Doubtful date	<u>10.00</u>	-
Net Income (-)	<u>1.01</u>	<u>(2.82)</u>

The Directors regret their inability to recommend any dividend due to brought forward losses.

2. BUSINESS OVERVIEW :

The company has net income of Rs. 1.01 lacs as against loss of Rs. 2.82 lacs in last year. Further the Board is hopeful of expanding the company's operation this year & expects your co-operation in the days to come. The Board is doing its best to make your company start full mining activities & show progress in very near future. The Board is contemplating to take effective steps to save it from slipping in to a sick industrial unit.

On account of effective steps to control expenses & keep the losses to its minimum level, the year under consideration, has closed with a sales turnover of Rs 74,50,457/- and Net profit of Rs. 1,00,772/- after providing for interest, depreciation & doubtful date.

3. FIXED DEPOSITS :

The company has not accepted any fresh deposits within the purview of section 58 A of the Companies Act, 1956 during the year under review.

4. CONSERVATION OF ENERGY :

Since the company has increased its production activities, though the particulars pursuant to requirement under section 217 (1) (e) of the Companies Act, 1956 with reference to conservation of energy, technology absorption, adoption and innovation are not material. However, the electricity expense incurred at Rs. 15,270/- during the year which is very negligible does not required any disclosure as such. Due to power problem, company has run the plant mainly through their generator set and digging, mining & washing activities where mainly vehicles & water is used which does not require much electric consumption. Hence the details being immaterial not provided.

KACHCHH MINERALS LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS.

(1) **Industry Structure and Development :**

Your Company is located at remote place in the State of Gujarat and engaged in minerals Industry by catering to minerals processing segment through extraction of various types of silica sand and china clay, mineral raw material etc. These minerals are sometime sold as raw materials or sold after processing, making value addition to the same as per customer demands.

Minerals are expected to become a core sector in the nation's economy in terms of generation of employment and revenues, industrial growth, conservation of energy and natural resources and mainly some unit works as export oriented unit generating foreign exchange and indispensable materials in all important sector of the economy. The Company products are already accepted mainly in the local market.

(2) **Opportunities and Threats :**

It is fact that many developments in Indian economy as triggered by globalization as one world market are under cut-throat competitions, the prime opportunity lies in meeting customer's raised expectation in terms of high quality with value added products, prompt response, timely delivery, proper services and performance and the same opportunities were regularly grabbed by your company since its inception.

Your company strives to maintain pace with the fast development in the Indian economy, tremendous competition and latest in technology and know-how with its limited resources.

The threats, which the minerals industry foresees, are slow down of Indian economy, myths and misconceptions about minerals and its impact on environment and competition from the global market. However, India has enough mineral resources with good quality accepted in International market, which is expected to fetch sizable foreign exchange in time ahead.

Your company will try to start its activity gradually to make its share in global market and expecting growth in the times ahead.

(3) **Segment-wise or product-wise performance :**

The Company operates only in mining materials segment which includes china clay, silica sand etc.

(4) **Business Outlook :**

General outlook for the company for the year 2007-2008 is encouraging & the company with its limited resources has improved its turnover which company tries further to improve its operation & profitability in days ahead.

The overall business outlook for china clay is very encouraging because of the increasing demand. There is an ever increasing demand for china clay, silica sand and mineral materials from various end user for multipurpose and the producers of china clay and silica sand can grab the local as well as global market effectively with high profitability. However, the factor of consistency in quality and other services are the pre-requisites and your company in years to come will try to reach those standards.

Your company will always aim towards striving for supplying quality products at reasonable prices and to stick to its core business, which has in fact some positive & upward trends.

(5) **Risks and Concerns :**

The major risks that prevail in the industry are competitions from global players, fluctuation of price and technological obsolescence which company will try to improve upon with its limited resources. Your company is taking due care for the prevailing risks in the industry.

(6) **Internal Control System and their adequacy :**

The management feels that the present internal controls in place are sufficient considering the complexity, size and nature of operations of the company.

Besides above, Audit Committee which has already been formed by your company pursuant to the provisions of sections 292A of the Companies Act 1956 and later on reformed subject to the requirements of clause 49A of the listing agreement keeps adequate checks & control on overall working of the Internal Control System in the company

(7) **Financial Performance with respect to Operation Performance :**

The Company will see envisage its growth in future because of continuous hard core efforts put by your Company to achieve the pace of development, towards which your company marches. The company has converted its rapo from loss making to profit making company particularly for the last year by making net profit of Rs. 4,19,363/-. However much requires doing than what has been done The summarized Profit and Loss A/c. for completed financial year is given below:-

	100772 /-	<u>Rs. In lacs</u>
Sales & Operating Income		74.51
Other Income		<u>5.81</u>
Total Income		80.32
Less : Other Expenses		<u>(68.02)</u>
Profit before depreciation		12.30
Less : Depreciation		<u>1.29</u>
Doubt Date		<u>10.00</u>
Net Profit / (Loss)		1.01

(8) **Material Developments in Human Resources / Industrial Relations front including number of people employed :**

There are no material developments in Human Resources under review. The overall industrial relations during the year under review were peaceful. In your Company, contribution and co-operation from all level of employees / workers were excellent during the year and resulted in comparative increase in the business and tilt towards profitability which has been appreciated and supported well by the management. Due to seasonal business and mainly employment of labour on job work basis, the labour force are employed on need base which fluctuates from time to time.

(9) **Cautionary Statements :**

Estimate and expectation made in the report may differ from actual performance due to various economic condition, government policies and other related factors.
