MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. INDUSTRY STRUCTURE AND DEVELOPMENTS

The industry is operating under constraints due to non availability of natural gas resulting in some plants being either shut down or operating at reduced capacity. Therefore the gap between demand and supply has widened.

2. OPPORTUNITIES AND THREATS

There is good demand of methanol in the country because the shortfall quantity is being met by import. Operation of the plant will be viable only on natural gas at competitive price. Naphtha is still not viable for the operation due its high price.

3. SEGMENTWISE PERFORMANCE

The segment wise details as required by Accounting Standard – 17 are given in the notes forming part of the Accounts.

4. OUTLOOK

Future of methanol industry is solely dependent on the availability of natural gas at competitive price.

5. RISKS AND CONCERNS

Natural gas availability for our industry from domestic production is only after meeting the requirements of priority sectors like fertilizers, power, and city gas distribution. At present there is huge shortage for the above sectors. Therefore the domestic gas would be available only after increase in gas production, However it is expected that there will be substantial increase in gas availability in few years from now.

6. INTERNAL CONTROL SYSTEMS

The Company has an adequate system of internal controls that ensures that all assets are protected against loss from unauthorized use or disposition and all transactions are recorded and reported in conformity with generally accepted accounting principles.

7. FINANCIAL PERFORMANCE

During the year under review there was no production and sales as the operations of the Methanol unit remained suspended. The loss for the year after extra ordinary items is Rs. 148.13 lacs as compared to a profit of Rs. 411.83 lacs in the previous year.

8. HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Human Resources and Industrial relations remained cordial during the year under review.

9. CAUTIONARY STATEMENT

Statements in this Report on Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations or predictions are based on certain assumptions and expectations of future events. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include domestic and global prices of Methanol/Naphtha, changes in Government regulations, future availability of gas, litigation and industrial relations. The Company assumes no responsibility to amend, modify or revise any of the statements on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT**To the Members of****RAMA PETROCHEMICALS LIMITED****Report on the Financial Statements**

We have audited the accompanying financial statements of **RAMA PETROCHEMICALS LIMITED**, which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, subject to:

1) Non provision of:

- (a) Value of materials lying in the Bonded warehouse, auctioned by the Customs being shown as Claims Receivable amounting to ₹ 1,87,71,179/- under Note-16 which is doubtful of recovery (Refer Note 12.1) and liabilities towards interest on unpaid custom duty upto March 31, 2013 aggregating to ₹ 1,69,65,361/- and unpaid customs duty of ₹ 4,32,740/- (Refer Note- 24 (a)).*
- (b) Demand of Interest on late payment of customs duty up to March 31, 2013 ₹ 19,62,185/- (Refer Note-24 (b)).*

The above has resulted in understatement of loss for the year by ₹ 1,99,57,727/-, accumulated losses by ₹ 3,81,31,465/-, outstanding liability by ₹ 1,93,60,286/-, and overstatement of Other Current Assets by ₹ 1,87,71,179/-.

- 2) Non Payment of statutory liability on account of sales tax aggregating ₹ 30,65,07,495/- upto March 31, 2013 as explained in Note-23(c).*

3) ***Non disclosure of information for dues to Micro, Small and Medium Enterprises, due to non availability of information, as explained in Note-7.1, and consequent non-quantification of the impact of interest if any on such MSME parties.***

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the Loss for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Emphasis of Matter

Without qualifying the report we like to draw your attention to that the company's net worth has been completely eroded and has been declared as sick industrial company by BIFR vide order dated 01.07.2002. As explained in Note No. 25, the management considers that the methanol division can be made viable and accordingly the company's accounts have been prepared on going concern assumption. The revival of the Company's operations depends upon the Company being able to obtain the alternative main feed stock. In absence of any other information indicating to the contrary, we have accepted this assumption.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- 2. As required by section 227(3) of the Act, we report that:
 - a. we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2. Accounting for Construction Division :

In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.
- b. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognized impairment loss is increased or reversed depending upon changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Rama Petrochemicals Limited.

Report on the Financial Statements

We have audited the accompanying financial statements of **RAMA PERTROCHEMICALS LIMITED** ("the company") and its subsidiaries: hereinafter referred to as the "Group", which comprise the Consolidated Balance Sheet as at March 31, 2013, the consolidated Statement of Profit and Loss and consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, subject to:

1) Non provision of :

- (a) Value of materials lying in the Bonded warehouse, auctioned by the Customs being shown as Claims Receivable amounting to ₹ 1,87,71,179/- under Note-16 which is doubtful of recovery (Refer Note 12.1) and liabilities towards interest on unpaid custom duty up to March 31, 2013 aggregating to ₹ 1,69,65,361/- and unpaid customs duty of ₹ 4,32,740/- (Refer Note- 27 (a)).*
- (b) Demand of Interest on late payment of customs duty up to March 31, 2013 ₹ 19,62,185/- (Refer Note-27 (b)).*

The above has resulted in understatement of loss for the year by ₹ 1,99,57,727/-, accumulated losses by ₹3,81,31,465/-, outstanding liability by ₹ 1,93,60,286/-, and overstatement of Other Current Assets by ₹ 1,87,71,179/-.

- 2) *Non Payment of statutory liability on account of sales tax aggregating ₹ 30,65,07,495/- up to March 31, 2013 as explained in Note-26(d).*
- 3) *Non disclosure of information for dues to Micro, Small and Medium Enterprises, due to non availability of information, as explained in Note-7.1, and consequent non-quantification of the impact of interest if any on such MSME parties.*
 - (a) in case of consolidated Balance Sheet, of the state of affairs of the Group as at 31st March 2013;
 - (b) in the case of consolidated Profit and Loss Account, of the loss of the Group for the year ended on that date; and
 - (c) in the case of consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Emphasis of Matter

Without qualifying the report we like to draw your attention to that the company's net worth has been completely eroded and has been declared as sick industrial company by BIFR vide order dated 01.07.2002. As explained in Note No. 28, the management considers that the methanol division can be made viable and accordingly the company's accounts have been prepared on going concern assumption. The revival of the Company's operations depends upon the Company being able to obtain the alternative main feed stock. In absence of any other information indicating to the contrary, we have accepted this assumption.

Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2. Accounting for Construction Division :
