**ANNEXURE TO THE NOTICE
STATEMENT OF MATERIAL FACTS PURSUANT TO SECTION
102(1) OF THE COMPANIES ACT, 2013**

ITEM No. 4

The Board of Directors of the Company at their meeting held on 28th May, 2017 has, on recommendation of the Audit Committee appointed M/s. Nanty Shah & Associates as Cost Auditors of the Company for the Financial Year 2017-18 at a remuneration not exceeding ₹30,000/- excluding out of pocket expenses and applicable service tax.

As per Section 148 of the Companies Act, 2013 and the rules made there under the remuneration payable to the Cost Auditor is to be confirmed by the members of the Company. The Board recommends the resolution at Item No. 3 for the approval of the members as an ordinary resolution.

None of the other Directors or Key Managerial Personnel or their relatives are, in any way, concerned or interested in the passing of this resolution.

ITEM No. 5

The Board of Directors have appointed Mrs. Kavita Tapan Patel (DIN:07671628) as an Additional & Independent Director of the Company on 10th December, 2016.

Under the relevant provisions of Section 149 and 161 of the Companies Act, 2013 read with Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements), 2015, she will hold the office up to the date 9th December 2021.

Keeping in view her experience and knowledge, the Board considers that the proposed appointment of Mrs. Kavita Tapan Patel would be of immense benefit to the Company. Accordingly, the Board recommends the resolution in relation to the appointment of Mrs. Kavita Tapan Patel as a Director of the Company. She has given a declaration to the Board that she meets the criteria of Independence as provided under section 149(6) of the Act. In the opinion of the Board, she fulfills the conditions specified in the Act and the Rules framed there under for appointment as Independent Director and she is independent of the Management.

In compliance with the provisions of section 149 read with Schedule IV of the Act, the appointment of Independent Director is now being placed before the Members for their approval.

Except Mrs. Kavita Tapan Patel, none of the other Directors or Key Managerial Personnel (KMP) or their relatives are, in any way, concerned or interested in the passing of this resolution.

Item No. 6

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A] INDUSTRY STRUCTURE AND DEVELOPMENTS

There are about 750 – 800 paper mills (organized & unorganized sector) in the country with Installed capacity of 13 Million tonnes with the domestic demand for all varieties of paper in India is estimated at around 15.30 Million tonnes in FY 2015-16 (production 13.30 Million tonnes - Exports 0.6 Million tonnes & Import 2.6 Million tonnes) which is 3% of global demand of 400 Million tonnes even though population of 121 crores as per 2011 census is 17% of world population.

Wood based industry accounts for 24% of production while waste paper and agri residue accounts for 65% & 11% respectively. Capacity-wise industrial Paper accounts for about 40%, Printing & Writing Paper 35%, Speciality Paper 6% and Newsprint 19% of total production.

The demand writing & printing paper accounts for approx. 4.64 Million tonnes, packaging grades for approx. 7.50 Million tonnes and newsprint about 2.54 Million tonnes apart from specialty grade about 0.62 Million tones based on data for FY 2015-16.

The estimated turnover of the industry is INR 50,000 crore approximately and its contribution to the exchequer is around INR 4,500 crore. The industry provides employment to more than 0.5 million people directly and 1.5 million people indirectly.

There are about 121 units manufacturing newsprint with installed capacity of 2.6 million tonnes in our country whereas demand of newsprint is estimated at around 2.74 Million tonnes in FY 2016-17 (production 1.06 Million tonnes – Imports 1.68 Million tonnes. The per capita consumption is about 2 kg and it is expected to grow in line with GDP growth which is projected to be 6.75 to 7.50 % as per Economic survey 2017.

The global demand is estimated to 23 million tonnes per annum [down from peak of 32 million tonnes per annum] with surplus capacity due decline in demand caused by trends in advertising, electronic data transmission and storage, and the Internet with adverse effects on the demand for traditional print media Neither the timing nor the extent of those trends can be predicted with certainty. The aging population and declining birth rate also affected demand of newsprint. This sector is to compete with, other forms of media and advertising and electronic data transmission and storage, such as television, electronic readers and websites which has reduced consumption of newsprint.

Some of the leading newsprint manufactures have either closed capacity or converted machines to produce LWC container board etc. The decline in newsprint worldwide is estimated to be 10 % in year 2015 and 5% in year 2016 with decline reported from Europe, Oceania, South Africa and North America.

The consumption of newsprint was 6.5 million tonnes in Europe 3.4 million tones in North America whereas it was 11.0 million tones in Asia and Oceania in year 2016.

The Ministry of Power, Government of India has notified unit-specific “energy use norms” for the paper industry vide Notification dated 30.03.2012 and the industry had to comply the same by the target year 2014-15. Non-compliance of the same leads to penalties whereas improvement over the norms is rewarded by issue of Energy Saving Certificates. The Company had reported improvements and has been issued 5054 Energy Saving Certificates.

B] OPPORTUNITIES & THREATS

The low per capita consumption of paper/paperboard in the country is bound to increase with the growth in the GDP, rising income of middle class, increasing demand for computer stationery and spending by Government on education sector and ban on plastic packaging starting with Gutka manufacturing units. The consumption of newsprint is also expected to raise on lines of GDP growth irrespective of decline worldwide which also appears to have bottomed out.

The Import duty on paper & paper board for ASEAN countries has been reduced from 2.50% to 0% with effect from 01.01.2014 vide notification No.57/2013 dated 31.12.2013 which had implications in terms of cheaper imports being of 2.60 million tonnes in 2015-16. Newsprint is not subject to any import duty which continues to remain a threat to domestic industry.

The company has swing facility on one of the machine to manufacturer writing & printing paper as per market conditions and has restarted production of writing & printing paper from Feb.2017 and 1257 MT was produced in 2016-17 .

The industry imports waste paper for sustained production of newsprint and depreciation of rupee against US dollar may lead to increase in input cost. There was sudden jump in imported waste paper rates in Q3 of 2016-17 due to demand by China.

C] SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The company is operating only in paper and newsprint segment hence segment wise reporting is not applicable

D] OUTLOOK

India is the fastest growing paper market in the world with expected CAGR of 6 to 6.5% in next 5 years due to thrust on education, urbanization and growth in economy. Newsprint sector is also expected to grow in line with GDP growth.

E] RISK & CONCERNS

The Company has derived 99 % of revenue from newsprint business in 2016-17 hence may be affected due to import of newsprint. Further absence of organized collection of waste paper and therefore reliance on imported waste paper may affect it with depreciation of rupee against US dollar. However, plant is located near to Hazira port which gives it advantage over competitors in the segment.

F] INTERNAL CONTYROL SYSTEMS AND THEIR ADEQUACY

The Company has adequate system of internal control to safeguard and protect from loss, unauthorized use or disposition of its assets. All the transactions are properly authorized, recorded and reported to the Management. The Company is following all the applicable Accounting Standards for properly maintaining the books of accounts and reporting financial statements. The Company has engaged Earnst & Young for Internal Audit and yearly audit programme is submitted to the audit committee of the Board. The audit reports are reviewed by the management and the Audit Committee of the Board from time to time. Implementation of SAP ERP has also strengthened the internal control systems of the company

G] DISCUSSION ON FINANCEIL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

This has been dealt with in the Directors' Report.

H] MATERIAL DEVELOPMENT IN HUMAN RESOURCES /INDUSTRIAL RELATIONS FRONT INCLUDING NO OF PEOPLE EMPLOYED

The Company had entered into bipartite long term wage revision settlement with the recognized union on 11th July 2015 for period of 7 years from July 2013 to June 2020. The company's industrial relations are cordial. Your Directors acknowledge the support and co-operation from employees at all levels.

The Company has drawn specific programme to improve the skills of the workers. Further, it is providing necessary training as part of TPM. There is continuous interaction among the Management, Union and Labour for improving the knowledge and training of the workers.

The Company employs 388 people as on 31.3.2017 as against 411 people employed as on 31.3.2016.

I] CAUTIONARY STATEMENT

The statements in this report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions may be "forward looking statements" within the meaning of applicable securities laws or regulations. These statements are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand supply conditions, finished goods prices, raw material cost and availability, changes in Government regulations, tax regimes, economic developments within India and other factors such as litigation and industrial relations. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To the Members of Shree Rama Newsprint Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS Financial Statements of Shree Rama Newsprint Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information, (hereinafter referred to as "Ind AS Financial Statements").

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the (state of affairs) financial position, profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules thereunder and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls and ensuring their operating effectiveness and the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Ind AS Financial Statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2017, its loss (financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss, Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d. In our opinion, the aforesaid Ind AS Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with relevant rules issued thereunder;
- e. On the basis of written representations received from the directors as on March 31, 2017, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, we give our separate Report in "Annexure 2".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements – Refer Note 29 on Contingent Liabilities;
 - (ii) The Company did not have any long-term contracts including derivative contracts. Hence, the question of any material foreseeable loss does not arise;

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Shree Rama Newsprint Limited on the financial statements for the year ended 31.03.2017]

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) During the year, fixed assets have been physically verified by the management as per the regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties, recorded as fixed assets in the books of account of the Company, are held in the name of the Company.
- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. As informed, no material discrepancies were noticed on physical verification carried out during the year.
- (iii) As informed, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii)(a), 3 (iii)(b) and 3 (iii)(c) of the Order are not applicable to the Company.
- (iv) Based on information and explanation given to us in respect of loans, investments, guarantees and securities, the Company has complied with the provisions of Section 185 and 186 of the Act.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the provisions of Sections 73 to 76 of the Act and the rules framed there under.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of products where the maintenance of cost records has been specified by the Central Government under sub-section (1) of Section 148 of the Act and the rules framed there under and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, customs duty, excise duty, cess and any other material statutory dues applicable to it, however, there have been slight delay in few cases.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Shree Rama Newsprint Limited on the financial statements for the year ended 31.03.2017]

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Rama Newsprint Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Corporate Information:

Shree Rama Newsprint Limited ("the Company") is a public company incorporated and domiciled in India. It is engaged in the business of manufacturing and selling of Newsprint and Writing & printing papers. The Company's equity share is listed on the Bombay Stock Exchange Ltd. and National Stock Exchange of India Ltd.

2. SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Preparation:

i) Statement of Compliance with Ind AS:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements for the year ended 31st March, 2017, comprising of Balance Sheet, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows, are the first financials with comparatives, prepared under Ind AS. For all previous periods including the year ended 31st March, 2016, the Company had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2015 being the date of transition to Ind AS.

ii) Historical cost convention:

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value; and
- 2) defined benefit plans - plan assets measured at fair value;

iii) Current non-current classification:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

iv) Rounding of amounts:

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lacs as per the requirement of Schedule III, unless otherwise stated.

b. Use of Estimates and Judgements:

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements, disclosures relating to contingent liabilities as at the date of Financial Statements and the reported amounts

of revenues and expenses during the reporting Year. Estimates and underlying assumptions are reviewed on an ongoing basis. Such Estimates & assumptions are based on management evaluation of relevant facts & circumstances as on date of financial statements. Differences between actual results and estimates are recognized in the year in which the results are known / materialized.

c. Revenue Recognition:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are inclusive of excise duty and net of returns, trade allowances, rebates, discounts, value added taxes and amounts collected on behalf of third parties.

Sale of Product: Revenue is recognized when the significant risks & rewards of ownership of the goods have passed to the buyer.

Interest and Dividend Income: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Dividend income is recognized when the shareholders' right to receive dividend is established.

Export Incentive: Incentive on Export Income is recognized when certainty of receipts is established.

Insurance Claim: Claims receivable are accounted at the time when such income has been earned by the Company depending on the certainty of receipts.

Rent: Rent Income is recognized on the accrual basis based on agreement entered by the Company with the tenants.

d. Property, Plant and Equipments:

Property, plant & equipment are stated at cost less accumulated depreciation thereon. The cost of property, plant & equipment comprises purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Project under commissioning and other capital work-in-progress are carried at cost, comprising direct cost, related incidental pre-operative expenses, and attributed interest.

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses. Freehold land is not depreciated.

Fixtures and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit or loss.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Transition to Ind AS

On transition to Ind AS, the Company has opted for fair valuation of its Freehold Land, Buildings and Plant & Machinery. For other assets, the Company has opted to continue with their net carrying value as on April 01, 2015 as per the previous GAAP. These fair valued amount and net carrying value are treated as deemed cost of property, plant and equipment.

Freehold Land, Buildings and Plant & Machinery are recognised at fair value based on valuations by external independent valuer, less subsequent depreciation on Buildings and Plant and Machinery.

Increases in the carrying amounts arising on fair valuation of Freehold Land, Buildings and Plant & Machinery are recognised, net of tax, in other equity on the transition date.

e. Depreciation:

Depreciation on property, plant and equipment is provided on a Straight Line Method. The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act, except for buildings and plant and machinery which based on an independent technical evaluation, is different from that prescribed in schedule II to the Act and the life ranges from 10 to 43 years. Life of other assets existing on the date of transition to Ind AS i.e. April 1, 2015 has been estimated to be 2 years.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

f. Intangible Assets and Amortisation:

Intangible assets are stated at cost of acquisition less accumulated amortization and accumulated impairment loss, if any. Intangible asset i.e. Software, is amortized over its estimated useful life of 5 years on straight line basis.

g. Borrowing Costs:

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial year of time to get ready for intended use. All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

h. Foreign Currency Transactions:

(i) Functional and Presentation Currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Foreign Currency Transactions

Foreign Currency Current Assets and Current Liabilities are recorded at the actual transaction rate. The gain or loss arising out of settlement/translation of the assets and liabilities at the closing rates due to exchange fluctuations is recognized as income/ expenditure in the Statement of Profit and loss.

Premium or discount arising at the inception of forward exchange contract is amortized as expense or income over the life of the contract. Any gain or loss arising due to exchange difference

at the end of the year on such contract are recognized in Statement of Profit & loss.

Foreign exchange differences regarded as an adjustment to borrowing cost are presented in the statement of profit and loss, within finance costs.

All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis.

i. Impairment Of Assets:

The carrying value of Company's assets / cash generating units are reviewed for impairment annually or more often if there is an indication of decline in value. If any indication of such impairment exists, the recoverable amount of those assets are estimated and impairment loss is recognized, if the carrying amount of those assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price or their value in use, or value in use is arrived at by discounting the estimated future cash flows to their present value based on appropriate discount factor. Net selling price is the estimated selling price in the ordinary course of business, less estimated cost of completion and to make the sale. As per the assessment conducted by the Company at March 31, 2017, there were no indications that the fixed assets have suffered an impairment loss.

j. Taxation:

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there

is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

k. Inventories:

Inventories are valued at Lower of cost and Net Realizable Value. Goods-in-Transit are stated 'at cost'. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The costs for the purpose of valuation are determined as under:
Finished goods and Stock-in-process: Manufacturing Costs.

Raw materials & others : Weighted Average Cost

Coal & Chemicals : Weighted Average cost.

Stores & Spares : Weighted Average cost

l. Central Excise Duty:

Excise Duty payable on finished goods is accounted for on clearance of goods. CENVAT Credit on Capital Goods and inputs is accounted for on the date of actual receipt of the same, respectively.

m. Investments:

The Company's management has made an irrevocable choice, on initial recognition, to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the statement of profit and loss.

n. Research & Development Expenditure:

Revenue expenditure on research & development is charged to Statement of Profit & Loss account and capital expenditure is added to the cost of fixed assets in the year in which it is incurred.

o. Bad Debts / Advances:

Bad debts or advances are written off in the year in which they become irrecoverable.

p. Cash Flow Statement:

The Cash Flow Statement is prepared by the "indirect method" set out in Indian Accounting Standard 7 (Ind AS 7) on "Statement of Cash Flows" and presents the cash flows by operating, investing and financing activities of the Company. Cash and cash equivalents presented in the Cash Flow Statements consist of cash on hand and balances with bank.

q. Derivative Contracts:

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

r. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized when the Company has a present legal or constructive obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding long term benefits) are not discounted to its present value and are determined based on best estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes to the Financial Statements. A

contingent asset is not recognized but is disclosed when an inflow of economic benefits is probable.

s. Leases:

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Lease: Company as a lessee

Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

t. Borrowings:

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost.

The fair value of zero coupon optionally non-convertible debentures is determined using a base interest rate for other bank borrowing. This amount is recorded as a liability on an amortised cost basis until extinguishment on conversion or redemption of debentures. The remainder of the proceed is booked as other income.

The fair value of the liability portion of zero coupon optionally convertible debentures is determined using a market interest rate for an equivalent debenture. This amount is recorded as a liability on an amortised cost basis until extinguishment on conversion or redemption of debentures. The remainder of the proceed is attributable to the equity portion of the compound instrument. This is recognised and included in the shareholders' equity and is not subsequently remeasured.

u. Other Financial Assets:

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

v. Employee Benefits:

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and

are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund & employees' state insurance.

Gratuity obligations:

The liability recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined Contribution Plans:

Defined Contribution Plans such as Provident Fund and Employees' State Insurance are charged to the Statement of Profit and Loss as incurred. The Company has no further payment obligations once the contributions have been paid.

w. Earnings Per Equity Share:

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the

average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

x. Contributed Equity:

Equity Shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

y. Recent Accounting Pronouncements: Standards issued but not yet effective

In March 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, 'Statement of cash flows' and Ind AS 102, 'Share-based payment.' These amendments are in accordance with the recent amendments made by International Accounting Standards Board (IASB) to IAS 7, 'Statement of cash flows' and IFRS 2, 'Share-based payment,' respectively. The amendments are applicable to the Company from April 1, 2017.

(i) Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

(ii) Amendment to Ind AS 102:

Not applicable as the company is not having any share base payment to its employees.

(iii) Critical Estimates and Judgements:

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgment are:

Estimation of Defined benefit obligation – refer note 26

Estimation of Intangible Assets & Property, Plant & Equipment – refer note 2(d), 2(e) & 2(f).

26. EMPLOYEE BENEFITS:
Defined Benefit Plans

The Company offers the following employee benefit schemes to its employees.

Gratuity: The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded.

Risk Exposure: The defined benefit plans exposes the Company to actuarial risk, such as longevity risk, interest rate risk and market (investment) risk. The Company actively monitors how the duration and the expected yield of investments are matching the expected cash outflows arising from the employee benefit obligations. The Company has not changed the processes used to manage its risks from previous periods and monitors such obligation on regular basis.

Principal actuarial assumptions

Principal actuarial assumptions used to determine the present value of the defined benefit obligation are as follows:

Actuarial Assumptions	2017	2016
Discount Rate	7.26	7.99
Expected rate of salary increase	5.00	5.00
Mortality	-	-
Withdrawal Rates	2%	2%

Sensitivity

The sensitivity of the defined benefit obligation to changes in the weighted key assumptions are:

Significant Assumptions	As at 31st March 2017			As at 31st March 2016		
	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities	Change in assumption	Increase in present value of plan liabilities	Decrease in present value of plan liabilities
Discount rate	1%	(26.04)	29.48	1%	(20.76)	23.56

Attrition Rate	1%	4.16	(4.59)	1%	4.89	(5.38)

The sensitivity analyses above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period and may not be representative of the actual change. It is based on a change in the key assumption while holding all other assumptions constant. When calculating the sensitivity to the assumption, the method (Projected Unit Credit Method) used to calculate the liability recognised in the balance sheet has been applied. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared with the previous period.

Fair value hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV and listed equity instruments are being valued at the closing prices on recognised stock exchange.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

32. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

The Company's financial risk management policy is set by the management. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company manages market risk which evaluates and exercises independent control over the entire process of market risk management. The management recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee.

a. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Credit risk arises from cash held with banks as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. An impairment analysis is performed at each reporting date on an individual basis for major customers. The Company also hold security deposits for outstanding trade receivables. The history of trade receivables shows a negligible provision for bad and doubtful debts.

b. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

Maturities of financial liabilities

The tables below analyze the company's financial liabilities into relevant maturity groupings based on their contractual maturities:

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities.

d. Foreign exchange risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The Company's foreign exchange risk arises from its foreign currency borrowings (primarily in USD). As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in Indian rupees may decrease.

The following table sets forth information relating to foreign currency exposure (other than risk arising from derivatives disclosed below):

(₹ in lacs)

Particulars	As at March 31, 2017		As at March 31, 2016	
	USD	INR	USD	INR
Foreign Currency Exposures	56.38	3,655.60	12.02	796.01
Total	56.38	3,655.60	12.02	796.01

The above foreign currency exposures are not hedged by the derivative instruments.

The sensitivity of profit or loss due to changes in the exchange rates arises mainly from non-derivative foreign currency denominated financial instruments (mainly financial instruments denominated in USD). The same is summarized as below:

(₹ in lacs)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However the company's exposure to foreign currency loan is of fixed interest rate.

The Company's investments in term deposits (i.e., margin money) with banks are for short durations, and therefore do not expose the Company to significant interest rates risk.

(i) Interest rate risk exposure

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Variable rate borrowings (₹ in lacs)

Particulars	As at March 31, 2017		As at March 31, 2016

34 FIRST-TIME ADOPTION OF IND AS – MANDATORY EXCEPTIONS, OPTIONAL EXEMPTIONS:

These financial statements for the year ended March 31, 2017, are the Company's first Ind AS financial statements which have been prepared in accordance with Ind AS. For periods up to and including the year ended March 31, 2016, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with relevant rules of the Companies (Accounts) Rules, 2014 (Indian GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on March 31, 2017, together with the comparative period data as at and for the year ended March 31, 2016, as described in the summary of significant accounting policies. The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2015 (the transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, not recognizing

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017

items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from Previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognized assets and liabilities.

Exemptions and Exceptions Availed**A. Ind AS optional exemptions****1. Deemed Cost**

Ind AS 101 permits a first-time adopter to elect to measure an item of its property, plant and equipments at the transition date at its fair valuation or to continue with the carrying value for its property, plant and equipment as recognised in the financial statements, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities.

Accordingly, the Company has elected for fair valuation of its Freehold Land, Buildings and Plant & Machinery. For other assets, the Company has elected to continue with their net carrying value as on April 01, 2015 as per the previous GAAP. These fair valued amount and net carrying value are treated as deemed cost of property, plant and equipment.

2. Designation of previously recognised financial instruments

Ind AS 101 allows an entity to designate investments in equity instruments at FVOCI on the basis of the facts and circumstance at the date of transition to Ind AS.

The company has opted to apply this exemption for its investments in equity instruments.

B. Ind AS mandatory exceptions**1. Estimates**

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP. The Company made following estimates in accordance with Ind AS at the date of transition as these were not required under previous GAAP:

Investment in equity instruments carried at FVOCI.

C. Transition to Ind AS - Reconciliations

The following reconciliations provide a quantification of the effect of significant differences arising from the transition from previous GAAP to Ind AS as required under Ind AS 101 :

- (i) Reconciliation of balance sheet as previously reported under IGAAP to Ind AS
- (ii) Reconciliation of Statement of Profit and Loss as previously reported under IGAAP to Ind AS
- (iii) Reconciliation of Equity as at March 31, 2016 and April 1, 2015
- (iv) Reconciliation of Total Comprehensive Income for the year ended March 31, 2016

The presentation requirements under Previous GAAP differs from Ind AS and hence, Previous GAAP information have been regrouped for ease of reconciliation with Ind AS. The Regrouped Previous GAAP information is derived from the Financial Statement of the Company prepared in accordance with Previous GAAP.

Notes to First time adoption:
(I) Fair valuation of Investments:

Under Previous GAAP, all long term investments were measured at cost less diminution in value which is other than temporary, while under Ind AS, the Company has also made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of equity investments which are not held for trading.

(II) Zero Coupon Debenture & Deposits

Under Previous GAAP, Zero Coupon Debenture was valued at carrying cost. Under Ind AS, it is valued at discounted value and accordingly, the amortization value was initially recognized as income in Statement of Profit & Loss and the same will be charged off till maturity as part of finance cost.

(III) Freehold Land, Building, Plant & Machinery

Under Previous GAAP, Property, Plant & Equipment are stated at cost less accumulated depreciation thereon. Under Ind AS, the Company has adopted fair valuation for its Freehold Land, Building & Plant and Machinery as deemed cost on the date of transition in accordance with IND AS 101. At the date of transition to Ind AS, Freehold Land, Building & Plant and Machinery have been fair valued to ₹ 24,997.35 lacs, ₹ 8,117.61 lacs and ₹ 36,885 lacs respectively. Total upwards movement in the value is ₹ 24,819.93 lacs, ₹ 2,903.46 lacs and ₹ 21,991.79 lacs respectively. The carrying amounts of Freehold Land, Building & Plant and Machinery as per the previous gaap were ₹ 177.42 lacs, ₹ 5,214.15 lacs and ₹ 14,893.21 lacs respectively.

(IV) Employee Benefits:

Under Previous GAAP, actuarial gains and losses on defined benefit liabilities were recognised in the Statement of profit and loss. Under Ind AS, the actuarial gains and losses form part of re-measurement of net defined benefit liability which is recognised in other comprehensive income in the respective periods. However, the same does not result in changes in equity or total comprehensive income.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2017
(V) Deferred Tax:

The impact of transition adjustments for computation of deferred tax has resulted in change to the Reserves, on the date of transition, with consequential impact to the Statement of Profit and Loss / Other Comprehensive Income for the subsequent periods.

(VI) Compound Financial Instruments:

Under Previous GAAP, Zero Coupon Optionally Convertible Debenture was valued at carrying cost. Under Ind AS, the fair value of the liability portion of these debentures is determined using a market interest rate for an equivalent debenture. This amount is recorded as a liability on an amortised cost basis until extinguishment on conversion or redemption of the debentures. The remainder of the proceed is attributable to the equity portion of the compound instrument. This is recognised and included in the shareholders' equity and is not subsequently remeasured.

(VII) Share Issue Expenses:

Under Previous GAAP, incremental costs directly attributable to the issue of new shares were charged to the Statement of Profit and Loss. However, under Ind AS, these incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

- 35 (a)** During the year company has entered into One Time Settlement with Axis Bank Limited for their total outstanding of ₹ 1185.55 lacs for ₹ 600 lacs. Accordingly the waiver of liability of ₹ 585.55 lacs has been credited to Statement of Profit & Loss in CY.
- (b)** The Company is mainly engaged in newsprint and writing & Printing paper business in India and there is no other reportable business and geographical segment.
- (c) Operating Lease:**
Operating lease payment recognised in the statement of profit and loss amounting to ₹ 6.25 lacs (previous year ₹ 39.88 lacs). There are no non-cancellable operating lease agreement existing as on the year end.
