**Notes:**

- The above results were reviewed by the Audit Committee and approved and taken on record by the Board at its meeting held on February 7, 2015 and a limited review of the same has been carried out by the Statutory Auditors of the Company.
- The figures for the corresponding periods have been regrouped / reclassified wherever considered necessary to conform to the figures presented in the current year.
- Considering the risk/return profiles of the segments between product and geography, the Company has identified geography as primary segment in accordance with Accounting Standard (AS) 17 on Segment Reporting. The Company does not have any secondary segment. Segment revenue comprises sales and operational income allocable specifically to a segment. Un-allocable expenditure mainly includes employee expense, depreciation, foreign exchange loss and other expenses. Un-allocable income primarily includes other operating income and foreign exchange gain.
- Depreciation for the nine months ended December 31, 2014 includes a reversal of Rs.597 lakhs (in the standalone results) and of Rs.276 lakhs (net) (in the consolidated results), which represents the impact of change in accounting policy for providing depreciation on fixed assets from 'Written Down Value' method to 'Straight Line' method effective April 1, 2014, in order to reflect a more appropriate preparation/presentation of financial statements. Further, effective April 1, 2014, the Company has also revised the useful life of fixed assets based on Schedule II to the Companies Act, 2013. Consequently, the depreciation for the nine months ended December 31, 2014 is higher to the extent of Rs.338 lakhs. Further, an amount of Rs.75 lakhs (net of tax) representing the carrying value of assets with revised useful life as nil, has been charged to the opening reserves as on April 1, 2014.
- Exceptional item for the previous periods represents reversal of actuarial liability provisions, net of deferred taxes, by WABAG Wassertechnik AG Switzerland. Company's subsidiary on account of classifying the pension plan as a defined contribution plan during the previous year. This change reflects the substance of the pension plan and is consistent with the accounting principles locally followed by the said subsidiary.
- The Board of Directors of the Company at their meeting held today have approved the proposal of issuance of bonus equity shares in the Ratio of 1:1 subject to the approval of the shareholders of the Company.

## Review Report

### To the Board of Directors of VA Tech Wabag Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results (“the Statement”) of VA Tech Wabag Limited (“the Company”), its subsidiaries, associates and joint ventures (collectively referred to as “the Group”) for the quarter ended 31 December 2014 and the year to date results for the period 01 April 2014 to 31 December 2014, except for the disclosures regarding ‘Public Shareholding’ and ‘Promoter and Promoter Group Shareholding’ which have been traced from disclosures made by the management and have not been audited by us. This Statement is the responsibility of the Company’s Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above and upon consideration of reports of other auditors, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, as notified under the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Without qualifying our opinion, we draw your attention to the matter below:  
Consequent to Section 80-IA, being amended by Finance Act, 2009, denying the benefit of deduction under this Section to business in the nature of work contracts, with retrospective effect from April, 2000, the Company based on a legal opinion, believes that this amendment will not impact its eligibility to claim deduction under the said section. Also, based on the legal opinion, the Company has filed a writ petition in the High Court, challenging the constitutional validity of the retrospective amendment.

# Walker Chandiook & Co LLP

The ultimate outcome of the matter cannot be presently determined and no provision for any liability that may result has been made in the financial statements by the company for the period from 01 April 2001 to 31 March 2009. However, such liability on account of possible denial of deduction prospectively from 01 April 2009 has been fully provided as current tax. Pursuant to this, the estimated tax liability for the period from 01 April 2001 to 31 March 2009 amounting to ₹ 2,422 lakhs and interest thereupon from 01 April 2001 to 31 December 2014 amounting to ₹ 2,485 lakhs have been considered as contingent liabilities as at 31 December 2014.

- 5.1 We did not review the interim financial results of 15 subsidiaries, 1 associate and 1 joint venture, included in the Statement, whose interim financial results reflect total revenues (after eliminating intra-group transactions) of ₹ 31,602 lakhs, net loss after tax and prior period items (after eliminating intra-group transactions) of ₹ 993 lakhs for the quarter ended 31 December 2014. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us and our opinion in respect thereof is based solely on the review reports of such other auditors. Our review report is not qualified in respect of this matter.

## Review Report

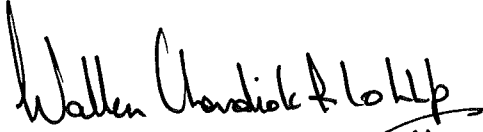

### To the Board of Directors of VA Tech Wabag Limited

1. We have reviewed the accompanying statement of unaudited financial results (“the Statement”) of VA Tech Wabag Limited (“the Company”) for the quarter ended 31 December 2014 and the year to date results for the period 01 April 2014 to 31 December 2014, except for the disclosures regarding ‘Public Shareholding’ and ‘Promoter and Promoter Group Shareholding’ which have been traced from disclosures made by the management and have not been audited by us. This Statement is the responsibility of the Company’s Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, as notified under the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. Without qualifying our opinion, we draw your attention to the following:  
Consequent to Section 80-IA, being amended by Finance Act, 2009, denying the benefit of deduction under this Section to business in the nature of work contracts, with retrospective effect from April, 2000, the Company based on a legal opinion, believes that this amendment will not impact its eligibility to claim deduction under the said section. Also, based on the legal opinion, the Company has filed a writ petition in the High Court, challenging the constitutional validity of the retrospective amendment.

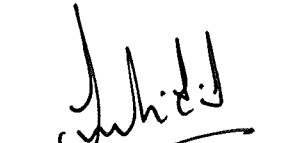

# Walker Chandiook & Co LLP

The ultimate outcome of the matter cannot be presently determined and no provision for any liability that may result has been made in the financial statements by the company for the period from 01 April 2001 to 31 March 2009. However, such liability on account of possible denial of deduction prospectively from 01 April 2009 has been fully provided as current tax. Pursuant to this, the estimated tax liability for the period from 01 April 2001 to 31 March 2009 amounting to ₹ 2,422 lakhs and interest thereupon from 01 April 2001 to 31 December 2014 amounting to ₹ 2,485 lakhs have been considered as contingent liabilities as at 31 December 2014.

**WABAG announces Q3 & 9M FY 15 results; Board recommends Bonus shares of 1:1; Consolidated Sales up by 14% for 9M; Standalone EBITDA & PAT up by 29% and 7.4% respectively for Q3**

**Feb 7, 2015:** VA TECH WABAG LIMITED, a leading Multinational Company specialized in Water and Waste Water management today announced its financial results for the quarter and nine months ended 31<sup>st</sup> December, 2014.

The Consolidated Sales for the Nine months grew by 14% to Rs. 1,523 crores, aided by steady progress in the execution of different projects, thanks to the Company's impressive firm order backlog of over Rs. 5,280 crores. Key orders of large ticket sizes from India and MDU's like Philippines and Turkey helped the Company to garner order intake worth Rs. 665 crores during the quarter.

**Key Highlights of Q3 & 9M FY 15:**

- Consolidated Sales up by 14% for 9M FY 15
- Standalone EBITDA up by 29% for Q3 FY 15
- Standalone PAT up by 7.4% for Q3 FY 15
- Order Intake of Rs. 665 Crores in Q3 FY 15
- Order Book of Rs. 6,973 Crores including Framework Contracts of Rs. 1,687 Crores \*

*\* On receipt of advances / LCs / Notice to Proceeds or achieving financial closure, Frame work contracts will form part of the Company's firm order book.*

Commenting on the results, Mr. Rajiv Mittal, Managing Director, VA TECH WABAG LIMITED said *"The Company has achieved good order intake during the quarter and the execution is also progressing well across various projects. Overseas MDU's like Turkey and Philippines have continued their impressive performances. I expect to see a faster turnaround in the business environment in India and I am optimistic of ending the year on a positive note.*

*I am also happy that the Board has recommended a Bonus issue of 1:1 to increase the liquidity in the stock market and reward our shareholders."*

The key orders received during the quarter are

1. An INR 220 Crore JICA funded Ganga Action Plan Project in Varanasi

WABAG won an order for a value of INR 220 crores for Design and Construction of 140 MLD Sewage Treatment Plant (STP) at Dinapur, Varanasi including Operation and Maintenance for ten years. The scope for WABAG includes Design, Engineering, Supply, Installation, Testing and Commissioning of the Sewage Treatment Plant whereas the civil construction will be carried out by the JV partner. The order is part of JICA – Funded Ganga Action Plan Project and the implementation agency for this project is Ganga Pollution Prevention Unit of UP Jal Nigam, Varanasi.

WABAG would employ the Activated Sludge Process with Biogas based Power Generation for this project. This process will help the plant to generate power from biogas and the plant would largely be self-sustainable using this "Green Energy". This will not only help the project to reduce its operational costs but will also reduce the carbon emissions and thus will qualify for carbon credits.

2. A World Bank funded Sewage Treatment Plant order worth INR 175 Crores in Philippines

WABAG has won yet another Sewage Treatment Plant (STP) order in Valenzuela, Philippines. The contract value of the order is about INR 175 Crores and the project is funded by World Bank. WABAG will Design & Build the 60 MLD Valenzuela Sewage Treatment Plant for Maynilad Water Services Inc. using the Activated Sludge Process. The contract also includes Operation and Maintenance of the plant as part of performance proving period of one year.

3. An INR 100 crore World Bank funded Sewage Treatment order in Philippines

WABAG bagged an order from Maynilad Water Services, Philippines for construction of 20 MLD Sewage Treatment Plant (STP) at Tunasan. The project is funded by World Bank and the order value is approximately INR 100 crore. After

designing and building the plant, WABAG will operate and maintain the plant for a period of one year as part of the contract. This Project is unique since this STP is constructed to treat the wastewater which is presently flowing into the Laguna Lake which is one of the biggest alternate drinking water sources of Philippines.

4. An EPC order of Euro 6 mn for Wastewater Treatment Plant in Turkey co-financed by the European Union and the Republic of Turkey

WABAG bagged an Euro 6 mn municipal Wastewater Treatment Plant in Polatli, which is located in central Anatolia in the vicinity of Ankara, the Turkish capital. The wastewater treatment plant will be equipped with mechanical/biological treatment technology on the basis of the activated sludge process, and also incorporate carbon and nitrogen removal. In addition, the plant will operate using aerobic sludge treatment, sludge dewatering and a biological waste air filter. The facility will correspond with EU regulations regarding environment-friendly wastewater treatment and in particular with the Environmental Impact Assessment Report. The treatment plant will have a capacity of roughly 20,000 m<sup>3</sup>/d.
