* The Board has approved to change RTA subject to approval by Members in the AGM.

18. **The Company will not entertain any direct request from Members for deletion/change in the bank account details furnished by Depository Participants to the Company.**
19. SEBI, vide its Circular No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018, amended Regulation 40 of SEBI Listing Regulations pursuant to which after 31st March, 2019 transfer of securities could not be

processed unless the securities are held in the dematerialized form with a depository. Members holding shares in physical form are requested to dematerialize their holdings at the earliest as it will not be possible to transfer shares held in physical mode as per extension of the deadline announced by SEBI.

20. Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to Registrar and Share Transfer Agent, for consolidation into a single folio. The share certificates will be returned to the members after making requisite changes thereon.
21. As per the provisions of Section 72 of the Companies Act, 2013 and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's Registrar and Share Transfer Agent. In respect of shares held in Demat form; the nomination form may be filed with the respective Depository Participant.
22. The Company has made bonus issue of equity shares at the AGM held on 12th July, 2011, and has made an allotment of Bonus shares on 21.07.2011 to the shareholders, who were eligible. Pursuant to Clause 5(A) of the erstwhile Listing agreement, shares which are unclaimed after necessary reminders given to the shareholders, have already been credited to "Demat Suspense Account". Hence, the Company requests such shareholders, who have not yet claimed such bonus shares, that they communicate the Company's RTA and claim such shares at their end.
23. As per sub clause F of Schedule V of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 the Company shall disclose the following details in its Annual Report, as long as there are shares in the suspense account:
 - (i) Aggregate number of shareholders and the outstanding shares in the suspense account lying at the beginning of the year; **940 Shareholders & 26,281 shares**
 - (ii) Number of shareholders who approached issuer for transfer of shares from suspense account during the year: **Nil**
 - (iii) Number of shareholders to whom shares were transferred from suspense account during the year: **Nil**
 - (iv) Aggregate number of shareholders and the outstanding shares in the suspense account lying at the end of the year; **940 Shareholders & 26,181 shares**
 - (v) That the voting rights on these shares shall remain frozen till the rightful owner of such shares claims the shares.
24. In line with the measures of Green Initiative, Companies Act, 2013, provides for sending notice of the meeting along with annual report to the Members through electronic mode. Members holding shares in physical mode are requested to register their e-mail Id's with the Company/RTA. Members holding shares in dematerialised mode are requested to register their e-mail id's with their respective DPs. If there is any change in the e-mail id already registered with the Company/RTA, Members are requested to immediately notify such change to the Company/RTA in respect of shares held in physical form and to DPs in respect of shares held in electronic form.
25. The notice of AGM along with the Annual report 2018-19 is being sent by electronic mode to those members whose e-mail addresses are registered with the Company/Depositories, unless any member has requested for a physical copy of the same. For members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode.
26. Members are requested to bring their copy of the Annual Report to the Annual General Meeting as an austerity measure.

In compliance with the provisions of Section 108 of the Companies Act, 2013, and in accordance with Rule 20 of the Companies (Management and Administration) Amendment Rules, 2015, and Regulation

44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015, the Company has fixed 2nd August, 2019 as the “cut-off date” to determine the eligibility to vote by electronic means or in the general meeting. A person whose name is recorded in the register of “remote e-voting” (e-voting from a place other than venue of the AGM), to enable them to cast their votes at the 43rd Annual General Meeting (AGM) and the business at the 43rd AGM may be transacted through such voting. The Company has entered into an agreement with Central Depository Services (India) Ltd. (CDSL) for facilitating e-voting to enable all its Shareholders to cast their vote electronically.

The facility for voting, either through electronic voting system or ballot/polling paper shall also be made available at the venue of the AGM, apart from the remote e-voting facility provided prior to the date of AGM. The members attending the meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting. The members who have already cast their vote by remote e-voting prior to the meeting may also attend the meeting but shall not be entitled to cast their vote again at the AGM. The Company has appointed Mr. Sandip Sheth (Mem No. 5467) or failing him Mr. Prashant Prajapati (Mem No. 32597) of M/s. Sandip Sheth & Associates, the firm of Company Secretaries in whole time practice, as the Scrutinizer for conducting the remote e-voting and the voting process at the AGM in a fair and transparent manner. The Scrutinizer shall make a consolidated Scrutinizer's report of the total votes cast in favour or against, if any, during the remote e-voting and voting at the AGM, not later than 48 hours from the conclusion of the meeting, to the Chairman or a person, authorised by him in writing. The Chairman or a person, authorised by him in writing, shall declare the results of the AGM forthwith. The results declared along with the Scrutinizer's report shall be placed on the Company's website and on the website of CDSL and shall be communicated to the Stock Exchanges.

- In compliance with the provisions of section 108 of the Act and the Rules framed thereunder, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL, on all resolutions set forth in this Notice.

The instructions for e-voting are as under:

A. Instructions for Demat folios:

STRENGTHS & OPPORTUNITIES:

Your company is key manufacturer of ethylene amines in India which is a growth market. This offers regular opportunities & helps company to cater to market needs very effectively. Over the years the company has developed robust Systems which help to maintain and sustain the operations despite sever challenges it faces & able to enjoy the market leadership position in one of the segments it operates. Its geographical position & the vicinity to customers also offer added advantage in servicing the customers.

Ethylene Amines are building blocks for many industries & hence your company believes that this fact will continue to offer potential to grow by exploring manufacturing possibilities of derivatives based on homologues of Ethylene Amines.

CONCERNS & THREATS:

Since company's core business is Ethylene amines, any negative Development or upheavals taking place in the market place may affect the performance of the company. Fluctuating prices of certain key raw materials also has potential to impact the performance in short term.

Company also has to compete with competitors who are either forward or backward integrated & has the advantage of scale of economies & thus can swamp the markets with excess & lower priced or even duty free products.

Your company recognizes & understands these challenges very well and always braces itself to compete effectively by providing superior, reliable and timely customer support to the end users.

OUTLOOK:

For the year 2019, the Company's focus will continue on sustaining and maintaining the market share in certain industry segment where company enjoys market leadership position. This will be achieved by forging stronger relationship with customers and by negotiating and entering in to beneficial contracts with the suppliers of raw materials.

The Ethylene amines business is going through demand-supply imbalance on global level and this is expected to continue in the year 2019-20 also. Your company is well aware of the challenging scenario lying ahead and taking necessary steps by planning activities properly at operational stages.

Further, Machineries & Equipment pertaining to company's EDC Plant which have remained idle for considerable period of time. Your company had been exploring the various alternative usages of said plant and had been continually doing research on finding effective ways to utilize the EDC Plant. The company, as a result of its intense research, has narrowed down various options with respect to effective usage of the plant and identified three new products which could be manufactured through EDC plant. The management believes that there is a healthy demand of identified new products in the market. The Research & Development Department of the Company is presently focusing on activities related to the plant overhaul and making efforts to make it ready for the intended use in near future.

HUMAN RESOURCE:

Human Resources Development, in all its aspects like training in safety and social values is under constant focus of the management. Relations between the management & the employees at all levels remained healthy & cordial throughout the year. The Management and the Employees are dedicated to achieve the corporate objectives and the targets set before the Company. The Company has been regularly monitoring its policy for enhancement in the skills of its employees by providing need-based training.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition. The internal control systems are supplemented by an extensive program of internal audits, review by management, guidelines & procedures.

Company's control systems are time tested, documented and recognized under ISO Certification. On the financial side, periodic audits by Internal Auditors and External Auditors provide a means whereby weaknesses are exposed and rectified.

The Company has an independent internal audit system, covering on a continuous basis, the entire gamut of operations and services spanning major business functions. The internal audit functions include evaluation of all financial & major operating system controls. We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Diamines and Chemicals Limited (hereinafter referred to as “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 (hereinafter referred to as “Audit Period”) complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

- (i.) The Companies Act, 2013 (hereinafter referred to as the Act) and the rules made thereunder;
 - (ii.) The Securities Contract (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
 - (iii.) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv.) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; *(Not applicable to the Company during Audit Period)*
 - (v.) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- We further report that, there were no actions/events in pursuance of;
- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (b) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; requiring compliance thereof by the Company during the financial year under review.

- (vi.) We have relied on the representation made by the Company and its officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations of the Company. We further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of audit, and also on the review of quarterly compliance reports by

respective department heads/Company Secretary/Chief Financial Officer/Executive Director taken on record by the Board of Directors of the Company, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has generally complied with the following laws applicable specifically to the Company;

- (a) The Air (Prevention and Control of Pollution) Act, 1981;
- (b) The Water (Prevention and Control of Pollution) Act, 1974;
- (c) The Environment Protection Act, 1986;
- (d) Manufacture, Storage and Import of Hazardous Chemicals Rules, 1989;
- (e) Hazardous Wastes (Management and Handling) Rules, 1989 and Amendment Rule, 2003;

We have also examined compliance with the applicable clauses/regulations of the following, to the extent applicable to the Company during the audit period:

- (i.) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii.) SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

We report that, during the year under review, the Company has complied with the provisions of the Acts, rules, regulations and guidelines mentioned above.

We further report, that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory auditor/tax auditor and other designated professionals.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above, except as mentioned below:

- *Late Filing of Quarterly Corporate Governance Report under Regulation 27(2) of SEBI (LODR) Regulations, 2015 for the quarter ended on 31st December, 2018;*
- *Transfer of securities not within 15 days by RTA from the date of receipt of documents under regulation 40(3) for the period under review;*
- *Late filing of prescribed returns under Investors Education and Protection Fund provisions.*

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Generally, all decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no other specific events/actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Diamines and Chemicals Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Diamines and Chemicals Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	Litigations and claims (Refer to note 38(c) to the financial statements) The cases are pending with multiple tax authorities like Income Tax, Excise/Service Tax, Provident Fund Authority and Directorate General of Foreign Trade etc. and there are claims from customers which have not been acknowledged as debt by the company. In normal course of business, financial exposures may arise from pending proceedings and from claims of the customers not	Our audit procedures, inter alia, included the following: <ul style="list-style-type: none"> Evaluation of management's judgment of tax risks, estimates of tax exposures, other claims and contingencies. Third party opinions, past and current experience with the tax authorities and management's response on the subject matter were used to assess the appropriateness of management's best estimate of the most likely outcome of each uncertain contingent liability.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Corporate Governance Report and Shareholder's Information but does not include the financial statements and our auditor's report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances & the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The comparative financial information included in these financial statements, are based on the previously issued financial statements for the year ended 31st March, 2018 which were audited by the predecessor auditors who, vide their report dated 04th May, 2018, expressed an unmodified opinion. Our Opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d. in our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;
 - e. on the basis of the written representations received from the directors as on 31st March, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019, from being appointed as a director in terms of Section 164(2) of the Act;
 - f. with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
 - g. with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- h. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 38(c) to the financial statements;
 - ii. the Company did not have any long-term contracts including derivative contracts, as at 31st March, 2019 for which there were any material foreseeable losses; and
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

The annexure referred to in our Independent Auditor's Report to the members of **Diamines and Chemicals Limited** ("the Company") on the financial statements for the year ended 31st March, 2019, we report that:

- i. (a) According to the information and explanations given to us, the Company is in the process of updating fixed assets records to show full particulars including quantitative details and situation of its fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company, as on date of this report, except for the following: (₹ in lakhs)

Category of Assets	Total No. of cases	Lease hold/ Free hold	Gross Block as at 31 st March, 2019	Net Block as at 31 st March, 2019	Remarks
Building	1	Free hold	9.49	5.00	Located at Ahmedabad

- ii. During the year, the inventories have been physically verified by the management. In our opinion the frequency of verification is reasonable. On the basis of our examination of the records of inventory, we are of the opinion that the discrepancies noticed on verification between the physical stocks and book records were not material and have been properly dealt with in the books of account.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 and therefore, reporting under clause (iii) (a) to clause (iii) (c) of the Order is not applicable to the Company.
- iv. The Company has not granted any loans, made any investments, or provided any guarantees or security to which provisions of section 185 and 186 of the Act apply and therefore, reporting under clause (iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has not accepted any deposits during the year from the public within the meaning of provisions of section 73 to 76 of the Act, and the rules framed thereunder or under the directives issued by the Reserve Bank of India and therefore, reporting under clause (v) of the Order is not applicable to the Company.
- vi. We have broadly reviewed the cost records and accounts maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 as specified by the Central Government under section 148(1) of the Act and are of the opinion, that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the same.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, employee's state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and any other statutory dues applicable to it. Further, no undisputed amounts payable in respect of income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and service tax, cess and other statutory dues were in arrears, as at 31st March, 2019 for a period of more than six months from the date they become payable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no disputed dues in respect of Sales tax, goods and service tax and value added tax which have not been deposited. According to the information and explanations given to us, the following are the particulars of Income tax, Service tax, duty of customs and duty of excise as at 31st March, 2019 which have not been deposited on account of dispute:

- viii. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to any bank. The company has not taken any loans from financial institution or Government. It has not issued any debentures.
- ix. The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year and therefore, reporting under clause (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to information and explanations given to us, no fraud by the company or on the Company by its officers or employees has been noticed or reported during the year.
- xi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. In our opinion, the Company is not a Nidhi company and therefore, reporting under clause (xii) of the Order is not applicable to the Company.

- xiii. In our opinion and according to the information and explanations given to us, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details of such transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards (Ind AS).
- xiv. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures during the year and therefore, reporting under clause (xiv) of the Order is not applicable to the Company.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him and therefore, reporting under clause(xv) of the Order is not applicable to the Company.
- xvi. In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **Diamines and Chemicals Limited** on the financial statements of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act.

We have audited the internal financial controls with reference to financial statements of **Diamines and Chemicals Limited** (“the Company”) as of 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the, “Guidance note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS**1. Corporate Information**

Diamines and Chemicals Limited ("the Company") is a domestic public limited company incorporated and domiciled in India and has its registered office at Plot No. 13, New IPCL Rd, PCC Area, Vadodara, Gujarat. The Company's shares are listed and traded on the Bombay Stock Exchange Ltd. (BSE). The company is engaged in business of manufacturing and marketing of organic chemicals compounds and Power Generation.

2. Recent accounting pronouncements**Application of New Indian Accounting Standards**

The Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, 2019 has notified the new Ind AS and certain amendments to existing Ind ASs. They shall come into force on 1st April, 2019 and therefore, the company shall apply the same with effect from that date.

(a) New Indian Accounting Standard (Ind AS 116) "Leases":

Ind AS 116 will replace the existing leases standard, Ind AS 17 "Leases" w.e.f. April 1, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements as prescribed in Ind AS 17. The effect on the Financial statements on adoption of Ind AS 116 is being evaluated by the Company.

(b) Other Amendments:

Several other Indian Accounting Standards have been amended on various issues with effect from April 1, 2019. The following amendments are relevant to the company:

- (i) Ind AS 12 "Income Taxes"- Income tax consequences of dividend and uncertainty over income tax treatments;
- (ii) Ind AS 19 "Employee Benefits"- Accounting for plan amendment, curtailment or settlement;
- (iii) Ind AS 109 "Financial Instruments"- Measurement of prepayment features with negative compensation in case of debt instruments;

None of these amendments are expected to have any material effect on the Company's financial statements.

3. Significant Accounting Policies**i) Statement of Compliance**

These Financial Statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended).

ii) Basis of Preparation

The Financial Statements have been prepared on the historical cost convention on accrual basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below:

- Certain financial assets and liabilities that are measured at fair value; and
- Defined benefit plans where plan assets are measured at fair value

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Financial Statements have been presented in Indian Rupees (INR), which is also the Company's functional currency. All values are rounded off to the nearest two decimal lakhs, unless otherwise indicated.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorises assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (i) Level 1: Quoted Prices (unadjusted) in active markets for identical assets or liabilities
- (ii) Level 2: inputs are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (iii) Level 3: inputs are unobservable for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

iii) Property, Plant and Equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the Balance Sheet at cost less accumulated depreciation and impairment losses, if any.

Property, Plant & Equipment (PPE) comprises of Tangible assets and Capital Work in progress. PPE are stated at cost, net of tax/duty credit availed, if any, after reducing accumulated depreciation and accumulated impairment losses, if any; until the date of the Balance Sheet. The cost of PPE comprises of its purchase price or its construction cost (net of applicable tax credit, if any), any cost directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management. Direct costs are capitalized until the asset is ready for use and includes borrowing cost capitalised in accordance with the Company's accounting policy.

Capital work in progress includes the cost of PPE that are not yet ready for the intended use.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

As per internal technical evaluation carried out by the management, the management of the company believes that its Property, Plant & Equipment are of such nature that separate components are not distinctly identifiable having different useful life. And therefore, Component level accounting and reporting is not practically feasible for the company.

Depreciation of these PPE commences when the assets are ready for their intended use.

Depreciation is provided on the cost of Property, Plant and Equipment (other than land) less their estimated residual value, using the straight-line method over the useful life of PPE as stated in the Schedule II to the Companies Act, 2013 or based on internal technical evaluation. The management believes that the useful lives as assessed best represent the period over which management expects to use these assets.

Useful lives of following class of PPE are as prescribed under Part C of Schedule II to the Companies Act, 2013, which are as under:-

Asset Description	Assets Useful life (in Years)
Factory Building	30
Building other than Factory Building	60
R & D Equipments	10
Office Equipments	5
Computers	3
Server	10
Road	5
Furniture and Fixtures	10
Vehicle	8

Useful lives of following class of PPE are based on internal technical evaluation carried out by the Company which is as under:-

Asset Description	Assets Useful life (in Years)
Plant & Machinery	20
Plant & Machinery (Tank)	25
Wind Electric Generators	22

The estimated useful lives, residual values and depreciation method are reviewed on an annual basis and if necessary, changes in estimates are accounted for prospectively.

Depreciation on additions/deletions to PPE during the year is provided for on a pro-rata basis with reference to the date of additions/deletions.

Depreciation on subsequent expenditure on PPE arising on account of capital improvement or other factors is provided for prospectively over the remaining useful life.

Leasehold Land is amortised on "Straight Line Method" over its remaining lease period of 72 years commencing from the year 2002-03.

Freehold land is not depreciated.

iv) Intangible Assets

Intangible assets with finite useful life acquired separately, are recognised only if it is probable that future economic benefits that are attributable to the assets will flow to the enterprise and the cost of assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized over the estimated period of benefit, not exceeding ten years.

Intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised in the Statement of Profit and Loss when the asset is derecognised.

Intangible assets are amortised on Straight Line Method from the date they are available for use, over the useful lives of the assets as estimated by the Management as under:

Asset Description	Assets Useful life (in Years)
Software & Licenses	3

v) Impairment of non-financial assets

The Company reviews at each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit & Loss. If at the reporting period, there is an indication that there is change in the previously assessed impairment loss, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

An assessment is made at the end of each reporting period to see if there are any indications that impairment losses recognised earlier may no longer exist or may have come down. The impairment loss is reversed, if there has been a change in the estimates which has the effect of increasing the asset's recoverable amount since the previous impairment loss was recognised. If it is so, the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that has been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life. Reversals of Impairment loss are recognised in the Statement of Profit and Loss.

vi) Inventories

Inventories are valued at lower of cost and net realisable value after providing for impairment and other losses, where considered necessary. The basis of determining the value of each class of inventory is as follows:

Inventories	Cost Formulae
Raw Material, packing materials, fuels and stores and spares	At first-in-first out basis (Net of eligible credit)
Raw Material in Transit	At invoice price
Work-in-progress	At Cost, comprising of raw material cost, labour cost and appropriate proportion of manufacturing expenses and overheads based on stage of completion.
Finished Goods	At Cost, comprising of raw material cost, labour cost and appropriate proportion of manufacturing expenses and overheads.
Scrap	At lower of Cost or Net Realisable Value

vii) Revenue Recognition

The Company has applied Ind AS 115 using the modified retrospective approach and therefore the comparative information has not been restated and continues to be reported under erstwhile Ind

AS 18 and Ind AS 11. The new Standard is applied to those contracts which remained in force as at 1st April, 2018. The application of the standard does not have any significant impact on the retained earnings as at 1st April, 2018 or on these financial statements. The details of accounting policies under erstwhile Ind AS 18 and Ind AS 11 are disclosed separately, if they are different from those under Ind AS 115.

Revenues from sale of goods including power units or services are recognised upon transfer of control of the goods or services to the customer in an amount that reflects the consideration which the company expects to receive in exchange for those goods or services.

Revenue is measured at the transaction price of the consideration received or receivable duly adjusted for variable consideration & customer's right to return the goods and the same represents amounts receivable for goods and services provided in the normal course of business. Revenue also excludes taxes collected from customers. Any retrospective revision in prices is accounted for in the year of such revision.

Revenue is recognised at a point in time on accrual basis as per the terms of the contract, when there is no uncertainty as to measurement or collectability of consideration. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

When sales discount and rebate arrangements result in variable consideration, appropriate estimates are made and estimated variable consideration is recognised as a deduction from revenue at the point of sale (to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue will not be required). The Company typically uses the expected value method for estimating variable consideration, reflecting that such contracts have similar characteristics and a range of possible outcomes.

The contract asset or a contract liability is recognised when either party to a contract has performed, depending on the relationship between the entity's performance and the customer's payment. When the company has a present unconditional rights to consideration, it is recognised separately as a receivable.

Interest on investments is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income is recognised when the right to receive the same is established.

Export incentives (Duty Drawback Scheme benefits) are accrued in the year when the right to receive the same is established in respect of exports made and are accounted to the extent there is no significant uncertainty about the measurability and ultimate realization/utilization of such benefits/duty credit.

Other income is recognised on accrual basis except when realization of such income is uncertain.

viii) Foreign Exchange Transactions

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using exchange rate prevailing on the last day of the reporting period.

Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

ix) Leases

The determination of whether the arrangement is, or contains a lease, is based on the substance of the arrangement at the inception date. A lease is classified as finance lease or operating lease.

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Statement of Profit and Loss.

The assets taken on finance lease are capitalised at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability if any is created for an equivalent amount. Each lease rental paid is allocated between the liability and interest cost so as to obtain a constant periodic rate of interest on outstanding liability for each period.

x) Employees Benefits

Post Employment Benefit

(i) Defined Contribution Plan

The company's contribution to defined contribution plan paid/payable for the year is charged to the Statement of Profit and loss.

(ii) Defined Benefit Plan

The liabilities towards defined benefit schemes are determined using the Projected Unit Credit method. Actuarial valuation under the Projected Unit Credit method are carried out at the balance sheet date. Remeasurement gains/losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income (OCI). These gains/losses which are recognised in OCI are reflected in retained earnings and are not reclassified to Profit or Loss. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise it is amortized on straight-line basis over the remaining average period until the benefits become vested.

The retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by plan assets.

(iii) Short Term Employee Benefits

Short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised undiscounted during the period employee renders services. These benefits include salaries, wages, bonus, performance incentives, etc.

(iv) Other Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at present value of the defined benefit obligation at the balance sheet date, using Projected Unit Credit method.

xi) Borrowing Costs

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets upto the date the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

xii) Statement of Cash Flow

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating

cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

xiii) Income Taxes

Income tax expense represents the sum of the current tax and deferred tax.

(i) Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

(ii) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(iii) Current and Deferred Tax Expense for the Year

Current and deferred tax expense is recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

xiv) Financial Instruments

Financial assets and Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through OCI:

A financial asset shall be classified and measured at FVTOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss:

A financial asset shall be classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets:

The Company recognises loss allowance using expected credit loss model for financial assets which are measured at amortised cost. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at original effective rate of interest. The company follows 'simplified approach' for recognition of impairment loss allowance on the group of financial assets.

For Trade Receivables, the Company measures loss allowance at an amount equal to expected credit losses. The Company computes expected credit loss allowance based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual right to receive the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss

that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities at amortised cost:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial liabilities and equity instruments:

- Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by a Company are recognised at the proceeds received.

Derecognition of financial liabilities:

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

Offsetting:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance

Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

xv) Derivative Financial Instruments

The Company holds derivative financial instruments such as foreign exchange forward contracts to manage its exposure to foreign currency exchange rate risks.

Derivatives are initially recognised at fair value at the date the contracts are entered into. Subsequent to initial recognition, these contracts are measured at fair value at the end of each reporting period and changes are recognised in Statement of Profit and Loss.

xvi) Segment Reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit / loss amounts are evaluated regularly by the Chief Operating Decision Making Body (CODM) in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under “unallocated revenue/ expenses/ assets/liabilities” respectively.

xvii) Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax with the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, with the aggregate of weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

xviii) Dividend

Provision is made in the accounts for the amount of any final dividend declared on the date of its approval by the shareholders. Interim dividends, if any, are recorded as a liability on the date of its declaration by the company's board of directors.

xix) Research and Development

Revenue expenditure on research and development is charged to Statement of Profit and Loss in the year in which it is incurred. Capital expenditure on research and development is considered as an addition to Property, Plant & Equipment/Intangible Assets.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when, based on Company's present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties

surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent Liabilities and Assets

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

4. Critical Accounting Judgments, Estimates, Assumptions and Key Sources of Estimation Uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key estimates, assumptions and judgements

In particular, the Company has identified the following areas where significant judgements, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

(i) Income taxes

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits.

(ii) Useful lives of Property, Plant and Equipment/Intangible Assets

Property, Plant and Equipment/ Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Company's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets.

(iii) Contingent Liabilities

In the normal course of business, Contingent Liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the Notes but are not recognised. Potential liabilities that are remote are neither recognised nor disclosed as contingent liability. The management decides whether the matters need to be classified as 'remote', 'possible' or 'probable' based on expert advice, past judgements, experiences etc.

(iv) Evaluation of Indicators for Impairment of Property, Plant and Equipment

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance

of the idle assets etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment and such assessment is based on estimates, future plans as envisaged by Company.

(v) Actuarial Valuation

The determination of Company's liability towards defined benefit obligation to employees is made through independent actuarial valuation including determination of amounts to be recognised in the income statement and in other comprehensive income. Such valuation depend upon assumptions determined after taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employment market.

(vi) Allowance for impairment of trade receivables

The expected credit loss is mainly based on the ageing of the receivable balances and historical experience. The receivables are assessed on an individual basis assessed for impairment collectively, depending on their significance. Moreover, trade receivables are written off on a case-to-case basis if deemed not to be collectable on the assessment of the underlying facts and circumstances.

(vii) Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

(viii) Revenue Recognition

The Company's contracts with customers include promises to transfer products and power units to the customers. The Company assesses the products and power units promised in a contract and identifies distinct performance obligations, if any, in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables. Judgement is also required to determine the transaction price for the contract. The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over time. The Company considers indicators such as to who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc. The judgment is also exercised in determining the variable consideration, if any, involved in transaction price and also in estimating the impact of customer's right to return the goods, based on prior experience. The company has exercised judgments and concluded that it has only one performance obligation from each of its contract with customers and it is being satisfied at a point in time.

(i) The Deductions/Adjustments include the impairment loss relating to plant and machinery (Coal Crusher Machine for Boiler) which is no longer in use. Excess of carrying amount ₹ 4.27 Lakhs over recoverable amount ₹ 0.37 Lakhs i.e. ₹ 3.90 Lakhs has been recognised as impairment loss in the Statement of Profit and Loss.

(ii) The net block of Plant & Machineries as at 31st March, 2019 includes the carrying value of ₹ 481.49 lakhs pertaining to company's EDC Plant, its related machineries & equipment ("EDC Plant"), which have remained idle for considerable period of time. The company had been exploring the various alternative usages of said plant and had been continually doing research on finding effective ways to utilize the EDC Plant. The company, as a result of its intense research, has narrowed down various options with respect to effective usage of the plant and identified three new products which could be manufactured through EDC plant. The management believes that there is a healthy demand of identified new products in the market. The Research & Development Department of the Company is presently focusing on activities related to the plant overhaul and making efforts to make it ready for the intended use by end of F.Y. 2019-20. The company has worked out estimated net cash flows expected to be derived from production and consequent sale of new products to be produced through EDC plant. Based on said projected financials, the company has concluded that the said plant has got significant economic value. Further, the recoverable amount of EDC Plant i.e. Value in Use is ₹ 501.21 lakhs, which is higher than the carrying value of the said plant and hence, no impairment provision is required to be made in carrying value of EDC Plant as at 31st March, 2019.

* There are numerous interpretative issues relating to the Supreme Court Judgement on Provident Fund dated 28th February, 2019. The company has initiated the process of evaluating the impact of said judgement, if any, on its financials. Due to various complexities involved presently in ascertaining the impact, the company is not able to reliably estimate the quantum of provision, if any, required to be made as at 31st March, 2019. The company will make necessary provision, if any, on receiving further clarity on the subject and on completion of its impact evaluation process on the matter.

39. Leases

Operating lease

The Company has certain warehouses for its business operations under leave and license agreements. These are generally not non-cancellable agreements and they are for the periods not exceeding 12 months under the said agreements. The said agreements are renewable by mutual consent on mutually agreeable terms.

40. Employee Benefits

The Company has classified various employee benefits as under:

A. Defined Contribution Plans

- Provident Fund
- Superannuation Fund

The Provident Funds operated by the Regional Provident Fund Commissioner and the Superannuation Fund is administered by the LIC of India as applicable for all eligible employees. Under the schemes, the Company is required to contribute a specified percentage of payroll costs to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Company has recognised the following amounts in the Statement of Profit and Loss:

(₹ in Lakhs)

Particulars	For the	For the
	year ended	year ended
	31 st March, 2019	31 st March, 2018
Contribution to Provident Fund	23.27	21.49
Superannuation Fund	4.34	4.40
Total	27.61	25.89

B. Defined Benefit Plans

The Company operates a gratuity plan covering qualifying employees. Under the gratuity plan, the eligible employees are entitled to post retirement benefit at the rate of 15 days salary for each year of service until

the retirement age of 58, subject to a payment ceiling of ₹ 20 lakhs. The benefit vests upon completion of five years of continuous service as per "The Payment of Gratuity Act" and once vested it is payable to the employee on retirement or on termination of employment. The Company makes annual contribution to the group gratuity scheme administered by the Life Insurance Corporation of India through its Gratuity Trust Fund.

Under the compensated absences plan, leave encashment is payable to all eligible employees on separation from the Company due to death, retirement, superannuation or resignation. At the rate of daily salary, as per current accumulation of leave days.

The provision towards Compensated Absences is as under:

Particulars	(₹ in Lakhs)	
	As at 31 st March, 2019	As at 31 st March, 2018
Non-Current liability	20.89	14.06
Current liability	6.64	6.73
Total	27.53	20.79

Gratuity is defined benefit plan and Company is exposed to following Risks:

Interest Risk :

A fall in the discount rate which is linked to the Government Securities Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk :

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk :

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Mortality Risk :

Since the benefits under the plan is not payable for the life time and payable till retirement age only, plan does not have any longevity risk.

C. The Company offers the following employee benefits scheme to its employees

- Gratuity (Funded through annual payment to Life insurance corporation of India)
- Compensated absences encashment (Unfunded)

a. Gratuity

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

| v. Mortality rate during the employment | Indian Assured Lives Mortality (2006-08) | |
| vi. Actuarial Valuation Method | Projected Unit Credit Method | |
| vii. Retirement Age (years) | 58 | 58 |
| viii. The expected rate of return on plan assets is determined after considering several applicable factors such as the composition of the plan assets, investment strategy, market scenario, etc. In order to protect the capital and optimise returns within acceptable risk parameters, the plan assets are well diversified. | | |
| ix. The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations. | | |
| x. The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors. | | |

Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Management considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements (except fair value of investments in equity instruments and derivatives forward contracts) approximate their fair values.

There has been no transfers between level 1, level 2 and level 3 for the years ended 31st March, 2019.

(c) Financial risk management:

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The Company's principal financial liabilities comprise of borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations in selective instances. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations and investments. The company is exposed to market risk, credit risk, liquidity risk etc. The objectives of the Company's financing policy are to secure solvency, limit financial risks and optimise the cost of capital. The Company's capital structure is managed using equity and debt ratios as part of the Company's financial planning.

(a) Market risk:

Market risk is the risk that changes in market prices- such as foreign exchange rates, interest rates and equity prices- will affect the Company's income or the value of its holdings of financial instrument. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimising the return. The major components of market risk are foreign currency risk, interest rate risk and price risk.

(i) Foreign Currency Risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Foreign currency exposure as at 31st March, 2019 are hedged as per the policy of the company

Particulars	As at 31 st March, 2019		As at 31 st March, 2018	
	Amount in Foreign currency	₹ in Lakhs	Amount in Foreign currency	₹ in Lakhs
Payable USD	4,09,959	294.62	3,80,145	249.65
Receivable USD	-	-	1,30,316	81.90

Foreign Currency Sensitivity:

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables. As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

(₹ in Lakhs)

USD sensitivity at year end	For the year ended 31 st March, 2019	For the year ended 31 st March, 2018
Assets:		
Weakening of INR by 5%	-	4.10
Strengthening of INR by 5%	-	-4.10
Liabilities:		
Weakening of INR by 5%	-14.73	-12.48
Strengthening of INR by 5%	14.73	12.48

Forward foreign exchange contracts

It is the policy of the Company to enter into forward foreign exchange contracts to cover foreign currency payments in USD. The Company enters in to contracts with terms upto 120 days.

Forward cover is obtained from bank for each of the aggregated exposures and the Trade deal is booked. The forward cover deals are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

Though the forward contracts are not designated as hedging instruments, they are used for hedging foreign currency exposure and outstanding as at year ended 31st March, 2019 and 31st March, 2018 are as under:-

Outstanding contracts	Average exchange rates		Foreign Currency	
	31 st March, 2019	31 st March, 2018	31 st March, 2019	31 st March, 2018
USD-Sell	71.87	65.44	4,09,959	3,90,166

(₹ in Lakhs)

Outstanding contracts	Nominal Amounts		Fair value	
	31 st March, 2019	31 st March, 2018	31 st March, 2019	31 st March, 2018
In INR	294.62	255.32	285.41	255.18
Total	294.62	255.32	285.41	255.18

(II) Interest rate risk:

The Company invests the surplus fund generated from operations in bank deposits. Bank deposits are made for a period of upto 12 months and carry interest rate of 6.4%-6.8% as per prevailing market interest rate. Considering these bank deposits are short term in nature, there is no significant interest rate risk.

(III) Price risk:

The Company's equity securities price risk arises from investments held and classified in the balance sheet at fair value through OCI. The Company's equity investments in Sintex Industries Limited & Sintex Plastics Technology Limited are publicly traded.

Price sensitivity analysis:

The sensitivity of profit or loss in respect of investments in equity shares at the end of the reporting period for +/-5% change in price and net asset value is presented below:

Other comprehensive income for the year ended 31st March, 2019 would increase / decrease by ₹ 1.27 Lakhs (P.Y. ₹ 3.32 Lakhs) as a result of 5% changes in fair value of equity investments measured at FVTOCI.

(b) Credit risk:

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy

counterparties as a means of mitigating the risk of financial loss from defaults. The Company's exposure and wherever appropriate, the credit ratings of its counterparties are continuously monitored and spread amongst various counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management of the Company. Financial instruments that are subject to concentrations of credit risk, principally consist of balance with banks, investments in equity instruments and trade receivables.

None of the financial instruments of the Company result in material concentrations of credit risks.

(c) Liquidity risk:

The Company manages liquidity risk by maintaining sufficient cash and cash equivalents and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. Management monitors rolling forecasts of liquidity position and cash and cash equivalents on the basis of expected cash flows. In addition, liquidity management also involves projecting cash flows considering level of liquid assets necessary to meet obligations by matching the maturity profiles of financial assets & liabilities and monitoring balance sheet liquidity ratios.

The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.
