## **Punj Lloyd wins prestigious Homeland Security order in Defence from Ministry of Home Affairs**

New Delhi 18 September, 2017: Diversified conglomerate, Punj Lloyd has won a prestigious order worth Rs 120 crore for the supply and commission of five Full Body Truck Scanners (FBTS) from the Ministry of Home Affairs. Punj Lloyd will be the first private sector company in India to install these X-Ray based FBTS at the country's borders, which can detect concealed arms, ammunition, explosives, detonators, IEDs, narcotics and fake currency.

Speaking on this win, Atul Punj, Chairman Punj Lloyd said, *"This is our first order in Homeland Security and is extremely significant as it will enhance the national security of the country by fortifying our borders against illegal activities. The scanners will be manufactured at Punj Lloyd's state-of-the-art manufacturing facility at Malanpur. Miscreants are today adept at concealment techniques but these scanners make the process of screening smooth and highly efficient in quick identification of suspicious consignments, with the least impact on legitimate trade."*

The primary objective of the FBTS/Drive-Through Container scanner system is to scan trucks/ truck mounted containers. These scanners can detect violations of Customs Act and other laws of India, enforced by Customs and other Agencies during import, trans-shipment, and export of goods including mis-declaration of description and quantity of goods, of quality such as grades, defective, etc and concealment of contraband goods. The hi-tech system can also detect contraband items hidden inside cavities or specially created spaces in the carrier or consignments.

The Group's order backlog stands at Rs. 11,835 crores, after excluding orders of Rs. 6,845 crores in Libya, which are not seeing traction. The order backlog is the value of unexecuted orders on June 30, 2017 plus new orders received after that date.

-----

### **About Punj Lloyd:**

Punj Lloyd Ltd. (BSE SCRIP ID: PUNJLLOYD, NSE SYMBOL: PUNJLLOYD, CIN: L74899DL1988PLC033314). Dear Sir/Madam,

**Sub: Increase in volume**

Dear Sir / Madam,

This has reference to your letter No. NSE/CM/Surveillance/6903 dated July 25, 2017 on the above subject.

In this regard we would like to inform you that our Company being in Engineering Construction business, continuously bids for various contracts/projects from time to time. In some of the contracts/projects, the Company may be declared the provisional lowest bidder, but the contract/project is awarded to the Company only after compliance with certain terms and conditions and issuance of Letter of Intent (LOI) by the Client/project owner.

The Company at present is the lowest bidder for Zu-23 upgrade programme of Ministry of Defence, full body truck scanner programme of Ministry of Home Affairs and for the construction and commissioning of balance / left out canal work including cross drainage structure and design for Gosikhurd National Projects on Bhandara, Nagpur and Chandrapur district of Maharashtra for NBCC (India) Ltd. However the LOI in respect of each of these project is yet to be issued by the respective Client.

Once an LOI for any of these projects is issued to the Company, we will inform the Stock Exchanges.

This is for your information and record.

Thanking You,

Yours faithfully,

For PUNJ LLOYD LIMITED
