<u>Limited Review Report</u> <u>Financial Results for the quarter and half year ended 30th September 2015</u>

- 1. - 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Further, the company has defaulted on dues of few banks. However, the financial statements of the Company have been prepared on a going concern basis.
 - 4. The Company has not provided for the following:
 - Stock of slow and/non -moving of stores, raw materials, semi-finished and finished goods valued at Rs. 1,000 Lakhs approximately

The company has investments in subsidiaries whose net worth has been substantially eroded or is negative which has casted material uncertainty in the continuance of the business of these subsidiaries. However, the dimunition in the value of investment in these subsidiaries aggregating Rs 2,009 lacs is not provided for.

We are unable to comment on ultimate loss which may arise on realization of these balances Had the above amounts been fully provided for in the half year ended September, 30 2015 loss would have been higher by Rs 12,195.36 Lakhs with consequent impact on net worth as on that date.

We draw attention to the Note 5 to the Financials Results, that the company entered into Master Restructuring Agreement dated 28th September, 2014 with banks under the Corporate Debt Restructuring Scheme ("CDR") pursuant to which certain funds was to be released to the company. Accordingly, the balances pertaining to fund, non fund based and term loans of certain banks are subject to reconciliation of such pending items. We are unable to quantify the impact arising on account of the said reconciliations.
- 6. Based on our review, except for the matters stated in Paragraphs 4 and 5 above and the possible cumulative effect of the same on the financial results for the half year ended September 30,2015 which is material, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the Accounting Standards specified under section 133 of the Companies Act,2013 read with Rule 7 of the Companies (Accounts) Rules,2014 and other recognized accounting practices and polices has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any other material
