In the opinion of the Board, the Independent Directors fulfil the conditions specified in Sections 149, 152 and Schedule IV of the Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2013 and Clause 49 of the Listing Agreement (including any statutory modification(s) or re-enactment thereof for the time being in force) and such Independent Directors are independent of the management. Further, all the aforesaid Independent Directors have given a declaration to the Board of Directors to the effect that they meet the criteria of independence as provided in Section 149 (6) of the Companies Act, 2013.

The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail their services as Independent Director. Accordingly, the Board recommends the Resolutions in relation to their appointment as Independent Director, for the approval by the Members of the Company.

Except Shri Saran Vinod, Shri Atul Seth, Shri C.M. Krishna and Brig (Retd) Shri Rajeev Lochan Singh SC, being appointee, none of the Directors and/or Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the Resolution set out at Item No. 4 to 7 of the Notice.

ITEM NO. 8

The Members in its 30th Annual General Meeting held on 30th July, 2009 had authorised the Board of Directors of the Company to borrow up to Rs.250 crores (Rupees two hundred fifty crores only) under the provisions of Section 293 (1) (d) of the Companies Act, 1956.

Section 180 (1) (c) of the Companies Act, 2013 effective from 12th September, 2013 requires that the Board of Directors shall not borrow money in excess of the Company's paid up share capital and free reserves, apart from temporary loans obtained from the Company's bankers in the ordinary course of business, except with the consent of the Company accorded by way of a Special Resolution.

It is, therefore, necessary for the Members to pass a Special Resolution under Section 180 (1) (c) and other applicable

SHREE BHAWANI PAPER MILLS LIMITED

provisions of the Companies Act, 2013, as set out at Item No. 8 of the Notice, to enable to the Board of Directors to borrow money in excess of the aggregate of the paid up share capital and free reserves of the Company. Approval of members is being sought to borrow money up to Rs. 400 crores (Rupees four hundred crores only) in excess of the aggregate of the paid up share capital and free reserves of the Company.

Accordingly, the Board recommends the proposed Resolution set out at Item No. 8 for approval of members by way of a Special Resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way interested or concerned in the said Resolution.

ITEM NO. 9

The members in its 30th Annual General Meeting held on 30th July, 2009 had authorised the Board of Directors of the Company to create mortgage and/ or charge on its movable and/ or immovable properties and/ or the whole or any part of the undertaking (s) of the Company in favour of the lenders, regarded as disposal of the Company's undertaking(s) within the meaning of Section 293 (1) (a) of the Companies Act, 1956.

Pursuant to the provisions of Section 180 (1) (a) of the Companies Act, 2013, a Company can not sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking or undertakings of the Company without the consent of the members. Hence, the existing approval will require revalidation under the Companies Act, 2013 by way of a Special Resolution.

It is, therefore, proposed to seek Member's approval for creating charge/ mortgage/ hypothecation etc. on the assets of the Company (both present and future) including sale of undertakings in favour of the Bank(s)/ Financial Institution(s)/ other persons.

Being in the interest of the Company, the Board recommends the proposed Resolution set out at Item No. 9 for approval of Members by way of a Special Resolution.

OPERATIONS & REASON FOR LOSSES

During the period under review, the Company has manufactured 32886 tons of paper with net sale of Rs.119.61 crores. Your Company could not arrest its losses due to stalemate of finalization and approval of the Draft Rehabilitation Scheme as per orders of Hon'ble BIFR. This has prevented the Company from raising any funds for Working Capital which has resulted to below 50% capacity utilization. Paper industry is a continuous process Industry, it can only generate profits at high capacity utilization. More than Rs. 40 crores investment in Chemical Recovery Plant and balancing equipments is lying idle and desired Production could not be achieved due to pending No Objection Certificate of Central Pollution Control Board for Agro Pulp Mill.

COMPLIANCE OF SICK INDUSTRIAL COMPANIES (SPECIAL PROVISIONS) ACT, 1985

Due to continuous losses, the net worth of the Company was completely eroded as per the Audited Balance Sheet as at 31.12.2012 and the Company has filed a Reference application under Section 15 (1) of Sick Industrial Companies (Special Provisions) Act, 1985 (SICA) with Hon'ble BIFR seeking registration of the unit as a Sick Industrial Company

SHREE BHAWANI PAPER MILLS LIMITED

and requesting for appropriate measures to revival of the Company in interest of all stakeholders and public at large. The said reference was registered as Case No.29/2013.

In the hearing held on 26.09.2013, the Hon'ble BIFR declared the Company as 'Sick' under Section 3 (1) (o) of SICA and appointed Bank of Baroda as the Operating Agency (OA) under Section 17 (3) of the Act to prepare a Rehabilitation Scheme for the Company. The Company has submitted the Draft Rehabilitation Scheme (DRS) to Bank of Baroda (OA) and other stakeholders with a Copy to Hon'ble BIFR

In accordance with the Direction of Hon'ble BIFR, meeting of all stake holders of the Company was held on 26th March, 2014. Despite of order of Hon'ble BIFR to finalise the DRS, no progress could be made due to negative strategy adopted by Indian Bank. Indian Bank has also sold its loan to M/s J. M .Financial Assets Reconstruction Pvt. Ltd., Mumbai. The next date of hearing was to be held on 24th April, 2014, was postponed sin die.

CLEAN DEVELOPMENT MECHANISM (CDM) PROJECT

During the period under review, the Company has received 41504 CERs for prior period activity up to 31st December, 2012 from Cogeneration Power Project I and Project II which has been transferred to the Belgian State, proceeds thereof of Rs 347.71 lacs has been received.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERALL ECONOMIC OVERVIEW

The Global economy grew at 3% in 2013 as global activity and world trade picked up in the second half of 2013. The momentum is expected to continue with expected growth rates of 3.7% in 2014 and 3.9% in 2015. The United Kingdom and Japan both are experiencing a rapid recovery. The US economy is projected to grow at 2.8% in 2014 as against 1.9% in 2013. Overall growth in emerging market and developing economies is expected to increase to 5.1 percent in 2014 and to 5.4 percent in 2015.

India's economy expanded at 4.7 percent in the entire 2013-14 financial year, marking a second straight year of below 5 percent growth. The expansion was slower than an official estimate of 4.9 percent and higher than 4.5 percent growth a year earlier. This is the second consecutive year of below five percent growth in the last 25 years. The new Government has given an encouraging outlook and its actions will definitely have a positive impact on the investment sentiment.

Paper Industry has a very prominent role in the World Economy. Annual revenue from this Sector exceeds US \$ 500 billions. World consumption of paper and boards grew from 169 million tonnes in 1981 to 253 million tonnes in 1993 and to 352 million tonnes in 2005. Current consumption is of the order of 400 million tones. The global pulp and paper industry is dominated by North America (US and Canada), Northern Europe (Finland, Sweden and North-West Russia) and Asia (China, Indonesia, Japan and South Korea).

The paper industry in India is more than a century old. At present, there are over 850 paper mills manufacturing a wide variety of items required by the consumers. These paper mills are manufacturing industrial grades, cultural grades and other specialty papers. India's pulp and paper industry accounts for just around 1.6 percent of the world's production of paper and paper board. Besides, India's per capita consumption of paper is around 10 Kg. In contrast, China's per capita consumption of paper is approximately 60 kg and some of the developed countries' per capita consumption is approximately 300 kg. India's paper industry continues to be an unorganized sector of the economy, and it is difficult to know the exact size of the India paper market. According to the production figures released by the Government, India's annual paper production is 12 million tons, but the estimated production is around 16 million ton. A small increase of 1 kg in per capita consumption of paper lead to an increase of 1.2 million tons of paper. India's paper and paper board industry thus has unlimited scope for further growth.

Paper is of significant importance to the society. Its contribution in the areas of education, dissemination of information and knowledge, hygiene and packaging cannot be matched. Use of paper dates back to the early second century A.D. and despite the rise of electronic media, computers and the internet, humankind has not lost its love for this versatile material. Paper is interwoven with human life in hundreds of ways. It is a bio-degradable product and has a benign footprint at the end of its life cycle. Despite the predictions that digital age would render paper obsolete, paper industry has been growing year after year.

Production of paper and paper board entails enormous challenge – ranging from procurement of raw materials, energy and water to facing the harsh criticism coming from environmental group and observing a number of complex laws.

On the positive side, demand for paper and paper board has been increasing, which has helped offset the rising cost of production. This spurt in demand for paper and paper board stems from India's all round industrial development and its rising literacy rate. Over the last five years, many paper companies went for major modernization and expansion. However, it may be mentioned that in the initial years of expansion, price of writing and printing paper went down and that it was in the recent past that the price of paper stabilized.

OPPORTUNITIES AND THREATS

The Indian paper and paperboards industry has potential and also capabilities to service the growing demand in domestic and international market and also to create huge employment avenues in the rural-India through agro/production forestry. The low per capita consumption of paper/ paper board in the Country bound to increase with the growth in GDP, rising income of middle class, increasing demand of computer stationery and spending by Government on education sector.

SHREE BHAWANI PAPER MILLS LIMITED

The following competitive weaknesses and threats confront the Industry:

- Inadequate availability of virgin fibre resulting in high cost of raw materials.
- Small and fragmented industry structure.
- Many non-competitive mills.
- Inconsistent multi-tiered quality of products.
- Environmental problems of most of the small pulp mills.
- High energy consumption and costs.
- Poor infrastructure.
- Likely closures, owing to increasingly stringent environmental regulations.
- With the bunched-up creation of about 16 lac tonnes of additional capacity (between 2008, 2009 and 2010), demand / supply mismatch will confront the domestic manufacturers, impacting capacity utilisation and margins.
- International Competitiveness is the key issue that is confronting the Indian Paper Industry today, especially in the context of Government's resolve to bring down import tariff every year and RTAs/ FTAs proposed to be entered into with ASEAN / SAARC countries, including China.
- Paper manufacturers had to cope with several pressures including the depreciating rupee, high inflation, rising input prices, short supply of grid power, low liquidity, high interest rates, low demand growth and global recessionary trends.

PRODUCTWISE PERFORMANCE

During the period under review for fifteen months ended 31st March, 2014, the Company manufactured 32886 tons of printing, writing & newsprint paper. The main reasons for under capacity utilization and low production are working capital constraint and delay in finalisation of Draft Rehabilitation Scheme.

OUTLOOK

The paper industry is understood to be cyclical in nature and its performance depends on the global pulp and paper demand supply situation which is not encouraging at present. The industry is witnessing slowdown in demand from December, 2013.

The Company has well-diversified product base which partially insulates it from the cyclical impact. However, given the growth potential, outlook of paper industry is promising in long run.

India is the fastest growing paper market in the world with CAGR of 6 to 6.5% in next 5 years due to thrust on education, rise in organized retail, urbanization and growth in economy.

The main strength of the Company is in its ability to sustain in the leaner period by switching of production capacity from newsprint to writing printing segment and vice versa.

RISK AND CONCERNS

- Paper Industry is capital intensive and yields poor returns on investments.
- The paper industry is one of the 18 highly polluting categories of industries and the executives of the industry, Central and State Government Agencies, Pollution Control Boards and others have prepared a Charter on Corporate Responsibility for Environmental Protection (CREP). The Charter enlists time-bound action points to be implemented by the paper industry for progressive up-gradation of technologies and in-plant practices for reduction in effluents and emissions as well as improvement in waste management systems.
- The Company has commissioned the Chemical Recovery Plant which will increase its capacity to manufacture

SHREE BHAWANI PAPER MILLS LIMITED

own pulp and reduce dependence of imported raw-material. New Chemical Recovery Plant could earn additional income for the Company by sale of the by-product - soda ash.

- Paper industry has been removed from Core sector for supply of Coal by subsidiaries of Coal India Limited.
- Undue fluctuation in the exchange rate between Indian Rupee and US Dollar will impact the margins of the Company.
- Rise in rate of inflation will impact the profitability of the Company, since there will be increase in prices of all inputs and cost of services, without matching increase in price for the Company's products.
- Though annual availability of agro residues is large, this may not be able to sustain the future growth of the Industry, taking due account of quality of paper required, environmental issues involved, etc. Moreover, bagasse is increasingly used by sugar mills for power co-generation and no more easily available to the paper mills as raw material.
- The Company has diversified product mix. It produces high value added 25 gsm MG poster paper, tissue paper and newsprint. Its MF colour printing, newsprint and duplicating paper is well accepted in the market.
- The Company has installed state-of-art manufacturing facilities at the plant (nearly 75% of the total net block is brand new) including the De-inking plant, co-generation plant, CRP and the newly installed paper mill.

FINANCIAL PERFORMANCE

During the period under review, the Company has manufactured 32886 tons of paper with net sale of Rs.119.61 crores. Your Company could not arrest its losses due to stalemate of finalization and approval of the Draft Rehabilitation Scheme as per orders of Hon'ble BIFR. This has prevented the Company from raising any funds for Working Capital which has resulted to below 50% capacity utilization. Paper industry is a continuous process Industry, it can only generate profits at high capacity utilization. More than Rs. 40 crores investment in Chemical Recovery Plant and balancing equipments is lying idle and desired Production could not be achieved due to pending No Objection Certificate of Central Pollution Control Board for Agro Pulp Mill.

During the period under review, the Company has received 41504 CERs for prior period activity up to 31st December, 2012 from Cogeneration Power Project I and Project II which has been transferred to the Belgian State, proceeds thereof of Rs 347.71 lacs has been received.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an adequate system of Internal Control implemented by the management to ensure proper safeguarding of the assets and protection against loss from unauthorized use or disposition. The Internal Control System is devised to ensure that the financial and other records are reliable for preparing financial statements and other data and for maintaining the accountability of assets.

In addition, the Internal Audit work is conducted by independent professional firm of Chartered Accountants. The Internal Auditors have consistently expressed their satisfaction about adequacy of internal control systems and procedures followed by the Company for conducting its business efficiency. All issues raised by Internal Auditors are being suitably dealt with and rectified under the close monitoring of the Audit Committee.

CAUTIONARY STATEMENT

Statements in this Report on Management Discussion and Analysis describing the Company's, objective, projections, estimates, expectations or predictions may be "forward looking statements" with the meaning of applicable securities law or regulations. These statements are based on certain assumptions and expectation of future events. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include global and domestic demand supply conditions, finished goods prices, raw materials cost and availability, changes in government regulations, tax regimes, economic developments within India and other factors such as litigation and industrial relations. The Company assumes no responsibility to publicly amend, modify or reverse any forward looking statements, on the basis of any subsequent developments, information or events.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF SHREE BHAWANI PAPER MILLS LIMITED

Referred to in paragraph 1 of our report of even date on accounts for the year ended 31st March, 2014 of Shree Bhawani Paper Mills Limited

- (I) (a). The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b). The Company has physically verified certain assets during the year in accordance with a programme of verification which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c). Fixed assets disposed off during the year were not substantial and therefore do not effect the going concern status of the Company.
- (II) (a). The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b). The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c). The Company is maintaining proper records of inventory. We are informed that the discrepancies identified on physical verification of inventories as compared to book records were not material and have been properly dealt with in the books of account.
- (iii) (a). As informed to us, the Company has not granted any loans, secured or unsecured to Companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Consequently, the requirements of clauses (iii) (b), (c) and (d) of paragraph 4 of the Order are not applicable for the current year.
- (b). The company has taken loans from the companies, firms or other parties covered in the Register maintained under Section 301 of the Companies Act, 1956. Loans taken of Rs. 1287 lacs were outstanding in case of 3 parties. The maximum amount due during the year was Rs. 1287 lacs.
- (c). The rate of interest and other terms and conditions of the loans taken were prima facie not prejudicial to the interest of the company.
- (d). The payment of principal loan and interest are as per terms of the loans taken.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business for the purchase of inventory, fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal control system.
- (v) (a) In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements that need to be entered in the register in pursuance of Section 301 of the Companies Act, 1956 have been entered.
- (b) According to the information and explanations given to us, there is no transaction (excluding the loans reported in para (iii)(b) above) in respect of any party and hence the question of reasonable prices in respect of such transactions with regard to the prevailing market price does not arise.
- (vi) The Company has not accepted any deposits from the public during the year. No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.
- (vii) In our opinion, the Company has an internal audit system commensurate with its size and nature of its business.
- (viii) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 209 (I) (d) of the Companies Act, 1956 and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of such accounts and records with a view to determine whether they are accurate or complete.

SHREE BHAWANI PAPER MILLS LIMITED

NOTE 43 : Significant Accounting Policies

A. General

The financial statements are prepared on accrual basis under the historical cost convention in accordance with the normally accepted accounting principles and the provisions of the Companies Act, 1956. The Financial Statement comply with the requirements of the Accounting Standards notified under Companies (Accounting Standards) Rules 2006 (as amended).

B. Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known/materialised.

C. Recognition of Income and Expenditure

All income and expenditure items having a material bearing on the financial statements are recognised on the accrual basis.

D. Sales

Sales are accounted for inclusive of excise duty. The sale value is net of discounts, returns and sales tax.

E. Excise Duty

Excise Duty on finished goods has been accounted on the basis of both payments made in respect of goods cleared as also provision made for goods lying in bonded ware-houses.

F. Depreciation

- i) Depreciation on Buildings and Plant & Machinery is provided on straight line method and on other assets on written down value method at the rates prescribed in Schedule XIV to the Companies Act, 1956.
- ii) Lease hold land is amortised over the duration of lease.

G. Employee Benefits

- i) Short-term employee benefits are recognised as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- ii) Post-employment and other long term employee benefits are recognised as an expense in the profit and loss accounts for the year in which the employee has rendered services. The expense is recognised at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses in respect of post employment and other long term benefits are charged to the profit and loss accounts.
- iii) The Company has created an approved gratuity fund and has taken a Group Gratuity Insurance Policy with Life Insurance Corporation of India for future payment of gratuity to employees. The Company accounts for gratuity liability equivalent to the premium amount payable to Life Insurance Corporation of India every year.

H. Fixed Assets

I. Tangible Assets :

Fixed assets are stated at cost net of modvat/cenvat less accumulated depreciation and impairment loss, if any. Pre-operative expenses including eligible borrowing cost incurred during construction period and issue expenses related to funds raised for financing the project are charged to capital work-in-progress and on completion, the costs are allocated to the respective fixed assets.

Machinery spares which can be used only in connection with a particular item of fixed assets and the use of which is irregular, are capitalised at cost net of modvat / cenvat.

II. Intangible Assets (Software)

Intangibles representing software are amortised over their estimated useful life.

I. Borrowing Cost

Borrowing costs that are attributable to the acquisition and construction of qualifying assets are capitalised as a part of the cost of such assets till the assets are ready for its use. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

J. Provision and Contingencies

The Company creates a provision when there is present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Liabilities which are material and whose future outcome can not be ascertained with reasonable certainty, are treated as contingent and disclosed by way of Notes to the Accounts.

K. Investments

Long term Investments are stated at cost. Provision for diminution in value of long term Investments is made only if such decline is other than temporary.

L. Foreign Currency Transactions

i) Foreign currency transactions are recorded on initial recognition at the rate prevailing on the date of the transaction. Where export bills are negotiated with the bank, the export sales are recorded at the rate on the date of negotiation as the said rate approximates the actual rate at the date of the transaction.

ii) Foreign currency monetary items are reported using the closing rate. Exchange differences arising on the settlement of monetary items or on reporting the same at the closing rate as at the balance sheet date are recognised as income or expenses in the period in which they arise except in case of liabilities incurred for the purpose of acquiring the fixed assets from outside India in which case such exchange differences are adjusted in the carrying amount of fixed assets.

M. Lease

Lease payments under an operating lease are recognised as expenses in the statement of Profit and Loss as per terms of lease agreement.

N. Inventories

Raw materials, work-in-progress and finished goods are valued at lower of cost and net realisable value. However, materials held for use in the production of finished products are not written down below cost, if the finished products in which they will be incorporated are expected to be sold at or above cost. Finished goods and work-in-progress include costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Chemicals and Stores and Spare Parts are valued at or below cost. Cost of inventories is generally computed on weighted average/FIFO basis.

O. Taxation

Current tax is determined as the amount of Tax Payable in respect of taxable income for the year.

The deferred tax for timing difference between the book and tax profit for the year is accounted using tax rates and tax laws that have been enacted or substantially enacted at the - Balance Sheet date. Deferred Tax assets arising from the timing difference are recognised to the extent that there is reasonable certainty that sufficient future taxable income will be available.

P. Research and Development

Revenue expenditure is charged as an expense in the year it is incurred. Expenditure which results in the creation of capital assets is taken as fixed assets and depreciation is provided on such assets as are applicable.

Q. Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value.

SHREE BHAWANI PAPER MILLS LIMITED

An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired.

R. Earning per Share

The basic earnings per share (EPS) is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares.)
