Airlines must share int'l passenger records: CBIC

Spike in smuggling, especially through airports, triggers move: PNR regulations

ANEESH PHADNIS & SHRIMI CHOUDHARY Mumbai/Delhi, 9 August

he Centre has mandated airlines to share with the Customs department reservation records of passengers who are travelling on international flights to and from India, from August 8. The move, aimed at conducting "risk-analysis" of passengers for improving surveillance would help the department track and prevent increased cases of smuggling.

In a notification issued on Monday, the nodal authority of the Customs department — the Central Board of Indirect Taxes and Customs (CBIC) - said, "Every aircraft operator is now required to provide PNR details to National Customs Targeting Centre-Passenger (NCTC-P). This would be not later than 24 hours before the departure time," CBIC said.

This passenger name record information will include details like PNR, date of reservation and issue of ticket as well as frequent flyer and benefit information (like free tickets, upgrades). It would also contain all available payment or billing information (like credit card number), travel itinerary and the travel agency, CBIC elaborated in the notification.

It further said NCTC-P has been established to receive and process PNR information for risk analysis of passengers. It is for the prevention, investigation, detection and prosecution of various offences under the Customs Act.

"It is also for the law enforcement agencies and government departments, as required, in India and abroad," it noted.

While the government had proposed this requirement in the Union Budget of 2017, a formal process for communication of passenger data has been introduced only now after the notification was issued on Monday.

Currently, airlines are required to share passenger information in advance with the immigration authorities. However, that is limited to the passenger's name, cent from 7.5 per cent.

Move to help track and prevent instances ofsmuggling

Government to carry out systems and security audits to prevent misuse of collected information

▶ IATA welcomed the setting up of legal framework, sought specific guidelines for the implementation

▶ Airlines complained of "non standard" passenger data requests from multiple agencies at airports

nationality and passport details, among others. With this, India joins 60 other countries that collect PNR details of international passengers.

Sources say that a spike in smuggling, especially of gold, has prompted the move.

The Customs department has been witnessing a surge in smuggling, following the import duty hike on gold to 12.5 per

In fact, gold smuggling through airports in the country continues unabated It seized a total 2,774 kg of the yellow metal worth ₹983.12 crore in the last six years. Of the total quantity of gold intercepted, 585.79 kg worth ₹263.33 crore was seized in 2021-22 (675 cases). Around 403.11 kg of gold worth ₹184.13 crore was seized in 652 cases in the previous year.

The CBIC, however, clarified that the passenger information collected by the Customs will be subject to strict information privacy and protection, in accordance with the applicable law. The PNR details will be retained for a maximum of five vears, it said.

The International Air Transport Association (IATA) said this new legal framework for passenger data will address concerns of international airlines. "We expect the notification to be followed by specific guidelines for implementation by the CBIC. Importantly, the roll out should now bring an end to the non-standard passenger data requests by multiple agencies at various airports," said Amitabh Khosla, country director,

Will re-evaluate airfare cap based on ATF prices: Scindia

The government will certainly re-evaluate tor is now in recovery mode, especially in the fare cap in place for domestic airlines once there is a healthier environment in terms of jet fuel prices, said the Civil Aviation Minister Jvotiraditya Scindia.

After the coronavirus pandemic rattled the country's civil aviation space, the sec-

terms of the number of air travellers and Akasa Air has also started services becoming the first domestic carrier to launch operations in the last eight years.

Against the backdrop of pandemic

on a rolling basis for a 15-day cycle.

In an interview to PTI, Scindia said as it stands, fares of airlines are not close enough to the low portion of the fare cap and are far away from the high portion of blues, the ministry has put in the fare cap

1 उपरोक्त, सेबी (सूचीयन बाध्यताएं एवं प्रकटन आवश्यकताएं) विनियम, 2015 के विनियम 33 के अधीन स्टॉक एक्सचेंजों में दाखिल 30 जुन, 2022 को समाप्त तिमाही के लिए समेकित वित्तीय परिणामों के विस्तृत प्रारूप का सारांश है। समाप्त तिमाही के वित्तीय परिणामों एवं टिप्पणियों का पूरा प्रारूप स्टॉक एक्सचेंज की वेबसाइटों (www.nseindia.com एवं www.bseindia.com) और कम्पनी की वेबसाइट www.talbros.com पर भी उपलब्ध हैं। 2 अलेखापरीक्षित वित्तीय परिणामों की 09 अगस्त, 2022 को आयोजित अपनी संबंधित बैठकों में लेखापरीक्षा समिति द्वारा अनुशंसा की गई है और निदेशक मंडल द्वारा अनुमोदन किया गया है तथा कम्पनी के सांविधिक लेखापरीक्षकों द्वारा ''सीमित समीक्षा'' की गई है।

30 जून, 2022 को समाप्त तिमाही के परिणाम कड़ाई से तुलनीय नहीं हैं, जैसे कि 30 जून, 2021 को समाप्त तिमाही के साथ थे, क्योंकि 30 जून, 2021 को समाप्त तिमाही के एक हिस्से के लिए समृह की बिक्री कोविड—19 महामारी के दूसरी तहर से प्रमावित हुई थी। समृह ने संमावित प्रमावों पर विचार किया है जो इस महामारी से संपत्ति, संयंत्र और उपकरण, निवेश, सूथी, प्राप्य और अन्य मौजूदा परिसंपत्तियों की अग्रणी मात्रा पर हो सकते हैं। कंपनी को उम्मीद है कि इन परिसंपत्तियों की अग्रणीत राशि की वसूली की जाएगी और वित्तीय विवरण में किसी सामग्री समायोजन की आवश्यकता नहीं होगी। कंपनी भविष्य की आर्थिक स्थितियों में किसी भी भौतिक परिवर्तन की बारीकी से निगरानी करना जारी रखेगी।

तुलनात्मक आंकड़ों को वर्तमान अवधि के साथ तुलनीय बनाने के लिए, जहां कहीं आवश्यक हो, पुनर्समूहित / पुनर्वर्गीकृत किया गया है। कृते टालब्रोस ऑटोमोटिव कम्पोनेंट्स लिमिटेड
