CSR Partner

Mukul Madhav Foundation

Established 1999

FROM THE DESK OF THE MANAGING TRUSTEE

The spirit of giving was inculcated in me from my childhood, having always seen my family extend a hand to those in need and in turn have been very lucky to be married into a family with similar philanthropic values. This passion and desire from both sides of my family have helped me pursue my path with Mukul Madhav Foundation (MMF).

Mukul Madhav Foundation is a ray of hope for those a little less privileged than others. Health was an area which I felt needed a lot of support, especially the healthcare of newborns and the prematurely born. We began working extensively in this sector with hospitals in Pune by providing financial assistance to needy patients and upgrading and uplifting the existing infrastructure, ensuring they have the latest of equipment available. We then ventured into the field of education and in 2010, with the help of Finolex Industries, set-up Mukul Madhav Vidyalaya, an English medium school in an interior village called Golap in Ratnagiri, Maharashtra. I am very proud of my faculty at school who are extremely dedicated and hard-working. They are an inspiration to our students.

In 2014, we became the official CSR partners with Finolex Industries who have been doing projects for community development since its inception, much before the CSR policy came into existence.

Over the years we have touched the lives of millions, a few who have thanked us and walked away and many who come back to help us in reaching out to many more! Once a beneficiary enters the Mukul Madhav family, we become partners in this journey. I remain grateful to God Almighty, my family, friends and well-wishers, who have been a constant source of support throughout the years. I truly believe that MMF is not just one independent entity but is a magnetic force that binds people together to work for the betterment of our society.

Ritu Prakash Chhabria

THE ASSOCIATION OF FINOLEX INDUSTRIES LIMITED WITH MUKUL MADHAV FOUNDATION

Finolex Industries Ltd. has been doing activities for community development much before the CSR policy came into existence. Since its inception, they have been actively involved in upgrading and uplifting facilities for the communities around the company's plant in Ratnagiri, in fields of education, health, water schemes, promoting sports, women empowerment and environment. Today, with 3 more plants in Pune, Urse and Masar, their CSR activities have spread to these regions as well.

As Mukul Madhav Foundation has been working in similar areas since 1999, it seemed like a perfect match for both these entities to come together and reach out to even more beneficiaries! As Mukul Madhav Foundation always believes that "Together we can achieve much more", they officially became the CSR partners of Finolex Industries in March 2014. MMF has been actively involved in implementing projects on behalf of Finolex Industries who provide the required financial as well as manpower support in terms of their dealers and representatives spread across India. This is a unique feature about the associates of Finolex all across India who come together for their company and volunteer towards its CSR initiatives.

THE JOURNEY OF FINOLEX INDUSTRIES IN CONTRIBUTING TO SOCIETY:

2005

- **HEALTH:**
  An Ambulance donated to Swami Arupanand Seva Mandal Hospital, Pawas

- **EDUCATION:**
  Financial Assistance of Rs. 10 Lakhs provided to Zulekha Kazi School to help them build their computer lab

- **WATER SCHEMES:**
  Water schemes set up in Radye Wadi and Palkar Wadi villages, near Ratnagiri

2010

- **HEALTH:**
  Organized a medical camp with Asthan Ayurvedic Medical College, Pune, in Ratnagiri

- **EDUCATION:**
  Financial assistance to Gaonkhadi School, to help build a fence around the school

- **WATER SCHEMES:**
  Water scheme set up in Shivkain to benefit villages around Bhate, Phansop & Kolambe

- **WOMEN EMPOWERMENT:**
  FIL joined hands with a local NGO, Jagruti Vikas Mandal, to create Self Help groups (SHG's) and promote women empowerment

- **ENVIRONMENTAL:**
  Tree plantation activity with Maharashi Stree Shikshan students

2013

- **HEALTH:**
  Blood donation drives are carried out every year in Finolex.

- **EDUCATION:**
  Donated Rs. 1 Lakh for the construction of Pumgad High School, now serving around 200 children, from nearby villages.

- **WATER SCHEMES:**
  NALEWATHAR WATER SCHEME
  Finolex Industries joined hands with Navtaran Mitra Mandal to help set up a complete water drinking reservoir for the residents of Nalewathar, by contributing Rs. 1.5 Lakhs towards this project.

- **WOMEN EMPOWERMENT:**
  In 2012 FIL joined hands with Gramin Mahila Vikas Kendra, to set up stitching classes for women, in Phansop Soda. The centre has now moved to Golap and has been officially registered as Avanti Training Centre

- **ENVIRONMENTAL:**
  Over 50 employees of FIL, on one Sunday of the month, gather to clean up the Bhatye beach, as FIL is now the official care-taker of the beach. They have also installed dustbins and banners promoting “Bharat Swatch Abhyan Mission.”

- **SPORTS:**
  Finolex Industries has been actively promoting and helping in organizing sports activities such as kabaddi tournaments, Cricket tournaments and marathon, for the residents and students of the area around Ratnagiri, in collaboration with local clubs.

A BRIEF ABOUT MUKUL MADHAV FOUNDATION:

Mukul Madhav Foundation (MMF) was established in 1999 as a Public Charitable Trust and is registered under the Bombay Public Trust Act 1950. We have been instrumental in providing assistance in the fields of Healthcare, Education and Social Welfare to the economically and socially underprivileged sections of society. Our strong vision and determination to help our society has led us to touch thousands of lives over the years and spread infinite smiles.. Over the years of helping people in their times of need, we have realized one thing..**"You think you are transforming their lives, but it ends up transforming yours"**

OUR MISSION:

Enabling the underprivileged to improve their quality of life by providing good education and accessible healthcare facilities.

OUR FOUNDERS:

MUKUL MADHAV FOUNDATION'S AREAS OF WORK:

HEALTHCARE

EDUCATION

SOCIAL/COMMUNITY WELFARE

HEALTHCARE: Setting up and upgrading existing medical institutions, giving financial support to the less privileged for expensive medical treatments, promoting preventive healthcare measures, spreading awareness about hygiene and sanitation to the rural population of India, supporting women with HIV for their nutrition, organizing health check-up camps and supporting fellowships of students in the medical field.

EDUCATION: Ensuring that each deserving child is given the universal entitlement to education by providing sponsorship to children for their primary and secondary education and college students for higher studies, setting up and upgrading institutions in rural areas and providing training to professionals in the field.

SOCIAL/COMMUNITY WELFARE: Upgrading homes for orphans, providing medical and infrastructure support, groceries and other necessary articles to institutions working for visually and hearing impaired children, children with special needs and individuals affected with leprosy, Cerebral Palsy, old age homes and women's welfare organizations.

MUKUL MADHAV FOUNDATION'S PROJECTS:

HEALTHCARE

Facilitating Medical Assistance:

Mukul Madhav Foundation is associated with a number of hospitals in Maharashtra through their social work department. These departments refer cases of needy individuals admitted or undergoing treatments. Our team verifies each case to ascertain fund requirement and sees that each patient receives necessary care and sufficient assistance during and after the treatment. On an average, 70-80 patients per month are partly sponsored for their expensive medical treatments and hospitalizations by Finolex Industries Limited (FIL) & MMF.

Arranging Free Health Camps For Children:

Finolex Industries in association with Mukul Madhav Foundation organizes Free Health Camps in various slum areas and PMC Schools in Pune and Western Maharashtra including Zila Parishad schools in Ratnagiri, Panchgani and Satara. Dentists, Ophthalmologists, General Physicians, ENT, and Audiology & Speech Therapy specialists screen approximately 3000 students, at each camp. In this way we reach out to over 10,000 children each year. In 2015, we tied up with Teach for India, to conduct these health camps in around 50 low income and PMC schools of Pune, that they are affiliated with. Annually in the month of December, we conduct a Cyclothon, where we have a team of doctors headed by Prof Ram Dhillon, ENT surgeon from UK, and Mr. Rakesh Bakshi, founder of Bicycle Angel's, film maker & the author of 'The Director's Diaries', who cycle their way from Pune to Ratnagiri while making pit-stops on their way to conduct these health camps in the ZP schools en-route. We also donate bicycles to needy individuals in those areas, to help them improve their livelihood means. A medical report for each child is maintained and those in need of further medical treatment are partly funded for their advanced medical care, once we complete our background verifications of each student and receive the required consents from parents and schools. We ensure continuity of our camps every year to these schools to be able to monitor their health on an on-going basis.

Free Diabetic Camps:

Since April 2014, Mukul Madhav Foundation has been organising Free Diabetic Check-Up Camps on a monthly basis at KEM hospital in Pune. The purpose of this camp is to help those individuals who have been diagnosed with severe diabetes and are unable to undergo expensive tests to ensure their diabetes is in check. The tests include testing levels of HbA1C, TSH, Haemogram and C-peptide. Since December 2015, FIL & MMF spend Rs. 25,000 per month to help these individuals. This amount is also used to distribute free insulin vials to the patients in need.

Cancer Screening Camps For Women:

Since 2013 Finolex Industries in association with Mukul Madhav Foundation has been organizing Free Cancer Screening Camps for rural women in Ratnagiri and slum areas of Pune. Breast and cervical cancer screening tests are conducted under the guidance of specialists from Prashanti Cancer Care Mission, Pune. Approximately 1500 women have benefitted from these camps so far.

Finolex Women's Wellbeing Clinic, Ratnagiri:

The remarkable success of our cancer screening camps in Ratnagiri led us to understand that there is a need for a specialized clinic, which would address the needs and provide cancer care services for women in the area. Hence in 2014, Finolex Industries in association with Mukul Madhav Foundationestablished a Mammography Centre at a local hospital in Ratnagiri, called "Finolex Women's Well-being Clinic". Colposcopy and mammography tests are done here at a subsidized cost. Dr. C.B. Koppiker, renowned oncologist and Founder of Prashanti Cancer Care Mission Pune, travels to Ratnagiri to provide his expert guidance to the team at the hospital and operates on patients diagnosed there, if required. Online reporting is done by the local hospital to Prashanti Cancer Care, Pune, where Dr. Koppiker analyzes the reports and provides his diagnosis.

In June, 2014, history was created with the first ever "Therapeutic Mammoplasty" carried out at the Finolex Women's Wellbeing Clinic, Ratnagiri by Dr. C. B. Koppiker.

Nutrition Programme For HIV Positive Mothers:

There is a widespread discrimination against people living with HIV and especially HIV positive women and their children. Many times these mothers are ousted from their families which leave them to fend for themselves. These women have limited job opportunities and lack of resources to be able to afford a healthy life for themselves and their infected/affected children. This is where Finolex Industries in association with Mukul Madhav Foundation decided to intervene by providing these mothers with the healthcare and support that they require. Hence, the project on "Supplementary Nutrition Support for Expectant Mother- Anti Natal Care (ANC) & Post Natal Care (PNC)" has been taken on by us since 14th August 2015 at Shreevatsa Child Care Center SOFOSH, Pune. Beneficiaries of this project are HIV positive expectant mothers who are registered with Sassoon General Hospital for Anti Natal Care (ANC). This supportive nutrition is given to the mothers on a monthly basis starting from the fifth month of pregnancy to six months post-delivery. A total number of 120 mothers are expected to benefit from this per year. The supplementary nutrition packets include cereals, pulses, jaggery and protein supplements. Finolex Industries in association with Mukul Madhav Foundation is sponsoring Rs.670/- per kit per month for each mother. Out of the first 20 mothers who joined this program in August, 19 have delivered out of which 18 mothers and their babies are healthy. 6 out of these children have tested HIV negative.

Free Pediatric Cataract Surgeries for Children:

Mukul Madhav Foundation has maintained a successful relationship with H. V. Desai Eye Hospital, Pune, over the last 10 years. In continuance of our journey together, in March 2015, Finolex Industries in association with Mukul Madhav Foundation ventured into a new project with H. V. Desai Eye Hospital, where we are sponsoring cataract surgeries for children from various parts of Maharashtra. These surgeries are conducted under the guidance of specialists from the hospital. We are hoping to reach out to more than 100 deserving patients this year through this initiative.

Association with Hospitals & Medical Institutes:

Mukul Madhav Foundation is associated with a number of hospitals and medical institutes by way of upgrading infrastructure, providing medical assistance to patients and training doctors in an attempt to improve the quality of healthcare services in India. Following is the list of institutes that we are currently associated with:

Ruby Hall Clinic, Pune & Healing Little Hearts, UK:

Finolex Industries in association with Mukul Madhav Foundation has been supporting a pediatric cardiac project at Ruby Hall Clinic, Pune on a quarterly basis since March 2014. A team of specialists / surgeons from Healing Little Hearts, U.K., make visits to Ruby Hall Clinic to perform and assist the in-house team, in critical and high risk cardiac surgeries on children. These surgeons specialize in operating on new-borns suffering with heart diseases and the team of intensivists and nurses are skilled in post-operative care. During this project, we have discovered local surgeons in India who specialize in such high risk surgeries and are now associated with this project. The team from HLH continues to provide its expertise in post-operative care teams. Finolex Industries Limited, through Mukul Madhav Foundation, is sponsoring the teams' accommodation and domestic travel expenses. Over 100 children have benefitted from this initiative so far.

Sassoon General Hospital, Pune:

Finolex Industries and Mukul Madhav Foundation have taken up the initiative in March 2016 to help upgrade the existing NICU facility at Sassoon general hospital (SGH), to make it a fully equipped 50 bedded NICU. The NICU at SGH is one of the busiest NICU's of Western Maharashtra, catering to almost 5000 critically sick babies annually free of cost. This project, in the memory of our founder, Late Shri Pralhad P Chhabria, will be completed over the next 3 years in phases. As the first phase, FIL has generously donated 1 Neonatal ventilator, 1 High frequency ventilator, 5 Radiant Warmers, 20 Syringe pumps, 2 Bubble CPAP Units, 5 Phototherapy units and 5 pulse oximeters to the NICU costing approximately Rs. 57 lacs, with a promise to help in a consistent manner over the years, to help SGH become a state-of-the-art NICU facility in a Government Hospital.

Other work done by Mukul Madhav Foundation in Healthcare:

K.E.M Hospital Pune:

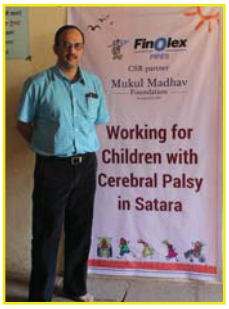
Between the years 2001 – 2016, Mukul Madhav Foundation has set-up a Pediatric Intensive Care Unit, Children's Ward and OPD at K.E.M. Hospital, Pune. In addition to this, we donated a wing in the NICU ward, which allows the weaker sections of society to avail of quality medical care at a fraction of the cost. "SONALI"- The Little Stars Rooms, consists of 6 beds with life-saving equipment, which is vital for critical Neo-Natal Care.

SOCIAL/COMMUNITY WELFARE

Association With Social Welfare Institutions:

Mukul Madhav Foundation is associated with a number of social welfare institutions working with visually and hearing impaired children and children with special needs, institutions working with individuals affected with leprosy, old age homes and women's welfare organizations. We help them in upgrading their infrastructure and also donate groceries on a monthly basis and other items as per their requirements. Every year a fundraiser is organized to help fund the various needs of these institutions.

Comprehensive care for children with Cerebral Palsy of the Satara district:



100 children diagnosed with Cerebral Palsy from the Satara district, will now be able to attend regular school, thanks to the specially modified chairs being generously sponsored by Finolex industries and donated to the Zila Parishad schools in the district. FIL has donated Rs. 5.5 Lacs to purchase these 100 chairs, upon receiving an appeal from Mr. Nitin Patil, CEO of Satara district.

Seeing the condition of these children at home, Finolex has also decided to donate 300 wheelchairs and commodes to each of these children identified in Satara. This project amounting to Rs. 50.62 Lacs will be completed over a span of one year. Additionally, the students & alumni from Richmond University, London held a wine tasting fund raiser event in October 2015 and raised £2230 (Rs. 2,18,040), which was used to purchase an additional 14 wheelchairs. In association with renowned hospitals of Pune including Sancheti Hospital, KEM Hospital, Deenanath Mangeshkar, Bharati Hospital and H V Desai Eye Hospital and local hospitals of Satara including

Krishna Hospital in Karad & Joshi Hospital in Phaltan, Finolex Industries in association with Mukul Madhav Foundation organized assessment camps in over 10 taluka's of Satara, to screen these children with a multi-disciplinary team of orthopedics, neurologists, neurosurgeons, physitherapists, occupational and speech therapists, ENT doctors, eye specialists and counselors. This has been a one-of-a-kind project with so many prominent hospitals coming together and working hand-in-hand for a common goal, to help better the lives of these children! With all their medical inputs, we will now help in sponsoring surgeries of these children who require them and then enroll them to physiotherapy sessions at extremely subsidized rates. In the coming year, we plan to set up rehabilitation centres at taluka levels so these children can benefit without travelling long distances for quality services.

Mukul Madhav Foundation has also received a "Samman Patra" from the Zila Parishad of Satara, for the work we have begun in this district.

Upgradation of Bhatkya Vimukta Jati Shikshan Sanstha (BVJSS) Ashram Shala in Wagholi:

With the help of **Finolex Industries and other corporate donors, MMF successfully raised 29.25 Lacs for the Bhatkya Vimukta Jati Shikshan Sanstha (BVJSS) Ashram Shala in Wagholi**, which is an orphanage home housing 400 children. With the help of these funds we helped rebuild their kitchens, dining area, water proofing of the entire house, purchased new cupboards, repaired existing doors and windows and placed new ones where needed and donated 60 bunk-beds, 120 mattresses & pillows, 8 cupboards, 400 uniforms, 400 bedsheets with pillow covers and 400 Sholapuri chaddars for the children. We also painted the Sai Baba statue outside this ashram. The children can now live in better and safer conditions.

EDUCATION

Our Dream Project – Mukul Madhav Vidyalaya:

In June 2010, Finolex Industries in association with Mukul Madhav Foundation established an English medium school in the village of Golap at the outskirts of Ratnagiri. The aim was to provide quality English education at an affordable cost to the local community in this rural area. Finolex Industries donated the 10.5 Acres of land and 2 buildings of 20,000 sq. ft each to run this project.

Mukul Madhav Vidyalaya (MMV) started with a modest strength of 151 students and has grown steadily into a full-fledged SSC affiliated school with over 556 students from Pre-Nursery to Class 7. The school has shown progressive growth and every year we add a new standard. We have facilities to take us on till grade 10.

Mukul Madhav Vidyalaya provides adequate opportunities for the holistic development of the students. Special attention has been paid to the infrastructure and facilities to suit the students' requirement. MMV has all modern amenities and equipment including a fully furnished Science Laboratory, a Computer Lab, well equipped and separate toilets for boys and girls, Aquaguard filter for drinking water, a multi-purpose Hall, a huge playground outdoors as well as an indoor play area. Apart from academics, MMV also lays emphasis on extra-curricular activities and provides classes in Tabla, Karate, Yoga, Chess, Piano, drums, singing and dancing. In 2015, a school council was also appointed to instill the values of leadership in the students. Tele-rehabilitation sessions in association with Bharati hospital, Pune are organized weekly for students who need guidance to improve their speech and language. German has been introduced as a third language in the school since June 2016. Free medical health check up's are conducted twice a year to ensure the health of the children is monitored regularly.Our school has won the Ideal

School award consecutively for 2 years and our teachers Mr. Rushikesh Shelar (Art) won the Kala Bhushan award and Mr. Navin Bijlani (HOD-English) won the Kala Tapaswi award, presented by the Kala Vikas Sanstha, Khed, Ratnagiri, in 2016. The students have also bagged several awards in local competitions. 5 paintings of our students were selected for the Khula Aasmaan Exhibition held in Mumbai in January 2016.

Finolex Industries has played a big part in the growth and success of the school and the betterment of the community at large.

Scholarships & Internships:

1. Finolex Industries in association with Mukul Madhav Foundation, provides financial assistance to deserving students to complete their primary and secondary education.

2. We have set up fellowships for resident doctors at K.E.M Hospital, Pune. Doctors studying for their Post-Graduation can

avail of this fellowship programme. These resident doctors trainunder Dr. Anand Pandit, Honorary Professor & Director–Dept. of Pediatrics & Neonatology.

3. If they wish to set up their own pediatric clinic or conduct research after training, we support them wholeheartedly.

4. Every year, 4 students from Symbiosis School and College, Pune complete a 6 week internship program with MMF.

Upgradation of PMC & Zila Parishad Schools:

FIL & MMF have been upgrading the infrastructure of various PMC & Zila Parishad Schools in Maharashtra & Gujarat. To mention a few, we have re-done the complete electrical fittings at Saraswati Vidya Mandir School, Tingrenagar and have provided them with fittings of fans and lights. We have also donated a computer lab at a school in Urse. Our team members conduct various training sessions with the teachers from these schools and we have also appointed English teachers to introduce English as a medium of education for these Marathi & Gujarati medium schools. In Panchgani, we have been looking after 2 Zila Parishad schools, since 2008, and have been supporting them with infrastructure, uniforms, sweaters and other requirements. In Masar (Gujarat), we are associated with 3 schools where we have donated computers, books and have set up separate toilets for boys and girls in their school premises over the last 3 years.

AWARDS RECEIVED BY MUKUL MADHAV FOUNDATION AND FINOLEX INDUSTRIES LIMITED:

Due to our noble initiatives, we have been nationally recognized and have received a number of accolades.

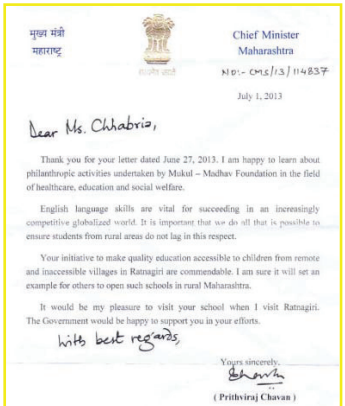
CORPORATES THAT SUPPORT MUKUL MADHAV FOUNDATION :

We would like to thank all our donors and well-wishers who have been a constant source of support.

LETTERS OF APPRECIATION:

We have been applauded for our service to society, and have received notable Letters of Appreciation from:



मुख्य मंत्री
महाराष्ट्र

Chief Minister
Maharashtra

NO:- CMS/13/ 114837

July 1, 2013

Dear Ms. Chhabria,

Thank you for your letter dated June 27, 2013. I am happy to learn about philanthropic activities undertaken by Mukul – Madhav Foundation in the field of healthcare, education and social welfare.

English language skills are vital for succeeding in an increasingly competitive globalized world. It is important that we do all that is possible to ensure students from rural areas do not lag in this respect.

Your initiative to make quality education accessible to children from remote and inaccessible villages in Ratnagiri are commendable. I am sure it will set an example for others to open such schools in rural Maharashtra.

It would be my pleasure to visit your school when I visit Ratnagiri. The Government would be happy to support you in your efforts.

With best regards,

Yours sincerely,

(Prithviraj Chavan)

Letter of Appreciation from the Hon'ble Chief Minister
Shri. Prithviraj Chavan (2013) of Maharashtra

Letter of Appreciation from Hon'ble Minister
Sou. Pankaja Munde (2016)

WAYS TO HELP:

"We make a living by what we get, but we make a life by what we give"

Each one of you can play a significant role to ensure a better life for those less privileged than others. We welcome your help and support in the following ways:

- Sponsor a Patient
- Sponsor a Student
- Make a monthly donation to our corpus
- Provide monthly support to one of the institutes under our umbrella
- Donations in kind
- We value your time and skills. For a rewarding experience, you can contribute by volunteering with us.

All donations to Mukul Madhav Foundation are exempted from Income Tax under section 80G. In April 2012, we have also obtained the Foreign Contribution Regulation Act Certificate (FCRA), which enables us to receive funds from abroad.

Please find below details for donations:

- Cash can be hand delivered at the below mentioned office address.
- Cheques to be made in favour of **"Mukul Madhav Foundation"** and can be sent to the below address.

Harmony, 5, I.C.S Colony, Off Ganeshkhind Road, Cosmos Bank Lane, Pune - 411007, Maharashtra, India. Contact: +91-20-25534417/21

- You may also make an online transfer (NEFT/RTGS)
