REVIEW OF OPERATIONS

The performance of the company is consistent, despite turbulence in the global markets, as the company is able to maintain high quality standards and innovate new products.

The Revenue of the company increased to Rs. 13761 lakhs from Rs 12047 Lakhs in the previous year registering a growth of 14.23% over previous year. The Profit after tax for the year was Rs 378 Lakhs as compared to Rs 246 Lakhs during the previous year i.e. an increase of 53.69 % on account of increased profitability.

In line with the growing demand, the Company had modernisation and capacity enhancement programme with addition of sophisticated quality control Instruments leading to improvement in quality parameters. This has already led to increase in production capacity from earlier 45 TPD to 60 TPD. Further increase in production capacity to 80 TPD is underway. This modernisation has also brought huge energy savings in the form of reduced intake of steam due to efficient condensation system.

During the year, the company also launched a new product Kraft for Paper Bags, visualising the growth in demand of Paper Bags due to global discouragement for the use of plastic bags. The fast-growing demand of this product is all set to put our Company remarkably on Global Business Map of environmental friendly products. Prime Minister Modi has embarked upon complete stoppage of one time plastic use by 2nd October 2019. This movement of his will be a great boon for the Paper bags industry.

The Company grew its Exports to countries like Saudi Arabia, Middle East, Turkey, Thailand and China. Additionally, the company is also targeting to make inroads into Global leading laminate company's such as Formica, Wilson art, Gentas and IKEA. Company also had stable business with leading brands in Domestic Markets like Marino Panels, Green Ply, Century Ply, Olympic laminates etc..

Our colour tissue product is being increasingly accepted in the Global markets. The primary markets for this product besides the domestic market are China, Hong Kong, Indonesia, Europe, USA and South American countries. These products are supplied to Mega-stores in India and many overseas outlets of Wal-Mart and K-Mart.

With the significant contribution of above products development and their acceptance in the domestic and overseas markets, the company's sales prospects are poised to increase with a multifold increase in Exports.

FUTURE PLANS

Looking to the surge in demand due to wider acceptability of the products of the company in domestic as well as global markets, your company proposes to put one more paper machine to increase the capacity by 35 % i.e. about 30 TPD.

Further, the Company plans to bring down the cost of power by investing in solar power plant as well as by installing efficient boiler with turbine.

AMALGAMATION

The Board of Directors of the Company have approved the Scheme of Arrangement and Amalgamation between Nath Pulp and Paper Mills Limited and Nath Industrial Chemicals Limited and Rama Pulp and Papers Limited and their respective Shareholders as per the provisions of Section 230 to 232 and other relevant provisions of the Companies Act, 2013 ("Scheme") on 30.10.2017.

Further, the Hon'ble National Company Law Tribunal, Mumbai Bench ('Hon'ble Tribunal' or 'NCLT') has passed order on 23.08.2018 and directed a meeting to be held of equity Shareholders of the said Companies on 09.10.2018 for the purpose of considering, and, if thought fit, approving, with or without modification, the proposed Scheme. The Scheme was passed with requisite majority by Equity Shareholders of the Company in the said meeting.

Further, NCLT vide its order dated 22/08/2019 has sanctioned the Scheme of Arrangement and Amalgamation between Nath Pulp and Paper Mills Limited and Nath Industrial Chemicals Limited and Rama Pulp and Papers Limited and their respective Shareholders as per the provisions of Section 230 to 232 and other relevant provisions of the Companies Act, 2013 and the compliances thereof are in process.

MANAGEMENT DISCUSSIONS AND ANALYSIS

1. Industry Overview

The Indian paper industry accounts for about 3.7% of the world's production of paper. The estimated turnover of the industry is INR 60,000 crore (USD 8.5 billion approximately) and its contribution to the exchequer is around INR 4,500 crore. The industry provides employment to more than 0.5 million people directly and 1.5 million people indirectly.

Most of the paper mills are in existence for a long time and hence present technologies fall in a wide spectrum ranging from oldest to the most modern. The mills use a variety of raw material viz. wood, bamboo, recycled fibre, bagasse, wheat straw, rice husk, etc. In terms of share in total production, approximately 25% are based on wood, 58% on recycled fibre and 17% on agro-residues. The geographical spread of the industry as well as market is mainly responsible for regional balance of production and consumption.

The per capita paper consumption in India at a little over 13 kg is way behind the global average of 57 kg.

India is the fastest growing market for paper globally and it presents an exciting scenario; paper consumption is poised for a big leap forward in sync with the economic growth. The futuristic view is that growth in paper consumption would be in multiples of GDP and hence an increase in consumption by one kg per capita would lead to an increase in demand of 1 million tonnes.

Growing e-commerce space and increasing presence of the FMCG and packaged food industries contributed to the growth in the sector. The demand drivers also include 1) rising income levels, 2) growing per capita expenditure, 3) rapid urbanisation and 4) a larger proportion of earning population that is expected to lead consumption.

The Chinese Government restricting the import of significant levels of recovered (waste) paper due to environmental concerns has resulted in a decline in global recovered paper prices. This has benefitted domestic manufacturers like us who use recovered paper /pulp as a key raw material.

The global paper and paper products industry had been witnessing flat demand conditions due to 1) Rising digital penetration and 2) Weakness in the global economy. The global investment cycle has turned due to 1) Mill closures and 2) Restrictions by Chinese government on imports of low grade recovered paper.

Some of the immediate major areas of concern for the domestic paper and paper products industry include 1) Scarcity of pulpwood, 2) rising pulpwood prices, 3) poor wastepaper collection and recovery mechanism in the country, 4) rising imports under Free Trade Agreements (FTAs) and 5) outdated technology especially in the smaller mills, while a longer term challenge includes a shift to digital, which could potentially reduce paper consumption. The industry has been attempting to mitigate these challenges through rising social forestry plantation, increasing wastepaper collection mechanism and implementing effective cost control measures.

2. Opportunities and Threats

Presently the company's product mix include the various grades of papers such as Absorbent Kraft, Carbon Base, Poster, Napkin grade tissue, Gift Wrapping Tissue, Color Tissues, Masking Paper and Protection paper. With a dedicated and competent, technical and marketing team, equipped with innovative ideas and strategies, the company is thriving to capture a major part of the market share in these segments.

Your company has successfully diversified in chemical business by putting up of a plant to manufacture LABSA (ACID SLURY) for a capacity of 16000 MT per annum which is used by detergents and soap manufacturing industries. The product has great growth potential.

Continuous R&D in Company's state to art laboratory, and installation of QCS (Quality control Scanner) have established and enhanced the acceptance of our products in domestic and global markets in their respective segments. Company is highly benefited by significant Realizations, Contributions, Savings in Energy Cost and Improved efficiency.

The company has adequate infrastructure facilities such as huge spare land and uninterrupted supply of water and power, which is critical for the paper industry. Apart from this, company has the flexibility to manufacture various grades of paper, which gives the company, a distinct quality edge. With the current Global scenario, Export potential has opened up significantly and your company has been scaling up its marketing network to tap this potential.

The company continues to face challenges on account of increasing competition. Devaluation of rupee leading to increase in cost of inputs. Your company is committed to meet these challenges by improving productivity and innovating processes to achieve reduction in production cost. The capital investment being made for increasing production capacities would also help your company in maintaining its cost leadership.

3. Internal Control Systems and their adequacy

The company exercises adequate internal controls through internal audits and operational Reviews. Company has also installed ERP system 'PAPERBIZ'. The ERP system will help to effectively improve the entire internal control systems of the Company.

4. Financial performance with respect to operational performance

The company has registered EBIDTA of Rs.882 Lakhs and a net profit before tax of Rs. 433 Lakhs in the current year as against the EBIDTA of Rs. 655 Lakhs and a net profit of Rs.389 Lakhs in the previous year.

5. Development in human resources/industrial relations front

Your company considers the will and calibre of human resources as crucial to its success. Towards this end, your company organizes systematic programmes for on the job training and appropriate system of recognition and rewards. The industrial relations of your company continues to be cordial.

Annexure B to the Auditors' Report

Report on the Internal Financial control under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 (the Act)

We have audited the Internal Financial controls over financial reporting of Rama Pulp & Papers Ltd as of 31st March 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over financial Reporting (the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Company Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal Financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements of external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparing of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisitions, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 1**NOTES FORMING PART OF FINANCIAL STATEMENTS AS ON 31/3/2019**

A. CORPORATE INFORMATION: Rama Pulp and Papers Limited is a public company domiciled in India and incorporated under the provisions of the Company's Act. The Company's principal business is manufacturing of paper & chemicals.

B. BASIS OF PREPARATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.

a) BASIS OF ACCOUNTING AND PREPARATION OF FINANCIAL STATEMENTS:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS) notified under Section 133 of the Companies Act, 2013 (the Act) and other relevant provision of the Act. These financial statements have been prepared under the historical cost convention except certain financial assets and liabilities, which have been measured at fair value. The details of accounting policy provide information on such, financial assets and liabilities measured at fair value. The company follows the accrual basis of accounting.

These financial statements include the balance sheet, the statement of changes in equity, the statement of income and expenditure, the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding period.

Effective April 1, 2017 the Company has adopted all the Ind-AS standards and the adoption was carried out in accordance with Ind-AS 101 'First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date.

Presentation of Financial Statement:

The Balance sheet and the profit and loss account are prepared and presented in the format prescribed in the schedule-III to the companies act, 2013. The cash flow statement has been prepared and presented as per requirement of Ind-AS 7 "statement of cash flow"

b) USE OF ESTIMATES:

The preparation of the financial statements in conformity with the Indian generally accepted accounting principles requires making judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and the disclosures of contingent liabilities, at the end of the reporting period. Although these estimates are based on the Managements best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) TANGIBLE FIXED ASSETS

- i. For transition to Ind-AS carrying value of property, plant and equipment under previous GAAP as on 1st April 17 is regarded as its deemed cost.
- ii. Fixed assets are stated at cost of acquisition or construction or revalued amount whichever is applicable, net of accumulated depreciation/amortization and impairment loss.
- iii. The cost comprises cost of acquisition, borrowing cost and any attributable cost of bringing the asset to the condition of its intended use. Cost also includes direct expenses incurred up to the date of capitalization/ commissioning. Any trade discounts and rebates are deducted in arriving at the purchase price.

- iv. Machinery spares procured along with the plant and machinery or subsequently and whose use is expected to be irregular are capitalized separately, if cost of such spares is known and depreciated fully over the residual useful life of the related plant and machinery. If the cost of such spares is not known particularly when procured along with the mother plant, these are capitalized and depreciated along with the mother plant. The written down value (WDV) of the spares is charged as revenue expenditure in the year in which such spares are consumed. Similarly, the value of such spares procured and consumed in a particular year is charges as revenue expenditure in that year itself.
- v. Subsequent expenditure related to an item of fixed asset is added back to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standards of performance.
- vi. All the other expenses of existing fixed assets, including day to day repair and maintenance expenditure, are charged to the statement of profit and loss account to the period during which such expenses are incurred.
- vii. Replacement of any part of the plant and machinery, which are of capital nature, are capitalized along with the main plant and machinery and cost of the replaced part is written off. In case the cost of the replaced part is not identifiable, the equal value of replacement is deducted from the existing gross block of that asset.
- viii. Gains and losses arising from disposal /de-recognition of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.
- ix. Tangible asset not ready for the intended use on the date of Balance Sheet are disclosed in “Capital Work- in- Progress”.
- x. In case of revaluation of fixed assets, any revaluation surplus is credited to the revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognized in the statement of profit and loss, in which case the increase is recognized in the statement of profit and loss. A revaluation deficit is recognized in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognized in the asset revaluation reserve.
- xi. Expenditure during construction/erection period is included under Capital Work-in-Progress and will be allocated to the respective fixed assets on completion of construction/erection.

Particulars	Rs. in Lakh	
	As at 31.03.2019	As at 31.03.2018
Estimated amount of contracts remaining to be executed on capital account	7.78	349.22

Capital Work in Progress has been transferred to the respective assets to the extent the construction/erection of Assets has been completed during the financial year 2018-19.

d) BORROWING COST

Borrowing cost includes interest, and other ancillary costs incurred in connection with the arrangement of borrowings. Borrowings cost that are directly attributable to the acquisition of or constructions of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is an asset which necessarily takes substantial

period of time to get ready for intended use. All other borrowing cost are recognized in the Statement of Profit and Loss.

e) DEPRECIATION

Leasehold land-amortized over the period of 99 years. Depreciation on fixed assets is calculated on a straight line basis using the rates arrived at based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets.

f) Impairment of tangible and intangible assets:

The Company assesses at each Balance Sheet date whether there is any indication than an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. Impairment losses for continuing operations, including impairment on inventories are recognized on the statement of profit and loss, except for the previously revalued tangible fixed asset, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in revaluation reserve up to the amount of any previous revaluation.

g) Investments

i) Recognition and Measurement

Investments which are readily realizable and intended to be held for not more than a year, from the date of acquisition, are classified at cost.

On initial recognition, all investments are measured at cost. The Cost comprises purchase price and directly attributable acquisition charges such as brokerages, fees and duties. If an investment is acquired, or partly acquired, by the issue of share or other securities, the acquisition cost is the fair market value of the securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by the reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

However, provision for diminution in value of investments is made to recognize a decline, other than temporary, in the value of investments. Investments other than long term investments being current investments are valued at cost or fair value whichever is lower, determined on an individual basis.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds, is charged to or credited to the Statement of Profit & Loss.

ii) Presentation and disclosure

Investments, which are readily realizable and intended to be held for not more than one year from balance sheet date, are classified as current investments. All other investments are classified as non-current investments

h) Inventories

i) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out Method for Raw materials and on weighted average basis for components, stores and spares.

ii) Work-in-progress and finished goods are valued at lower of cost and net realizable value which includes appropriate production overheads.

iii) Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

iv) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

- v) Value of Imported and Indigenous Material and Components consumed: (on CIF Basis)

Account Head	2018-19		2017-18	
	Rs. In Lakh	Percentage	Rs. In Lakh	Percentage

Total	502.17	100.00	360.66	100.00

i) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

i. Sale of goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership are passed on to the customer. Sales are accounted net of returns and freight. Revenue from services is recognized when services are rendered to customers. Dividend Income is accounted when the right to receive is established.

ii. Interest

Revenue from Interest is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

j) Government grants and export incentives

Government grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received. Government grants related to revenue are recognized on a systematic basis in the Statement of Profit and Loss as a part of other operating revenues.

k) Foreign currency Transactions

i) Initial Recognition

Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transactions.

ii) Conversion

Foreign currency monetary items are translated using the exchange rate prevailing on the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate on the date of transaction. Non-monetary items which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate on the date when such value was determined.

- iii) Exchange Difference
All exchange gains and losses arising out of translation/restatement, are accounted for in the statement of profit and loss.

Purchase of Imported Stores	Rs. 0.49 Lakh	Rs. 9.22 Lakh

l) Employee Benefits

i) Defined Contribution Plan

Benefits in the form of provident fund and Employees state Insurance Contribution are defined contribution scheme. The Company has no obligation, other than the contribution payable to these funds/schemes. The Company recognized contribution payable to this fund/scheme as expenditure, when an employee renders the related services. If the contribution payable to these funds/schemes for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the funds/schemes are recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

ii) Defined Benefit Plan:

The gratuity liability is determined on the basis of actuarial valuation as at year end. Provision in respect of leave encasement is made based on the basis of actual leave balance of employees at the end of the Year in accordance with Accounting Standard-15 on "Accounting for retirement Benefits in the financial statement of Employer" as issued by the Institute of Chartered Accountants of India.

iii) Leave Encashment

The company provides for leave encashment liability of its employees who are eligible for encashment of accumulated leave based on actuarial valuation of the leave encashment liability of the balance sheet date, carried out date and independent actuary.

m) Taxes on Income

- i) Current Tax: Current Tax is determined as the amount of tax payable on taxable income for the years as per the provisions of Income Tax Act. 1961.
- ii) Deferred Tax: Deferred Tax is recognized on timing difference between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted on the reporting date. Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that the sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Deferred Tax Assets and Deferred Tax liability is as follows:	31.03.2019 Rs. In Lakh	31.03.2018 Rs. In Lakh
