#### Item No. 3

In order to upgrade and keep abreast with the latest technology, the company had made investments in the state of the art machines at a cost of approx Rs. 10 crores during last three years. This had been financed by term loans/capex LCs of Rs. 5.80 crores and balance as unsecured loan from the promoters which were to be repaid in three years. However, the sales and the production of the company have decreased sharply due to the global meltdoen in all sectors specially in the automotive sector. Consequently, the company is not in a position to generate revenue to repay the unsecured loans from the promoters. In the circumstances, the company had approached the promoters with the request to convert the unsecured loans into equity at a premium of Rs. 30 per share. The promoters have agreed to the aforsaid proposal. Accordingly, the special resolution as set-out in the agenda is recommended for approval by the shareholders subject however to the approval of SEBI/BSE or any other authorities.

Directors viz. Mr. B. S. Dugar, Mr. Rahul Dugar and Mr. R. Mazumdar are concerned or interested in the resolution to the extent the proposed issue and allotment relates to them.
