## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management of M/s Radhagobind Commercial Limited presents the analysis of performance of the Company for the financial year ended 31.03.2019 and its outlook for the future. This outlook is based on assessment of the current business environment. It may vary due to future economic and other developments both in India and abroad.

### INDIAN ECONOMY OVERVIEW FY 2018-2019

#### GROWTH

The Indian economy began the year with 8.10% year-on-year growth in Gross Domestic Product (GDP) in January-March 2018, driven by higher growth in manufacturing, the farm sector and construction. It surpassed China's GDP growth rate of 6.80% in the January-March 2018 quarter, confirming India as the fastest growing major economy. The economy grew at 8% in April-June 2018 quarter on strong performance by manufacturing and consumer spending but slowed to 7% in July-September 2018 quarter on slower consumer spending and farm growth. The economy further slowed down to 6.60% in October-December 2018 quarter on weaker consumer demand and lower government spending.

Consumer Price Index (CPI) inflation rose to a near two-year high levels of 4.92% in June 2018, driven by surging oil and food prices, but fell to 19 month low levels of 1.97% in January 2019 due to a fall in food prices and smaller increases in fuel costs. In the sixth bi-monthly monetary policy of February 2019, CPI inflation was projected at 2.80% for Q4:2018-19.

The second advance estimates for 2018-19 released by the Central Statistics Office (CSO) in February 2019 revised India's real GDP growth downwards to 7.0% from 7.2% in the first advance estimates. Domestic economic activity decelerated for the third consecutive quarter in Q3:2018-19 due to a slowdown in consumption, both public and private. However, gross fixed capital formation (GFCF) growth remained in double digits for the fifth consecutive quarter in Q3, with the GFCF to GDP ratio rising to 33.10% in Q3:2018-19 against 31.80% in Q3:2017-18, supported primarily by the government's thrust on the road sector and affordable housing.

On the supply side, the second advance estimates of the CSO placed the growth of real gross value added (GVA) lower at 6.80% in 2018-19 as compared with 6.90% in 2017-18. GVA growth slowed down to 6.30% in Q3 due to a deceleration in agriculture output from the record level achieved in the previous year. Industrial GVA growth remained unchanged in Q3, with manufacturing GVA growth slowing somewhat. Services GVA growth also remained unchanged in Q3; while growth in construction activity accelerated, there was some loss of momentum in public administration, defence and other services.

#### MONETARY POLICY

The Surge in low cost current Account and Savings Account (CASA) deposits into the banking system post demonetization, coupled with aggressive reduction in term deposit rates, aided the pass through of policy rate cuts to lending rates of commercial Banks. The speed of transmission gathered momentum from November 2016 with lending rates falling faster than term deposits rates. This also reflected the still subdued demand for credit and the availability of alternative non Bank sources of Financing. The Extent of reduction in lending rates on outstanding loans to be relatively small though, due to sticky interest rates on base rate linked loans and the 1 year reset period of MCLR linked Loans.

#### SEGMENT WISE PERFORMANCE

The Company is engaged in Trading of Clothes and accordingly there are no separate reportable segments.

#### OUTLOOK

The economic slowdown had a significant bearing on the functioning and profitability trading businesses in the medium term. But it has been estimated that in the long run there are vast opportunities for trading entities. Hence, the Company is expecting to improve its performance and profitability in years to come.

#### **OPPORTUNITIES**

Business opportunities for trading companies are enormous as the new areas and segments are being explored. Your Company on its part is also well poised to seize new opportunities as they come. New opportunities like introduction of new fashionable items, expanding its product range may take the Company to new scales of success.

#### **WEAKNESS**

As our company is a Kolkata based Company it has little presence outside Kolkata. The Company does not have all India based network and establishments to reach out to large segment of people in the country in both semi-urban and rural areas. **THREATS** The major threat being faced by trading companies are change in taste & preference of customers, fall in demand, high inflation etc. The Company is also facing stiff competition from competitors due to their ability to procure materials at a lower cost which enables them to provide materials at much cheaper rate.

#### **RISKS & CONCERNS**

Your Company's growth and profitability are dependent on the functioning of economy. The Company is exposed to several market risks like inflation, rise in operating cost etc. The volatility of the market in which your Company operates is also a major cause of concern to the Company.

#### **INTERNAL CONTROL SYSTEM AND ADEQUACY**

Internal control systems and procedures in the Company are commensurate with the size and the nature of Company's business and are regularly reviewed and updated by incorporating changes in regulatory provisions in order to safeguard the assets and to ensure reliability of financial reporting.

**HUMAN RESOURCES** The Company continues to give priority to its human assets. The Company provides a fair and equitable work environment to all its employees. The Company is continuously working to create and nurture an atmosphere which is highly motivated and result oriented

#### **FINANCIAL PERFORMANCE**

The financial performance of the Company for the year under review is discussed in detail in the Directors Report. For and on behalf of board of directors

**INDEPENDENT AUDITOR'S REPORT**

To The Members

**M/S. RADHAGOBIND COMMERCIAL LIMITED (FORMERLY TEJMANGAL COMMERCIAL CO. LIMITED)**

**Report on Financial Statements**

**Opinion**

We have audited the accompanying standalone financial statement of **RADHAGOBIND COMMERCIAL LIMITED (FORMERLY TEJMANGAL COMMERCIAL CO. LIMITED)**, which comprises the Balance sheet as at **31st March, 2019**, the Statement of Profit and Loss (Including other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended and a summary of Significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2019, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

**Basis for Opinion**

We have conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of financial statement under the provisions of Companies Act, 2013 and rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

**1) Classification and measurement of financial assets –**

Business model assessment.

Ind AS 109, Financial Instruments, contains three principal measurement categories for financial assets i.e.:

- Amortised cost;
- Fair Value through Other Comprehensive Income ('FVOCI'); and
- Fair Value through Profit and Loss ('FVTPL').

A financial asset is classified into a measurement category at inception and is reclassified only in rare circumstances. The assessment as to how an asset should be classified is made on the basis of both the Group's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset.

The term 'business model' refers to the way in which the Group manages its financial assets in order to generate cash flows. That is, the Group's business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets or both.

Amortised cost classification and measurement category is met if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows.

FVOCI classification and measurement category is met if the financial asset is held in a business model in which assets are managed both in order to collect contractual cash flows and for sale. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in other comprehensive income.

FVTPL classification and measurement category is met if the financial asset does not meet the criteria for classification and measurement at amortised cost or at FVOCI. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in profit or loss.

**Key audit procedures included:**

**Design / controls**

- Assessing the design, implementation and operating effectiveness of key internal controls over management's intent of purchasing a financial asset and the approval mechanism for such stated intent and classification of such financial assets on the basis of management's intent (business model).
- For financial assets classified at amortised cost, we tested controls over the classification of such assets and subsequent measurement of assets at amortised cost. Further, we tested key internal controls over monitoring of such financial assets to check whether there have been any subsequent sales of financial assets classified at amortised cost.
- For financial assets classified at FVOCI, we tested controls over the classification of such assets and subsequent measurement of assets at fair value.

**2) Recognition and measurement of impairment of loans and advances involve significant management judgement**

With the applicability of Ind AS 109 credit loss assessment is now based on expected credit loss ('ECL') model. The Group's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors.

**The most significant areas are:**

- Segmentation of loan book
- Loan staging criteria
- Calculation of probability of default / Loss given default
- Consideration of probability weighted scenarios and forward looking macro-economic factors.

**Key audit procedures included:**

**Design / controls**

- Assessing the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.
- We used our modelling specialist to test the model methodology and reasonableness of assumptions used.
- Testing of management review controls over measurement of impairment allowances and disclosures in the consolidated financial statements.

#### Substantive tests

- We focused on appropriate application of accounting principles, validating completeness and accuracy of the data and reasonableness of assumptions used in the model.
- Appropriateness of management's judgments was also independently reconsidered in respect of calculation methodologies, segmentation, economic factors, the period of historical loss rates used, loss emergence periods and the valuation of recovery assets and collateral.

#### Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.

• evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

## Annexure-B to the Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Real Touch Finance Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of the sub section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over the financial reporting of Real Touch Finance Limited ("the Company") as on 31<sup>st</sup> March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of Internal Financial Controls and both, issued by the Institute of Chartered Accountants of India. Those standards and Guidance Note require that we comply with the ethical requirements and plan and platform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of cost records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance and transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

### **Inherent Limitation of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls system over financial reporting were operating effectively as on 31<sup>st</sup> March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

**NOTE: 29**

NOTES ANNEXED TO AND FORMING PART OF BALANCE SHEET AS AT 31ST MARCH, 2019 AND PROFIT & LOSS STATEMENT FOR THE YEAR ENDED ON THAT DATE

---

**A. SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Preparation and Presentation of Financial Statements**

The financials are prepared on accrual basis under historic cost basis except for the following assets which have been measured at Fair Value amount.

a. Investments

**2. Use of Estimates:**

The preparation of Financial Statements in conformity with Indian GAAP requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent Liabilities) and the reported income and expenses during the year. The management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between the actual results and estimates are recognized in the years in which the results are known and materialized

**3. Revenue Recognition**

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. In addition, the following criteria must also be met before revenue is recognized:

Interest and other dues are accounted on accrual basis.

**4. Investments**

Non Current Investment are valued at Market Value against at cost in accordance with IND AS. The difference between market value and cost is accounted as Other Comprehensive Income.

**5. Property Plant & Equipments & Depreciation**

Plant Property & Equipments are stated at Cost less accumulated Depreciation. Depreciation is systematically allocated over the useful life of Assets stated in part C of Schedule II of the Companies Act, 2013.

**6. Employment Benefits**

Leave salary is accounted for on the basis of leave due to employees at the end of the year. No provisions for leave salary are made as there is no credit of leave to the employees.

**Termination Benefits**

Termination Benefits like gratuity etc are provided in the account in respect of employee when they became eligible for the same. No provisions for gratuity have been made in respect of employees for the year as they have not put in completed year of service as per provisions of Gratuity Act.

**7. Taxes on Income**

- a) Current tax is the amount payable on the taxable income for the year determined in accordance with the provisions of the Income Tax Act, 1961.
- b) Deferred tax is realized on timing differences; being the differences between the taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets subject to the consideration of prudence are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

**8. Earnings per Share**

The Company reports basic and diluted earnings per share in accordance with Accounting Standards-20, *Earnings per Share*, issued by the Institute of Chartered Accountants of India. Basic earnings per equity share have been computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period.

**9. Provisions and Contingencies**

A Provision is recognized when the company has a present obligation as a result of Past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation as at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed separately.

**10. Impairment**

The company assesses at each reporting period date as to whether there is any indication that an asset (Tangible or Intangible) may be impaired. An asset is treated as impaired, when carrying cost of the asset exceeds its recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of the estimated future cash flows expected to arise from continuity use of an asset and from its disposal at the end of its useful life.

An impairment loss is charged to Profit and Loss account in the year in which an asset is impaired.

**11. Segment Reporting**

The Company Operates Solely in one Geographic Segment and hence no separate information for Geographic segment wise disclosure is required.

**12. Cash and Cash Equivalents**

Cash and Cash Equivalents comprise cash and cash on deposit with banks and financial Institutions. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

**13. Cash Flow Statement**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are assigned.
