- (x) The company does not have accumulated losses at the end of the financial year. The Company has not incurred cash losses during the financial yearcovered by our audit and in the immediately preceding financial year.
- (xi) Based on our audit procedures and according to the information & explanations given to us, we are of the opinion that the company has not defaulted in repayment of dues to financial institutions, banks or debenture holders.
- (xii) In our opinion and according to the information and explanation given to us & based on the information available, the company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities. Hence, the question of maintenance of records or reporting on deficiencies does not arise.
- (xiii) In our opinion, the company is not a chit fund or a Nidhi / mutual benefit fund/ society. Therefore, the provisions of clause 4(xiii) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.
- (xiv) In our opinion, during the year under audit, the company did not engage in dealing or trading in shares, securities, debentures and other investments other than disposal of some of its investments. Accordingly, the provisions of clause 4(xiv) of the Companies (Auditor's Report) Order, 2003 are not applicable to the company.
- (xv) According to the information and explanation given to us, the company has not given any guarantee for loans taken by others from bank or financial institution. Hence this clause of Companies (Auditor's Report) Order, 2003 is not applicable.
- (xvi) In our opinion and according to the information and explanations given to us and based on the information available, the term loan availed by the company were, prima facie, applied by the company during the year for the purpose for which the loans were obtained.
- (xvii) According to the information and explanations given to us and on an overall examination of the Balance Sheet of the company, we are of the opinion that there are no funds raised on short term basis that have been used for long-term investments.
- (xviii) According to the information and explanations given to us, the company has not made preferential allotment of shares to parties and companies covered in the register maintained under section 301 of the Companies Act, 1956, during the year and hence the question of whether the price at which Shares have been issued is prejudicial to the interest of the company does not arise.
- xix) According to the information and explanations given to us, the company has not issued any debentures during the year; hence the question of creating security does not arise.
- (xx) According to the information and explanation given to us the company has allotted 82,50,705 equity shares of Rs. 10 each at a premium of Rs. 6 on March 3, 2007 as Net Offer to the public during the Financial Year 2006-2007. Management has disclosed the end use of money raised by public issue in Notes of Accounts. However according to information & explanation given to us the same is not yet fully utilized.
- (xxi) During the course of examination of the books and records of the company, carried out in accordance with the generally accepted accounting Practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud on or by the company, nor we have been informed of such cases by the management that causes the financial statements to be materially misstated.
