Limited Review Report

Review Report to
The Board of Directors
Kernex Micro Systems (India) Limited
Hyderabad

We have reviewed the accompanying statement of unaudited financial results of Kernex Micro Systems (India) Limited for the period ended 31st December, 2014 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been audited by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors/ committee of Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, *Engagements to Review Financial Statements* issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Without qualifying our report we would like to comment that for the period under review, trade debtor balances outstanding for more than 6 months are to the tune of Rs. 46.70 crores and are subject reconciliation and confirmation. Of the above an amount of Rs 4.38 crores is under the process of conciliation and management opines that they are recoverable. The management opines in the case of balance debtors they are good and are fully recoverable and hence no provision is required to be made.

The company has not adopted the schedule II of the companies act, 2013 for provision of depreciation and the impact on the profit and loss account is not ascertained. The management provided the depreciation on the basis of estimate pending calculation of useful lives of the fixed assets as per the Companies Act, 2013.

Based on our review conducted as above, nothing has come to our attention, except reconciliation and confirmation of balances in respect of receivables, that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
