FROM THE DESK OF THE CHAIRMAN

My dear fellow Shareholders,

This past year has been very challenging, whilst markets are on an upward trajectory, fear is looming large on business houses with regards to reforms process. The move of the government with regards to demonetization and the overall readiness of the GST regime are weighing in large on corporate houses. It is heartening to learn that our country's tryst with GST is finally seeing the light of day. Volatility in global markets seem to be stabilizing although it may be wise to tread a cautious path as the business environment is heading towards a sustainable high growth era.

The NSEL debacle continues as the prolonged hearings of the merger writ continues. The company's valuable resources being stuck have caused a major impact on the financials of the company. We are hopeful that the initiatives taken by the company will bear some result and the investors shall get their money back at the earliest.

The government has recently notified the Real Estate Regulatory Act (RERA) and has subjected all existing and new real estate developments to its provision. The company is taking adequate measures to ensure that it is in full compliance of the law. The company is on track to complete the redevelopment of its South Mumbai properties and is in the process of taking clearances for its Boisar project.

The company has deferred the commissioning of its 2 MW Solar Power plant at Satara, Maharashtra due to flip flop of policy by the government in the renewable energy sector.

Your company's subsidiary M/s Verifacts Services Pvt Ltd has achieved a turnover of ₹2144.11 lakhs as against ₹1853.41 lakhs in the corresponding previous year, a growth of 15.68%. We hope to continue the growth trajectory that we are on. We have initiated many new measures and are moving swiftly towards digitization and automation of operations to ensure that we continue to have a competitive edge.

Your overseas subsidiary M/s Modern International (Asia) Ltd has posted robust growth in revenues and posting sales by registering a turnover of US \$ 24.27 million for the year 2016-17 as against US\$ 10.82 million for the year 2015-16, a growth of 120%. We have taken various new steps to make sure that we continue on the path of growth and are certain of maintaining this momentum.

The company on a standalone basis has achieved turnover of ₹5694.29 lakhs as against ₹8053.36 lakhs in the year 2015-16. Unfortunately the company has sustained a loss of ₹435.25 lakhs after tax in the past financial year; however we are optimistic that these losses will be contained and the Company will see a turnaround once the project commences. The Directors are pleased to recommend a dividend of 15% for the year.

As always, we shall continue to strive to improve our performance.

Best Wishes,

Vijay Kumar Jatia

Chairman and Managing Director

GENERAL INFORMATION ABOUT THE COMPANY

The Company has various business verticals inter alia Real Estate and Infrastructure Development, Power Generation, Background Verification, Commodities Trading, International procurement solutions amongst others.

PERFORMANCE

India's business environment has been tremendously shaken up by the recent demonetization of the higher currency notes by the current government. The real estate sector definitely got affected by the demonetization exercise, Poor sales has led to almost flat prices, heavy liquidity challenges and high unsold inventory have all colluded to keep real estate sector away from fulfilling its potential and provide necessary residential stability to average citizens. Even the luxury and high-end segments of residential real estate have seen a major impact from this exercise. The demonetization move has resulted in luxury property prices dipping by as much as 25-30% as sellers struggle to offload properties to generate liquidity.

Over the long term, the Indian real estate sector will emerge stronger, healthier and capable of long periods of sustained growth. As of now, there is no reason for developers and investors who have conducted their dealings transparently and legally to panic. It will essentially be business as usual for them.

In the past one year, there have been a few positive and potentially long-lasting changes in the Indian real estate sector. The passing of RERA (Real Estate Regulation and Development Act, 2016) and its implementation in Maharashtra from 1st May 2017, the Benami Transactions Act and the demonetization move will ensure that going forward, the sector will become more transparent.

India seems to have braved the effects of demonetisation with the Finance Ministry assuring a growth of 7% during the year, which will grow over a period of time. India continues to remain the fastest growing developing economy while retaining its GDP growth projection of 7.2% for 2017-18. In our Company's context, the performance of the Company was average due to various reasons. As informed earlier, the Company didn't renew any of the lease and license agreements, as the Company contemplates development of its properties, which has led to loss of rental income furthermore and with the NSEL crises, trading in commodities was stopped. The total turnover during the year under review is ₹.5694.29 lakhs against ₹ 8053.36 lakhs in the year 2015-16. Due to the above factors the Company has suffered a loss of ₹. 435.25 lakhs after tax compared to a meagre profit of ₹. 13.73 Lakhs in the corresponding previous year. As informed earlier, the Company had planned to setup a 5MW Solar Power Plant at Satara of which 3 MW Solar Power Plant has been commissioned in April 2015 and has started supplying power, the remaining 2 MW plant will be commissioned and operational soon. The delay is due to the shake up and ever fluid scenario in the renewable energy sector.

the Company has suffered losses due to the NSEL crisis which had shaken the faith of the investors in the commodity markets. Our Company along with three others had instituted a Representative Suit in the Bombay High Court inter alia against 63 Moons Technologies Limited (erstwhile Financial Technologies (India) Limited(FTIL)), National Spot Exchange Limited(NSEL) and 36 others for recovery of its dues as an investor for the trades executed on the NSEL. The said suit is now clubbed with other suits filed against 63 Moons Technologies Limited, NSEL and others. The suit is in advanced stages of hearing and the Management is of the view that the Company will be in a position to recover its debts. The Government has also ordered the merger of 63 Moons Technologies Limited and NSEL which has been challenged in Hon'ble High Court at Mumbai, the hearing for which is in progress.

The Company is regularly following up on the matter and keeps the Board Members updated about any development in the said matter. All possible steps are being taken to recover the amount receivable, ₹.1359.51 Lakhs is outstanding as on 31st March 2017.

MANAGEMENT DISCUSSION AND ANALYSIS**INDUSTRY STRUCTURE, DEVELOPMENTS AND OUTLOOK**

This year has been marked by several historic economic policy developments. On the domestic side, a constitutional amendment paved the way for the long-awaited and transformational goods and services tax (GST) which will be effective from 1st July 2017 and while demonetisation of the large currency notes signalled a regime shift to punitively raise the costs of illicit activities. On the international front, Brexit and the US elections herald a tectonic shift, forebodingly laden with darker possibilities for the global, and even the Indian economy.

India seems to have braved the effects of demonetisation with the Finance Ministry assuring a growth of 7% growth during the year, which will grow over a period of time. India continues to remain the fastest growing developing economy while retaining its GDP growth projection of 7.2% for 2017-18.

OPPORTUNITIES AND THREATS**THE REAL ESTATE BUSINESS**

The Real Estate Regulation and Development Act, 2016 along with its rules and regulations has been notified and came in to force on May 1, 2017 (Central Act 16 of 2016) which has been enacted to primarily regulate the real estate industry. It is aimed at addressing the concerns of home buyers by establishing an adjudicating mechanism for speedy dispute redressal. The enforcement of this new legislation is definitely a step in the right direction and is expected to remove the chronic issue of late delivery of projects, eliminating not so senior players from the business. This will also attract investments in the sector and restore the confidence of the buyers and others stakeholders in the sector.

Real Estate Regulatory Authorities (RERAs) will help in regulating transactions related to both residential and commercial projects and ensure their timely completion and handover.

The implementation of the Act is a big challenge in the initial years, but will make the sector a more organised one. Also, builders can hope to get bank finances at a slightly lower rate. The strict provisions of the Act will drastically reduce the number of players in the real estate market in a phased manner as well.

TRADING

Overall economic scenario worldwide is slowly improving but India is pushing its limits and trading activity has been brisk and is expected to remain same in FY 2017-18. Fabrics, yarn, luggage, furniture, building material and other merchandise are the drivers for improved operations. During the year under review we have achieved sales of US \$24.26 million in our subsidiary Modern International (Asia) Limited which is based in Hongkong, it is pertinent to note that China is undergoing a slow down in its economic activities.

Segment wise Performance

- Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment.
- Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under “Un-allocable/Corporate”.
- There are no inter-segment revenues and, therefore, the basis of their measurement does not arise.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the financial statements.

Annexure-B to Auditors report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Modern India Limited** (“the Company”) as of 31 March, 2017, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance

with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Independent Auditor's Report

To the Members of Modern India Limited

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of **Modern India Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (hereinafter collectively referred to as the "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified opinion

In case of Modern India Limited, trade receivables as on March 31, 2017 include an amount of ₹ 13,59,50,849 (net off ₹ 93,60,905 recovered till date) outstanding in respect of commodities trading transaction done on National Spot Exchange Limited (NSEL). The company has filed a representative suit in the high court of Bombay for recovery of this amount. In the mean while various decrees have been passed by the High Court of Bombay against defaulters, including for sale of commodities and assets which are in process of implementation. Economic Offence Wing and Enforcement Directorate are also in process of liquidating assets of defaulters. Pending outcome of the legal suit and resolution of uncertainties involved, the management has considered the receivable as good for recovery. However, in the absence of appropriate audit evidence, we are unable to determine the extent of recovery possible in this case.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for qualified opinion paragraph and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on the financial statements of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2017, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Other Matter

These financial statements have been audited by other auditors whose audit reports have been furnished to us by the management, and our opinion on the consolidated financial statements of the Group for the year then ended to the extent they relate to the financial statements not audited by us as stated in this paragraph is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Annexure-A to Auditors report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of Modern India Limited (“the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the IFCoFR of the Holding Company and its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of IFCoFR (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company and its subsidiary companies.

Meaning of Internal Financial Controls over Financial Reporting

A company’s IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting

principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

We did not audit the IFCOFR insofar as it relates to three subsidiary companies, which are companies incorporated in India, whose financial statements reflect total assets of ₹ 25,81,03,536 as at March 31 2017; total revenues of ₹ 22,22,71,727 and net cash inflows aggregating to ₹ 1,15,82,481 for the year then ended; Our report on the adequacy and operating effectiveness of the IFCOFR for the Holding Company and its subsidiary companies, which are companies incorporated in India, under Section 143(3)(i) of the Act insofar as it relates to the aforesaid subsidiaries, is solely based on the corresponding reports of the auditors of such companies. Our opinion is not modified in respect of the above matter with respect to our reliance on the work done by and the reports of the other auditors.
