ZICOM'S SECOND QUARTER PERFORMANCE

Mumbai, November 14, 2016: Zicom Electronic Security Systems Limited (BSE Code: 531404; NSE Code: ZICOM), India's leading electronic security company, announced its Unaudited Financial Results for the second quarter ended September 30, 2016.

At the Board Meeting held today, the Company declared its Consolidated and Standalone Unaudited Financial Results.

On Consolidated basis the Company has earned Total Income of Rs. 252.23 crores for the quarter ended September 30, 2016, as against Rs. 317.23 crores in the corresponding previous quarter resulting in decrease of Total Income by 20%. This has resulted in drop in EBDITA to Rs. 35.18 crores and Net Profit After Tax and Minority Interest to Rs. 2.23 crores.

Commenting on the results, Mr. Manohar Bidaye, Chairman – Zicom Electronic Security Systems Limited said, *“The consolidated performance of the Company continues to be under pressure due to slowdown in Middle East market. The Middle East economic situation continues to be subdued. The business situation in Qatar is relatively better as compared to UAE. Therefore, Phoenix has shown better performance as compared to Unisafe Dubai in the current quarter.*

As trend goes, SaaS business continues to perform better and better with reported EBDITA of Rs. 20 crores, while Distribution business needs some time to settle down due to disruption in market caused by reduction in custom duty on finished goods under Make in India movement. The Company has taken initial steps in this direction and started, on pilot basis, assembly of security products through tie-up with established manufacturer. The locally made security equipments are well accepted by the distributors and channel partners and soon we are hopeful that Distribution business will gain momentum.”
