#### DIVIDEND

To conserve resources and to maintain liquidity, the Board has not recommended declaration of any dividend for the year under review.

#### YEAR IN PROSPECT

The past year has been a year of upheavals for the world economy with all the major world economies entering a recessionary phase. The situation has been further compounded by closure of some major Banks and financial institutions in United States and Europe. The global meltdown has also affected India with the shrinkage of export markets and uncertainty about future overseas investments. But the twin positives of soundness of the Indian Banking system, coupled with a big domestic market with sustained demand for goods, are expected to blunt the sharpness of the global economic shock. Though the volatility in the international crude prices shall remain as a cause for concern and any deterioration in the price scenario may impact the overall growth forecasts.

The sustained export growth registered by your company in past years is expected to be affected by recession in major European Countries. The management is striving to maintain the profitability of operation through tighter working capital management.

#### **MANAGEMENT DISCUSSION & ANALYSIS**

#### INDUSTRY STRUCTURE AND DEVELOPMENTS

Although high pressure laminate industry has been affected by the recession in real estate and export markets, but quality maintenance shall be the key for long term sustenance.

#### **OPPORTUNITIES AND THREATS**

The Indian units shall have to maintain their quality standards and wait for rebounding of the real estate Market / world economy.

#### SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged primarily in manufacturing of Laminate Sheets and there are no separate reportable segments as per the Accounting Standard 17.

#### OUTLOOK

Exports shall remain the core growth area. The outlook seems to be stable in long term, with the economy expected to perform better from 2010 onwards.

#### **RISK AND CONCERNS**

The company makes responsible approaches towards Risk Management on an integrated basis to cover all aspects of operations to diminish each or a combination of known risks that could affect its business. Need for lean manufacturing process has become extremely essential, considering the increasingly competitive market. Several steps are being taken to integrate material planning along with better demand forecasting. Risk in commodity prices and fuel prices also have an impact on the business. The Company would also take steps to improve anticipation of market movements in commodity prices.

#### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has a proper independent and adequate system of internal controls to ensure that all the assets are protected against loss from unauthorized use of disposition and those transactions are properly authorized, recorded and reported correctly. The internal controls systems are designed in such a way to ensure that financial and other records are reliable for reporting financial statements and other data and for maintaining accountability of assets.

#### DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The Company has registered an aggregate turnover of Rs. 46.42 crores in 2008-09. During the same period, exports have shown a growth of 4.80%. Growth in top line and bottom lines would have been even better, had it not been for overall global meltdown.

# MATERIAL DEVLOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The company maintained cordial industrial relations during the year.
