Lypsa Gems & Jewellery Limited

Result Update Presentation
Q2 & H1 FY17

Disclaimer

This presentation has been prepared by Lypsa Gems & Jewellery Limited (the “Company”) solely for information purposes and does not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company’s ability to successfully implement its strategy, the Company’s future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company’s market preferences and its exposure to market risks, as well as other risks. The Company’s actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

Management Comment

01

Commenting on the results, Mr. Jeeyan Patwa, CFO, Lypsa Gems and Jewellery Limited said :

"I am happy to inform you that in line with our strategy we have continued to focus on profitable growth .

We are consciously moving away from the low margin cutting and polishing business to the higher margin rough trading and jewellery business. We aspire to build a complete jewellery retail platform to provide beautiful affordable diamond jewellery to not only the Indian woman but to women across the globe.

We are building efficiencies across the entire diamond value chain in order to provide a competitive market offering and yet make good margins. Complete integration along with over four decades of industry experience will enable us to not only grow revenue but most importantly, focus on profitable growth and generate maximum value for our shareholders."

Q2 & H1 FY17

Strong presence across high end of value chain

Strong Global Presence

International business generates higher margins; 57% of revenue

01 Demand & Supply

- Expect demand for polished diamonds to grow
- Rough prices and supply to remain stable, resulting in healthier margins this year

03 Inflection Point

- Diamond industry starting to see recovery and witnessing growth
- Company rightly placed to make most out of this opportunity

05 Export Sector – 2015-16

- Gems & Jewellery sector accounted for US\$ 38.6 bn of exports
- Cut and Polished diamonds exports contributed to US\$ 19.96 bn

02 Industry Policy

- Rough import allowed in special notified zone in Bharat Diamond Bourses
- Allows greater accessibility to rough for manufacturers in India – more variety and better pricing

04 Lower Pricing

- Last couple of years - excess supply resulted in low pricing and pressure on margins
- Miners reduced supply of rough to suck up excess inventory, resulting in increase in demand for polished diamonds enabling better margins for manufacturers like Lypsa

Polish Diamond Sales

- Global sales of polished products
- Value added services like bagging, custom assortment, Just in Time delivery offered to clients providing a unique product and service offering
- Allows higher client retention and loyalty

Rough Diamond Sales

- Purchase rough from tenders and diamond dealers in Belgium, Dubai and Africa
- Add value by assortment, preparation and processing and sell to specialist manufacturers

Diamond Cutting & Polishing

- Cutting and polishing of rough to maximize yield and quality
- Focus on producing polished goods below 0.15cts
- Use of technology and skill to obtain superior results

Jewellery – Bespoke & E-Commerce

- Focus on generating maximum value-added by using Lypsa's diamonds to stud jewellery and selling them through our brands 'Oropel' and 'Atelier'

Tie ups with leading Indian E-Commerce Platforms

snapdeal.com

flipkart.com

SHOPCLUES.COM

Jewelsouk.com

Craftsvilla.com
Handcrafted Luxuries

- Tied up with Jewelsouk.com, e-commerce arm of Gitanjali Group
- Launched Lypsa 'Atelier' - Collection of contemporary diamond studded jewellery in 18K and 14K Gold
- Over 150 designs to be sold through leading Indian E-Commerce platforms
- Products priced between Rs.7,500 - Rs. 35,000
- Collection uses modern design elements in vogue with latest fashion trends
- Target audience - Women between 18-45 years of age

LYPSA-ATELIER

01

- Presence across entire Value Chain
- Value added services portfolio

02

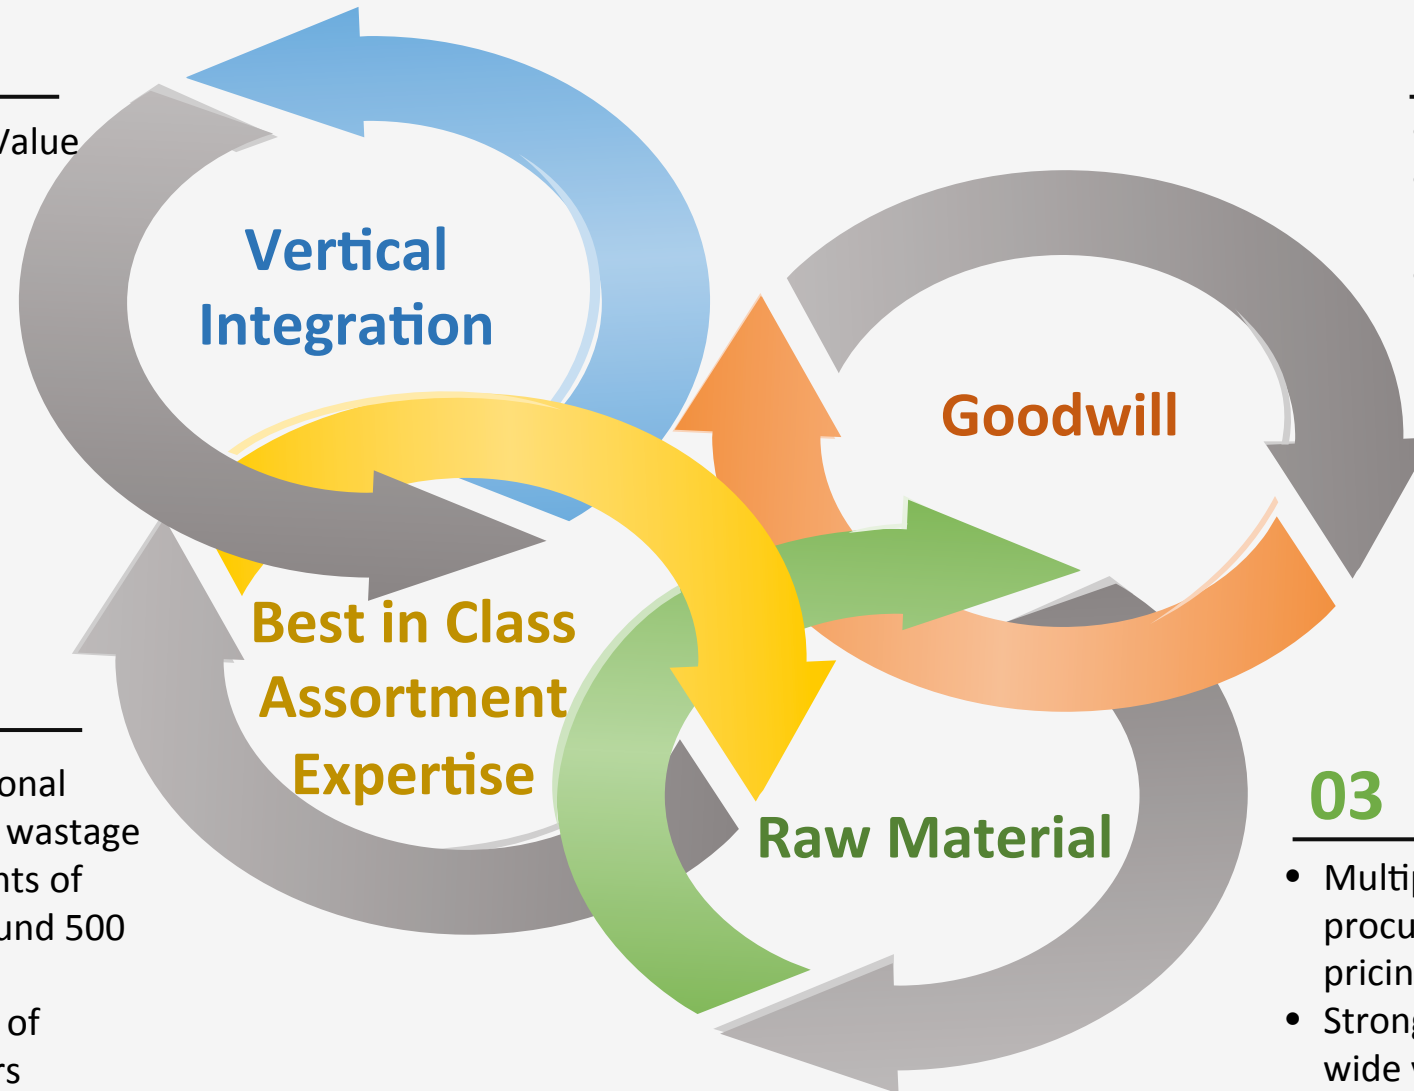

- Three decades of experience
- Strong market Reputation and Goodwill
- Established International market with presence across geographies and diverse global customer base

04

- Leading to high operational efficiency with minimal wastage
- Provides 150 assortments of rough diamonds to around 500 clients
- Over one million carats of diamonds sold in 5 years

03

- Multiple sources for raw material procurement leading to better pricing on rough diamonds
- Strong capability to buy and process wide variety of rough

Move Up-The-Value Chain 02

- Concentrate on operational efficiencies and productivity

Increase Footprints Through E-Commerce Platform 04

- Leverage on Tie-ups with all major E-commerce players
- Joint Venture with major financial services players providing diamond backed financial products to Institutional investors, retail clients and HNIs

01 Export Business

- Develop existing export business
- Export business generates high margins

03 Venture into Retail Market with Strong Business Strategy

- Focus on increasing penetration through well established Brands (Oropel & Lypsa Atelier)
- Jewellery Retail through Omni Channels like online stores, e-commerce platforms, kiosks and flagship stores

05 International Manufacturing and Sourcing

- Plans to establish cutting and polishing factory for larger goods in Botswana, to get direct supply of rough diamonds from top miners
- Plan to open office to source rough diamonds in Antwerp, Belgium – to bring down cost of sourcing
