1. Note "1" to "19" forms the integral parts of Balance Sheet as at 31st March 2014 & Profit & Loss Account for the year ended on the date.

(A) SIGNIFICANT ACCOUNTING POLICIES

1. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the Companies Act, 1956 and in accordance with accounting principles generally accepted in India (Indian GAAP) and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India, to the extent applicable.

2. GOING CONCERN:

The financial statements are prepared on a going concern basis. The management of the Company believes that due to the above, the Company will continue to operate as a going concern and will be in a position to meet all its liabilities as they fall due for payment.

3. USE OF ESTIMATES:

The preparation of financial statements in accordance with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in preparation of the financial statements are prudent and reasonable. Actual results may differ from those estimates. Any revisions to accounting estimates are recognized prospectively in current and future periods.

4. <u>INVENTORIES</u>:

Raw materials are valued at cost i.e. "Invoice value ". Works-in-process are valued at "Estimated Cost" of production to include all the processing charges paid or payable up to the state of goods lying in works-in-process." Finished stock" are valued on "Cost" and further adjusted to include the amount of duties paid or incurred by the company to bring the goods to the place of its location and condition as on the date of valuation.

5. REVENUE RECOGNITION:

7. INCOME TAX AND DEFERRED TAX:

Minimum Alternative tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal tax after the tax holiday period. Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the Group and the asset can be measured reliably.

Deferred Taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier year. Deferred Tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. The Deferred Tax Asset is recognized and carried forward only to the extent that there is a virtual certainty and confirmed visibility that the deferred tax asset will be realized in future.

8. PROVISIONS, CONTINGENT ASSET AND CONTINGENT LIABILITIES:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities, if any, are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

9. IMPAIRMENT OF ASSETS:

An Asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit and loss account in the period in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

10. BORROWING COSTS:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use.
