Note:

1. The above results were reviewed by the Audit Committee and thereafter approved subject to note no. 3 below by the Board of Directors at their meeting held on 7th March, 2017.
2. The Statutory Auditors have carried out a Limited Review of the results for the quarter ended 30th June, 2016.
3. The cost of material consumed and change in inventories includes a write off of Rs. 36375.79 lacs on account of old nonmoving /slow moving stock obsolescence which has been part of the closing stock for FY 2015 & FY 2016. Since the said stock has been liquidated in subsequent quarters at a value which is significantly lower than the book value, there are reasons to believe that the valuation as reflected in FY 2015 & FY 2016 could have been presented at cost instead of Market Realisable Value. In view of the above, the Board of Directors find it prudent to refer the matter to the National Company Law Tribunal (NCLT) and seek revision of Financial Statements for FY 2015 & FY 2016 under Section 131 "Voluntary revision of financial statements or Board's Report" of Companies Act, 2013. The above results including those of FY 2015 and FY 2016 may undergo change consequent to the order passed by National Company Law Tribunal (NCLT) pursuant to our application.
4. The Company is the process of complying with the Indian Accounting Standard (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules thereunder, effective 1st April 2016 (transition date being 1st April, 2015). The effect of the same will be considered in the financial statements for the year ending 31st March, 2017.
5. The Company is in default of repayment of certain of its principal obligations as well as interest to its lenders. The Company is in discussions with its lenders for evaluating a suitable restructuring plan.
6. Previous period figures have been regrouped/rearranged, wherever necessary.

2. The Statutory Auditors have carried out a Limited Review of the results for the quarter ended 30th September, 2016.

4. The cost of material consumed and change in inventories in the quarter ended 30th June, 2016 includes a write off of Rs. 36375.79 lacs on account of old nonmoving /slow moving stock obsolescence which has been part of the closing stock for FY 2015 & FY 2016. Since the said stock has been liquidated in current/subsequent quarter at a value which is significantly lower than the book value, there are reasons to believe that the valuation as reflected in FY 2015 & FY 2016 could have been presented at cost instead of Market Realisable Value. In view of the above, the Board of Directors find it prudent to refer the matter to the National Company Law Tribunal (NCLT) and seek revision of Financial Statements for FY 2015 & FY 2016 under Section 131 "Voluntary revision of financial statements or Board's Report" of Companies Act, 2013.
