This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.
3. The Company's proportionate share in the Unincorporated Joint ventures where the Company is having participating interest has been considered in the standalone unaudited financial results and has been incorporated by the Company on the basis of the information obtained from the operator of the respective Unincorporated Joint ventures or the information available with the Company.

Deloitte Haskins & Sells LLP

5. Qualified Conclusion

Based on our review conducted as stated above, *except for the possible effects of the matters described in the paragraph 4 above*, nothing has come to our attention that causes us to believe that the accompanying Statement, has not been prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014) and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Emphasis of Matter

Attention is invited to Note 4 regarding the current financial position and the basis of preparation of the accounts on a going concern.

Our report is not modified in respect of the above.

7. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II - Select Information for the Quarter and Six Months Ended 30 September 2015 of the Statement, from the details furnished by the Management.
