Management view on performance in FY15**Commenting on the FY15 results, Mr. Rohtas Goel, CMD, Omaxe Limited said:**

The tough economic environment continues, however with a new majority Government at the Centre, there was some improvement in investor sentiments backed by measures for the housing sector. However, homebuyers have preferred a wait and watch policy due to high interest rates.. Our projects in Lucknow, New Chandigarh and Ludhiana continue to receive good response even in such subdued market conditions and we have identified these markets as future growth engines for the company. During FY15, we booked 4.29 mn sq.ft of space valued at Rs 1491 cr and delivered approx. 5.00 million sq.ft. Our forte in affordable housing has helped us create customer base in non-metro cities from the service and business class that continue to dominate the consumption and growth of these cities.

Management view on Business Outlook & Future Strategy**Commenting on the outlook for current fiscal, Mr. Rohtas Goel, CMD, Omaxe Limited, said:**

"The Indian economy is expected to grow at 7.8% in FY16 even as inflation continues its downward march. Despite two rate cuts initiated by RBI, deeper cuts are warranted at this stage to spur demand in housing and other sectors. Moreover, banks must partake actively in the reduction of interest rate and access of funds to homebuyers. Clear and well-drafted guidelines on 'Smart Cities' and 'Housing for All by 2022' initiatives of the Government are needed to achieve the governments vision.

We will continue to focus on speeding up delivery of our projects including the theme based shopping mall 'Omaxe Connaught Place' at Greater Noida, for which we have signed agreement with Chinese companies to lease out space in the Mall. We will continue to launch new projects in Uttar Pradesh, Haryana and Punjab and expect stronger demand in the coming months.
