**(C) RATIONALE**

The Proposed Scheme of Amalgamation would inter alia have the following benefits:

- (a) The Transferor Companies are wholly owned subsidiaries (direct / step down) of the Transferee Company. With a view of consolidating the digital cinema business of the group, it is proposed that the Transferor Companies be merged with the Transferee Company. A consolidated business would be better placed to take advantage of emerging opportunities in the market.
- (b) Further, the Transferor Company 1 was primarily focused on deployment of DCI technology compliant Digital Cinema Systems in premium cinema screens across India. This enabled Transferor Company 1 to receive payment of virtual print fees (VPF) under certain arrangements. Recently, Transferor Company 1 has completed its contractual period of receiving VPF and some of these screens were transferred to the exhibitors as per the arrangement. The business operations of balance screens of Transferor Company 1 are similar to the operations of the Transferee Company and the proposed merger will fetch synergetic benefits once the theater networks of the Transferor Company 1 and the Transferee Company are merged and consolidated under one roof.
- (c) The proposed merger of Transferor Company 2 will assist the Transferee Company to serve existing customer with all products and services within digital cinema industry's needs, giving customers a one-stop shopping experience with credible services.
- (d) The amalgamation of the Transferor Companies with the Transferee Company will lead to better business synergies, improved overall operational efficiencies and cost savings.
- (e) The amalgamation will also result in reduction in legal and regulatory compliances that are currently carried out by multiple entities.
- (f) The proposed amalgamation will reduce managerial overlaps, which are necessarily involved in running multiple entities.
