Gayatri Projects Limited (GPL), a prominent and well established infrastructure company specializing in road, irrigation, power transmission and industrial projects, with a pan India presence and a strong asset development portfolio is pleased to announce that CARE Ratings has upgraded the Company's bank loan facilities as under –

Facilities	Amount (Rs. crore)	Rating	Remarks

The upgrade reflects the steady improvement of Gayatri Projects Ltd's financial profile mainly driven by strengthening its core construction business. In the last 12 months, the Company's order book has nearly doubled to Rs. 13,000 crore. The rating also factors in Company's attempts towards deleveraging its balance sheet by monetizing or restructuring its matured road assets.

Gayatri Projects Ltd is well positioned to sustain its business risk profile, on the back of steady order inflows, sharper focus on execution and significant addition from its power generation business.
