INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF KIDUJA INDIA LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of KIDUJA INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonable and the reasonabl

of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2017 and its loss and cash flows for the year ended on that date.

Emphasis of Matters

i. Without qualifying, we draw your attention to the fact that the financial statements of the Company have been prepared on the principles of a going concern basis (refer note no. 20.1(a) to the financial statements), which contemplated the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has been incurring losses for the past few years and its net worth has been fully eroded. Also, the Company's current liabilities exceeded its current assets as on 31st March, 2017. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

However, the management is confident of reversing the losses in the coming years with the committed financial support from the Promoters. Accordingly, the financial statements have been prepared on a going concern basis.

ii. There is a diminution in the carrying value of long term investments of Rs. 300,384,662 made in Venture Capital Funds. However, the management is of the opinion that the investments have been made on long term basis and diminution in its value is temporary. Management is also confident of receiving at least-carrying value in due course and therefore, in their opinion, no provision is considered necessary.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the Order.
- 2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to other matter to be included in the Auditor's Report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigation on its financial position in its financial statements- Refer Note No. 20.6 to the financial statements;
 - ii. The Company did not have material foreseeable losses on long term contracts including derivative contracts; and
 - iii. There is no amount required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. The Company has disclosed the holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016 in aforesaid financial statements Refer Note 20.11 to the financial statements and the same was in accordance with the books of accounts maintained by the Company.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of KIDUJA INDIA LIMITED ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit-to-obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE No. 1 SIGNIFICANT ACCOUNTING POLICIES:

1. BASIS OF PREPARATION OF ACCOUNTS POLICY:

The Financial Statements are prepared in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in India under the historical cost convention, on the accrual basis, in compliance with the Accounting Standards (AS) prescribed by the Companies Act, 2013 and on the principles of a going concern.

2. USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) and Accounting Standard (AS) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for that year. Actual result could differ from these estimates. Any revision to accounting estimates is recognized prospectively.

3. REVENUE RECOGNITION:

- i) Income from sale / redemption of securities is recognized as and when risks and rewards therein are transferred as per the terms of the contracts.
- ii) Interest income is recognized on accrual basis. Overdue interest is recognized as income on realization.
- iii) Dividend income is accounted as and when the Company's right to receive the dividend is established.
- iv) The Company complies with prudential norms for income recognition and provisioning for non-performing assets as prescribed by the Reserve Bank of India for Non Banking Financial Companies. In addition, the Company adopts an approach to provisioning that is based on the past experience, realization of security, erosion over time in value of security and other related factors.

4. FIXED ASSETS:

Fixed Assets are stated at cost less accumulated depreciation.

5. IMPAIRMENT OF ASSET:

At each Balance Sheet date where there is any indication that any asset including goodwill may be impaired, the carrying value of such asset is reduced to its recoverable amount and the amount of such impairment loss is charged to Statement of Profit and Loss. If at the balance sheet date, there is any indication that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

6. DEPRECIATION:

Depreciation on Fixed assets is provided on Straight Line Method at the rates and in the manner specified in Schedule II to the Companies Act, 2013.

7. INVESTMENTS:

Long Term Investments are stated at cost and other incidental cost of acquisition. In case, there is a diminution in value other than temporary, provision for the same is made in the accounts on individual investment basis. Current Investments are valued at lower of cost or market/fair value.

8. BORROWING COSTS:

Borrowing costs attributable to the acquisition or construction of capital assets are capitalized as part of the cost of such assets upto the date when such asset is ready for its intended use. Other borrowing costs are recognized as expenses in the period in which they are incurred.

9. EMPLOYEE BENEFITS:

- i) Liability towards Leave entitlements (short term) of employees is determined as per the rules of the Company and provided for.
- ii) Liability towards Gratuity entitlement is determined as per the provisions of Payment of Gratuity Act, 1972 and provided for.

10. TAXATION:

- i) Provision for current tax is made in the accounts on the basis of estimated tax liability as per the applicable provisions of the Income-tax Act, 1961 and considering assessment orders and decisions of appellate authorities in the Company's case. Tax credit is recognized in respect of Minimum Alternate Tax (MAT) as per the provisions of Section 115JAA of the Income-tax Act, 1961 based on convincing evidence that the Company will pay normal Income Tax within the statutory time frame and is reviewed at each balance sheet date.
- ii) Deferred tax for timing differences between tax profits and book profits is accounted for using the tax rates and laws that have been enacted or substantively enacted as of the Balance Sheet date. Deferred tax assets are recognized to the extent there is reasonable certainty that these assets can be realized in future.

11. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

- i) A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
- ii) Disclosures for a Contingent Liability is made, without a provision in books, when there is an obligation that may, but probably will not, require outflow of resources.
- iii) Contingent Assets are neither recognized nor disclosed in the financial statements.

12. GENERAL:

Accounting Policies not specifically referred to hereinabove are consistent and in accordance with generally accepted accounting principles.
