## INDEPENDENT AUDITORS' REVIEW REPORT ON REVIEW OF INTERIM FINANCIAL RESULTS

## TO THE BOARD OF DIRECTORS OF RESTILE CERAMICS LIMITED

 We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of Restile Ceramics Limited ("the Company") for the Quarter and nine months ended December 31, 2016 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

This Statement is the responsibility of the Company's Management and approved by the Board of Directors. It has been prepared in accordance with the recognition and measurement principles laid down in the Accounting Standard 25 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

3. Basis for Qualified Conclusion

(i)The Company has generated negative operating cash flows, incurred substantial operating losses and significant deterioration in value of assets used to generate cash flows all of which indicate existence of material uncertainty in the company's ability to continue as a going concern for a reasonable period of time. The attached Statement does not include any adjustments that might result had the above uncertainties been known.

(iii)The Company has not recognised possible impairment in value of building and plant and equipment as detailed in Note 4 of the Statement as required by the Accounting standard 28- Impairment of Assets. Independent valuation in financial year 2010-2011 had indicated impairment in value of building Rs.522.17 lakhs and in value of plant and equipment of Rs.119.87lakhs. However, in view of depreciation being charged over estimated useful life, the aforesaid amount needs to be recomputed. As such the effect of possible impairment on the results of the Quarter and six months ended September 30, 2016 is not ascertainable.

## 4. Qualified Conclusion

Based on our review conducted as stated above, except for the adjustments to the Statement as mentioned in Para 3 stated above on the Unaudited Financial Results, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Under the rehabilitation scheme sanctioned by BIFR in 2002, a reserve of Rs.754.44 Lakhs had been created (upon capital reduction) towards adjustment of identified impairment in value of fixed assets.
