MANAGEMENT DISCUSSION AND ANALYSIS REPORT OVERVIEW OF THE INDUSTRY

India continued to build its lead as the fastest-growing economy in the world during Financial Year (FY) 2018-19. Travel and tourism industry contributed 9.2% to India's GDP and registered a growth of 6.7% in 2018 (Source: WTTC).

The industry supported 43 million jobs in the country (8.1% of total employment). India offers a diverse portfolio of niche tourism products, including cruises; adventure; medical; wellness; sports; meetings, incentives, conventions and exhibitions (MICE) eco-tourism; films; rural and religious tourism.

The country has been recognized as a destination for spiritual tourism for domestic and international tourists. Besides, the introduction of a new category of visa—the medical visa or M visa—is expected to encourage medical tourism in India. Several other factors promoting tourism, in general and hospitality, in particular are;

- Focus on improving infrastructure, including airports, roads and rail connectivity across the country
- Positive amendments to Coastal Regulation Zones Rules are expected to facilitate development of beach Resorts across the coastline
- Digitization of services, including payment mechanisms
- E-visas offered to nationals of 166 countries is expected to increase foreign travelers
- New avenues of funding Real Estate and Hospitality assets through institutional equity by way of listing Real State Investment Trusts (REIT) and Initial Public Offers (IPOs) of certain hospitality companies
- Introduction of the Insolvency and Bankruptcy Code (IBC) to resolve insolvencies efficiently, which in turn gives rise to opportunities for expansion.

The demand for rooms has outpaced supply of rooms over the past six years and this trend continued in 2018 as well. India's hotel industry is on an upswing on the back of robust prospects in the domestic tourism industry, increasing foreign tourist arrivals, improving forex inflows, high demand for air travel and muted supply growth. These factors corroborated by domestic macroeconomic data suggest the road ahead will bring higher revenues and margins for the hospitality industry in the country. Growth in upscale and budget hotels, in particular is expected to be buoyant with other segments too witnessing healthy momentum.

COMPANY OVERVIEW

Currently Our Company stopped its hotel operations completely and is presently under the process of renovating the Hotel premises. For this purpose, our Company has entered into a Memorandum of Agreement with M/s. Transform, proprietorship concern, to act as the Architect cum Project Management Consultant for the renovation and development of the Hotel building, almost civil works (Including internal and external part of the premises), electrical works, fire fighting & fire alarm works, interior works, networking & cctv works and other Works etc, under the Completion stage.

Post completion of the renovation process, our Hotel shall comprise of around 80 well designed rooms which are expected to be equipped with modern amenities/facilities. Due to renovation of the Hotel, company was unable to generate any revenue in the year 2018-19. The renovation process is expected to be completed and the further the operations of the Hotel will be commenced by the end of the year.

FINANCIALS

Your Company has incurred a loss before tax of Rs (1814.46) during the year for the year 2018-19 as compared to loss before tax of Rs 1390.30 lacs in the previous year 2017-18.

RISK MANAGEMENT**Industry Risk**

General Economic Conditions: The hospitality industry is prone to the impact of changes in global and domestic economies, local market conditions, hotel room supply, international or local demand for hotel rooms and associated services, competition in the industry, government policies and regulations, fluctuation in interest rates and foreign exchange rates and other social factors. Demand for hotels is affected by global economic sentiments; and therefore, any change impacting the other segments/industries/geographies will invariably impact the hotel industry too.

Socio-political Risks: In addition to economic risks, your Company faces risks from the socio-political environment nationally and internationally. It is affected by events like political instability, conflict between nations, threat of terrorist activities, occurrence of infectious diseases, extreme weather conditions and natural calamities. These may affect travel and business activity considerably.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has institutionalised an adequate system of internal controls, with documented procedures covering all corporate functions of units. Internal controls provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls and compliance with applicable laws and regulations. The internal audit provides a positive assurance, based on the audits of operating units and corporate functions. It converges process framework, risk and control of , covering all critical and important functions inter-alia revenue management,, purchase, finance, human resources and safety.

A framework for each functional area is identified based on risk assessment and control, allowing the unit to identify and mitigate high-risk areas. These policies and procedures are updated periodically and monitored by Internal Auditor.

The Board's and Audit Committee oversee the adequacy of the internal control environment through periodic reviews of audit findings and monitoring implementations of internal audit recommendations through Compliance reports. The Statutory Auditors have opined in their report that there are adequate internal controls over financial reporting at the Company.

HUMAN CAPITAL

The Human Resource Policies and Practices of your company's employees are its most valuable asset who enables the Company to deliver a level of service that is among the highest in the hospitality industry. A combination of talent management strategy combined with a robust and transparent performance management system which leads to an attractive long term compensation philosophy is employed to attract and retain the best available talent.

CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis Report with regard to projections, estimates and expectations have been made in good faith. **INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF ARUNA HOTELS LIMITED**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Aruna Hotels Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the loss, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor’s Response
1.	<p>Going Concern Principle</p> <p>The company is currently not operating and hence no operating income has been recorded since FY 15-16. The management and those charged with governance informed us that renovation work will be finished soon and the hotel will be reopened.</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company’s renovation process through the bills of vendors provided to us and the certificate provided by the architect on the status of the work completed. As per the discussion with the management, the hotel will start its operations most likely in FY 2019-20.</p>

Sr. No.	Key Audit Matter	Auditor's Response
2.	Redemption of Preference Shares The company had issued preference share in earlier years and were not redeemed in the year in which it had to be redeemed, because it had no profits, nor could it make any fresh issue of shares. No liability has been provided for Preference Share Dividend.	Principal Audit Procedures During audit, we verified the details of preference shareholders. The management informed us that the Company is willing to repay the principal amount due to each preference shareholder (without any dividend) and the Company has sent out letters to preference shareholders in this regard for their acceptance in December' 2018.
3.	Litigations The Company is involved in civil litigation and taxation litigation: Direct and indirect taxation.	Principal Audit Procedures During audit, we have verified all the documents related to various litigations. Details of each case has been provided under Note no. 17 of notes to accounts.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based, on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the result of our work, and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of audit and significant audit findings, including any significant deficiencies in internal control that we identify in our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by Section 143(3) of the Act, based on our audit we report that:
 - a We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d In our opinion, the aforesaid financial statements comply with Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
 - f With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
 - g With respect to other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - 1 The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - 2 The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - 3 There has been no transfer of amounts to the Investor Education and Protection Fund by the Company.
- 2 As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

“Annexure A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements section of our report to the Members of Aruna Hotels Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Aruna Hotels Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”), issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

17. Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. As on 31st March 2019, there were following contingent liabilities of the company.

Taxation

Direct Tax

In FY 2015-16 & FY 2016-17, following notices and demand were issued to the company:

Income Tax notice received for AY 2012-13 & AY 2013-14. Outstanding dues being Rs 2,73,32,590/- for AY 2012-13 and Rs 2,38,31,782/- for AY 2013-14 against which appeal has been filed and outcome is pending. Since the losses available for set off are more than the income proposed to be added by the Department, even if the company loses the appeal there would be no tax liability.

Indirect Tax

The company has received show cause notice from Service Tax Department for FY 2008-09 to FY 2013-14. While the normal taxes due have been paid with interest, the company has approached Service Tax Settlement Commission to get waiver of the penalties and pending dues upto FY 2013-14 imposed by the Service Tax Authorities. The total liability was for Rs 2.59 Crores out of which Rs 2.20 Crores have been paid. The outcome of the case is still pending.

Civil

A civil suit (C.S. No. 637 of 2002) has been filed on September 17, 2002 against the Company & three others by one Kothari International Trading Limited (CIN: U51101TN1995PLC029759) before the Hon'ble High Court of Judicature at Madras. The said suit has been filed by the plaintiff against Soundararajan & Co. Private Limited (CIN: U74999TN1948PTC002382) for selling the land and multistoried buildings and other structures thereon situated at Door No. 144 & 145, Sterling Road, Nungambakkam Chennai 600034 to the extent of 7 grounds to the Company which were allegedly mortgaged to the plaintiff by Soundararajan & Co. Private Limited and as on the date of filing the suit, the principal sum of Rs. 2,41,00,000/- remained unpaid to the plaintiff by Soundararajan & Co. Private Limited and Anusha International Limited (CIN: U18209TN1993PLC025056). Under the said suit, the plaintiff has prayed an amount of Rs. 2,41,00,000/- along with interest @ 18% p.a. from the date of filing the suit till the date of payment and to pass a decree by directing the sale of the scheduled property. The matter is currently pending before the Hon'ble High Court of Judicature at Madras for final disposal.

A labour dispute (ID No. 261 of 2007) is pending against the Company before the Labour Court, Chennai which has been filed by one Mr. N. Babu under the Industrial Disputes Act, 1947, who was working as a house keeper from 1998 to May 2004 in the Hotel. In the said labour dispute, Mr. Babu has prayed inter alia that he be reinstated in the Hotel with previous salary, work continuity and all other allowances as may be applicable to the Hotel. The matter is currently pending before the Labour Court, Chennai.

A Company Petition (CP/597/(IB)/CB/2017) was filed under section 9 of the I&B Code by one Mr. N. Subramanian against the Company before the NCLT, Chennai Bench for claiming an arrears of salary dues since the year 1998 till his retirement in 2013. As per the demand notice dated June 29, 2017 issued under section 8(1) of the I&B Code, an amount of Rs. 1,87,75,631/- has been claimed by Mr. Subramanian from the Company. By an order dated November 17, 2017, the NCLT had admitted the petition and ordered inter alia the commencement of corporate insolvency resolution process of the Company and appointed Mr. Venkatramanrao Nagarajan as the Insolvency Resolution Professional. Being aggrieved by the said order passed by NCLT, Subasri Realty Private Limited had, as shareholder of the Company, filed an appeal (Company Appeal (AT) Insolvency No. 290 of 2017) before the NCLAT, New Delhi. By an order dated July 16, 2018, NCLAT has set aside the NCLT's order dated November 17, 2017 on the ground that there is an existence of dispute about arrears of salary. The said Mr. Subramanian has filed a civil appeal (C.A. No. 000187 of 2019) under section 62 of I&B Code before the Hon'ble Supreme Court of India challenging the final judgment and order passed by the Ld. NCLAT in CA (AT) (Insolvency) No. 290 of 2017 dated July 16, 2018. The matter is currently pending before the Hon'ble Supreme Court of India.

18. Preference Shares Disclosures:

The company had issued preference share in earlier years and were not redeemed in the year in which it has to been redeemed, because the Company had no profits, nor could it make any fresh issue of shares. The financial statement of the company still shows preference shares as part of equity.

SIGNIFICANT ACCOUNTING POLICIES**1.1 Company Overview**

The Company was incorporated on 09th September 1960. The registered office of the company is located at 145, Sterling Road, Chennai, Tamil Nadu- 600034. The principal activities of the company are to carry out business of developing, owning, acquiring, renovating, operating, managing and promoting hotels, restaurants etc.

The Company is a public limited company incorporated and domiciled in India. The Company has its primarily listing on the BSE Ltd.

The financial statements are approved for issue by the Company's Board of Directors on 21.05.2019.

1.2 Basis of preparation of financial

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis, the provisions of Companies Act 2013('the Act')(to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

As the quarter and year figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarter might not always added up to the year figures reported in this statement.

1.3 Use of estimates and judgements

The preparation of the financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions. These judgements, estimates and assumptions affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent liabilities and assets at the end of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 1.4. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

1.4 Critical accounting estimates

Information about significant judgements and key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- Recognition of Deferred Tax Assets: The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

- Useful lives of depreciable/ amortizable assets (tangible and intangible): Management reviews its estimate of the useful lives of depreciable/ amortizable assets at each reporting date, based on

the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.

- Provisions and Contingencies: The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

1.5 Going Concern Assumption

The company halted its operations in FY 2014-15. Since FY 15-16 the company is under the process of renovation and is likely to commence its operations in FY 2019-20 as per Management plans which we have reviewed, the company will be able to generate cash flows from their operations in near future. Hence the financials have been prepared using the Going Concern Assumption.

1.6 Functional currency & presentation currency

The financial statements are presented in Indian Rupees (INR) which is the functional and presentation currency of the Company and all values are rounded off to the lakhs with two decimals, except where otherwise indicated.

1.7 Current vs. Non-current classification of Assets and Liability

The Company present assets and liabilities in the Balance Sheet based on current/ non-current classification. An asset is classified as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There are no unconditional rights to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

1.8 Recent accounting pronouncements

Ind AS 116 Leases: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116, will replace the existing standard, Ind AS 17 Leases, and related interpretations. The standard sets out the principles for the recognition, measurement and presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date of adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatment: On March 30, 2019 Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax base, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition-1) Full retrospective approach-Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8-Accounting policies, Changes in Accounting Estimates and Errors, without using hindsight and 2) Retrospectively with cumulative effect of initially applying appendix C recognized by adjusting equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019.

Amendment to Ind AS 12-Income taxes: On March 30, 2019 Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognize the income tax consequences of dividend in profits or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

Amendment to Ind AS 19-plan amendment, curtailment or settlement-On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement, and
- to recognize in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

None of these amendments are expected to have any material effect on the company's financial statements.

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements

2.1 Cash and cash equivalent

Cash and cash equivalents in the Balance Sheet comprise of cash at banks, cash in hand & short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

2.2 Income Tax

Income Tax comprises current and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent that it relates to an item recognized directly in equity or in Other Comprehensive Income.

Deferred Tax assets and liabilities shall be measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes (i.e., tax base).

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized either in Other Comprehensive Income (OCI) or in equity. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

2.3 Property, Plant and equipment

On transition to IND AS, the Company has elected to continue with the carrying value of all of its property plant and equipment recognised as at April 1, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property plant and equipment. For the purpose of Proforma Ind AS financial information for the financial year ended March 31, 2016 the Company has provided the depreciation based on the estimated useful life of respective years and as the change in estimated useful life is considered as change in estimate, accordingly there is no impact of this roll back.

Capital work in progress is stated at cost less impairment. Plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construc-

tion projects if the recognition criteria are met. Freehold land is not depreciated.

Depreciation on Plant, Property and Equipment

The depreciable amount of PP&E (being the gross carrying value less the estimated residual value) is depreciated on a systematic basis over its useful life.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Fixed Assets	Useful life considered March, 2019	Useful life considered March, 2018
Plant & Machinery	15 Years	15 Years
Building	30 Years	30 Years
Office Equipment	NA	5 Years
Vehicles	NA	8 Years
Computers	6 Years	6 Years
Laptop	3 Years	3 Years

The Company, based on management estimates, depreciates certain items of building, plant and equipment over estimated useful lives which are lower than the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. Further the Company has considered the change in useful life as change in estimates.

As the Company is undergoing renovation, based on management estimates and valuation certificates provided to us, there were no impairment in the value of Land and Building when compared to their value in the books. Thus no provision for impairment has been provided.

De-recognition

An item of PPE is de-recognised at the time of its disposal or when it is assessed that no future economic benefit would accrue from it. The gain/ loss arising out of such disposal/retirement is taken to statement of profit or loss.

The following assets have been revalued in FY 2013-14:

(Rs in Lakhs)

Name of the Assets	Carrying Value before revaluation as on 31.3.2019	Carrying Value after revaluation as on 31.03.2019
Land	772.52	8384.00
Building	1085.38	1842.64

2.4 Revenue recognition

The Company derives revenue primarily from rendering services related to hotel, restaurant, banquets etc. by providing accommodation and food to the guests.

Effective 1 April 2018, the company adopted Ind AS 115 'Revenue from Contracts with customers' using the modified retrospective method. Under the modified retrospective method, an entity applies Ind AS 115 only for contracts that are not completed on or before 30 June 2018.

To determine whether to recognize revenue, the Company follows a 5-step process:

- Identifying the contract with a customer
- Identifying the performance obligations
- Determining the transaction price
- Allocating the transaction price to performance obligations
- Recognizing revenue when/as performance obligation(s) are satisfied

Identifying the performance obligations

Under Ind AS 115, the Company must evaluate the separability of the promised goods or services based on whether they are 'distinct'. A promised good or service is 'distinct' if both: The customer benefits from item either on its own or together with other readily available resources, and

It is 'separately identifiable' (i.e. the Company does not provide a significant service integrating, modifying or customizing it)

Determining the transaction pricing

Under Ind AS 115, the Company shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price excludes amounts collected on the behalf of the third parties. The consideration promised include fixed amounts, variable amounts or both.

Where the Company has a right to consideration from a customer in an amount that corresponds directly with the value of the customer of the performance completed to date, the Company recognizes revenue in the amount to which it has right to invoice.

Allocating the transaction price to performance obligations

The transaction price is allocated to the separately identifiable performance obligations on the basis of their standalone selling price (in case of room rent where the customer pays a fixed rate per room for all the services provided). For services that are not provided separately, the standalone selling price is estimated using the adjusted market assessment approach.

Recognizing revenue when/as performance obligation(s) are satisfied

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

Revenue is recognized either at a point in time or over time, when (or as) the Company satisfies performance obligations by transferring the promised goods or services to its customers.

Sales tax/ value added tax (VAT)/Goods & Service Tax (GST) is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Rooms, Restaurant, Banquets and Other Services

Income from guest accommodation is recognized on a day to day basis after the guest checks into the Hotels and are stated net of allowances. Incomes from other services are recognized as and when services are rendered. Sales are stated exclusive of Service Tax, Value Added Taxes (VAT), Goods & Service Tax (GST) and Luxury Tax. Difference of revenue over the billed as at the year-end is carried in financial statement as unbilled revenue separately.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, sale of food and beverage are recognized at the points of serving these items to the guests. Sales are stated exclusive of Sales Tax/VAT/GST. Revenue is measured at the fair value of the consideration received or receivable.

Other revenues

Other revenue majorly comprises of rental income, scrap revenue which is recognized when the right to receive the income is established as per the terms of contract.

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably).

2.5 Employee Benefits

Short-term employee benefits

A liability is recognized for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined Benefit Plans and Defined Contribution Plans

As informed by the management, the number of employees are less than 10, hence no adjustment has been done w.r.t. defined benefit plans and defined contribution plans as per the provisions of AS-15 in the financial statements.

2.6 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial

liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition. Such financial assets are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in other comprehensive income.

Trade receivables

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost net of any expected credit losses. Loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e., expected cash shortfall based on the management decision.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The company applies the expected credit loss model for recognizing impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the company expects to receive).

De-recognition of financial assets

The company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company entity are recognised at the pro-

ceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalized as a part of cost of an asset is included in the “Finance Costs”.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company’s obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.7 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

2.8 Provisions, Contingent Assets and Contingent Liabilities

Provisions:

The company recognizes a provision when there is a present obligation to transfer economic benefits as a result of past events, it is probable (more likely than not) that such a transfer will be required to settle the obligation, and a reliable estimate of the amount of the obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the

obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is certain that reimbursements will be received and the amount of the receivable can be measured reliably.

Contingent Assets:

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable.

Contingent Liabilities:

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses contingent liabilities in note no. 17 of Notes to Accounts.

2.9 Earning per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares.
