Item No. 4 - Remuneration of Cost Auditors

In terms of the provisions of Section 148 of the Companies Act, 2013 and based on the recommendation of the Audit Committee, the Board of Directors had approved the appointment and remuneration of M/s. R. K. Patel & Co. and M/s. Y.S. Thakar & Co., as the Cost Auditors to carry out the audit of Cost Records for certain specific products of the Company viz. Motors & Pumps and Generators, Turbines, Switchgears and Relay Panels (collectively called as "Products") respectively for the Financial Year ended on 31st March, 2018 as per the following details.

Sr. No.	Name of the Cost Auditor	Industry	Audit Fees (`)
1.	M/s. R. K. Patel & Co.	Motors and Pumps	50,000/-
2.	M/s. Y. S. Thakar & Co.	Engineering products such as Generators, Turbines, Switchgears and Relay Panels	25,000/-

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any amendment(s) or modification(s) thereof), the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution, as set out at Item No. 4 of the Notice, for ratification of the remuneration payable to the Cost Auditors of the Company for the Financial Year 2017-18.

The Board recommends the resolution set out at Item No. 4 of the Notice for your approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives, is in any way, concerned or interested in this resolution.

Item No. 5 – Creation of mortgage / charge for Borrowings / Financial Assistance availed

The Ministry of Corporate Affairs ('MCA') vide its Circular dated 25th March, 2014, had clarified that the resolution passed under Section 293 of the Companies Act, 1956 prior to 12th September, 2013, with reference to borrowings and / or creation of security on assets of the Company will be effective for a period of one year from the date of notification of Section 180 of the Companies Act, 2013 i.e. 11th September, 2014.

Accordingly, at the Seventieth, Seventy-first and Seventy-second Annual General Meeting of the Company held on 22nd September, 2014, 10th December, 2015 and 26th November, 2016 respectively, it was proposed to obtain a fresh approval of the shareholders under Section 180(1)(a) of the Companies Act, 2013, by way of a Special Resolution to secure the borrowings / financial assistance, in line with the said notification as the Company has already created and would be required to create security by way of mortgage / charge and / or hypothecation of its assets and properties both present and future. The terms of such security may include a right in certain events of default, to take over management or control of the whole or substantially the whole of the undertaking(s) of the Company. The Resolutions were, however, not approved in all the three previous Annual General Meetings, as the votes cast against were more than the votes cast in favour of approval.

Therefore, pursuant to Section 180(1)(a) of the Companies Act, 2013, it is proposed once again to seek consent of the Company by Special Resolution authorizing the Company through its Board of Directors to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking(s) of the Company. As mortgaging or charging the movable and/or immovable properties and assets of the Company with the right of taking over management or control in certain events of default may be considered to be disposal of the Company's undertaking within the meaning of Section 180(1)(a) of the Companies Act, 2013, the approval of the Members is required for creating such mortgages and / or charges on the assets and properties of the Company, both present and future.

The Board, therefore, recommends the resolution at Item No. 5 of this Notice for your approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives, is in any way, concerned or interested in this resolution.

Item No.6 – Adoption of new set of Articles of Association

The extant Articles of Association ("AoA") of the Company are based on the Companies Act, 1956 and several regulations in the existing AoA contain references to specific Sections of the Companies Act, 1956 and some regulations in the existing AoA are no longer in conformity with the new Companies Act, 2013 ('the Act').

With the advent of the new Act, several provisions of the existing AoA of the Company require substantial alterations. In such a situation, it was considered expedient to substitute the existing AoA in its entirety by adopting a new set of Articles altogether and a Special Resolution for the same was proposed to the shareholders at the Seventieth, Seventy-first and Seventy-second Annual General Meetings of the Company held on 22nd September, 2014, 10th December, 2015 and 26th November, 2016. The Resolutions were, however, not approved in all the three previous Annual General Meetings, as the votes cast against were more than the votes cast in favour of approval.

The new AoA to be substituted in place of the existing AoA are based on Table 'F' of the Act which sets out the model Articles of Association for a Company limited by shares.

The proposed new draft AoA is being uploaded on the Company's website for perusal by the shareholders and would be available for inspection at the Registered Office of the Company during office hours.

The Board once again recommends the resolution set out at Item No. 6 of this Notice for your approval.

None of the Directors, Key Managerial Personnel of the Company or their relatives, is in any way, concerned or interested, in this resolution.

CURRENT OUTLOOK

The severe financial crunch faced by your Company in recent years made it difficult to fulfil the commitments of servicing the loans from consortium member banks resulting in the Company being classified as a non-performing asset in the books of the lenders. The lending banks have commenced proceedings under relevant provision under section 13 (2) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI Act”), which are being addressed by your Company, for an amicable resolution of debts due to lenders. Your Company has been of the view that given its status as an ongoing operating Company with improved business prospects, the lending banks may consider to keep further actions under relevant provisions in abeyance.

While Company's proposals for debt restructuring have hitherto not found favour with the lending banks, it may be noted that the Company's performance has shown a marked improvement in operations during the year under review. Your Directors are very positive about the Company's viability and optimistic about its future.

With the Central Government's clear thrust on infrastructure development for last two years, there is marked revival in water and irrigation sectors, which is reflected in improved operations of the Company during the year under review. The Company continues to win new contracts and ensures speedy execution through close monitoring. The uptrend is expected to continue.

Management Discussion and Analysis

Industry Structure and Developments

Jyoti Ltd., a leading engineering ISO-9001:2008 certified Company, serving the core sectors of Power and Water. It offers a wide range of reliable quality hydraulic and electrical products and services. From providing customized solutions to handle liquids, Jyoti, over the years has emerged as a Total Solution Provider by designing and manufacturing wide range of pumps and EPC Pumping Systems by undertaking turn-key projects from concept to commissioning.

The present Government is pushing for infrastructure development and the policies have started showing positive impact on this sector. Many companies in this sector, which were affected badly, are still struggling to come out of the trough for last 3-4 years. Presently the Company is in the process of executing the orders for various projects worth ₹ 368 crores.

The Company has taken several bold steps to remain competitive and to ensure survival by reducing cost and streamlining the overall operations process.

Opportunities and Threats

As India is slowly but steadily moving towards development under the present Government, Power and Water sectors are prime movers for its economic and social development and growth. Considering the 70 year-old presence of the Company in the Power, Hydel and Lift Irrigation Sectors, which are of National Importance, a huge business potential is anticipated.

The Company continues to be very selective in taking orders as the price realisation still remains very low. The challenge to manage the pending orders within the budgeted costs continues and high volatility in the prices of major raw materials is a matter of concern.

The credit extended to the customers is not honoured, which has resulted in high levels of receivables which have in turn strained the cash flow to a very large extent. Barring unforeseen circumstances, the Company expects to increase its volume of business in the current year.

Outlook

Water and Power Sectors are of National Importance, and for a developing country like India, the demand for energy is expected to grow at a steady rate. Keeping in view the above, the long term outlook for these sectors appears to be bright. There is ample scope and opportunity for companies having businesses in these sectors not to mention the potential of your Company and its large presence in these sectors for many years.

Risk and Concerns

It must be clearly understood that each industry in particular and each industry segment in general has its own risk, from which it cannot be fully isolated but mitigated by means of proper risk management. Your Company foresees certain areas of risk, concerns and threats in its arena of operations.

The present challenge for the Company is to successfully execute low price orders, within the budgeted cost. The availability and cost of the funds remain very important factors impacting on the plans of the Company and threatening the viability itself. Unless the Government takes strong measures to boost the industrial activity and stimulate the industries by reducing the interest rates and making funds available, it will be difficult for the Capital Goods Industry in India to achieve the targets. Project execution is largely affected by non-availability of skilled and unskilled manpower. Competency-management and retention of employees is becoming increasingly critical. EPC Projects are generally exposed to risk of delay in execution due to factors like right of way, obtaining of various approvals in time, environmental factors, resistance from locals, etc.

Segment-wise Performance

This is not applicable to the Company as there is only one identified reportable segment.

Internal Control Systems

The Company has an adequate system of internal control procedures, which is commensurate with the size and nature of business. Detailed procedural manuals are in place to ensure that all the assets are safeguarded, protected against loss and all transactions are authorised, recorded and reported correctly. The internal control systems of the Company are monitored and evaluated by internal auditors and their audit reports are periodically reviewed by the Audit Committee of the Board of Directors. The observations and comments of the Audit Committee are placed before the Board.

Financial Performance and Operational Efficiency

The Company's net sales were higher at ` 265.21 crores in the Financial Year 2016-17 compared to ` 212.43 crores for the previous year. Various corrective measures taken by the Company to reduce the material cost and other overheads resulted in an EBITDA of ` 19.76 crores compared to ` 0.89 crore during the previous year. The losses for the year, before exceptional items was lower at ` 60.93 crores as compared to losses of ` 83.79 crores for the previous year.

After detailed assessment of receivables outstanding, the Management has considered making a provision for doubtful debts amounting to ` 63.61 crores. This incidence has been disclosed as an Exceptional Item. As a result, the total loss before tax for the year was higher at ` 12454 lakhs as compared to ` 8379 lakhs for the previous year.

Currently, the Company has pending orders worth ` 368 crores on hand. These orders are to be executed in the coming years and are expected to provide substantial contribution to Company's turnover and profitability during Financial Years 2017-18 and 2018-19.

Human Resource

The Company believes that employees are the most valuable assets of the Company, hence the key focus is to train and develop its employees. The Company aims to create a motivated team and to provide them with good opportunities for career growth.

The Company continued its efforts to face a challenging business environment by building the capability of its human resources through various initiatives in development and training of employees. Various internal as well as external development programs were organized to enhance the skill and knowledge of employees.

The Company has undertaken continuous interaction with all employees by frequent visit of Senior Executives to the project sites have brought the employees closer and thereby developed a transparent system of communication. Industrial Relations with the employees remains cordial throughout the year. The work and jobs at all levels in the Company are designed, organized and managed effectively by interaction between the management and employees. Cautionary Statement

Actual results may differ materially from those expressed in the statements. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Financial Statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. Also refer Annexure B for deficiencies in Operating Effectiveness of Internal Financial Control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its Loss and its cash flows for the year ended on that date.

Emphasis of Matters

- a) Note No. 26(17) in the financial statements which indicates that, in view of erosion of Net Worth of the Company as at 31.03.2014, the Company, in compliance with the provisions of Section 15(1) of Sick Industrial Companies (Special Provisions) Act, 1985, made a reference to Board of Industrial and Financial Reconstruction (BIFR). The Hon. BIFR, in the hearing held on 05.10.2015, declared the Company a Sick Industrial Company in terms of Section 3 (1) (o) of the Sick Industrial companies (Special Provisions) Act, 1985 and appointed the lead bank, Central Bank of India as Operating Agency (OA) under section 17(3) of the Act to examine the viability of the Company and for formulating a Draft Rehabilitation Scheme (DRS) for revival of the Company with a Cut Off Date of 31.03.2016. SICA has since been repealed w.e.f. 01.12.2016.

In view of continued losses, total erosion of the Net Worth, Current Liabilities Exceeds Current Assets, Liquidity constraint, Inability to comply with the terms of loan agreements and that the Company has received notices from all consortium banks under section 13(2) of the Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) asking the Company to discharge the liabilities in full, there is an uncertainty about the Company's ability to continue as a going concern. However, the management is very positive about its viability and optimistic about its future in view of Company's performance, which has shown a marked improvement in operations during the current year. Company continues to execute orders in hand and obtain new orders, despite adversities. The uptrend is expected to continue. The Company is seriously considering alternative proposals to reach at an amicable debt resolution with the banks.

In view thereof, the Financial Statements have been prepared by the Management on a 'Going Concern' basis. No adjustment is considered necessary by the Management to the recorded assets, recorded liabilities, contingent liabilities and other commitments for the reasons and perception of the Management.

- b) Note No.26(12)(a)&(b) and 26 (15) of the financial statements regarding recoverability of Trade Receivables, Advances and Impairment of Assets other than those provided for during the year, which has been considered good by the Management.

Our opinion is not modified in respect of these matters.

Annexure – B to the Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Jyoti Limited (“the Company”) as of March 31, 2017, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Emphasis of Matters

The accounts of Trade Receivables, Trade Payables and Advances are subject to reconciliation/confirmation. The Management does not expect any material difference affecting the financial statements on reconciliation. In our opinion, this may have an effect on the functioning of the Company.

However, our opinion is not modified in respect of these matters.

Despite adequate order book in hand, Company could not progress on various orders. The Company also faced severe working capital shortage, which led to devolvement of LCs falling due for payments. Non-availability of documentary credit disrupted the material supplies and thereby production/execution process, leading to severe liquidity crunch. Company failed to meet its commitments towards its suppliers. This resulted in further delay in execution of projects which were underway. Slowdown in infra sector also impacted Company's customers i.e. principal contractors/partners, by way of non recovery of dues from them, leading to slow execution of orders. In the backdrop of delayed execution cycle directly increasing the envisaged cost of projects, Company faced challenge to manage its receivables cycle on two counts, firstly derailment of collection trend from envisaged schedule, secondly likelihood of probable bad debts. As a result, after detailed assessment of the overall receivables outstanding, Management has considered making a provision for doubtful debts of ₹ 6360.97 lakhs in the books of account. However, the management is very positive about its viability and optimistic about its future in view of Company's performance, which has shown a marked improvement in operations during the current year. Company continues to execute orders in hand and obtain new orders, despite adversities. The uptrend is expected to continue. The Company is seriously considering alternative proposals to reach at an amicable debt resolution with the banks.

In view thereof, the Consolidated Financial Statements have been prepared by the Management on a 'Going Concern' basis. No adjustment is considered necessary by the Management to the recorded assets, recorded liabilities, contingent liabilities and other commitments for the reasons and perception of the Management.

- b) The accounts of Trade Receivables, Trade Payables and Advances are subject to reconciliation/confirmation.
