is a defined contribution scheme, is recognized as an expense in the profit and loss account in the period in which the contribution is due.

ii) Long Term Employee Benefits

Post-Employment Benefits (Defined Benefit Plans)

The employee gratuity scheme is a defined benefit plan. The present value of the obligation under such defined

benefit plan is determined at Balance Sheet date based on an actuarial valuation carried out by an independent actuary using the projected unit credit method. Actuarial gains and losses and past service cost are recognized immediately in other comprehensive income.

Long term employee benefit also comprises of compensated absences. These are measured based on actuarial valuations carried out by an independent actuary using the projected unit method at balance sheet date unless they are insignificant. Actuarial gains and losses and past service cost are recognized immediately in other comprehensive income.

1.11 CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.12 DIVIDENDS

Final dividends on shares are recorded as a liability on the date of approval by the shareholders.

1.13 OTHER INCOME

Other income is comprised primarily of interest income, dividend income and profit/ loss on sale of investment/ fixed assets. Dividend income is recognized when the right to receive payment is established.

1.14 BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized. Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.15 LEASES

Leases, where the lessor retains substantially all the risks and benefits of the ownership of the leased item are classified as operating leases. Lease rentals for assets taken on operating lease are charged to the profit and loss account in accordance with Indian Accounting Standard (Ind AS 19) on "Leases".

1.16 GOVERNMENT GRANTS AND SUBSIDIES

Grants and Subsidies are recognized when there is a reasonable assurance that the grant or subsidy will be received and that all underlying conditions will be complied with. When the grant or subsidy relates to an asset, such grant is recognized in Statement of Profit and Loss on a systematic basis over the useful life of the asset.

1.17 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.18 IMPAIRMENT OF ASSETS

Management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

1.19 INCOME TAXES

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

INDEPENDENT AUDITORS' REPORT

To the Members of **NECTAR LIFESCIENCES LIMITED**

1. Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of **NECTAR LIFE SCIENCES LIMITED** ("the Holding Company"), and its subsidiary companies (Nectar Lifesciences UK Limited, United Kingdom and Nectar Lifesciences USA LLC (collectively referred to as "the Group") comprising the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Statement of Change in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein referred to as "the consolidated Ind AS financial statements").

2. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of the consolidated financial statements in the requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows of the Group and changes in equity in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

The Board of Directors of the Holding Company is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities, the selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

4. Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the unaudited financial statements of Nectar Lifesciences UK Limited and Nectar Lifesciences USA LLC, duly certified by the management, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the State of Affairs of the Group as at 31st March, 2017,
- (b) in the case of the Consolidated Statement of Profit and Loss including Other Comprehensive Income, of the Profit of the Group for the year ended on that date,
- (c) in the case of the Consolidated Cash Flow Statement, of the Cash Flows of the Group for the year ended on that date, and
- (d) in the case of Statement of Changes in Equity, changes in equity for the year ended on that date.

5. Other Matters

We have not carried out the audit of the subsidiary Companies namely Nectar Lifesciences UK Limited, United Kingdom (dormant/inoperative during the year) and Nectar Lifesciences USA LLC. We have relied on the unaudited financial statements of the subsidiaries whose financial statements reflect total assets of Rs.24.16 million as at March 31, 2017 (Previous year Rs.8.84 million), total revenues of Rs.87.87 million (Previous year Rs.15.31 million) and net cash inflows amounting Rs.1.32 million for the year ended on that date (Previous year Rs.2.38 million), as considered in the consolidated financial statements. These unaudited financial statements, as approved by the Board of Directors of the subsidiary companies, have been furnished to us by the management, and our report, in so far as it relates to the amounts included in respect of the subsidiaries, is based solely on such approved unaudited financial statements. However, the size of the subsidiaries is insignificant.

Our opinion is not qualified in respect of Other Matters.

6. Report on Other Legal and Regulatory Requirements

ANNEXURE “A” TO THE AUDITORS’ REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended as of 31 March 2017, we have audited the internal financial controls over financial reporting of **NECTAR LIFESCIENCES LIMITED** (“the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its subsidiary companies, which are companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the Company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets, that could have a material effect on the financial statements.

Inherent Limitations Of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedure may deteriorate

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company and its subsidiary companies, which are companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 BASIS FOR PREPARATION OF FINANCIAL STATEMENTS

These financial statements have been prepared to comply with the Indian Accounting Standards (Ind AS). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian rupees rounded off to the nearest rupees in millions.

The Company has adopted all the Ind AS standards mandatorily applicable and the adoption was carried out in accordance with Ind AS 101 "First time adoption of Indian Accounting Standards". The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations of Balance Sheet as at 01.04.2015 and as at 31.03.2016 along with Statement of Profit & Loss for the year ended 31.03.2016 has been summarized in Note no. 2.28.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

1.2 USE OF ESTIMATES

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

1.3 PROPERTY, PLANT & EQUIPMENT

- i) Property, Plant & Equipment have been stated at cost, net of cenvat/value added tax availed, but inclusive of attributable costs of bringing the assets to their working condition for their intended use, less depreciation and impairment loss, if any. Depreciation on assets is provided on straight line method in the manner prescribed in Schedule II to the Companies Act, 2013
- ii) Cost of leasehold assets is amortized over the period of the lease.

1.4 INTANGIBLE ASSETS

Intangible assets are stated at cost less accumulated amortization and impairment, wherever applicable. Intangible assets are amortized over their respective individual estimated useful lives on a straight line basis, from the date they are

available for use. The estimated useful life of an identifiable asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

The research costs are expensed as incurred. The development costs, which can be capitalized, include the cost of material, direct labour and overhead costs that are directly attributable to preparing the asset for its intended use.

1.5 INVESTMENTS

Investments are classified into current and long term investments. Long Term Investments are stated at cost and provision for diminution in value is made if decline is other than temporary in the opinion of the management. Current Investments are valued at cost and provision is made for decline in market value, if any.

1.6 REVENUE RECOGNITION

- i) Revenue from product sales is stated exclusive of returns, inter-division transfers, sales tax but includes excise duty.
- ii) Dividend income is recognized as and when the right to receive is established.
- iii) Export benefits and other benefits are accounted for on accrual basis. Export entitlements are recognized as reduction from material consumption when the right to receive credit is established in respect of the exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

1.7 FINANCIAL INSTRUMENTS

A. Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition.

B. Subsequent measurement

a. Non-derivative financial instruments

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both

collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

iii. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss

iv. Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments

v. Investment in subsidiaries

Investment in subsidiaries is carried at cost in the separate financial statements

b. Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

C. Derecognition of financial instruments

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

D. Fair value of financial instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices and dealer quotes. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized

1.8 INVENTORIES

i) Raw materials, Stores and Spares and Packing material

Lower of cost and net realizable value. Cost of inventory

comprises all cost of purchase and other cost incurred in bringing the inventories to their present location and condition.

ii) Finished Goods and work in process

Lower of cost and net realizable value. Cost includes direct material, labour and proportionate manufacturing overheads. Cost of finished goods includes excise duty.

iii) Traded goods

Lower of Cost and Net Realizable Value. Cost includes the purchase price and other associated costs directly incurred in bringing the inventory to its present location. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

1.9 FOREIGN EXCHANGE TRANSACTIONS

i) Initial Recognition

Investments in foreign entities are recorded at the exchange rate prevailing on the date of making the investment. Transactions denominated in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction.

ii) Conversion

Monetary assets and liabilities denominated in foreign currencies, as at the balance sheet date, not covered by forward exchange contracts, are translated at year end rates.

iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in the previous financial statements, are recognized as income or expense in the year in which they arise and as per Ind AS 21, exchange differences arising on account of consolidation with foreign operation, are recognized in Other Comprehensive Income. The exchange difference on foreign currency denominated long term borrowings relating to the acquisition of depreciable capital assets are adjusted in the carrying cost of such assets for current year. The Company has opted for voluntary exemption given in Ind AS-101, which allows first time adopter to continue its Indian GAAP policy for accounting of exchange difference arising on translation of long term foreign currency monetary items recognized in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period.

1.10 EMPLOYEE BENEFITS

i) Short Term Employee Benefits:

Employee benefits payable fully within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

Contribution to the Provident Fund, which is a defined contribution scheme, is recognized as an expense in the profit and loss account in the period in which the contribution is due.

ii) Long Term Employee Benefits

Post-Employment Benefits (Defined Benefit Plans)

The employee gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined at Balance Sheet date based on an actuarial valuation carried out by an independent actuary using the projected unit credit method. Actuarial gains and losses and past service cost are recognized immediately in other comprehensive income.

Long term employee benefit also comprises of compensated absences. These are measured based on actuarial valuations carried out by an independent actuary using the projected unit method at balance sheet date unless they are insignificant. Actuarial gains and losses and past service cost are recognized immediately in other comprehensive income.

1.11 CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

1.12 DIVIDENDS

Final dividends on shares are recorded as a liability on the date of approval by the shareholders.

1.13 OTHER INCOME

Other income is comprised primarily of interest income, dividend income and profit/ loss on sale of investment/ fixed assets. Dividend income is recognized when the right to receive payment is established.

1.14 BORROWING COSTS

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized. Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.15 LEASES

Leases, where the lessor retains substantially all the risks and benefits of the ownership of the leased item are classified as operating leases. Lease rentals for assets taken on operating lease are charged to the profit and loss account in accordance with Indian Accounting Standard (Ind AS 19) on "Leases".

1.16 GOVERNMENT GRANTS AND SUBSIDIES

Grants and Subsidies are recognized when there is a reasonable assurance that the grant or subsidy will be received and that all underlying conditions will be complied with. When the grant or subsidy relates to an asset, such grant is recognized in Statement of Profit and Loss on a systematic basis over the useful life of the asset.

1.17 EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

1.18 IMPAIRMENT OF ASSETS

Management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

1.19 INCOME TAXES

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

GENERAL INSTRUCTIONS

1. The Members, whose names appear in the Register of Members / list of Beneficial Owners on the close of the day on Thursday, September 21, 2017 (cut of date), i.e. the date prior to the commencement of book closure, are entitled to vote on the Resolutions set forth in this Notice.
2. The voting rights of the Members for e-voting shall be in proportion to the paid up value of their shares in the equity share capital of the Company as on the cut-off date i.e. Thursday, September 21, 2017.
3. The Board has appointed Mr. Prince Chadha of M/s. P. Chadha & Associates, Company Secretaries, Chandigarh as a Scrutinizer to scrutinize the physical voting and e-voting process in a fair and transparent manner and he has communicated his willingness to be appointed and will be available for same purpose.

4. After the conclusion of voting at the general meeting, the scrutinizer shall, immediately first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses (who shall not be in the employment of the company). Thereafter, Scrutinizer shall give a consolidated report, specifying the total votes cast in favour or against, if any, within forty eight hours of conclusion of the meeting, to the Chairman or a person authorised by him in writing who shall countersign the same. The Chairman or a person authorised by him in writing shall declare the result of the voting forthwith. The results declared shall be available on the website of the Company (www.neclife.com) and on the website of the Karvy (<https://evoting.karvy.com>). The results shall simultaneously be communicated to the Stock Exchanges. The resolutions will be deemed to be passed on the date of AGM subject to receipt of the requisite number of votes in favour of the resolutions.

Instructions and other information relating to remote e-voting (e-voting) are as under:

1. The remote e-voting facility will be available at the link <https://evoting.karvy.com> during the following voting period:
Commencement of remote e-voting: FROM 9.00 a.m. on Monday, September 25, 2017.
End of remote e-voting: TO 5.00 p.m. on Wednesday, September 27, 2017.
2. In case a Member receives an email from Karvy (for Members whose email Ids are registered with the Company/Depository Participant(s)):
 - a) Launch internet browser by typing the URL: <https://evoting.karvy.com>.
 - b) Enter the login credentials (i.e. User id and password mentioned in e-mail). Your Folio No./ DP ID / Client ID will be your User ID. However, if you are already registered with Karvy for e-voting, you can use your existing User ID and password for casting your vote.
 - c) After entering these details appropriately, click on "LOGIN".
 - d) You will now reach password change menu wherein you are required to mandatorily change your password. The new password shall comprise minimum 8 characters with at least one upper case (A-Z), one lower case (a-z), one numeric (0-9) and a special character (@, #, \$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and take utmost care to keep your password confidential.
 - e) You need to login again with the new credentials.
 - f) On successful login, the system will prompt you to select the E-Voting Event Number (EVEN) for Nectar Lifesciences Limited.
 - g) On the voting page enter the number of shares (which represents the number of votes) as on the cut-off Date under each of the heading of the resolution and cast your vote by choosing the "FOR / AGAINST" or alternatively, you may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR / AGAINST" taken together should not exceed your total shareholding as mentioned overleaf. You may also choose the option "ABSTAIN" and the shares held will not be counted under either head. Option "FOR" implies assent to the resolution and "AGAINST" implies dissent to the resolution.
 - h) Members holding multiple folios / demat accounts shall choose the voting process separately for each of the folios / demat accounts.
 - i) Voting has to be done for each item of the Notice separately. In case you do not desire to cast your vote on any specific item it will be treated as abstained.
 - j) You may then cast your vote by selecting an appropriate option and click on "Submit".
 - k) A confirmation box will be displayed. Click "OK" to confirm else "CANCEL" to modify. Once you confirm, you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
 - l) Corporate / Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) are also required to send scanned certified true copy (PDF / JPEG Format) of the Board Resolution / Authority Letter etc. together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer at e-mail id: prince.chadha88@gmail.com. They may also upload the same in the e-voting module in their login. The scanned image of the above mentioned documents should be in the naming format "Corporate Name_EVENT NO."
3. In case a Member receives physical copy of the Annual General Meeting Notice by courier (for members whose email Ids are not registered with the Company/Depository Participant(s)).
 - a) User ID and initial password are provided overleaf.
 - b) Please follow all steps from Sr. No. (a) to (l) as mentioned in (1) above, to cast your vote.
4. Once the vote on a resolution is cast by a Member, the Member shall not be allowed to change it subsequently or cast the vote again.
5. In case of any query pertaining to e-voting, please visit Help & FAQ's section available at Karvy's website <https://evoting.karvy.com> or call Karvy on 040-67161616 or send an e-mail request to evoting@karvy.com.
6. The facility for ballot / polling paper shall be made available at the Annual General Meeting (AGM) and the members attending AGM who have not cast their vote by e-voting shall be able to vote at the AGM through ballot / polling paper. The members who have cast their vote by e-voting may also attend AGM, but shall not be entitled to cast their vote again.
7. Any person who becomes member of the Company after dispatch of the Notice of the meeting and holding shares as on the cut-off date i.e. Thursday, September 21, 2017 may obtain the User Id and password in the manner as mentioned below:
 - a) If the mobile number of the member is registered against Folio No./ DPID Client ID, the member may send SMS:
MYEPWD<space> E-Voting Event Number +Folio no. or DPID Client ID to +91-9212993399
