**INDEPENDENT AUDITOR'S REVIEW REPORT
TO THE BOARD OF DIRECTORS OF
RIGA SUGAR COMPANY LIMITED**

1. We have reviewed the accompanying statement of standalone unaudited financial results of RIGA SUGAR COMPANY LIMITED ("THE Company"), for the quarter ended 30th June, 2017 (" the Statement"), and Corresponding 3 months ended 30th June, 2016 . This statement is the responsibility of the Company's management and has been approved by the board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standards on Review Engagement (SRE) 2410, "Review of interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accounts of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquires of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of standalone unaudited financial results prepared in accordance with the applicable Indian Accounting Standards (Ind AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to the Financial Results:

- (1) The Company adopted Indian Accounting Standards ("Ind AS") from April 1, 2017 for the first time with transition date of April 1, 2016 and accordingly these financial results have been prepared in accordance with the recognition and measurement principles in Ind AS 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 and other recognised accounting practices and policies, to the extent applicable.
- (2) Reconciliation between financial results as previously reported and referred as "Previous GAAP" for the quarter ended June 30, 2016 and resulted as per Ind AS is as under :

Description	Note Reference	Quarter ended (30th June, 2016) (Unaudited and Reviewed)
Net Profit or loss as per Previous GAAP (Indian GAAP)		(598.89)
Add/Less : Increase / (decrease) in Net Profit as reported under Indian GAAP		
Reclassification of actuarial gains/losses, arising in respect of employee benefit schemes, to Other Comprehensive Income (OCI)	3	1.97
Net profit/loss as per Ind AS		(596.92)
Reclassification of actuarial gains/losses, arising in respect of employee benefit schemes, to Other Comprehensive Income (OCI)	3	(1.97)
Total comprehensive income for the period		(598.89)

- (3) Actuarial gains and losses on defined benefit plans have been recorded in Other Comprehensive Income ("OCI").
- (4) In view of adoption of Ind AS effective April 1, 2017, the Company has, pursuant to the provisions of Ind AS 108, identified its business segments as its primary reportable segments, which comprises of Sugar Unit and Distillery Unit. "Sugar Unit" includes Sugar, Molasses, Bagasse, Bio-compost and Power; and "Distillery Unit" includes Ethanol.
- (5) Sugar being a seasonal industry, the performance of the company varies from quarter to quarter. Due to off-season there was no production during the quarter. The expenses during the off-season has been apportioned accordingly.
- (6) Due to erratic and shortfall in rain during 2016-17 the recovery in season 2016-17 reduced substantially to 8.72%.
- (7) During 2016-17 BSPCB on the Complaint of an MLA our Distillery remained closed for 38 days followed by another illegal closure of Distillery plant for 64 Days production, thus total 102 days in 2016-17. During year 2015-16 we faced illegal closure due to pollution and excise dept. hurdles. We have filed case against such illegal closure. During current year again our Distillery was closed from 30th April, 2017 in the direction of CPCB on the charges of non-installation of Camera, which were already installed and we are already zero discharge. Closure order was revoked on 16th June, 2017 and by that time rainy season has started and thus so far we have operated in current year for only 15 days. Now flood in August has also caused huge damages so we have to carry out repairs and maintenance and now it will start again from 1st week of October,

2017. Thus Distillery made huge Losses for last 2-3 years due to illegal interference of Pollution Control Dept. and State Excise Dept.

- (8) After five years of continuous surplus production and stock, which led to free fall of sugar price, the downtrend in sugar price halted in financial year 2016-17 and prices of sugar improved to a moderate level.
- (9) Due to lower production in the sugar season 2016-17 the prices tends to strengthen although there will be sufficient stock till 30th September when the new season will start. Due to good monsoon in Maharashtra and North India the crushing will start earlier for next season and thus threat of any sugar shortage is minimized and there will be no need of import. owevert To offset any threat of cheap import, the General import duty on sugar were increased to 50% although the Industry were demanding higher rate. However during current year the government started to take calibrated measures to allow import of raw sugar at NIL duty of 5 Lacs MT and thereafter 3 Lac MT at 25% duty and distributed region-wise where there is perceived shortfall.
- (10) The government for September and October, 2017 fixed stock limit of sugar, which depressed the sugar price.
- (11)The Company has opted to publish Extracts of the Unaudited Financial Results pursuant to option made available as per regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation,2015. The full format of the Quarterly Financial Results are available on the stock exchange websites, www.cse-india.com and www.bseindia.com and on the Company's website www.rigasugar.com
- (12)Previous period figures have been regrouped wherever necessary to conform to the current period's presentation.
- (13)The above results have been reviewed by the Audit Committee, approved by the Board of Directors in the meeting held on 14th September, 2017 and subjected to a limited review by the statutory auditors.
