INDEPENDENT AUDITORS' REPORT

To,
The Members,
SAR AUTO PRODUCTS LIMITED

Report on the Financial Statements

I have audited the accompanying financial statements of **SAR AUTO PRODUCTS LIMITED** ("the Company"), which comprises the Balance Sheet as at 31st March, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year the ended on that date, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion and to the best of my information and according to the explanations given to me, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Company as at 31st March, 2013;
- (b) in the case of the Statement of Profit and Loss, of the losses for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

SIGNIFICANT ACCOUNTING POLICIES

A. Basic for Preparation of financial statement

The financial statements have been prepared under the historical cost convention in accordance with the generally accepted accounting principles in India. The company has prepared these to comply in all material respects with accounting standards notified under the Companies (Accounting standards) Rules, 2006 and the reverent provisions of the Companies Act, 1956.

B. Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

C. Tangible Fixed Assets:

Fixed Assets are stated at cost net of CENVAT/ Value Added Tax, Rebates, discounts, less accumulated depreciation and impairment loss, if any.

The cost of fixed assets comprises its purchase price, including import duties and other non-refundable taxes or levies, where ever applicable, and any directly attributable cost of bringing the assets to its working condition for its intended use. Borrowing cost incurred for qualifying assets is capitalized up to the date the asset is ready for intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings, if no specific borrowings have been incurred for the asset.

D. Depreciation/Amortization:

Depreciation has been provided on the Written Down Value Method as per the rates prescribed in Schedule XIV to the Companies Act, 1956. Deprecation has been provided on pro-rata basis from the date the assets are put to use during the financial year. In respect of asset sold or disposed off during the year, deprecation is provided till the date of sale/disposal of the assets.

E. Impairment of Assets:

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit & Loss in the year in which an asset is identified as impaired.

F. Investments:

Current investments are carried at lower of cost and quoted/fair value, computed category wise. Long Term Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

G. Inventories:

Inventories are valued at cost or net realizable value whichever is lower.

Inventories comprise of all cost of purchase, conversion and other cost incurred for bringing the inventory to its present location and condition

H. Revenue Recognition:

Sales of Goods are recognized on dispatch to customers, when materially all significant risk and reward of ownership are transferred to the customers and no effective ownership is retained. Sales are recorded net of Central sales tax/Value added tax.

Gain on the transaction of Shares & Securities is recognized at the point of sale of the Shares and Securities.

Dividend is recognized on receipt basis.

Profit or loss on sale of assets is recognized on sale of assets.

Interest on deployment of surplus funds is recognized using the time proportion method based on the interest rates implicit in the transaction.

Claims are recognized on receipt basis.

I. Foreign Currency Transactions:

Foreign currency transactions are recorded on initial recognition in the reporting currency and exchange difference arising on settlement of monetary assets and liabilities of the company are recognized as income or expenses in Statement of Profit & Loss.

Monetary items denominated in foreign currency are revalued at the rates of exchange as on the Balance Sheet date and exchange gain/loss is dealt with in the Statement of Profit & Loss.

J. Income Tax:

Current Tax: Provision is made for income tax on yearly basis, under the tax-payable method, based on tax liability, as computed after taking credit for allowances and exemptions as per Income Tax Act, 1961.

Deferred Tax: Deferred tax liability or assets is recognized on timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized only to the extent that there is virtual certainty that sufficient taxable income will be available to realize these assets. All other deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

K. Employee Benefits:

Short Term Employee Benefits

Short-term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

Defined Contribution Plan

Company's contributions to employee's benefits fund are charged to statement of Profit & Loss for the year in which contribution for the same becomes due.

Gratuity

Incremental expenditure on Gratuity for each year is arrived at as per actuarial valuation and is recognized and charged to The Statement of Profit and Loss in the year in which employee has rendered service.

L. Provisions

Provisions involve substantial degree of estimation in measurement and are recognized where there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits. These are reviewed at each balance sheet date to reflect the current best estimate.

M. Contingent Liability and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future event beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources embodying future economic benefits will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statement.

Contingent assets are neither recognized nor disclosed in the financial statements following the principal of conservatism.

N. Cash Flow Statements

Cash flow statement is reported using Indirect method, whereby Profit / (Loss) before tax is adjusted for the effects of transaction of non-cash in nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, Investing and financing activities of the company are segregated based on available information. Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investment with original maturity of three months or less.
