Annual Report 2010-2011

CHAIRMAN'S STATEMENT

Dear Shareholders,

My Colleagues on the Board and I extend warm welcome, and express gratitude, to all of you present here at this 50th Annual General Meeting of your Company. The Audited Annual Accounts together with the Directors' Report and Auditors' Report of the Company for the year 2010-11 and the AGM Notice to the Shareholders have been in your hands for some time and with your permission I take them as read.

PERFORMANCE :

I must now share with you in brief the status of our company's performance during the year 2010-11.

The production and sales attainments are contained in the Directors' Report before you and hence not repeated.

Your Company continued to enjoy support from all its valuable customers during the year 2010-11 due to excellent quality of its products manufactured at Kochi and Rasayani. During the year under review, your Company could achieve sales valuing Rs. 667.36 Crores(net of excise duty).

The Company had however taken the best possible measures both in cost reduction as well as in other areas. The high labour cost and high incidence of cost on closed plants at Rasayani unit are the major concerns. Your Company has continued its cost cutting measures to counter these problems and in order to be competitive and improve performance and profitability. Despite this, your Company was able to generate a net profit of Rs. 25.72 crores during the year.

It is expected that with the continued cost control steps in progress, the performance and profitability of the Company would further improve.

The marketing strategy was mainly focused on domestic customers to maximize the market share by adopting flexible marketing strategies which helped in encountering the threat posed by the importers and the domestic competitors as well.

RASAYANI UNIT OPERATIONS TURNAROUND PLANS :

- HOCL has signed the Gas transmission Agreement with M/s GAIL. With the availability of Natural Gas from GAIL, the Company has changed over the feed stock of Hydrogen from Naphtha to Natural Gas to reduce the cost of production. Further for boiler operation, natural gas is used in place of furnace oil to reduce steam cost.
- The Company has successfully commissioned the operation of Hydrogen Plant using CNG as feed stock in place of Naphtha and Boiler operation using CNG in place of Furnace oil, in the month of March, 2011.
- The Company is also in talks with JNPT authorities and PSUs like RCF to explore the possibility of forming JVs for utilization of surplus land available at Rasayani.

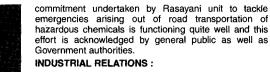

We hope that with the aforestated operational plans and with the assistance from the Government, the Company would be able to turnaround its Rasayani Unit operations, in the years ahead.

SAFETY, HEALTH AND ENVIRONMENT :

Our company has been in the forefront in the management of Health, Hygiene and Environment. Based on the toxicity of chemicals periodic medical examination of all the employees are carried out by doctors specially trained in occupational health & hygiene at Company's Health Centres at both the Units. Company has also adopted HIV AIDs Policy as a Corporate Social Responsibility(CSR) measure.

As a signatory to the 'Responsible Care ' movement the Company continues to discharge its obligation in Safety, Health & Environment.

A safety audit of all the plants and allied services was carried out by External Agency and most of the recommendations are being implemented. Emergency Response Centre (ERC), a voluntary

The over all Industrial Relation situation continues to be peaceful and cordial during the year. There was no strike or lock out affecting production / profitability.

RESEARCH & DEVELOPMENT

R&D Division continues to play a significant role in new developments by implementing an improved regeneration process for aniline catalyst on plant scale. It is actively

involved in research program with Sud-Chemie India Private Limited for re-use of spent catalyst by repelletization of FD catalyst/ Aniline catalyst. This will lead to cost reduction of the product, and more importantly disposal of the waste catalyst through green chemistry route. R&D has also focused its activities in creating Intellectual Property Rights by filing ten patents in India and US under PCT. R&D Dept. is developing vapour face process of Kerosene fuel and also accelerated method for in process monitoring of aromatics in Kerosene for ISRO.

CORPORATE GOVERNANCE :

Your Company lays emphasis in conducting its affairs within the frame work of policies and guidelines set by the Government in a transparent manner. It is the endeavor of the Company to build trust between shareholders, employees and customers based on the basic principles of corporate governance. The detailed Report on the Corporate Governance as well as Management Discussion and Analysis Report are enclosed as a part of the Directors' Report. This Report analyses in brief the potentialities of the Company as well as the focus of the Company's business.

HINDUSTAN FLUOROCARBONS LIMITED (HFL) - SUBSIDIARY :

The details of performance of HFL are given in the Directors' Report. While the Company continues to be under BIFR Net, Company's position has significantly improved to register profit, due to implementation of CDM Project and development of products from TFE.

STATUS OF CLEAN DEVELOPMENT MECHANISM (CDM) PROJECT :

Further the CDM Project has been registered and storing and thermal oxidation of R 23 Gas has been started on regular basis. The stored and thermally oxidized R23 Gas is eligible for CERs. The Company has received first lot of 210142 CERs from UNFCCC.

ACKNOWLEDGEMENTS:

I place on record my appreciation and gratitude to all the employees and others who had extended their support and co-operation during the year. In particular, I am grateful to various officials of the Govt., especially from the Government Of India, the Ministry of Chemicals & Fertilizers, Finance Ministry, Department of Banking, Board Members, Statutory/Govt. Auditors and all the agencies concerned. My gratitude is also to the shareholders, Bond holders and customers who have stood by us in the present phase of our demanding situation.

We on our part would continue our efforts to take your Company into the future by meeting the challenges, exploring the opportunities in our endeavor in the path towards turnaround. We look forward to your continued support in this ongoing process.

In conclusion, I am optimistic that the Company would attain significant profits in the near future.

Devang

ANNEXURE II

Energy Conservation Measures taken :

A. Rasavani and Kochi Units :

- With the availability of the compressed natural gas (CNG) at Rasayani hydrogen producing plant at Rasayani unit have been modified for CNG feed stock replacing expensive naphtha. This has resulted in substantial savings.
- Similarly, steam boilers at Rasayani unit have also been modified for CNG fuel replacing expensive furnace oil. Substantial savings have been achieved.
- Cooling water piping network has been modified to reduce losses and improve over all efficiency resulting in a saving of approx. Rs. 10 lakhs.
- Fractionation train of phenol plant is reconfigured to reduce the processing step to achieve energy saving without altering product quality. Substantial savings in the consumption of LSFO was achieved.
- 5. Street light lamps have been changed from HPMV to LED. Moderate power savings achieved.

Future Plans (Rasayani & Kochi Units):

- Old and inefficient steam boiler at Rasayani unit is proposed to be replaced with a new one with higher efficiency. The same will be commissioned by October 2011.
- RLA study was completed on 2 boilers and based on the report economiser coils are to be replaced to save on the consumption of fuel. (Rasayani Unit)
- Replacement of raw water pump by vertical turbine pumps based on actual water consumption and save on electrical power consumption. (Kochi Unit)
- Gas Transmission Agreement for compressed natural gas executed with GAIL. Conversion of both boilers & hot oil heater will be taken up to suit CNG fuel. (Kochi Unit)
- Old mineral wool insulation of LPG storage sphere will be replaced by proprietary fire proof coating system to reduce heat losses. (Kochi Unit.)
- Old and inefficient reciprocating compressor for instrument air service will be replaced by oil free screw compressor to save electrical power. (Kochi Unit)

1. SPECIFIC AREAS IN WHICH R&D WORK CARRIED OUT BY THE COMPANY

- (a) Implementation of repelletized catalyst on plant scale to produce aniline.
- (b) Studies on the scale up of the batch process to produce specific grade kerosene fuel - iSRO Project.
- (c) Studies on vapour phase continuous process on identified commercial catalyst for cyclohexylamine from aniline.
- (d) Intellectual Property Rights Patents marketability.

2. BENEFIT DERIVED AS A RESULT OF ABOVE R&D

- (a) Scale up studies on the repelletized catalyst for aniline from 1 kg to 5 kg scale have been established. A patent for the same is being prepared jointly with Sud-Chemie India private Ltd.
- (b) Reproducibility of kerosene fuel quality as per ISRO's requirements was established.
- (c) Studies on vapour phase continuous hydrogenation on identified commercial catalyst for aniline to cyclohexylamine were carried out. The results Indicate requirement for improved commercial catalyst.
- (d) The different processes available with R&D have been displayed on HOC's website for Licensing.

3. FURTURE PLANS

- (a) Development of a vapour phase continuous process to produce specific grade kerosene fuel-ISRO Project.
- (b) Further studies on improved commercial catalyst for cyclohexylamine from aniline.
- (c) Exploratory research for a vapour phase continuous process for para-aminophenol from nitrobenzene.

TECHNOLOGY ABSORPTION. ADAPTATION AND INNOVATION

- 1. Efforts in brief, made towards technology absorption, adaptation and innovation
 - (a) Preparation of repelletized catalyst from spent aniline catalyst on 5 kg scale was established.
 - (b) The reproducibility of the batch process to produce specific grade kerosene fuel for meeting ISRO's requirements was confirmed.
 - (c) Results on vapour phase continuous process for cyclohexylamine from aniline indicate requirements for improved commercial catalyst.
 - (d) The different processes available with R&D have been displayed on HOC's website for Licensing.
- 2. Benefits derived as a result of above efforts, e.g. product Improvement, cost reduction, product development, import substitution etc.
 - (a) Preparation of repelletized catalyst from spent aniline catalyst will be an environment friendly route for disposal of waste material through utilization. Further, its commercial application for the production of aniline may decrease the consumption of new catalyst resulting into substantial saving
 - (b) The batch process for the preparation of specific grade kerosene fuel will help ISRO's fuel development programmes.
 - (c) With improved commercial catalyst, the vapour phase continuous process for cyclohexylamine from aniline has potential for substantial earnings.
 - (d) Through a jointly patented aniline catalyst exported to Japan, Company has earned Rs.13.42 lakhs as Royaity.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT (Annexure V to Directors' Report)

The Management of Hindustan Organic Chemicals Ltd. (HOCL) presents its Analysis Report covering the Performance and Outlook of the Company. The Report contains business perspective and prospects based on the current environment and strategic options to steer the Company through unforeseen and uncontrollable external factors.

The petroleum feed stock prices in india is significantly higher as compared to major exporting countries. The capability of manufacturing units to earn a reasonable return has been largely affected by global competition and tightening of parameters like rationalized duty structure and strict quality controls. Moreover, the capacity in the indian industry is small as compared to the competitors abroad, in effect the indian industry is in a disadvantageous position with regard to overhead costs.

in order to prevent dumping and to reform the sector to enable it to meet global competition, active follow ups is made with the Govt. for continuation of /levy of anti-dumping duties as per WTO Guidelines.

KEY OPPORTUNITIES INCLUDE

- Growth In certain sectors such as phenolic resins, laminates, plastics, rubber chemicals etc. in the overall markets of the country.
- High quality standard and wide spread marketing network to remain preferred supplier to large consumer all over the country.
- Growth in production/promotion of chemical industry.

KEY THREATS INCLUDE

- Availability of cheaper imported chemicals.
- Increasing input prices of feed-stock i.e. Benzene, Toluene, Naphtha, LPG, LSHS, CNG, Fuel oil etc.

SEGMENTWISE PERFORMANCE

The Company is primarily in the business of manufacture and sale of chemicals.

OUTLOOK AND INITIATIVES FOR THE CURRENT YEAR

Both the units of the company have taken initiatives to improve the efficiency of the operating plants by implementing certain schemes like; Completion of laying of natural gas pipe line up to HOCL battery limit for the supply of gas.

Retrofitting of hydrogen plant and steam boilers to consume natural gas as feed stock/fuel.

Both the above schemes have been implemented successfully and are operational and giving satisfactory performance as expected.

Refurbishment of concentrated nitric acid plant along with capacity enhancement of di-nitrogen tetra oxide section is being taken up and is likely to be completed in the year 2011-12.

De bottlenecking of hydrogen peroxide plant at Kochi unit is also being taken up for implementation.

Implementation of voluntary retirement scheme for the surplus manpower at Rasayani unit is also planned for the year 2011-12.

An economically viable world scale grass root phenol/acetone plant is

also planned for the company. The market research and techno economic feasibility study for the proposed project is underway and the report is likely to be ready in the first quarter of 2011-12.

Other feasible joint ventures with interested Corporate Bodies are also being explored.

SOME RISKS & CONCERNS

- The man power cost per ton of finished product remains high.
- + Old depreciated plants, requires high maintenance cost.
- Huge investments required for revamp/replacement/modernization of the old plants.

INTERNAL CONTROL SYSTEMS & THE ADEQUACY

Internal controls are supported by internal Audit and Management Reviews. Company ensures existence of adequate internal control through documented policy and procedures to be followed by the executives at various levels. The Management is keen on these issues and initiated various measures such as upgrading IT infrastructure, evaluating & Implementing ERP software, web based application and establishing connectivity amongst manufacturing units and branch offices for effective & proactive services and business benefits.

The ERP system recently implemented in Kochi and Corporate Office, along with the Branch Offices of the Marketing Department, ensures more transparency.

AUDITOR'S REPORT

To the Members of

Hindustan Organic Chemicals Limited

We have audited the attached Balance Sheet of Hindustan Organic Chemicals Limited. (HOCL) as at 31st March, 2011, the Profit and Loss Account and also the Cash flow Statement for the year ended on that date annexed thereto, in which is incorporated the Balance Sheet, Profit & Loss Accounts and the Cash Flow Statement of the branch audited by other auditors appointed by the Central Government. In preparing this report, we have considered the report on the accounts of the branch audited by the branch auditors together with the particulars and information relating thereto, furnished to us by the management. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the over all financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies (Auditor's Report) Order 2003, issued by the Central Government of India in terms of Section 227 (4A) of the Companies Act, 1956 we annex hereto a statement on the matters specified in paragraphs 4 and 5 of the said Order.

Further to our comments in the annexure referred above, we report that :-

- We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, the Company has kept proper books of account as required by law so far as appears from our examination of the books and proper returns adequate for the purpose of our audit have been received from the units except stated specially in report elsewhere.
- c) The Balance sheet, Profit & Loss Account and Cash Flow Statement dealt with by this report are in agreement with the books of account.
- d) In our opinion and to the best of our information and according to the explanations given to us, the Balance Sheet, Profit & Loss Account and Cash Flow Statement read with the Schedule 22 Part B, notes thereon forming part of the accounts comply with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956.
- e) The conditions specified in Section 274(I)(g) of the Companies Act, 1956 in respect of qualifications of directors is not applicable to the company being government company.
- Reference is invited to the following Notes on Accounts in Part B of Schedule 22 with regard to non-provision/pending charge to the Profit and Loss Account:
 - Note No 4 (b) regarding penal interest of Rs.519.01 lacs on overdue loan from Government of India,
 - Note No.8 (c) regarding non provision on account of misappropriation of Company's fund to the tune of Rs64.81 lacs, pending final report from CBI and outcome of the civil suit.
 - Note No. 10 (a) regarding liabilities of wages revision for the period 1.01.1997 to 31.12.2000 Rs.2308.08 lacs at Rasayani Unit.

Note No.10 (b) regarding liabilities of wages revision for the period 1.01.2007 to 31.3.2008 Rs. 278.96 lacs to Officers and Rs. 246.31 lacs to Staff at Rasayani Unit.

Note No.10 regarding liabilities of wages revision for the balance amount of arrears of pay and allowances amounting to Rs.98.60 lacs payable to Officers at Kochi Unit.

- g) In respect of the following items, no provision/charge to Profit and Loss Accountshas been done for claims of JNPT of Rs.2007.99 lacs as under:
 - regarding claims of JNPT of minimum guaranteed throughput charges of Rs.1256.25 lacs.
 - ii. Regarding short provision of Rs.453.99 lacs on account of lease rentals and escalation on leased land payable to JNPT
 - iii regarding claims of of JNPT of water charges of Rs 0.65 lacs and
 - iv regarding claims of JNPT of way leave charges of Rs 297.10 lacs.
- h) Reference is also invited to the following notes on accounts in Part B precise impact of which on the balance sheet and the Profit and Loss Accounts could not be ascertained for the reasons stated therein.
 - i) Note No. 5(b)(i) regarding amount of Rs.2976.65 lacs incurred on JNPT tank terminal project as expenditure towards construction continues to appear under Capital work in progress, the construction has been suspended for more than three years and the lease has been called off by the lessor JNPT after the expiry of the lease in June 2010. The status of the project is stagnant incomplete and of no utility since long. No provision is made for the depreciation of the asset value if any pending ascertainment of recoverable amount which is the higher of an asset's net selling price and value in use.
 - ii) Note No.5 (d) of Part B Others, ERP Implementation at Kochi. It is observed that ERP was implemented w.e.f. 16.09.2010. Data upto 31.08.2010 was transferred to SAP. Further entries upto 31st March 2011 were made in SAP. Since in-depth training to staff for the operation of SAP was not extended and that an EDP audit of SAP was not implemented it is recommended that a Migration Audit and EDP Audit be conducted for ensuring that adequate internal control and data security are in place.
 - iii) Note No 17 regarding pending confirmation and reconciliation of balances of sundry debtors, sundry creditors, loans and advances, other current assets and other debit/credit balances. Further Bank balances are subject to direct confirmation from the Banks, even though confirmations are received by the Company.
- i) We further report that had the effect of items mentioned at (f) and (g) above considered, profit for the year would have been decreased by Rs.5523.76 lacs resulting into a loss of Rs. 2952.17 lacs and the accumulated loss as at the year end would be higher by the same amount i.e. Rs. 5523.76 Lacs. Further, the current liabilities/provisions would have been higher by Rs. 5523.76 lacs and the balance of profit and loss account in the asset side of the balance sheet would have been higher by Rs. 5523.76 Lacs.
- We also report that the effect of items mentioned at (h) above is not ascertainable.
- k) Subject to our comments in para (i) and (j) above, in our opinion and to the best of our information and according to the explanation given to us, the said accounts read together with the Significant accounting policies and Notes on accounts appearing in the Schedule 22, give the information required by the Companies Act 1956, in the manner so required and

gives the true and fair view in conformity with the Accounting Principles generally accepted in India:

- a. In the case of Balance Sheet, of the state of affairs of the company as at 31st March 2011
- b. In the case of Profit & Loss Account, of the Profit for the year ended on that date and
- c. In the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

COMPANIES (AUDITOR'S REPORT) ORDER, 2003.

Annexure referred to in Paragraph 3 of our Report of even date

- (i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (i) (b) As explained and informed to us, the Management has conducted physical verification of major items of fixed assets during the year and we are informed that no material discrepancies were noticed on such verification.
- (i) (c) No substantial part of the Fixed Asset has been disposed off during the year so as to affect the going concern.
- (ii) (a) As per information and explanation given to us the management has carried out physical verification of inventories at reasonable intervals during the year. In our opinion the frequency of such verifications is reasonable.
- (ii) (b) In our opinion the procedure of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business. However in respect of inventory in storage tanks, Kochi unit does not have the system of taking dip measurements. Instead, reliance is placed on the electronic reading reported by the Distribution Control System.
- (ii) (c) The company is maintaining proper records of inventories. It is explained to us that no material discrepancies on such physical verification were noticed.
- (iii) a) Based on information, the company has not granted any loans, secured or unsecured, to companies, firms, or other parties listed in the register maintained under Section 301 of the Companies Act, 1956 and as such clauses (iii)(b), (c) and (d) are not applicable.
 - Based on information, the company has not taken any loans, secured or unsecured, from companies, firms, or

other parties listed in the register maintained under section 301 of the Companies Act, 1956 and as such clauses (iii)(f) and (g) are not applicable.

- (iv) In our opinion and according to the information and explanation given to us, there is an adequate internal control system for the purchase of inventories and fixed assets and for the sale of goods and services commensurate with the size of the Company and the nature of its business. During the course of our audit, we have not observed any major weakness in internal control system.
- (v) According to the information and explanation given to us there were no transactions that need to be entered into the register maintained under section 301 of the Companies Act, 1956. Sub Clause (b) of clause (v) is hence not applicable.
- (vi) In our opinion and according to the information and explanations given to us, Company has not accepted deposits from the public. Hence the provisions of section 58A and 58AA of the Companies Act, 1956 with regard to acceptance of deposits from public and the rules framed thereunder, to the extent applicable, except Rule 3A of the Companies (Acceptance of deposits) Rules,1975 regarding investment in liquid assets, are not applicable. We have been informed by the management that no order has been received by the company, from Company Law Board, National Company Law Tribunal, or Reserve Bank of India or any court or any other tribunal under Section 58A and 58AA.
- (vii) In our opinion the company has an internal audit system commensurate with its size and nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the company in pursuance to the rules made by the Central Government for the maintenance of the cost records under section 209 (1) (d) of the Companies Act, 1956 for certain products of the company and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have not, however made a detailed examination of records with a view to determine whether they are accurate or complete.Cost Audit has been prescribed by the Government of India for the year 2010-11 for both the units of the Company.
- (ix) (a) The company is generally regular in depositing undisputed statutory dues including investor education and protection fund, employees state insurance, income tax, sales tax, wealth tax, service tax, custom duty, excise duty, cess and other statutory dues wherever applicable with appropriate authorities.
- (ix) (b) According to the information and explanations given to us no undisputed amount payable in respect of sales tax, income tax, wealth tax, excise duties, custom duties, cess and other statutory dues were in arrears as at 31st March 2011 for a period of more than six months from the date they become payable.

(ix) (c) According to the records of the company, details of outstanding dues of income tax, sales tax, wealth tax, service tax, custom duty, excise duty and cess which are not been deposited on account of any dispute are given below:

KOCHI UNIT : e)

- Ð The closing stock of Stock-in-Process included under the head inventories The closing stock of Stock-in-Process included under the head Inventories during the previous year includes the stock of Lean Propylene valuing Rs.17.21 lacs. But the value of Lean Propylene was included under the head Finished Products for Captive consumption also as was done during earlier years. The Production department has now certified that the stock of Lean Propylene is included under the head Stock-in-Process and there is no separate stock of Lean Propylene which has to be included under the head Finished Products for Captive consumption. Hence the value of Lean Propylene amounting to Rs.17.21 lacs included under the opening stock of finished goods for captive consumption is written off during the vaer vear
- The Stock-in-Process consisting of LPG and Benzene lying in the pipeline in Propytene and Currene plants which were shown under Stock-in-Process for Captive consumption during earlier years has now been

included under the head Flaw materials as part of SAP implementation.

- ill) The stock of main products shown under the head Stock-in-Process during earlier years is now included under the head Stock-in-Process Cumene equivalent in Phenol plant.
- 8. SCHEDULE 11 - LOANS AND ADVANCES
- SCHEDULE 11 LUARS AND ADVANCES During the year 2007-08, for revival of HFL the Modified Draft Rehabilitation Scheme (MDRS) was approved by BIFR and accepted by HOCL & HFL for implementation. As a part of implementation of MDRS, HOCL had weived interest (Rs. 2260.26 lace) accumulated on loan given to HFL and converted unsecured loan given to HFL amounting to Rs.2609.72 lacs (previous year Rs. 2609.72 lacs) as Zero Coupon Loan (ZCL), which is secured by creating first charge on HFL immovable property (land valued to the extent of Rs.40 Crores) in favour of HOCL. In addition, the Company has provided loan amounting to Rs.1020.77 lacs (previous year Rs. 890.77 lacs) to meet the working capital need of HFL, out of which the loan of Rs.890.77 lacs is secured under the above mortanes of land. a) above mortgage of land.

Expenses amounting to Rs.1065.89 lacs (previous year Rs.1065.62 lacs) including amount paid to Ws Chematur Engg. A.B. Rs.664.71 lacs had been allocated as advances to joint venture Ws HOC- Chematur Ltd. In view of uncertainties involved in recovery/completion of the project, a provision for doubtful advance of equivalent amount was made during the earlier years. Since there is no improvement in the status of the joint venture project the b) provision for doubtful advances is maintained.

- During the year 2001-2002, a case of misappropriation of Company's funds to the tune of Rs.64.81 lacs (net and to the extent identified) by an official of the Company, involving fraudulent / fake payments / withdrawals under various heads of accounts including sales tax, debtors etc. had been detected. The case is at present under investigation of CBI. In the meantime, based on the report of the Vigilance Dept., a civil suit has been filed for recovery of the the same terms of terms of terms of terms of terms of the same terms of t amount involved from the concerned employee who was dismissed from the services of the Company. Since in the opinion of the Management the value of assets seized by CBI is sufficient to cover the losses occurred on account of fraud, no provision in the accounts is made and the amount is shown as recoverable
- Deposits/Advances include Rs.96.57 lacs (previous year Rs.97.60 lacs) which are more than three years old. No provision has been made against these Deposits/Advances as the same are found to be good and fully recoverable.
