- The tax expense stood at Rs 12.09 crores as compared to Rs 6.6 crores during the same period last year
- Consequently, the Profit After Tax grew exponentially to Rs 44.68 crores from Rs 26.41 crores during the same period last year.
- Earnings per share (basic) for half year ended September, 2015 (face value of Rs 10/-) stood at Rs 12.65 vis-à-vis Rs 7.48 during the same period last year

Segment-wise performance for Q2FY16

Consumer Durable Segment

The Revenues from Consumer Durable Segment stood at Rs 191.61 crores as against Rs 154.76 crores in the corresponding quarter of the previous year, registering an increase of 24%. However, the segment result was lower by 9% to Rs. 14.54 crores as against Rs. 16.05 crores during the same period last year. This was on account of high advertisement spends and intense price competition especially in LED TV segment.

OEM & Packaged Air-Conditioning Segment

The Revenue from this segment and the Segment Results stood at Rs. 81.04 crores and Rs. 1.52 crores as compared to Rs 130.03 crores and Rs. 2.6 crores respectively during the corresponding quarter last year. The lower revenue and segment result was due to the reduced OEM sales in air-conditioners segment to other brands in India due to subdued market sentiments.

Heat Exchangers & Components Segment

The Revenues from Heat Exchangers & Components Segment and the segment results stood at Rs 178.79 crores and Rs 19.71 crores as compared to Rs 113.30 crores and Rs. 8.23 crores respectively during the corresponding quarter last year. The increase in sales was on account of capacity utilization of component business and segment results increased substantially on account of increased margins from engine cooling business.
