**Commenting on the results, Mr. Shilpan Patel Chairman & Managing Director said** “It gives me immense pleasure to share with you that the Company has reported robust performance for another quarter. For the first half of the year, the Company saw good growth momentum with increased Royalty Income from the existing customers and improved sale of our Water Soluble Film.

As the outlook for the year, our focus is on to monetize our Low hanging Patents and move up the value chain in our sale of water soluble film business. For this purpose, income from operations of Rs. 403 lakhs during this quarter is towards Patents of marketing rights assigned to U.K. subsidiary.

As we are a Green Company; Board of Directors has considered and approved the resolution to change the name of the company from Arrow Coated Products Ltd to Arrow Greentech Ltd. With this, there will be change in the object clause of the company also.

Coming on the result front, our Revenue grew at 32% and EBITDA grew by 59% for the first half of FY16. EBITDA margin expanded by 986bps to 57.5%. PAT registered a growth of 38%.

As one of the leading manufacturers of cast water soluble film in the world, with 30 patents relating to varied industries which acts as strong Entry Barriers, the Company is expected to enhance its domestic as well as global footprint in the years to come”.
