a) Industry structure and developments

Since its inception, Maharashtra Scooters Ltd has been operating in the geared scooter segment of the two wheeler industry and consequently over the period it has developed adequate skills in the manufacture of pressure die casting dies, jigs, fixtures etc. for two and three-wheelers. With the market for geared scooters extinguished and the company having discontinued the production of geared scooters since April, 2006, production activity during the year was restricted to manufacture of pressure die casting dies, jigs and fixtures.

The Company continues to produce pressure die casting dies, jigs and fixtures for automobiles industry, which is marked by volatility in demand.

The near term outlook continues to remain uncertain.

In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

1. Statement of Significant Accounting Policies

Basis of preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

Deferred Tax provisions are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

9) Provisions and Contingent Liabilities
