## Clariant Chemicals records profit of INR 12.14 crore for Q1 2015

- Company announced a 2.7% growth over the previous quarter.
- On a like-to-like basis, the growth stood at 7.5% over the same quarter last year.

**Mumbai, April 22, 2015:** Clariant Chemicals (India) Limited, India's leading specialty chemicals producer, recorded a profit of Rs. 12.10 crore before tax, for the quarter ended March 31, 2015 as against a loss of Rs. 26.8 crore over the previous quarter.

Clariant also announced sales turnover (net of excise) of Rs. 226 crore during the first quarter as against Rs. 222 crore in the previous quarter.

**Dr. Deepak Parikh**, Vice-Chairman & Managing Director, Clariant Chemicals (India) Ltd, said, "2014 was the year of transformation for Clariant in India with significant efforts to restructure and revitalize our businesses to future-proof the company. The first quarter results signify that we have improved the performance on the back of our targeted capex investments and divestments over the past year. We expect to build on this growth momentum through our cost-effective business focus and improved profitability. The recently acquired black pigment preparations portfolio, located at Nagda, Madhya Pradesh will also help us take our business forward. In order to unlock the shareholder value, we have announced the buy-back of equity shares of the company and remain committed to our guiding principles of 'Performance, People and Planet'."
