6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Members are requested to bring their duly completed Attendance Slip along with their copy of the Annual Report to the AGM.
8. Members may note that this Notice and Annual Report shall also be available on Company's website www.theswastiksafedeposit.in, websites of the Stock Exchange i.e. BSE Limited ('BSE') and on the website of National Securities Depository Limited ('NSDL') at <https://www.evoting.nsdl.com>.
9. As per Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or its Registrar and Transfer Agents, M/s. Link Intime India Private Limited ('Link Intime') for the same.
10. Members are requested to note that in case of deletion of name of deceased shareholder, transmission and transposition of names in respect of shares held in physical form, submission of photocopy of PAN Card of the transferee(s), surviving holder(s), legal heir(s) and joint holder(s) respectively, along with necessary documents at the time of lodgement of request for these transactions, is mandatory.
11. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to the Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form are requested to submit their PAN to Link Intime.
12. Section 72 of the Act provides for Nomination by the Members of the Company in the prescribed Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, the Member may submit the same in Form No. SH-14. Both these forms are available on the website of the Company under the section, 'Shareholder Services'. Members are requested to avail this facility.
13. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with Link Intime in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.
14. The Register of Members and Transfer Books of the Company will remain close from Friday, 15th July, 2022 to Thursday, 21st July, 2022 (both days inclusive).
15. The final dividend for the Financial Year ended March 31, 2022, as recommended by the Board, if approved at the AGM, will be paid on or after Thursday, July 21, 2022, to the Members whose names appear in the Company's Register of Members on close of business hours on Thursday, July 21st, 2022. As regards shares held in electronic form, the dividend will be payable to the 'beneficial owners' of the shares whose names appear in the Statement of Beneficial Ownership furnished by the National Securities Depository Limited ('NSDL') and the Central Depository Services (India) Limited ('CDSL') as at the close of business hours on Thursday, July 21st, 2022. The final dividend is Re. 1/- per share per equity share i.e. 10% on the face value of Rs. 10/- (Rupees Ten only) per share.
16. Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of the Members w.e.f. April 1, 2020 and the Company is required to deduct tax at source ('TDS') at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to complete and/or update their residential status, PAN, category as per the Income Tax Act, 1961 with their DP or in case shares are held in physical form, with the Company by sending documents through e-mail to complianceofficer.swastik@piramal.com by Tuesday, July 12, 2022. Detailed information in this regard is available on the Company's website at <http://www.theswastiksafedeposit.in/> Investors
17. Members holding shares in electronic form may please note that their bank details as furnished by the respective Depositories to the Company will be considered for remittance of dividend. The Company or its RTA cannot act on any request received directly from the Members holding shares in electronic form for any change of bank particulars or bank mandates. Members may, therefore, give instructions regarding bank accounts in which they wish to receive dividend to their DP only.

18. Members are requested to note that dividends, if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ('IEPF'). Further, the shares in respect of dividends which remain unclaimed for 7 consecutive years or more are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members/Claimants are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form No. IEPF-5 available on www.iepf.gov.in.
19. Those members who have so far not encashed their dividend warrants for the below mentioned financial years, may claim or approach the Company for the payment thereof as the same will be transferred to the Investor Education and Protection Fund of the Central Government on the respective dates mentioned below. The Company has also received a notice in writing from a Member proposing the candidature of Mr. Snehal Arvind Parikh to be appointed as an Independent Director of the Company.

The Company has received a declaration from Mr. Snehal Arvind Parikh confirming that he meets the criteria of independence under the Companies Act, 2013 and SEBI LODR. Further, the Company has also received from Mr. Snehal Arvind Parikh consent to act as a Director in terms of section 152 of the Companies Act, 2013 and a declaration that he is not disqualified from being appointed as a Director in terms of Section 164 of the Companies Act, 2013

In the opinion of the Board, Mr. Snehal Arvind Parikh fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder and SEBI LODR for his appointment as an Independent Director of the Company and is independent of the management. Considering Mr. Snehal A Parikh is a MBA (Finance) and considering that he has over 44 years of experience in business management and specializes in the field of international freight and logistics management for both general and specialized cargo, the Board of Directors is of the opinion that it would be in the interest of the Company to appoint him as an Independent Director for a period of Sixty (60) months ('five years') with effect from 30th December, 2021. Additional information in respect of Mr. Snehal Arvind Parikh, pursuant to Regulation 36 of SEBI LODR and the Secretarial Standards on General Meetings (SS-2), is provided at Annexure to this Notice.

Save and except Mr. Snehal Arvind Parikh, none of the other Directors / Key Managerial Personnel of the Company / their relatives, are, in any way, concerned or interested, financially or otherwise, in the resolutions set out at Item No. 4 of the Notice.

The Board is of the view that Mr. Snehal Arvind Parikh's knowledge, expertise and experience will be of immense benefit and value to the Company and, therefore, recommends the Ordinary Resolution set out at Item No. 4 for the approval by the members.

INDEPENDENT AUDITOR'S REPORT

To the Members of
The Swastik Safe Deposit and Investments Limited
Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements **The Swastik Safe Deposit and Investments Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2022, and its Profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs(financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the company has not paid any remuneration to its directors during the year hence provisions of section 197 of the Act shall not be applicable.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements, wherever applicable.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts wherever applicable.
 - iii. There were amounts which were required to be transferred, to the Investor Education and Protection Fund and the company has complied with same.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. As stated in Note 10 to the standalone financial statements

(a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

(b) No interim dividend has been declared by the Company during the year.

(c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

- (xvi) (a) The company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) and such registration has been obtained.
- (b) The company has a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934;
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and accordingly reporting under paragraph 3(xvi)(c) of the Order is not applicable.
- (d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under paragraph 3(xvi)(d) of the Order is not applicable.
- (xvii) The company has incurred following cash profit / (losses) in the financial year and immediately preceding financial year. The calculation of same is as follows: -

(Amount in Lakhs)

Particulars	Current F.Y.	P.Y.
Net Profit/(Loss)	16.75	64.72
Non-Cash Items:		
Unrealised Gain on Investment	(41.12)	(46.35)
Cash Profit/(Losses)	(24.37)	18.37

- (xviii) There has been no resignation of Statutory auditors during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act.
- (b) The company does not have any ongoing project and hence reporting on paragraph 3 (xx) (b) of the Order is not applicable to the Company.
- (xxi) The company is not required to prepare consolidated financial statements and hence paragraph 3 (xxi) of the Order is not applicable to the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of **The Swastik Safe Deposit and Investments Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **The Swastik Safe Deposit and Investments Limited** (“the Company”) as at March 31, 2022, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended March 31, 2022

1. GENERAL INFORMATION

The Swastik Safe Deposit and Investments Limited ('the Company') was incorporated on August 6, 1940 with its registered and operational office in Mumbai.

The Company was issued a registration certificate no. 13.00535 dated March 24, 1998, by the Reserve Bank of India ('RBI') under section 45 – IA of the RBI Act, 1934 to commence / carry on the business of non – banking financial institution without accepting public deposits.

The primary activities of the Company involve lending / investing.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of preparation

The financial statements ("financial statements") have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The financial statements have been prepared on the historical cost basis except for certain financial instruments and plan assets of defined benefit plans, which are measured at fair value and prudential norms for Income Recognition, assets classification and provisioning for Non-performing assets as well as contingency provision for Standard assets as prescribed by The Reserve Bank of India (RBI) for NBFCs.

Any applicable guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency. All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Division III, Schedule III, unless otherwise stated.

ii) Basis of accounting

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Classification

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Effective interest rate method

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.

If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the statement of profit and loss.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Changes in the fair value of financial assets at FVTPL are recognised in the statement of profit and loss.

Impairment of financial assets

Lending:

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables and other contractual rights to receive cash or other financial asset.

The expected credit loss is a product of exposure at default, probability of default and loss given default. The Company has devised an internal model to evaluate the probability of default and loss given default based on the parameters set out in Ind AS 109. The Company has a dedicated Asset Monitoring team which evaluates asset performance on a continued basis to flag of early warning signals. Probability of default have been adjusted with forward looking inputs from anticipated change in future macro-economic conditions to comply with Ind AS 109. The forward looking macro-economic conditions based adjustment is driven through a multi linear regression model which forecasts systemic gross non-performing assets under baseline future economic scenarios. Accordingly, the financial instruments are classified into Stage 1 – Standard Assets with zero to thirty days past due (DPD), Stage 2 – Significant Credit Deterioration or overdue between 31 to 90 days and Stage 3 – Default Assets with overdue for more than 90 days. The Company also takes into account the below qualitative parameters in determining the increase in credit risk for the financial assets:

- 1) Significant negative deviation in the business plan of the borrower
- 2) Internal rating downgrade for the borrower or the project
- 3) Current and expected financial performance of the borrower

- 4) Need for refinance of loan due to change in cash flow of the project
- 5) Significant decrease in the value of collateral
- 6) Change in market conditions and industry trends

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

Default Assets wherein the management does not expect any realistic prospect of recovery are written off to the Statement of Profit and Loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

iv) Provisions and contingent liabilities

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

v) Revenue recognition

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Loan processing fees income is accounted for on effective interest basis. Arranger fees / Asset monitoring fees income is accounted for on accrual basis.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

vi) Exceptional items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

vii) Taxes on income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

viii) Cash and cash equivalents

In the cash flow statement, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

ix) Borrowing costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense on effective interest rate basis.

x) Earnings per share

Basic earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Diluted earnings per share

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

xi) Property, plant and equipment

All Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

xii) Intangible Assets

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any.

xiii) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

23 Capital management

The Company manages its capital to ensure that it will be able to continue as going concern while maximizing the return to stakeholders. The capital structure of the Company consists of only share capital.

The Company being a Non-Deposit taking NBFC has to maintain a Capital to Risk Assets Ratio (CRAR) of 15%. The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through equity or other short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company. There is no direct and indirect real estate exposure.

(Currency : Rs in lakhs)

The capital components of the Company are as given below:	March 31, 2022	March 31, 2021

24 Risk management

Risk management is an integral part of the Company's business strategy. The Risk management oversight structure includes Committees of the Board and Management Committees. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, interest rate risk, credit risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Risk Management Committee of the Board ("RMC") reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The RMC nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) credit risk, (ii) liquidity risk, (iii) fraud risk and operational risk (iv) regulatory risk.

24.1 Liquidity risk

Liquidity risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

24.2 Credit risk

The Company is exposed to credit risk through its lending activity. Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

The Company has developed proprietary internal rating models to evaluate risk return trade-off for the loans and investments made by the Company. The output of traditional credit rating model is an estimate of probability of default. These models are different from the traditional credit rating models as they integrate both probability of default and loss given default into a single model.

Credit risk management

Credit risk management is achieved by considering various factors like :

- Cash flow at risk – This is an assessment of the standalone project or business from which interest servicing and principal repayment is expected to be done.
- Security cover – This is an assessment of the value of the security under stress scenario which is further adjusted for factors like liquidity, enforceability, transparency in valuation etc. of the collateral.
- Promoter strength – This is an assessment of the promoter from financial, management and performance perspective.
- Exit – This is an assessment of the liquidity of the loan or investment.

The output from each of the analysis is converted to a risk weight equivalent. Each of the four components of the risk analysis are assigned a specific weight which differ based on type of investment. The risk weight is then converted into capital requirement. The required capital and the return is combined to create a metric which is used for deal assessment.

Based on the above assessment the risk categorises the deals in to the below Risk Grades

Risk Grading	Description
I	Extremely good loan
II	Good loan
III	Moderate loan
IV	Weak loan
V	Extremely weak loan

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned credit-rating agencies or mutual funds.

Provision for expected credit loss

The Company has assessed the credit risk associated with its financial assets for provision of Expected credit loss (ECL) at the reporting dates. For different product categories (Real estate, Senior debt, Lease rental discounting, Loan against shares, Mezzanine etc.), the Company has developed scorecard that makes use of various reasonable supportive forward looking parameters which are both qualitative as well as quantitative in nature. These scorecards helps in determining the change in credit risk and the probability of default. Based on the result yielded by the above assessment the financial assets are classified into (1) Standard (Performing) asset, (2) Significant credit deteriorated (Under-Performing) asset (3) Default (Non-Performing) asset (Credit impaired).

For the purpose of expected credit loss analysis the Company defines default as any asset with more than 90 days over dues. This is also as per the rebuttable presumption provided by the standard.

The Company provides for expected credit loss based on the following:

Category - Description	Stage	Basis for recognition of Expected credit loss
Assets for which credit risk has not significantly increased from initial recognition	Stage 1	12 month ECL
Assets for which credit risk has increased significantly but not credit impaired	Stage 2	Life time ECL
