Directors' Report

To the Members,

The Directors have pleasure in presenting the Fifty-fifth Annual Report and the Audited Accounts for the financial year ended 31 December 2010.

Financial Highlights

(₹, 000)

	Year ended 31.12.2010	Year ended 31.12.2009
Income from operations	2,576,592	2,017,955
Profit before Interest, Depreciation & Tax	521,277	498,054
Depreciation	47,621	36,829
Interest	327	307
Profit Before Tax	473,329	460,918
Provision for tax	149,391	144,720
Net Profit	323,938	316,198
Profit & Loss Account brought forward	829,169	586,329
Profit available for appropriation	1,153,107	902,527
Appropriations:		
Proposed dividend	35,675	35,675
Tax on Dividend distributed	5,787	6,063
Transfer to General Reserve	32,394	31,620
Carried to Profit & Loss Account	1,079,251	829,169
	1,153,107	902,527

Performance

The sales at ₹ 2514 million for the year ended 31 December 2010 registered a 29% growth over the sales of ₹ 1949 million for the previous year ended 31 December 2009. In terms of sales quantity, the tonnage sold during the year ended 31 December 2010 has increased by 23 % over the previous year.

Input costs, however, showed a steady rise during the year under review, thereby putting contribution margin under pressure.

The aforementioned growth in sales and prudent cost management resulted in an increase in Profit Before Tax, in spite of higher raw material costs.

Dividend

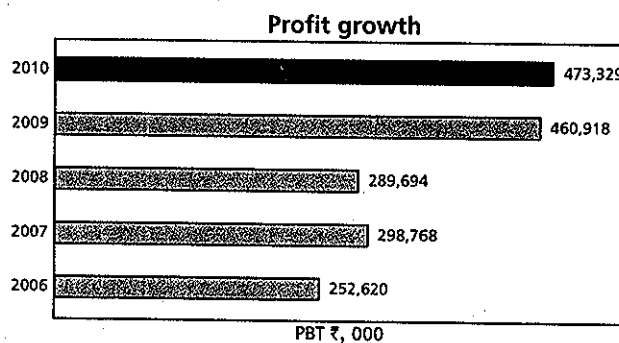

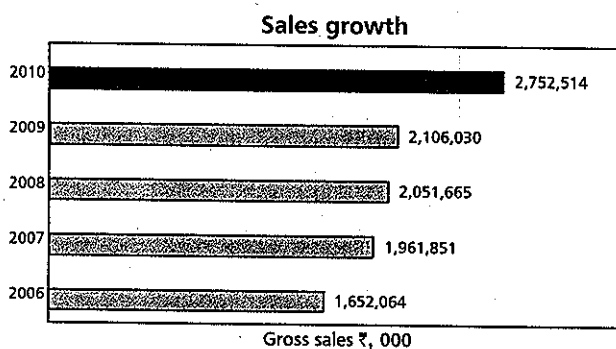

The Directors are pleased to recommend a dividend of ₹ 4.50 per equity share, for the year ended 31 December 2010, in view of the performance of the Company for the said year.

Directors

Mr. Suresh Talwar and Mr. Pradeep Mallick retire by rotation at the ensuing Annual General Meeting and being eligible, offer themselves for re-appointment.

As per the requirement under the Listing Agreement, particulars of Directors seeking re-appointment at the ensuing Annual General Meeting form part of the Notice of the meeting.

None of the Directors is disqualified from being appointed as or holding office as Directors, as stipulated under Section 274 of the Companies Act, 1956.

Corporate Governance

The Company has adopted robust Corporate Governance practices, which adequately address the requirements arising out of the Listing Agreement entered into by the Company. The Company reviews these practices periodically for verifying effectiveness of their implementation in line with applicable provisions.

Pursuant to Clause 49 of the Listing Agreement, the Management Discussion and Analysis Report, Report on Corporate Governance and the Auditors' Certificate regarding compliance of the same form an integral part of this Annual Report.

Listing on Bombay Stock Exchange

The Company's shares are listed on the Bombay Stock Exchange Limited (BSE).

Directors' Responsibility Statement

Pursuant to Section 217 (2AA) of the Companies Act, 1956, after due inquiry and on the basis of the information received from the operating management and relying upon the report of the Auditors regarding compliance with the Accounting Standards, the Directors confirm that:

1. in the preparation of the annual accounts, the applicable accounting standards have been followed, along with appropriate explanations relating to material departures.
2. the accounting policies have been consistently applied, and reasonable and prudent judgment and estimates have been made so as to give a true and fair view of the state of affairs of the Company as at 31 December 2010, and the profit for the year ended on that date.
3. proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956, for safeguarding the assets of the Company and preventing and detecting fraud and other irregularities.
4. the annual accounts have been prepared on a going concern basis.

Cost Audit

Dhananjay V Joshi & Associates, Cost Accountants, have been re-appointed for the year 2011 to conduct an audit of the cost accounting records maintained by the Company in respect of Synthetic Resins and Varnishes.

Auditors

The Auditors, BSR & Co., Chartered Accountants, Mumbai, retire at the forthcoming Annual General Meeting and are eligible for re-appointment. The Audit Committee recommends the re-appointment of BSR & Co., as Auditors of the Company for the year 2011. The Company has received a letter from retiring Auditors to the effect that their appointment, if carried out, would be within the prescribed limits under Section 224(1B) of the Companies Act, 1956.

Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and Outgo

Information as required by the Companies (Disclosure of Particulars in the Report of Board of Directors) Rules, 1988, relating to Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo, is given in Annexure A to this report.

Particulars of Employees

Information to be provided under Section 217(2A) of the Companies Act, 1956, read with Companies (Particulars of Employees) Rules, 1975, is given in Annexure B forming part of this report.

Earnings per Share

Return on Capital Employed

Industrial Relations

The Company reached amicable settlements with its workmen at Pimpri and Ankleshwar. These wage settlements, which will remain in effect for a three year period between 1 January 2010 and 31 December 2012, were negotiated separately for the two sites on the basis of a "Region cum Industry" principle.

During the year under review, industrial relations continued to remain cordial.

The Board wishes to place on record its appreciation to all employees for their continued contribution to the performance of the Company.

For and on behalf of the Board

Pune
15 February 2011

Suresh Talwar
Director

Rajeev Bhide
Managing Director

Annexure A to the Directors' Report

A. CONSERVATION OF ENERGY:

(a) Following measures were taken to conserve energy:

- Replacement of existing Boilers to conform to the Indian Boiler Act (Amendment in 2007) and IBR regulation
- Completion of Process Instrumentation & automation for new equipments at Ankleshwar aimed at optimizing productivity and efficiency
- Installation of Storage tanks for Finished Goods and Intermediates for wire enamels to enhance storage capacity, eliminate drums filling, improve efficiency and reduce handling
- Installation of energy efficient LED Lighting System at selected places
- Replacement of Primary and Secondary pumps of Thermopac hot oil units and reactors to increase the flow of hot oil system, achieve process time reduction and conserve energy
- Installation of Flame-proof hoist for new reactor used for charging solid raw materials
- Installation of Barrel pumps in place of vacuum pumps to save electricity, fuel and water
- Installation of oil vacuum pump for saving electricity and water
- Optimisation of batch sizes of E&EM products towards saving unit cost of energy consumed
- Replacement of old accessories with new energy efficient versions

(b) Additional investments and proposals being implemented for reduction of consumption of energy:

- Plant re-organization aimed at optimization of productivity and efficiency
- Installation of intermediate Storage tanks for Varnish & Alkyd products to enhance energy efficiency, reduce drum handling
- Installation of additional thinning capacity for Wire enamels for capacity enhancement and increased cost effectiveness
- Further installation of process Instrumentation & automation aimed at enhanced productivity and efficiency
- Replacement of old accessories with new energy efficient versions
- Installation of Pneumatic conveying system for charging Powders
- Installation of diffused aeration system for Effluent Treatment Plant at Pimpri aimed at cost and energy efficient ETP operations
- Installation of a new boiler and chilled water plant

(c) Impact of (a), (b) above for reduction of energy consumption and consequent impact on the cost of production of goods

- Cost effective manufacturing resulting from savings due to reduction in overall energy consumption per Metric Ton of production especially through reduced electricity and fuel consumption

I ELANTAS Beck India Ltd. I Annexure A to the Directors' Report I 05

(d) Total energy consumption and energy consumption per unit of production:

	Year ended 31 December 2010	Year ended 31 December 2009
a. POWER & FUEL CONSUMPTION		
1) Electricity		
a) Purchased Unit (KWH in 000)		
Total KWH	25,254	21,975
Total amount (₹, 000)	141,064	123,589
Rate/KWH (₹)	5.59	5.62
b) Own generation		
i) Through Diesel generator		
Units (KWH in '000)	2,342	1,947
Units per litre of Diesel Oil	3.20	3.23
Cost/Unit (₹)	12.73	11.34
ii) Through Steam turbine/generator		
Units (KWH)	-	-
Units per litre of fuel oil / gas	-	-
Cost/Unit (₹)	-	-
2) Coal		
Quantity (Tonnes)	-	-
Total amount (₹, 000)	-	-
Average Rate (₹/MT)	-	-
3) Furnace Oil (LDO/HSD)		
Quantity (K. Ltrs)	263.43	242.52
Total amount (₹, 000)	112,933	86,048
Average Rate (₹/KL)	42,870	35,482
4) Natural Gas		
Quantity (KM3)	468.79	399.41
Total amount (₹, 000)	72,301	54,710
Rate (₹/KM3)	15,423	13,697
b. CONSUMPTION PER M. T. OF PRODUCTION		
Products : Wire Enamels, Impregnating Varnishes & Synthetic Resins		
Electricity (KWH)	160.43	175.78
Furnace Oil in Litres (LDO/HSD)	15.31	17.82
Coal	-	-
Natural Gas	27.25	29.35
Others	-	-

B TECHNOLOGY ABSORPTION

1. Specific areas in which R & D was carried out by the Company

The Company's Research and Development Centre (R&D Centre) was engaged in the development of new synthetic insulation materials for application in the electrical industries, and in the absorption of technology acquired from overseas affiliates of the ELANTAS Group for the manufacture of certain wire enamels to meet local customer requirements. The R&D Centre also worked on the development of more eco-friendly wire enamels based on raw materials having lower toxicity. Further, development of coatings for the construction industry with focus on developing water based products was also carried out.

The past efforts taken towards participating in training programme for M.Tech. students from local institutes on subjects which are complimentary to our business, were continued. Two poster presentations were made at a renowned Institute, on the use of Nano additives in wire enamels and synthesis of a new varnish intermediate.

A new software for preparing Material Safety Data Sheets (MSDS) was installed and used for regular products sold by the Company as well as in releasing new products with more eco-friendly features.

2. Benefits derived as a result of the above R & D

Some of the new products introduced and process improvements conducted were:

- Eco-friendly and less toxic and ROHS compliant variants of wire enamel and epoxy compound products
- Development of a new version of a cost effective air drying varnish

06 | ELANTAS Beck India Ltd. | Annexure A to the Directors' Report |

- Development of new modified anhydride hardener for epoxy insulating systems
 - Introduction of two new products in the E&EM business segment
 - Bilateral exchange of technology with the Global R&D network of ELANTAS aimed at knowledge sharing, problem solving and shortcoming development lead-time
 - Development of a water based polyurethane flooring system
 - Cost reduction and process improvement in manufacturing
 - Development of a new substitute additive for manufacturing wire enamels
3. Future plan of action
- Continue development work on less toxic and ROHS compliant wire enamels and varnishes
 - Continue adaptation of new product from group companies under technology transfer in our business segments to cater to local demand potential
 - Initiate and continue participation in new global R&D projects for the benefit of local and global customers
 - Increase the level of interaction and collaboration with local institutes working in the area of research in polymer industry and other areas complimentary to the Company's business
 - Undertake new project under the *Responsible Care* initiative
 - Two patents are proposed to be filed in the area of Wire Enamels
4. Expenditure on R & D

(₹, 000)

	Year ended 31.12.2010	Year ended 31.12.2009
(a) Capital	2,011	51,124
(b) Recurring	36,993	25,890
(c) Total	39,004	77,014
(d) Total R & D expenditure as a percentage of total turnover	1.42	3.66

5. Technology absorption, adaptation & innovation:

The technology received from our collaborators and / or affiliate companies in respect of new product is modified / adapted to suit customers' needs.

Information regarding technology acquired through purchase/licencing arrangements during the last five years:

Technology imported	Year of Import	Has the Technology been fully absorbed	If not, when to be absorbed
1. Absorption of technology from Shimo Resins Pvt. Ltd.	2009	Yes	-
2. Absorption of wire enamel technology from affiliate company in Italy.	2010	No	2011

C. FOREIGN EXCHANGE EARNINGS AND OUTGO

The information regarding foreign exchange earnings and outgo is contained in Note Nos. 26 & 24 respectively to the financial statements.

Annexure B to the Directors' Report

Information as per Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Rules 1975 forming part of the Directors' Report for the year ended 31 December 2010.

Name	Designation	Remuneration Subject to tax (₹)	Qualification	Age & Experience (Years)	Date of commencement of employment	Last employment held, Designation and Organization
Mr. Rajeev Bhide	Managing Director	5,988,371	B.Com., F.C.A., Post Graduation D.M.M.	53/30	01.03.2000	Vice-President-Finance. International Computers (India) Ltd., Pune.
Mr. Prashant Deshpande	Director- Marketing	4,774,461	B.E. (Elec.), M.B.A. P.G.- Power Systems	66/45	01.04.1986	Div. Marketing Manager. Crompton Greaves Ltd., Nasik.
Mr. Sharadkumar Shetye	Director- Manufacturing	4,514,954	B.Tech.(Chemical Engg.) D.B.M., M.M.S	62/40	20.10.1971	-

Notes:

1. The nature of employment is contractual.
2. Other terms and conditions: as per Company's rules.
3. Gross remuneration includes allowances, Company's contribution to provident and superannuation funds, provision for medical entitlement as per Company's rules, monetary value of perquisites calculated as per Income Tax Act / Rules and does not include provisions for leave encashment, premium for gratuity and group insurance.

Management Discussion & Analysis Report

Over the last couple of years, a resilient Indian economy was able to withstand the impact of the global slowdown quite effectively. It displayed an ability to recover rapidly and performed better than many developed economies. India's GDP grew @ 7.4% in the fiscal year 2009-10 and estimates suggest that the economy is likely to grow @ 8.75% during 2010-11. Such a growth is likely to come from robust growth in Agriculture, Manufacturing & Services sectors.

During the previous year, food inflation remained a global problem across economies and this is likely to continue. Most advanced economies witnessed a weak recovery in 2010 but hope to see better prospects emerging in 2011. The emerging markets are expected to see good growth rates but the situation in the US and parts of Europe (except Germany) remain uncertain. Inflation is expected to rise in Asia and other emerging economies but is expected to stay weak in US, Europe and Japan.

During the year under review, despite an encouraging GDP growth rate, spiraling domestic food price inflation remained a major cause of worry and this situation has not visibly improved in the recent months, dampening investor sentiment. During the second half of 2010, gradual firming up of prices of commodity chemicals, globally as well as locally, adversely affected the Company's costs of raw material supplies & purchases and consequently imposed a significant pressure on the Company's margins. This increase in input costs, however, was partially mitigated through strategic global procurement & sourcing with the help of ALTANA's global purchasing network, as well as successful raw material substitution efforts. Continuous thrust on R&D, modernization, process innovation, and effective cost management enabled the Company to end the year on a satisfactory note.

Supply of high quality products & technical services of consistent quality, offering innovative and customized solutions to its valued customers and adapting & introducing new and improved global products into the Indian market, remain the primary objectives of the Company.

Segment wise Performance

Electrical Insulation Systems

Our business of Electrical Insulation Systems (EIS) comprises of two business lines, namely Primary Insulations (PI) and Secondary Insulations (SI). The EIS business continues to be the major revenue driver for the Company and accounts for almost 80% of the total Sales revenues of the Company.

A few key growth and performance indicators in 2010 pertaining to the relevant sectors of the Indian economy that influence the Company's EIS business are estimated as follows:

- Growth in Manufacturing Sector: 12%
- Power Sector – Growth in installed generating capacity: 8.75%
 - This is the highest achieved in the last 3 years.
- Growth in Auto Electricals Sector: 18%
- Growth in Electricals Equipments Sector: 15%
- Growth in Consumer Durables Sector: 12%

With the above performance in the background, the EIS business of the Company has grown 20% by volume and 29% by value, over 2009. This performance not only reflects the Company's full participation in the industry growth but also reflects further consolidation of the EIS business at the market place. A host of strategies adopted by the management such as introduction of new technologies, product innovation, customer driven R&D, strategic product-price performance management and key account management, collectively resulted in this satisfactory performance. The Company is reasonably hopeful of repeating this performance during the coming year as well as ensuring its continued market leadership position.

However, competition is becoming increasingly fierce with a number of overseas competitors planning to enter the fray in order to attack the speciality product lines of the Company. The Company has already taken steps to counter such competitive pressures by initiating a number of technical projects and pro-active measures. Such measures include the rapid, selective introduction of successful products and technologies from its affiliate overseas in order to maintain its market position and standing.

The Company is an important part of ALTANA's Electrical Insulation Systems Division- ELANTAS and enjoys the benefit of having easy access to various successful global R&D solutions and initiatives being introduced. These developments and solutions, it is believed, will provide the edge needed by our valued customers to succeed.

Going forward, the Company is also concerned about the present volatility in raw material prices, which has been adversely affecting input costs. The volatility is likely to stay for a while owing to the peculiar economic scenario prevalent locally as well as globally thereby denying any stable price regime for the time being. This phenomenon has been duly factored-in while reviewing the Company's short term business outlook, which is viewed with cautious optimism.

Electronic & Engineering Materials

The business segment primarily includes three major product lines and involves the manufacture of a variety of performance oriented, speciality products and solutions going into diverse electronic, electrical and engineering applications. These are as follows:

- Electronic & Electrical (EL) Compounds
- Speciality Resins for special purpose paint applications
- Construction chemicals

Within this business segment, the business of Electronic & Electrical Compounds is a major thrust area for the Company and involves manufacturing insulating systems having casting, potting and encapsulating applications with end-use in electronic and electrical components & parts.

During the year under review, the Company completed the full integration of technology and products acquired in 2009 from Shimo Resins Pvt. Ltd., in the area of EL Compounds. Focused efforts directed at attaining major growth and an improved market position were taken by the management in this product line. These steps encompassed technical improvements through a systematic scale-up process as well as enhancements in response time for new product and applications development.

As a consequence, this business more than doubled in value and volume during the year and holds robust potential for future growth.

The expanded range of EL Compound products under development now include speciality epoxy and polyurethane formulations and blends that provide strength, flexibility and fire retardant properties to the components. Importantly, environmental concerns are always kept in mind while developing such products and the Company now offers a range of ROHS compliant products and systems to its customers. The Company is quite optimistic about the emerging opportunities and business prospects in this business segment.

Current Future & Outlook

The recently announced Budget Proposals for fiscal 2011-12 are encouraging and convey certain stability in thinking amongst policy makers, in terms of the overall direction, India's economy is expected to take in the coming years. It is heartening to note that in 2010-11, the government estimates to achieve a lower fiscal deficit of 5.1% as compared to its original estimate of 5.5%, and is working towards further reducing the same to a level of 4.6% by the end of 2011-12.

Overall, the fiscal performance of the country is estimated to be satisfactory and should show a strong growth in 2010-11. In the coming years, it is believed that India's GDP will continue to witness healthy growth. However, managing growth and inflation will be a key challenge for India in the near term. Global trade, it is expected, will continue its recovery and this will aid in helping Indian exports. Domestic consumption will continue to go up despite rising inflation and points towards a steady demand for goods & services in the immediate future.

Two factors, however, will need to be watched carefully in order to ensure preparedness and to be able to take timely steps to manage risk.

1. Hardening global oil prices trend and its fall-out on:
 - India's trade and fiscal deficit,
 - Overall global and domestic inflation, in turn leading directly or indirectly to sharp rise in costs of raw material inputs and commodities
2. Ability of the government to successfully control and manage overall domestic inflation in order to prevent a backlash in the form of dampening consumer sentiment and demand potential.

Nonetheless, the Board continues to believe that this year is yet another year of opportunity to focus on further growth and consolidation.

Company Performance

The performance of the Company during the year under report registered a significant improvement over the previous year. Whilst Sales at ₹ 2514 Million during the year ended 31 December 2010 represent an increase of 29% over the previous year. The increase in Sales was mainly on account of higher Sales realizations and better product mix. As stated earlier, downward pressures on product margins brought about due to steep increase in raw material input costs resulted in a decrease in overall contribution margin vis-a-vis 2009. PBT at ₹ 473 Million was 2.6% higher than the previous year. Profit after tax at ₹ 324 Million was higher by 2.5% compared to the previous year.

Net cash flow from operating activities during the year at ₹ 163 Million was lower as compared to ₹ 404 Million during the previous year mainly as a consequence of increased working capital.

I ELANTAS Beck India Ltd. | Management Discussion & Analysis Report | 09

The Company envisages the implementation of a significant capital expenditure programme during the current year, mainly for fresh capacity creation, modernization and infrastructure creation.

The Company is also keen to act upon growth oriented inorganic strategies in its field of expertise. Its present market leadership, financial strength & discipline and the technological support of ALTANA AG, it is felt, should enable continued value creation.

Internal Control Systems

The Company has instituted a comprehensive system of internal controls to safeguard its assets from unauthorised use as well as to ensure proper authorisation of financial transactions. Detailed Standard Operating Procedures (SOP) have been developed, documented and implemented involving all the significant operating and financial functions within the Company. Based on a system of checks and balances, these procedures provide a reasonably sound basis of assurance with regard to accounting controls, propriety in use of Company's resources, operations monitoring, management information & reporting as well as statutory and regulatory compliances.

The Board of Directors has appointed an external accounting firm to undertake internal audits within the Company. The internal auditors are empowered to examine and report to the independent Audit Committee upon the adequacy of and compliance with the various procedures, plans, policies and statutory requirements applicable to the Company. The internal auditors are also responsible for assessing and reporting on effectiveness of risk management, internal controls and governance process within the Company.

The management duly considers and takes appropriate measures in respect of the recommendations made by the statutory auditors, internal auditors and the independent Audit Committee of the Board of Directors.

Technical Management and Infrastructure Development

The Company strongly believes that its market leadership in the electrical insulations industry is a result of various factors and one of them is its long standing reputation, both, in India and overseas, for excellence in product quality coupled with technical services of the highest standards.

Such a reputation has been built over many decades of satisfied customers and continues to be maintained by the Company even today through technological superiority, operational excellence and cost effectiveness.

Cost effective performance improvement in the technology acquired by the Company from Shimo Resins was one of the major success factors that influenced the Company's performance last year. The Company was successful in scale-up, process modification and process improvement of the technology acquired through diligent and intense technical exchanges within the organisation. This resulted in significant improvements in minimum batch sizes, process improvement and manufacturing flexibility.

Further, quite a few projects were implemented during the year under review in order to de-bottleneck manufacturing and attain enhancements in production capacity on a marginal-cost basis. Some of these projects include:

- Resin Plant extension and re-engineering of infrastructure for optimized efficiency in the manufacture of thinners & varnishes
- Modification and re-allocation of manufacturing infrastructure for higher efficiency & higher productivity
- Low-cost capacity enhancements by installation of new / modified equipments in the production lines of EP Resins, PU Resins, Alkyd Resins and Varnishes

Besides the aforesaid, the Company undertakes, on an ongoing basis, technical improvements in Plant engineering and manufacturing processes by benchmarking with its overseas affiliates. A Technical Steering Committee and Operations Steering Committee respectively, established under the stewardship of ALTANA / ELANTAS, Germany, devote their efforts exclusively to ensure optimization of the production methods & processes in terms of cost energy conservation and safety. The Company regularly participates in the deliberations by these Committees.

The Company thus continuously strives to reduce running costs, lower energy consumption, enhance plant effectiveness, improve EH & S Standards and raise product performance.

Quality, Environment Management and Occupational Health & Safety.

The Company's core values on Quality, Safety & Occupational Health and Environment Stewardship permeate all its actions and continue to guide all its decisions and plans.

The Company already held accreditations for its Quality Management System (ISO 9001:2008), Environment Management System (ISO 14001:2004) and Occupational Health & Safety Management System (OHSAS 18001:2007). During the year, the Company took up the objective of implementing an Integrated Management System (IMS) in order to bring in an integrated approach towards managing these three systems comprehensively and efficiently. This task was taken up earnestly and an

integrated management system was successfully set up, involving the complete integration of all the system documentation across the organisation. The IMS was audited by TÜV NORD and an IMS certification was awarded to the Company in September 2010.

The Company is fully committed to strengthen the process of Environment, Health and Safety Management. It endeavors to take reasonable and practicable steps in order to protect the health and safety of its employees and the community, as well as to ensure that its products and processes do not have an adverse impact on environment. It believes that sustainable development is possible only through conscious steps being taken to reduce energy consumption, adopt eco-friendly processes and obviate wasteful use of scarce natural resources.

Research & Development

Investments in the process of innovation and R&D continued as before, during the year. The Company's commitment to R&D was further strengthened by the recruitment of qualified researchers.

The R&D team is actively engaged in supporting the Company's technologies through manifold activities to maintain a technological edge, provide effective solutions to customers and improve internal productivity through process improvements.

The process of innovation is vital to the Company's operations. R&D is that vital element in the business of Specialty Chemicals which creates value through continuous development, as well as improvement of new products & solutions that meet customer requirements. This is achieved by adopting a problem solving approach and by taking up joint projects with customers, external business partners and research institutions. The Company's active contribution to ALTANA's Global R&D initiatives also enable it to have access to recent technological developments in the processing, application and end-use of speciality insulation products.

Human Resources/ Industrial Relations

The Company believes that the key to its success lies in creating and nourishing a pool of talent within its people whose skills, expertise and experience provide the essential impetus towards market leadership. Also, the dedication, commitment and aspirations of its employees provide the fuel for excellence in performance. The Company's Human Resources Management Team continuously endeavors to understand some of the useful HR management practices being followed locally as well as to adapt HR management practices followed overseas by ALTANA AG., for implementation within the Company.

During the year, the Company successfully concluded the execution of a long term wage settlement with its workmen leading to continued harmonious and positive Industrial relations at both the locations of the Company in the near future.

Cautionary Statement

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be interpreted as "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied. Important factors that could make a difference to Company's operations include economic conditions affecting demand / supply, price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations, tax laws and other statutes.

Report on Corporate Governance

ELANTAS Beck India Limited

1. ELANTAS Beck's Philosophy on Corporate Governance:

The Company's Corporate Governance Framework is directed towards achieving transparency, full disclosure and utmost accountability in order to achieve its objective of enhancing stakeholders' values by integrating robust corporate practices with regulatory compliances. Continuous improvement of its compliance structure and systems is therefore a constant endeavour.

Within this governance framework, the Company endeavours to adopt pioneering methods of leveraging resources and converting opportunities into achievements through systematic empowerment and motivation, ultimately for the long term benefits of all its stakeholders.

2. Board of Directors

(a) Composition and functioning:

The Board comprises six Directors. Dr. Matthias Wolfgruber is the Non-Executive Chairman and Mr. Rajeev Bhide is the Managing Director. Dr. Wolfgang Schütt is Non-Executive Overseas Director. Mr. Ravindra Kulkarni, Mr. Pradeep Mallick and Mr. Suresh Talwar are Non-Executive Independent Directors. Mr. Prashant Deshpande and Mr. Sharadkumar Shetye, while being Executive Directors in the wholtime employment of the Company, are also Alternate Directors to Dr. Matthias Wolfgruber and Dr. Wolfgang Schütt respectively.

The Managing Director and the Executive Directors are involved in the day-to-day management of the Company, while the Non-Executive Directors bring in the vital external perspective and independence in decision making.

The composition of the Board and number of other Companies / Committees on which the Director of the Company is a Director/Member/Chairman:

12 | ELANTAS Beck India Ltd. | Report on Corporate Governance |

(c) Information placed before the Board:

The following information *inter-alia* is generally furnished to the Board on a periodic basis for review:

- annual operating business plans, Capital & Revenue budgets and updates thereto
- business performance and financial results on a quarterly basis
- business environment and relevant industry analysis
- investment of operating surpluses in mutual funds & bank deposits and the performance of such investments
- quarterly results of the Company including its segment-wise break-up
- appointment of statutory, internal and cost auditors
- observations of the internal auditor and issues related to internal controls and business process improvement
- minutes of the Audit Committee Meetings and of other committees
- position of accounts receivable, inventories and other significant items of working capital
- any materially significant default in discharge of financial obligations by and towards the Company
- status of pending litigations by and against the Company and position of contingent liabilities
- materially important show cause, demand and penalty notices
- significant developments in the area of human resources management and industrial relations
- details of the insurance programme implemented by the Company
- related party transactions for approval
- issue / revocation of Power of Attorney
- significant capital expenditure projects
- business risks with focus on specific risks faced by the Company as laid down in its Risk Management Manual and also risks in general
- information on other relevant matters requiring the approval of the Board

The Board is presented with the above information as and when it becomes materially significant for an effective review. These are either furnished as a part of the agenda papers sent in advance of the Board Meetings, or are tabled / presented for discussion in the course of the proceedings of the Board Meetings or meetings of the relevant Committees.

(d) Remuneration Policy:

Within the overall limits fixed by the shareholders in a General Meeting, the Board decides the remuneration of Executive Directors. Remuneration comprises basic salary, perquisites and performance based incentive, which is decided annually by the Board taking into consideration the Company's performance against financial targets and non-financial objectives as well as the performance of the individual concerned against individual objectives agreed during the course of the year.

The remuneration levels are governed by industry pattern, qualifications and experience of the employee, responsibilities shouldered, individual performance and Company performance. The objectives of the remuneration policy are to motivate employees to excel, recognize and reward merit, and retain talent within the organization.

Details of remuneration of Executive Directors for the year ended 31 December 2010:

(₹, 000)

Name and Designation	Salary	Perquisites	Performance Salary	Retirement benefits	Total	Term of Appointment
Mr. Rajeev Bhide (Managing Director)	1,885	1,533	2,070	500	5,988	3 Years from 1 August 2008
Mr. Prashant Deshpande (Director-Marketing)	1,718	1,135	1,478	443	4,774	1 Year from 28 May 2010
Mr. Sharadkumar Shetye (Director-Manufacturing)	1,574	1,070	1,467	404	4,515	1 Year from 28 May 2010
Total:	5,177	3,738	5,015	1,347	15,277	

Notes:

- (1) The above excludes accrual for employee benefits as the amount pertaining to the Directors is not separately ascertainable as the accrual/contribution is done for the Company as a whole on the basis of an actuarial valuation.
- (2) The Company does not have a Stock Option Scheme.
- (3) Notice period for severance of agreement with the Executive Directors & Managing Director is six months. However, no severance fees are payable.

I ELANTAS Beck India Ltd. I Report on Corporate Governance I 13

The Board of Directors decides the remuneration of Non-Executive Directors, which comprises sitting fees and commission based on the net profits of the Company. As approved by the members, commission is limited to 1 % of the net profits of the Company.

Details of remuneration of Non-Executive Directors for the year ended 31 December 2010:

Name	Sitting fees (₹)	Commission (₹)
Mr. Suresh Talwar	80,000	300,000
Mr. Ravindra Kulkarni	80,000	300,000
Mr. Pradeep Mallick	80,000	300,000
Total:	240,000	900,000

3. Board Committees:

The Board currently has two committees: the Audit Committee and the Share Transfer cum Investors' Grievance Committee. The Board is responsible for constituting, assigning and co-opting the Members of the Committees.

(a) Audit Committee:

During the financial year ended 31 December 2010, four Audit Committee meetings were held on 16 February, 20 April, 4 August and 19 October.

The Audit Committee comprises Mr. Ravindra Kulkarni (Chairman), Dr. Wolfgang Schütt, Mr. Suresh Talwar and Mr. Pradeep Mallick. All members of the Audit Committee are Non-Executive Directors.

All the Members of the Audit Committee are financially literate with some having accounting or related financial management expertise.

The Managing Director, General Manager-Finance & Materials, representatives of the Statutory Auditors and Internal Auditors are permanent invitees to the Audit Committee meetings. The Company Secretary is the Secretary of the Committee.

The Audit Committee ensures that the internal controls within the Company and financial reporting processes are robust. It regularly reviews the Financial Statements on a quarterly and yearly basis and periodically meets to review and discuss, *inter-alia*, related matters such as:

- financial reporting system, internal control systems and internal control procedures in the Company,
- reports of both Statutory Auditors and Internal Auditors,
- Internal Audit Programme and procedures and its approval and implementation,
- status report of 'Actions taken' on the findings and recommendations of the Internal Auditors, agreed and accepted by the Management,
- compliance with regulatory guidelines,
- compliance with respect to Clause 49 of the Listing agreement,
- position of overdue/doubtful book debts and action plans for collection,
- other activities included in the scope of the Audit Committee and forming part of the Terms of Reference approved by the Board of Directors,
- details, if any, of cheques bounced and consequent action taken.

The Audit Committee is at liberty to meet the operating management in order to review the operations of the Company. The minutes of the Audit Committee meetings are circulated to the Board, discussed and taken note of.

The Members attended the meetings as follows:

Name of the Member	Meetings held during the tenure of Member	Meetings attended
Mr. Ravindra Kulkarni	4	4
Dr. Wolfgang Schütt	4	1
Mr. Pradeep Mallick	4	3
Mr. Suresh Talwar	4	4

14 IELANTAS Beck India Ltd. I Report on Corporate Governance I

(b) Share Transfer cum Investors' Grievance Committee:

(i) Composition: The Share Transfer cum Investors' Grievance Committee (STIGC) comprises Mr. Ravindra Kulkarni (Chairman), Mr. Rajeev Bhide, Mr. Prashant Deshpande and Mr. Sharadkumar Shetye. STIGC deals with all matters relating to shareholders / investors complaints in addition to the approval of transfer / transmission of shares, issue of duplicate certificates and issuance of certificates after split / consolidation / renewals thereof. In the absence of the Chairman, the members present elect one amongst themselves to chair the meeting of the Committee. During the year ended 31 December 2010, twenty meetings of the STIGC were held. As of 31 December 2010, there were no unresolved investor complaints pending and no shares pending transfer.

Mr. Shirish Dabir, Company Secretary & Head-Legal is designated as the Compliance Officer.

(ii) Complaints:

1	Number of Investor Complaints received during the period 1 January 2010 to 31 December 2010:	2
2	Number of Investor Complaints resolved during the period 1 January 2010 to 31 December 2010:	2
3	Number of Investor Complaints pending at the end of the period 1 January 2010 to 31 December 2010:	0
4	Number of SEBI registered Investor Complaints pending unresolved as at 31 December 2010:	0

4. Other Information:

(a) Code of Conduct:

The Company has drawn up a Code of Conduct for Executive Directors and Senior Management which has been adopted by the Board and posted on the Company's website as well as the Company's intranet for the ready reference of employees.

(b) Risk Management:

The Company reviews its risk management systems and processes from time to time. The findings are discussed from time to time at the meetings of the Audit Committee and the Board of Directors. The Company has put in place a comprehensive Enterprise Risk Management Manual which contains an in-depth evaluation and assessment of the adequacy of its risk management systems in various areas of risks. The Company has categorized its risks into three major categories viz. Financial, Strategic and Operational risks. The Company also periodically reviews the risks like Fire & Explosion, Effluent/Gas leakages, Use of Wrong Materials, Accidents and Liability Suits.

(c) General Body Meetings:

(i) Location & time of Annual General Meetings:

Certificate of compliance with corporate governance requirements under Clause 49 of the Listing Agreement

To the Members of
ELANTAS Beck India Limited

We have examined the compliance of conditions of corporate governance by ELANTAS Beck India Limited ("the Company") for the year ended 31 December 2010, as stipulated in Clause 49 of the Listing Agreement of the said Company with the Stock Exchange.

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the information and explanations given to us, we certify that the Company has complied in all material respects with the conditions of Corporate Governance as stipulated in the abovementioned Listing Agreement.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Certification by Chief Executive Officer (CEO) and Chief Financial Officer (CFO) pursuant to Clause 49 of the Listing Agreement.

We, Rajeev Bhide, Managing Director and Sanjay Kulkarni, General Manager- Finance & Materials, in our capacity as Chief Executive Officer (CEO) and Chief Financial Officer (CFO) respectively of the Company hereby certify that:

1. We have reviewed financial statements and the cash flow statement for the year ended 31 December 2010 and that to the best of our knowledge and belief:
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
4. We have indicated to the Auditors and the Audit committee:
 - (i) significant changes in internal control over financial reporting during the year;
 - (ii) significant changes in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - (iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

Auditors' Report

To the Members of
ELANTAS Beck India Limited

We have audited the attached Balance Sheet of ELANTAS Beck India Limited ('the Company') as at 31 December 2010, the related Profit and Loss account and the Cash Flow statement of the Company for the year ended on that date, annexed thereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

1. As required by the Companies (Auditor's Report) Order, 2003 issued by the Central Government of India in terms of sub-section (4A) of Section 227 of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order to the extent applicable to the Company.

2. Further to our comments in the Annexure referred to above, we report that:

- a) we have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of the audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the Balance Sheet, Profit and Loss account and Cash Flow statement dealt with by this report are in agreement with the books of account;
- d) in our opinion, the Balance Sheet, the Profit and Loss account and the Cash Flow statement dealt with by this report comply with the Accounting Standards referred to in sub-section (3C) of Section 211 of the Companies Act, 1956;
- e) on the basis of written representations received from the directors of the Company, as on 31 December 2010 and taken on record by the Board of Directors, we report that none of the Directors are disqualified as on 31 December 2010 from being appointed as a director in terms of clause (g) of sub-section (1) of Section 274 of the Companies Act, 1956; and
- f) in our opinion, and to the best of our information and according to the explanations given to us, the said financial statements give the information required by the Companies Act, 1956, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i) in the case of the Balance Sheet, of the state of affairs of the Company as at 31 December 2010;
 - ii) in the case of the Profit and Loss account, of the profit of the Company for the year ended on that date; and
 - iii) in the case of the Cash Flow statement, of the cash flows of the Company for the year ended on that date.

Annexure to the Auditors' Report - 31 December 2010

With reference to the Annexure referred to in paragraph 1 of the Auditors' Report to the Members of the Company on the financial statements for the year ended 31 December 2010, we report that:

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of two years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) Fixed assets disposed off during the year were not substantial, and therefore, do not affect the going concern assumption.

Annexure to Auditors' Report – 31 December 2010 (Continued)

2. (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained.
- (b) The procedures for physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material.
3. The Company has neither granted nor taken any loans, secured or unsecured, to or from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956.
4. In our opinion and according to the information and explanations given to us, and having regard to the explanation that purchases of certain items of inventories are for the Company's specialised requirements and suitable alternative sources are not available to obtain comparable quotations, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventories and fixed assets and with regard to the sale of goods and services. We have not observed any major weakness in the internal control system during the course of the audit.
5. (a) In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements referred to in Section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that section.
- (b) In our opinion, and according to the information and explanations given to us, the transactions made in pursuance of contracts and arrangements referred to in (a) above and exceeding the value of Rs 5 lakh with any party during the year have been made at prices which are reasonable having regard to the prevailing market prices at the relevant time.
6. The Company has not accepted any deposits from the public.
7. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
8. We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 in respect of resins (excluding natural resins) and varnishes and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
9. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Wealth Tax, Sales-tax, Service tax, Custom duty, Excise duty, Cess, Investor Education and Protection Fund and other material statutory dues have been regularly deposited by the Company with the appropriate authorities.

There were no dues on account of Cess under Section 441A of the Companies Act, 1956 since the aforesaid Section has not yet been made effective by the Central Government. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Sales tax, Wealth Tax, Service tax, Custom duty, Excise duty, Cess, Investor Education and Protection Fund and other material statutory dues were in arrears as at 31 December 2010 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of Income-tax, Sales tax, Wealth tax, Service tax, Custom duty, Excise duty and Cess, other than the dues listed in Appendix I, which have not been deposited by the Company on account of disputes.
10. The Company does not have any accumulated losses at the end of the financial year and has not incurred cash losses in the financial year and in the immediately preceding financial year.
11. The Company did not have any outstanding dues to any financial institution, banks or debenture holders during the year.
12. The Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
13. In our opinion and according to the information and explanations given to us, the Company is not a chit fund or a nidhi/ mutual benefit fund/society.
14. According to the information and explanations given to us, the Company is not dealing or trading in shares, securities, debentures and other investments.

Annexure to Auditors' Report – 31 December 2009 (Continued)

15. According to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks or financial institutions.
16. The Company did not have any term loans outstanding during the year.
17. According to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we are of the opinion that the funds raised on short-term basis have not been used for long-term investment.
18. The Company has not made any preferential allotment of shares to companies, firms or parties covered in the register maintained under Section 301 of the Companies Act 1956.
19. The Company did not have any outstanding debentures during the year.
20. The Company has not raised any money by public issues.
21. According to the information and explanations given to us, no fraud on or by the Company, has been noticed or reported during the course of our audit.

Notes to the financial statements for the year ended 31 December 2010

1. Significant accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting and comply with the Accounting Standards (AS) issued by the Companies (Accounting Standard) Rules, 2006 and the relevant provisions of the Companies Act, 1956, to the extent applicable. The financial statements are presented in Indian rupees rounded off to the nearest thousand.

1.2 Accounting estimates

The preparation of financial statements in conformity with the generally accepted accounting principles in India (Indian GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is prospectively recognised in current and future periods.

1.3 Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. The cost of fixed assets includes non refundable taxes and duties, freight and other incidental expenses related to the acquisition and installation of the respective assets. Depreciation on fixed assets is provided on the straight line method, in the manner and as per the rates specified in Schedule XIV to the Companies Act, 1956 except for assets costing ₹ 5,000 or less, which are depreciated fully in the year of purchase. Leasehold land is amortised over the remaining period of the lease.

Assets retired from active use and held for disposal are stated at the lower of cost or net realizable value less costs of disposal.

Advances paid towards acquisition of fixed assets outstanding at each Balance Sheet date and the cost of fixed assets not ready for their intended use at the Balance Sheet date are disclosed under capital work-in-progress.

1.4 Intangible assets and amortization

Intangible assets are recognized when the asset is identifiable, is within the control of the Company, it is probable that the future economic benefits that are attributable to the asset will flow to the Company and cost of the asset can be reliably measured. Intangible assets are recorded at their acquisition price and are amortised over their estimated useful lives on a straight line basis, commencing from the date the assets are available for use. The useful life of the intangible assets is reviewed by the management at each Balance Sheet date. Computer software is amortised over a period of 3 years and other intangibles over a period of 5 years.

1.5 Impairment of assets

In accordance with AS 28-Impairment of Assets, the carrying amounts of the Company's assets including intangible assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated, as the higher of the net selling price and the value in use. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is assessed at the recoverable amount subject to a maximum of depreciable historical cost.

Notes to the financial statements for the year ended 31 December 2010 (Continued)

1.6 Investments

Investments that are readily realizable and intended to be held for not more than twelve months are classified as current investments. All other investments are classified as long term investments.

Long term investments are stated at cost less any other- than- temporary diminution in value, determined separately for each individual investment. Current investments are carried at lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investments.

1.7 Inventories

Inventories are stated at lower of cost and net realizable value.

The cost is determined on the basis of Weighted Average method and includes expenditure in acquiring the inventories and bringing them to their existing location and condition. Materials-in-transit are stated at purchase cost.

In the case of manufactured inventories, cost includes an appropriate share of production overheads. Finished goods inventory includes excise duty payable.

Net realizable value is the estimated net sales realization in the ordinary course of business. The comparison of cost and net realizable value is made on an item-by-item basis.

The net realizable value of work-in-progress is determined with reference to the net sales realization of related finished goods.

Raw materials and other supplies held for use in production of finished goods are not written down below cost, except in cases where the material prices have declined and it is estimated that the cost of the finished goods will exceed their net realizable value. In such cases, the materials are valued at the lower of replacement cost or ultimate net realizable value.

1.8 Revenue recognition

Revenue from sale of goods is recognised on transfer of all significant risks and rewards of ownership to the buyer which is at the point of shipment or dispatch of goods. Sales are accounted net of amounts recovered towards sales tax and trade discounts.

Export incentives receivable are accrued for when the right to receive the credit is established and there is no significant uncertainty regarding the ultimate collection of export proceeds.

Interest income is recognised on a time proportion basis. Dividend income from investments is recognised when an unconditional right to receive payment is established.

1.9 Employee benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognised in the period in which the employee renders the related service.

Notes to the financial statements for the year ended 31 December 2010 (Continued)

(b) Post-employment benefits

- (i) Defined contribution plans: The Company's superannuation scheme and state governed provident fund scheme are defined contribution plans. The contribution paid/payable under the schemes is recognized during the period in which the employee renders the related service.
- (ii) Defined Benefit Plans: The employees' gratuity fund scheme and cash rewards at the time of retirement are the Company's defined benefit plans. The present value of the obligation under each defined benefit plan is determined based on actuarial valuation at each Balance Sheet date using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans are based on the market yields on Government securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense on a straight-line basis over the average period until the benefits become vested. To the extent the benefits vests immediately, the expense is recognized immediately in Profit and Loss account. Actuarial gains and losses are recognised immediately in the Profit and Loss account.

(c) Long term employee benefits

The obligation for long term employee benefits such as long term compensated absences, long service awards etc. is recognised in the same manner as in the case of defined benefit plans as mentioned in (b) (ii) above.

When the benefits of a plan are improved, the portion of increased benefit relating to past service by employees is recognized immediately in Profit and Loss account.

1.10 Foreign exchange transactions

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transaction. Monetary foreign currency assets and liabilities remaining unsettled at the balance sheet date are translated at the rates of exchange prevailing on that date. Gains / losses arising on account of such translation and subsequent realization / settlement of foreign exchange transactions are recognized in the Profit and Loss account.

1.11 Taxes on Income

Income tax expense comprises fringe benefit tax, current tax (i.e. amount of tax for the period determined in accordance with the income-tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward losses under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written-up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realised.

Notes to the financial statements for the year ended 31 December 2010 (Continued)

1.12 Earnings per Share ('EPS')

The basic EPS is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti dilutive.

1.13 Provisions and Contingencies

A provision is recognised when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

A disclosure for a contingent liability is made when there is a possible or present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.14 Leases

Leases of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Lease payments under operating lease are recognised as an expense in the Profit and Loss account on a straight – line basis over the lease term. Lease income under operating lease is recognised in the Profit and Loss account on a straight – line basis over the lease term.

27. Research and development expenses		
a) Expenses of revenue nature (debited to Profit and Loss account)	36,993	25,890
b) Expenses of capital nature (shown as addition to fixed assets)	2,011	51,124
	39,004	77,014

28. Employee benefits :**a) Defined benefit plan (Gratuity)**

The Company operates a gratuity plan wherein every employee is entitled to the benefit based on last drawn salary for each completed year of service. The same is payable on termination of service or retirement whichever is earlier. The benefit vests after five years of continuous service. The same is funded with the Life Insurance Corporation of India.

b) Defined benefit plan (Cash rewards at retirement)

As per the plan, at the time of normal retirement, ₹ 1 is payable to employees for each year of service rendered. The scheme is unfunded.

c) Defined contribution plans

Amount of ₹ 11,667 (previous year : ₹ 10,634) is recognised as an expense and included in the 'Contributions to provident and other funds' under note no 14.

d) Notes :

- 1) The plan assets comprises entirely of "Insurer Managed Funds".
- 2) The expected return on plan assets is based on market expectations, at the beginning of the year, for returns over the entire life of related obligations.
- 3) The estimates of future salary increases considered takes into account the inflation, seniority, promotion and other relevant factors on a long term basis.
- 4) Expected Employer's contribution in next year ₹ 2,000 (Previous year ₹ 1,115).

29. Segment reporting

The Company has disclosed business segments as the primary segment. Segments have been identified by the management taking into account the nature of products, manufacturing process, customer profiles, risk and reward parameters and other relevant factors.

The Company's operations have been classified into two primary segments, "Electrical Insulations" and "Engineering and Electronic Resins and Materials". Segment assets include all operating assets used by the business segment and consist primarily of fixed assets, debtors and inventories. Segment liabilities primarily include creditors and other liabilities. Assets and liabilities that cannot be allocated between the segments are shown as a part of unallocable assets and liabilities.

Secondary segments have been identified with reference to geographical location of the customers. The Company has identified India and outside India as the two geographical segments for secondary segmental reporting. Geographical sales are segregated based on the location of the customer who is invoiced. Assets other than receivables used in the Company's business or liabilities contracted have not been identified to any of the reportable geographical segments, as these are used interchangeably between geographical segments. All assets other than receivables are located in India. Similarly, capital expenditure is incurred towards fixed assets in India.

It may also be noted that once the unclaimed dividend is transferred to the credit of the said Fund, as above, no claim shall lie in respect thereof with the Company.

Pune
Date: 24 March 2011

By order of the Board of Directors
Shirish Dabir
Company Secretary

Annexure to the Notice

Explanatory Statement pursuant to Section 173 (2) of the Companies Act, 1956.

Item No. 6

The members in the General Meeting held on 26 May 2008 had approved the ceiling of ₹ 15 lakh on perquisites payable to the Managing Director. During the year 2010, the amount of perquisites paid and accrued to the Managing Director, Mr. Rajeev Bhide worked out to ₹ 15,32,744/-, which exceeded the ceiling limit of ₹ 15 lakh by ₹ 32,744/- on account of the accrued value of options in the Parent Company treated as a perquisite.

It is proposed that the aforesaid amount of ₹ 32,744/- accrued in excess of the ceiling limit on perquisites, to the Managing Director, be ratified by the members.

Except Mr. Rajeev Bhide, no other director is concerned or interested in the resolution.

Item No. 7

The members in General Meetings have resolved to appoint/ re-appoint the Managing Director and Wholetime Directors of the Company with the authority to the Board to alter and revise the remuneration within the overall maximum ceiling fixed by the members. It is proposed that the overall maximum ceiling for Salary & Special Allowance, Performance Salary and Perquisites of the Managing Director and Wholetime Directors of the Company be raised as mentioned in the resolution with effect from 15 February 2011 to provide for increments to them, on the basis of their own performance and that of the Company.

Except Mr. Rajeev Bhide, Mr. Prashant Deshpande and Mr. Sharadkumar Shetye, no other director is concerned or interested in the resolution.

Item No. 8

The Board of Directors, at its meeting held on 15 February 2011, re-appointed Mr. Prashant Deshpande, as a Wholetime Director of the Company for a period of one year with effect from 28 May 2011 i.e. from 28 May 2011 to 27 May 2012, on the terms & conditions and remuneration set out in the agreement to be entered into with him.

The Company now proposes to seek the approval of the members to consider his re-appointment from 28 May 2011 to 27 May 2012, on the following remuneration which shall be within the overall ceilings as specified in Schedule XIII of the Companies Act, 1956.

A. Salary:

Salary including special allowance not exceeding ₹ 25 lakh per annum, as may be decided by the Board of Directors from time to time.

B. Performance Salary:

Performance Salary not exceeding ₹ 22 lakh per annum, as may be decided by the Board of Directors from time to time.

C. Perquisites:

- (i) Housing: Furnished / unfurnished accommodation or House Rent Allowance in lieu thereof.
- (ii) Other perquisites: Gas, electricity, water, furnishing, medical reimbursement, leave travel allowance (for self and family), club fees, medical insurance, other benefits and amenities as per the rules of the Company as applicable from time to time.

Monetary value of the above perquisites is restricted to ₹ 18 lakh per annum. Company's contribution to Provident Fund, Superannuation fund and benefits under the Company's pension scheme not exceeding 27% of the salary shall not be included in the computation of limits for remuneration or perquisites as aforesaid.

Gratuity payable at a rate not exceeding half a month's salary for each completed year of service and encashment of Leave at the end of the tenure shall not be included in the computation of limits of remuneration or perquisites.

Explanation: Perquisites shall be evaluated as per the Income Tax Rules, 1962 wherever applicable and in the absence of any such rule, perquisites shall be evaluated on the basis of actual cost thereof to the Company.

Use of car for official duties and telephone at residence (including payments of local and long distance official calls) will not be included in the computation of perquisites for the purpose of computing the ceiling.

Where in any financial year during the tenure of Mr. Prashant Deshpande, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to Mr. Prashant Deshpande by way of salary, special allowance, performance linked incentive / bonus, perquisites and any other allowance, (such an amount not exceeding the ceiling limits of ₹ 65,00,000/- per annum or ₹ 5,41,666/- per month as the case may be), in terms of para 1 of Section II of Schedule XIII to the Companies Act, 1956. The following perquisites however, shall not be included in the computation with respect to the ceiling on remuneration:

- (a) Contribution to provident fund, superannuation fund, annuity fund and benefits under the Company's pension scheme to the extent these singly or put together are not taxable under the Income Tax Act, 1961.
- (b) Gratuity payable at a rate not exceeding half a months salary for each completed year of service, and
- (c) Encashment of leave at the end of tenure.

The total remuneration payable by way of salary/special allowance, performance linked incentive / bonus, commission, perquisites and other allowances, contribution to provident fund, superannuation fund, and benefits under the Company's pension scheme to Mr. Prashant Deshpande, together with the remuneration payable to the Managing Director and other

Wholetime Director(s), if any, shall not exceed 10% of the net profits of the Company computed in accordance with Section 198 and Section 309 of the Companies Act, 1956.

The Board of Directors may, in its discretion pay to the Wholetime Director, lower remuneration than the maximum remuneration stipulated above and revise the remuneration from time to time, within the maximum limits stipulated above.

Except Mr. Prashant Deshpande, who is interested in the resolution and in his re-appointment, none of the other directors of the Company is interested in this resolution. The Board recommends passing of the subject resolution.

The above should also be considered as an abstract of the terms of the re-appointment of Mr. Prashant Deshpande and a memorandum as to the nature of the concern or interest of the director in the said re-appointment as required under Section 302 of the Companies Act, 1956.

Item No. 9

The Board of Directors, at its meeting held on 15 February 2011, re-appointed Mr. Sharadkumar Shetye, as a Wholetime Director of the Company for a period of one year with effect from 28 May 2011 i.e. from 28 May 2011 to 27 May 2012, on the terms & conditions and remuneration set out in the agreement to be entered into with him.

The Company now proposes to seek the approval of the members to consider his re-appointment from 28 May 2011 to 27 May 2012, on the following remuneration which shall be within the overall ceilings as specified in Schedule XIII of the Companies Act, 1956.

A. Salary:

Salary including special allowance not exceeding ₹ 25 lakh per annum, as may be decided by the Board of Directors from time to time.

B. Performance Salary:

Performance Salary not exceeding ₹ 22 lakh per annum, as may be decided by the Board of Directors from time to time.

C. Perquisites:

- (i) Housing: Furnished / unfurnished accommodation or House Rent Allowance in lieu thereof.
- (ii) Other perquisites: Gas, electricity, water, furnishing, medical reimbursement, leave travel allowance (for self and family), club fees, medical insurance, other benefits and amenities as per the rules of the Company as applicable from time to time.

Monetary value of the above perquisites is restricted to ₹ 18 lakh per annum. Company's contribution to Provident Fund, Superannuation fund and benefits under the Company's pension scheme not exceeding 27% of the salary shall not be included in the computation of limits for remuneration or perquisites as aforesaid.

Gratuity payable at a rate not exceeding half a month's salary for each completed year of service and encashment of Leave at the end of the tenure shall not be included in the computation of limits of remuneration or perquisites.

Explanation: Perquisites shall be evaluated as per the Income Tax Rules, 1962 wherever applicable and in the absence of any such rule, perquisites shall be evaluated on the basis of actual cost thereof to the Company.

Use of car for official duties and telephone at residence (including payments of local and long distance official calls) will not be included in the computation of perquisites for the purpose of computing the ceiling.

Where in any financial year during the tenure of Mr. Sharadkumar Shetye, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to Mr. Sharadkumar Shetye by way of salary, special allowance, performance linked incentive / bonus, perquisites and any other allowance, (such an amount not exceeding the ceiling limits of ₹ 65,00,000/- per annum or ₹ 5,41,666/- per month as the case may be), in terms of para 1 of Section II of Schedule XIII to the Companies Act, 1956. The following perquisites however, shall not be included in the computation with respect to the ceiling on remuneration:

- (a) Contribution to provident fund, superannuation fund, annuity fund and benefits under the Company's pension scheme to the extent these singly or put together are not taxable under the Income Tax Act, 1961.
- (b) Gratuity payable at a rate not exceeding half a month's salary for each completed year of service and
- (c) Encashment of leave at the end of tenure.

The total remuneration payable by way of salary/special allowance, performance linked incentive / bonus, commission, perquisites and other allowances, contribution to provident fund, superannuation fund and benefits under the Company's pension scheme to Mr. Sharadkumar Shetye, together with the remuneration payable to the Managing Director and other Wholetime Director(s), if any, shall not exceed 10% of the net profits of the Company computed in accordance with Section 198 and Section 309 of the Companies Act, 1956.

The Board of Directors may, in its discretion pay to the Wholetime Director, lower remuneration than the maximum remuneration stipulated above and revise the remuneration from time to time, within the maximum limits stipulated above.

Except Mr. Sharadkumar Shetye, who is interested in the resolution and in his re-appointment, none of the other directors of the Company is interested in this resolution. The Board recommends passing of the subject resolution.

The above should also be considered as an abstract of the terms of the re-appointment of Mr. Sharadkumar Shetye and a memorandum as to the nature of the concern or interest of the director in the said re-appointment as required under Section 302 of the Companies Act, 1956.
